UNITS SELECTED IN INCOME AND RENT DETERMINE POINTS FOR THE BONUS POINT CATEGORY

Note: In order to qualify for any tax credits, a development must meet one of two minimum threshold occupancy tests. Either (i) at least 20% of the units must be rent-restricted and occupied by persons whose incomes are 50% or less of the area median income adjusted for family size (this is called the 20/50 test) or (ii) at least 40% of the units must be rent-restricted and occupied by persons whose incomes are 60% or less of the area median income adjusted for family size (this is called the 40/60 test), all as described in Section 42 of the IRC. Rent-and income-restricted units are known as low-income units. If you have more low-income units than required, you qualify for more credits. If you serve lower incomes than required, you receive more points under the ranking system.

ARTICLE 4. PERCENTAGE INTERESTS; CAPITAL CONTRIBUTIONS

4.1. <u>Percentage Interests</u>. The Percentage Interests and Units in the Company of the Members are as follows:

Member	Percentage Interest	Units	
SP Cambridge Manager LLC	0.01%	1.	
J. David Page	99.99%	9999

4.4. Additional Contributions.

- 4.4.1. Except as provided in this Section 4.4, no Member will be required to make any additional Capital Contributions.
- 4.4.2. The Members may be required to make additional Capital Contributions in accordance with the provisions of this Section 4.4 for the purposes of preserving or maintaining Company assets or of funding operating deficits of the Company. Any such assessment must be levied upon all Members in proportion to the number of Units held by each.
- 4.4.3. The Manager shall have the authority to assess upon the Members the requirement to make additional Capital Contributions. Upon a determination of an assessment, each Member shall be notified in writing of the amount of the additional Capital Contribution assessed per Unit. Each Member shall be required to contribute the assessed amount multiplied by the number of Units it owns within ten (10) days after the date of the notice.
- 4.4.4. If a Member fails to pay an assessed additional Capital Contribution when due, the Member will be required to pay interest on the unpaid balance. Interest will accrue on the unpaid balance from the date payment is due until fully paid at a rate which exceeds the Prime Rate by three percent (3%) per annum, compounded annually.

- 4.4.5. If a Member fails to pay an assessed additional Capital Contribution when due, the Company may (i) retain distributions to which the Member would otherwise be entitled, and such retained distributions shall be applied against the additional Capital Contribution due (including interest), and/or (ii) at the Manager's election, sell the Member's Units (the "Sale Units"). In either event, the Company may apply the retained distributions or the proceeds of sale to pay the unpaid assessment obligation together with any accrued interest. If the Company elects to sell a defaulting Member's Sale Units, the sale may be accomplished at either a public or private sale. The defaulting Member will bear all expenses of the sale. All interest of the defaulting Member in the Company will terminate upon any such sale. Each Member agrees that a private sale of such Sale Units upon ten (10) days' prior written notice sent only to existing Members will be a commercially reasonable sale. If the Manager cannot, in its judgment, sell the Sale Units in a transaction not involving a public offering, the Members may purchase the Sale Units at a price equal to fifty percent (50%) of the defaulting Member's Capital Account balance, if positive, and \$50 if negative. (Each Member may purchase that number of the Sale Units which is in the same proportion to the total Sale Units as the number of Units owned by the Member bears to the total number of Units owned by all Members who elect to purchase the Sale Units, or such other number of Sale Units as may be agreed upon among the Members exercising the purchase rights.) In the event of any sale of a Member's Units pursuant to this Section 4.4.4, the Company will be entitled to retain the amount of the unpaid assessment, plus interest accrued on the unpaid balance as provided in Section 4.4.4, and all costs of sale. Any excess of the price received for the Units over the amount which the Company is entitled to retain pursuant to the provisions of this Section 4.4.4 will be paid to the party which proves that it is entitled thereto. If the price received for Units is not sufficient to cover the amount which the Company is entitled to retain pursuant to the provisions of this Section 4.4.4, the defaulting Member will remain liable for the deficiency. The Company will be entitled to collect the deficiency, together with attorneys' fees and costs of collection, pursuant to the provisions of 4.4.6.
- 4.4.6. If the Manager elects not to sell the Units of a defaulting Member pursuant to the provisions of Section 4.4.4, or if the Manager elects to sell the Units, but the price received for the Units is not sufficient to satisfy all amounts to which the Company is entitled pursuant to the provisions of Section 4.4.4, the defaulting Member will remain liable for the entire unpaid balance of the assessment, plus interest accrued pursuant to Section 4.4.4 plus all costs of sale, if any, reduced by the price received for any Units that are sold. The Company will be entitled to collect any such amounts, together with attorneys' fees and costs of collection, from the defaulting Member.
- 4.5. Optional Loans by Members. If the Company requires funds in excess of any amounts the Manager determines can reasonably be raised by means of assessments of additional Capital Contributions pursuant to Section 4.4, the Manager, or any Member authorized in writing by the Manager, may advance to the Company as Optional Loans monies in excess of its required Capital Contributions. No such Optional Loan will result in an increase in the number of Units owned by the lending Member. The amount of any Optional Loan will not be credited to the lending Member's Capital Account. An Optional Loan will be an obligation of the Company to the lending Member and will be repaid to the lending Member before any amount may be distributed to any Member with respect to Units. Each Optional Loan will bear interest from and after the date of the loan advance at a rate equal to three percent (3%) per annum in excess of the Prime Rate. Interest on Optional Loans shall be payable without regard to the profits or losses of the Company and will be treated as a transaction with a Member other than in its capacity as a member of the Company pursuant to Section 707(a) of the Code. All Optional Loans will be

repayable solely from the Company's assets and represented by promissory notes executed by the Company.

4.6. Capital Accounts.

- 4.6.1. <u>Accounts</u>. The Company will establish on its books a Capital Account for each Member. Capital Accounts will be maintained in accordance with the provisions of this Agreement and the requirements of Section 1.704-1 of the Regulations.
- 4.6.2. <u>Basic Capital Account Adjustments</u>. A Member's Capital Account (1) *will be increased by* (A) the Member's Capital Contribution (including the fair market value of any property contributed to the Company, net of liabilities assumed by the Company and liabilities to which the contributed property is subject), and (B) the Member's distributive share of Company income and gains (or items thereof), including income or gains exempt from tax; and (2) *will be reduced by* (A) all distributions to the Member of cash or property (computed at the fair market value of any distributed property and net of liabilities assumed by the Member and liabilities to which the distributed property is subject), and (B) the Member's distributive share of Company expenses, losses, and deductions (or item thereof), including the Member's share of expenses which are not deductible in computing taxable income; and (3) *will be further adjusted* in certain circumstances as provided in Sections 4.6.3 and 4.6.4, or as otherwise may be necessary to satisfy the requirements of Section 1.704-1 of the Regulations.
- 4.6.3. <u>Special Adjustment Upon Liquidation</u>. If Company assets are distributed in kind to one or more Members as a result of the liquidation and winding up of the Company or the termination of a Member's interest in the Company, the Members' Capital Accounts will be adjusted to reflect the manner in which the unrealized gain or loss, or any other item of income or deduction inherent in the distributed property (that has not been reflected in the Capital Accounts previously) would be allocated among the Members if the Company sold the distributed property for its fair market value on the date of distribution.
- 4.6.4. Adjustments to Capital Accounts Where Book Value Differs from Adjusted Tax Basis. As provided in Section 4.6.2, a Member's Capital Account will be increased by the fair market value of any property the Member has contributed to the Company. In such case, an asset's Book Value may differ from its Adjusted Tax Basis, and the Capital Accounts of the Members will have been adjusted at the time of the contribution to reflect the Book Values of Company assets, rather than Adjusted Tax Basis. In those circumstances, in order to account for the differences between Book Values and Adjusted Tax Basis, the Members' Capital Accounts will be adjusted in accordance with Section 1.704-1(b)(2)(iv)(g) of the Regulations for subsequent allocations to the Members of Book Items of depreciation, depletion, amortization, and gain or loss, with respect to the contributed property. In all other cases, the Capital Account adjustments required by Section 4.6.2 will be made with reference to Tax Items. For these purposes, Book Items of depreciation and amortization with respect to Company property may be computed in accordance with any reasonable method selected by the Manager.
- 4.7. <u>No Creditor or Third Party Rights</u>. This Agreement is entered into among the Company and the Members for the exclusive benefit of the Company, its Members, and their successors and assignees. This Agreement is expressly not intended for the benefit of any creditor of the Company or any other Person. No creditor or third party shall have any rights under this Agreement, or any agreement between the Company and any Member with respect to any Capital Contribution or otherwise. No creditor of this Company, nor any creditor of any

Member, shall have any rights to enforce any obligations of the Members to make Capital Contributions to this Company.

ARTICLE 5. ALLOCATIONS; DISTRIBUTIONS

5.1. Allocations.

5.1.1. <u>Determination of Profits and Losses</u>. Except as otherwise stated, for purposes of this Agreement, Company "profits," "gains," and "losses" will include both Book Items (for purposes of certain Capital Account adjustments to be based on Book Items under the provisions of Section 4.6) and Tax Items (for purposes of determining the Members' distributive shares of taxable income, gain, or loss pursuant to Section 704 of the Code and the Regulations). Except where Tax Items differ from Book Items as provided in Section 4.6.4, all Tax Items and Book Items of profit, gain, or loss will be allocated in the same manner.

5.1.2. Allocation of Net Profits and Net Losses.

- 5.1.2.1. <u>Generally</u>. Except as otherwise provided in this Section 5.1, all profits and losses from Company operations and all other items of deduction, credit, preference and the like (both Book Items and Tax Items) will be allocated among the Members in proportion to their Percentage Interests.
- 5.1.2.2. Special Allocation of Tax Depreciation for Contributed or Revalued Property. If the Initial Book Value of a Company asset differs from its Adjusted Tax Basis because it was contributed to the Company at a time when its fair market value differed from its Adjusted Tax Basis, then Tax Items of income, gain, loss, and deduction will be allocated first among the Members so as to account for the variation between the Adjusted Tax Basis and the Initial Book Value of the asset at the time of contribution, in accordance with Section 704(c) of the Code and Paragraph (b)(2)(iv)(b) of Section 1.704-1 of the Regulations. Corresponding Book Items will nonetheless be allocated in accordance with Section 5.1.2.1 above.
- 5.1.3. Allocation of Income, Gain, or Loss Resulting from a Capital Transaction. All income, gain, or loss recognized by the Company as the result of an Interim Capital Transaction or a Terminating Capital Transaction will be allocated among the Members in the same manner as is provided for the allocation of net profits and net losses in Section 5.1.2. If a Capital Transaction involves Company assets having either Unrealized Appreciation or Unrealized Depreciation, the resultant Book Gain or Loss will be allocated as provided generally in this Section 5.1.3. However, Tax Gain or Loss recognized by the Company in any such Capital Transaction will be allocated as follows:
- 5.1.3.1. Gain. If gain results from a Capital Transaction involving an asset with respect to which there is Unrealized Appreciation, then Tax Gain will first be allocated entirely to the Contributing Member(s) in the manner contemplated by Section 704(c) of the Code and the corresponding Regulations, until an amount of Tax Gain has been allocated which is equal to the amount of the Unrealized Appreciation or until all Tax Gain is allocated, whichever occurs first. The Capital Account of a Contributing Member will not be adjusted in the manner provided in Section 4.6.2 with respect to the amount of Tax Gain so allocated. Any Tax Gain in excess of the amount of the Unrealized Appreciation, and any Tax Gain resulting from a Capital Transaction involving an asset with respect to which there is Unrealized Depreciation will be allocated in the same manner as Book Gain with respect to such asset is allocated pursuant to of this Section 5.1.3.

- 5.1.3.2. <u>Loss</u>. If loss results from a Capital Transaction involving an asset with respect to which there is Unrealized Depreciation, then Tax Loss will first be allocated entirely to the Contributing Members(s), in the manner contemplated by Section 704(c) of the Code and the corresponding Regulations, until an amount of Tax Loss has been allocated which is equal to the amount of such Unrealized Depreciation or until all Tax Loss is allocated, whichever occurs first. The Capital Accounts of the Contributing Member(s) will not be adjusted in the manner provided in Section 4.6.2 with respect to the amount of Tax Loss so allocated. Any Tax Loss in excess of the amount of Unrealized Depreciation and any Tax Loss resulting from a Capital Transaction involving an asset with respect to which there is Unrealized Appreciation will be allocated in the same manner as Book Loss is allocated pursuant to of this Section 5.1.3.
- 5.1.4. <u>Limitation</u>. The Loss allocated to each Member for any Company fiscal year pursuant to this Section 5.1 shall not exceed the maximum amount of Loss that can be so allocated without causing such Member to have a Deficit Capital Account at the end of the fiscal year.
- 5.1.5. <u>Further Special Allocations</u>. The following special allocations shall be made for any fiscal year of the Company in the following order:
- 5.1.5.1. <u>Minimum Gain Chargeback.</u> If there is a net decrease in Company Minimum Gain during any Company fiscal year, each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Regulation Sections 1.704-2(f) and 1.704-2(g)(2). The items to be so allocated, and the manner in which those items are to be allocated among the Members, shall be determined in accordance with Regulation Sections 1.704-2(f) and 1.704-2(g)(2). This Section 5.1.5.1 is intended to satisfy the minimum gain chargeback requirement in Regulation Section 1.704-2(f) and shall be interpreted and applied accordingly.
- 5.1.5.2. <u>Member Minimum Gain Chargeback.</u> If there is a net decrease in Member Minimum Gain during any Company fiscal year, each Member who has a share of that Member Minimum Gain, determined in accordance with Regulation Section 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in Member Minimum Gain, determined in accordance with Regulation Sections 1.704-2(i)(4) and 1.704-2(i)(5). The items to be so allocated, and the manner in which those items are to be allocated among the Members, shall be determined in accordance with Regulation Sections 1.704-2(i)(4) and 1.704-2(g)(2). This Section 5.1.5.2 is intended to satisfy the minimum gain chargeback requirement in Regulation Section 1.704-2(i)(4) and shall be interpreted and applied accordingly.
- 5.1.5.3. Qualified Income Offset. In the event that any Member unexpectedly receives any adjustments, allocations, or distributions described in Regulation Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Company income and gain shall be specially allocated to such Member in an amount and in a manner sufficient to eliminate as quickly as possible, to the extent required by Regulation Section 1.704-(1)(b)(2)(ii)(d), the Deficit Capital Account of the Member (which Deficit Capital Account shall be determined as if all other allocations provided for in this Agreement have been tentatively made as if this Section 5.1.5.3 were not in this Agreement).

- 5.1.5.4. <u>Nonrecourse Deduction</u>. Nonrecourse Deductions shall be allocated among the Members in accordance with their respective Percentage Interests.
- 5.1.5.5. <u>Member Nonrecourse Deductions</u>. Any Member Nonrecourse Deductions shall be specially allocated among the Members in accordance with Regulation Section 1.704-2(i).

- 5.1.6.1. Allocations to Achieve Economic Agreement. The allocations set forth in Section 5.1.5 are intended to comply with certain regulatory requirements under Code Section 704(b). The Members intend that, to the extent possible, all allocations made pursuant to such Sections will, over the term of the Company, be offset either with other allocations pursuant to Section 5.1.5 or with special allocations of other items of Company income, gain, loss, or deduction pursuant to this Section 5.1.6.1. Accordingly, the Members agree to make offsetting allocations of Company income, gain, loss or deduction under this Section 5.1.6.1 in whatever manner the Manager determines is appropriate, to the extent permitted by the Treasury Regulations, so that, after such offsetting special allocations are made, the Capital Accounts of the Members are, to the extent possible, equal to the Capital Accounts each would have if the provisions of Section 5.1.5 were not contained in this Agreement.
- 5.1.6.2. <u>Waiver of Application of Minimum Gain Chargeback</u>. The Members shall request from the Commissioner of the Internal Revenue Service a waiver, pursuant to Regulation Section 1.704-2(f)(4), of the minimum gain chargeback requirements of Regulation Section 1.704-2(f) if the application of such minimum gain chargeback requirement would cause a permanent distortion of the economic arrangement of the Members.

5.1.7. Certain Allocation Rules.

- 5.1.7.1. Any income recognized pursuant to Sections 1245 or 1250 of the Code, and any investment credit recapture recognized pursuant to Section 47 of the Code, or successor provisions then in effect, shall be allocated to the Members in the same proportions that the tax depreciation deductions and investment credits giving rise to such income or recapture were allocated to such Members and their respective predecessors in interest, if any.
- 5.1.7.2. The share of each Member in any allocation made to the Members shall be in the same ratio as the number of Units owned by that Member bears to the number of Units owned by all Members entitled to share in that allocation.
- 5.1.7.3. For the year during which an additional Member is admitted to the Company, the additional Member shall be allocated a share of the profits and losses which is calculated using either of the following methods, in the discretion of the Manager:
- 5.1.7.3.1. ratably on a daily basis with respect to the period that the additional Member is a Member of the Company; or
- 5.1.7.3.2. by dividing the Company fiscal year into two or more segments and allocating profits and losses in each segment among the persons who were Members during that segment.

Any allocation under this Section 5.1.7.3 must be consistent with the methods authorized by Section 706 of the Code and the corresponding Regulations. If neither of the methods described above is consistent with the methods authorized by Section 706 of the Code and the corresponding Regulations, the Manager may allocate profits and losses to the additional Member in any manner that is consistent with such methods.

- 5.1.7.4. In any year in which a Member sells, assigns, or transfers all or any portion of a Unit to any person who, during such year, is admitted as a substitute Member, the share of all profits and losses with respect to the transferred Unit will be divided between the assignor and the assignee on the basis of the number of days in the year before, and the number of days on and after, the execution by the assignee of this Agreement. The assignor and the assignee may, by agreement, make special provisions for the allocation of items of profit, gain, loss, deduction, or credit as may from time to time be permitted under the Code and for the distributions under this ARTICLE 5, but such provisions for allocations and distributions will bind the Company only after it has received notice from the assignor and assignee.
- 5.1.7.5. Solely for purposes of determining a Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Regulation Section 1.752-3(a)(3), the Members' interests in the Company's profits shall be determined for each tax year by the Members in accordance with Regulation Section 1.752-3(a)(3).
- 5.1.7.6. The income, gains, losses, deductions and expenses of the Company shall be allocated, for federal, state and local income tax purposes, among the Members in accordance with the allocation of such income, gain, losses, deductions and expenses among the Members for computing their Capital Accounts, except that if such allocation is not permitted by the Code or other applicable law, the Company's subsequent income, gains, losses, deductions and expenses shall be allocated among the members so as to reflect as nearly as possible the allocation set forth herein in computing their Capital Accounts.

5.2. Distributions.

ARTICLE 10. TRANSFERS OF UNITS; WITHDRAWAL AND ADMISSION OF MEMBERS

- 10.1. Transfers of Units by Members; Withdrawal and Admission of Members.
- 10.1.1. <u>Prohibition on Transfer</u>. Except as otherwise provided in this Section 10.1, a Member may not in any way transfer or encumber any Units it owns. Any purported transfer or encumbrance not expressly permitted by and in compliance with the provisions of this Section 10.1 will be void and of no force or effect. If a Member is a corporation, partnership, limited liability company, or other entity, a transfer (whether individually or in the aggregate since the date of this Agreement) of more than forty-nine percent (49%) of the voting or beneficial interests in such entity shall constitute a transfer of Units requiring compliance with this Section.
- 10.1.2. <u>Investment Purposes</u>. Each Member represents and warrants to the Manager and to the Company that any Units it has acquired or will acquire in the future have been and will be acquired by such Member as principal for its own account, for investment purposes only, and not with a view to the resale or distribution of any of the Units.
- 10.1.3. <u>Permitted Transfers without Refusal Rights</u>. Subject to the conditions contained in Section 10.1.5, a Member may, with thirty (30) days' prior written notice to the Manager, transfer any or all of the Units it owns to any one or more persons or entities described below:

10.1.3.1. Any Member.

10.1.3.2. A transfer to any person or entity when the Manager has consented to such transfer in writing.

- 10.1.4. Other Transfers Subject to Refusal Rights. If a Member (a "Transferring Member") receives a bona fide third party offer ("Third Party Offer") from a person who is not described in Section 10.1.3 (the "Purchaser") to purchase some or all of the Transferring Member's Units and the Transferring Member wishes to sell such Units to the Purchaser, the Transferring Member must first offer to sell the Units to the other Members ("Remaining Members") on the same terms as the Third Party Offer. In such event, the Transferring Member must notify the Manager and each Remaining Member in writing of the Third Party Offer. The notice must include a copy of the Third Party Offer. The Remaining Members then shall have the right, for a period of thirty (30) days, to purchase, in the aggregate, all (but no lesser portion) of the Units which are the subject of the Third Party Offer. During that period, each Member may purchase, on the terms set forth in the Third Party Offer, that number of the offered Units which is in the same proportion to the total number of offered Units as the number of Units owned by the Member bears to the total number of Units owned by all Members exercising the refusal rights described in this Section, or such other number of Units as may be agreed upon among the Members exercising the refusal rights. To exercise the right of refusal, a Member must notify the Transferring Member of its election to that effect within thirty (30) days after receiving the Transferring Member's notice of the Third Party Offer, and must simultaneously send a copy of its notice of election to the Manager. Any Member that does not timely notify the Transferring Member of its election to exercise the refusal right described in this Section will be deemed to have elected to purchase none of the offered Units. If the Members, as a group, fail to timely exercise the right to purchase all, but no lesser portion, of the offered Units, then, subject to the conditions contained in Section 10.1.5, the Transferring Member shall have the right, for a period of sixty (60) days, to sell the offered Units to the Purchaser on the terms specified in the Transferring Member's initial notice to the Members of the Third Party Offer. The Transferring Member may not transfer any of the offered Units (i) after the sixty (60) day period, or (ii) to any person or entity other than the Purchaser, or (iii) on terms in any way different from those disclosed in the notice of the Third Party Offer, without first offering to sell the Units to the Members in accordance with the provisions of this Section 10.1.4.
- 10.1.5. <u>Conditions Precedent to Any Transfer or Encumbrance</u>. Notwithstanding any contrary provision contained in this Agreement, no Member may transfer or encumber any Units:
- 10.1.5.1. Without first notifying the Manager, in writing, thirty (30) days in advance of any proposed transfer or encumbrance;
- 10.1.5.2. If deemed necessary by the Manager, unless and until the Company has received an opinion of counsel for the Company, prepared at the Member's expense, stating that the proposed transfer or encumbrance will not cause the termination of the Company for federal income tax purposes; and
- 10.1.5.3. Unless and until the transferor has made all Capital Contributions required under this Agreement.
- 10.1.6. <u>Effect of Transfer</u>. If any purported transfer of a Member's Units does not comply with the various requirements and restrictions contained in this Section 10.1, it will be void

and of no force or effect. If any such purported transfer complies with the various requirements and restrictions contained in this Section 10.1, then effective on the date of the transfer, the transferor will cease to be a Member with respect to the transferred Units and, whether or not the transferee is admitted to the Company as a substitute Member pursuant to the provisions of Section 10.1.7, the transferee will be entitled to receive all future distributions to which the transferor would otherwise be entitled. The Manager will be entitled to treat the transferor as the record owner of the transferred Units until the effective date, and will incur no liability for distributions made in good faith to the transferor prior to the effective date. No such transfer will relieve the transferor of its existing obligations under this Agreement.

10.1.7. Substitute Members.

10.1.7.1. A transferee of a Member's Units will not be admitted to the Company as a substitute Member unless:

10.1.7.1.1. The transfer complies with all requirements of

10.1.7.1.2. The transferor gives the transferee the right to be substituted in its place;

10.1.7.1.3. The Manager has consented in writing to the admission of the transferee as a substitute Member; and

10.1.7.1.4. The transferee has agreed in writing to be bound by all of the terms and conditions of this Agreement, and has paid all expenses of the Company incurred in connection with the transfer.

- 10.1.7.2. If the transferee of a Member's Units is at that time a Member with respect to other Units, the transferee shall automatically be a substitute Member with respect to the transferred Units.
- 10.1.7.3. Upon admission to the Company as a substitute Member, a transferee shall succeed to all rights and obligations of its transferor under this Agreement. If a transferee is not admitted as a substitute Member, then notwithstanding any other provision of this Agreement, the transferee shall be an Economic Interest Member.
- 10.1.8. <u>Death</u>, <u>Incompetency</u> of a <u>Member</u>. The death, legal incompetency, bankruptcy, insolvency, withdrawal, expulsion, dissolution, or other disability (a *"Dissociating Event"*) of a Member (a *"Dissociating Member"*) will not dissolve or terminate the Company; the Company shall continue without a dissolution. Upon any Dissociating Event, the estate, legal representative, guardian, or other successor to such Dissociating Member's interests will have all rights to receive distributions which otherwise would be made to the Dissociating Member, and will succeed to all obligations of such Dissociating Member under the terms of this Agreement. Subject to the terms and conditions of this Agreement, any such successor may be, but is not required to be, admitted to the Company as a substitute Member. If not admitted as a substitute Member, the successor shall be an Economic Interest Member.
- 10.1.9. <u>No Resignation or Withdrawal</u>. A Member may not resign or withdraw as a Member of the Company.

Section 10.1;

10.2. Transfers of Units by a Manager; Withdrawal and Admission of Manager.

- 10.2.1. Transfer of Units. Except as otherwise provided in this Section 10.2, a Manager may transfer or encumber its Units to the same extent and subject to the same restrictions and limitations as set forth in Section 10.1. If a Manager wishes to transfer or encumber some or all of its Units it must notify each other Member and Manager no less than thirty (30) days in advance of the proposed transfer or encumbrance. A Manager may not transfer or encumber any Units unless and until the Company has received an opinion of counsel for the Company, prepared at such Manager's expense, stating that the proposed transfer or encumbrance will not cause the termination of the Company for federal income tax purposes.
- 10.2.2. <u>Events of Withdrawal of Manager</u>. A Manager will cease to be a Manager of the Company if and when:
- 10.2.2.1. The Manager resigns as Manager of the Company as provided in Section 10.2.3;
- 10.2.2.2. The Manager is removed as Manager in accordance with the provisions of Section 10.2.4, or
- 10.2.2.3. The Manager dies, is declared incompetent, becomes insolvent or bankrupt, or is dissolved.
- 10.2.3. <u>Resignation of Manager</u>. A Manager may resign as a manager of the Company upon ninety (90) days' notice to the Company and to each Manager and Member. In any such event, the Manager may retain any or all of its Units. From and after the effective date of the Manager's resignation, it will be treated as a Non-Manager Member with respect to any Units it owns.
- 10.2.4. Removal of Manager. A Manager may be removed as manager of the Company either with or without cause by the affirmative vote of Members holding more than fifty percent (50%) of all Voting Units including any Voting Units held by such Manager. In the event of such removal, such Manager will not be relieved of any obligations or liabilities to the Company or to any of its Members resulting from events occurring prior to the date of removal. From and after the date of removal, such Manager will cease to be a Manager of the Company, and will be treated as a Non-Manager Member with respect to any Units it continues to hold.
- 10.2.5. Additional or Substitute Manager. If a Manager ceases to be manager of the Company for any of the reasons described in Section 10.2.2, and as a result the Company no longer has a Manager, and if the Company is continued pursuant to Section 10.2.6, then Members owning Units constituting, in the aggregate, more than fifty percent (50%) of the Voting Units may admit one or more persons or entities to the Company as successor Manager(s). At any other time, an additional Manager may be admitted to the Company as a manager only with the consent of each Manager and Members owning more than fifty percent (50%) of the Voting Units. In no event may any person or entity be designated an additional or successor Manager unless and until such person or entity has agreed in writing to be bound by the terms and conditions of this Agreement.
- 10.2.6. <u>Continuation of Company</u>. If a Manager ceases to be a manager of the Company for any of the reasons described in Section 10.2.2, this Company shall continue without a dissolution. If, as a result of the event which causes a Manager to cease to be a manager of

the Company, the Company no longer has a Manager, this Company shall continue without a dissolution, and the successor Manager(s) shall be determined pursuant to Section 10.2.5 above.

ARTICLE 11. DISSOLUTION, WINDING UP, AND TERMINATION

The Members will continue to share income, gains, expenses, losses, and all other items during the period of liquidation in the same proportion as before the dissolution. The Manager or the Liquidator will have the full right and unlimited discretion to determine the time, manner, and terms of any sale or sales of Company property pursuant to the liquidation. Pending the sales, the Manager or the Liquidator may continue to operate and otherwise deal with the assets of the Company.
- 11,2.2. <u>Time for Liquidation</u>. A reasonable time will be allowed for the orderly winding up of the business of the Company and the liquidation of its assets and the discharge of its liabilities to creditors so as to enable the Manager or the Liquidator to minimize the normal losses attendant upon a liquidation, having due regard to the activity and condition of the relevant markets for the Company properties and general financial and economic conditions.
- 11.2.3. Right of Member to Purchase. Any Member may be a purchaser of any properties of the Company upon liquidation of the Company's assets, including, without limitation, any liquidation conducted pursuant to a judicial dissolution or otherwise under judicial supervision; provided, however, that the purchase price and terms of sale must be fair and reasonable to the Company.
- 11.2.4. <u>Cooperation</u>. In the course of any such winding up, any signature required of a Member (or the trustee, receiver, estate, personal representative, surviving spouse, or successor of a deceased, incapacitated, or insolvent Member) for the transfer of title to any property, real or personal, which has previously been owned by the Company, will not be unreasonably withheld. If any Member, representative, surviving spouse, or successor unreasonably withholds its signature, then the Manager or the Liquidator may sign the Member's name.

11.2.5. Method of Liquidation; Distributions.

11.2.5.1. <u>Method</u>. The person having authority to wind up may liquidate the Company by either or both of the following methods:

- 11.2.5.1.2. Distributing the Company's assets to the Members in kind, with each Member receiving an undivided interest in the Company's assets, subject to its liabilities, based upon the priority of distributions under Section 11.2.5.2.
- 11.2.5.2. <u>Priority of Distribution</u>. The proceeds of any dissolution or liquidation (after the payment of Company liabilities or reservation of amounts for that purpose), and/or any distribution in kind, will be applied and distributed in the order of priority (to the extent that such order of priority is consistent with the laws of the State) specified in Section 5.2.2.2 above, in satisfaction of the Member's interest in the Company.
- 11.2.5.3. <u>In-Kind Distributions</u>. If any assets are to be distributed in kind, rather than in cash, they will be distributed on the basis of fair market values, and the Members' respective Capital Accounts will be adjusted for the gain or loss that would have been recognized by them in accordance with Section 1.704-1 of the Regulations had such assets actually been sold at fair market value as of the date of distribution. If the Members cannot agree on the fair market values of the Company's assets for purposes of this Section 11.2.5.3, the matter will be submitted to arbitration in accordance with Section 13.12.
- 11.2.5.4. <u>Dissolution</u>. Upon completion of the liquidation, the Company will be deemed completely dissolved and terminated, and the person responsible for winding up will file in the office of the Department of State of the State of Florida a certificate of cancellation, as required by the Act.

Neither the Manager nor any other Member will be personally liable to any Member for any deficit in the Member's Capital Account or for the return of all or any part of the Capital Contributions or advances of the Member. Any such return shall be made solely from the Company assets.
- 11.4. <u>Statement to Members</u>. The person responsible for winding up shall furnish to each of the Members a statement, prepared at Company expense, which sets forth the assets and liabilities of the Company at the commencement of liquidation and an accounting with respect to the liquidation.

ARTICLE 12. VOTING RIGHTS OF MEMBERS

- 12.1. <u>Voting on Amendments</u>. This Agreement may not be amended in any respect which would (a) increase the liability, (b) increase the required Capital Contributions, or (c) adversely affect the rights or interests in the profits, losses, or distributions of this Company, of any Member, without the consent of each Member so affected. This Agreement may be amended in any other respect by the Manager.

- 13.5. <u>Entire Agreement</u>. This Agreement represents the entire understanding of the parties with respect to its subject matter. There are no other prior or contemporaneous agreements, either written or oral, among the parties with respect to this subject.
- 13.6. <u>Waiver</u>. No right or obligation under this Agreement will be deemed to have been waived unless evidenced by a writing signed by the party against whom the waiver is asserted, or its duly authorized representative. Any waiver will be effective only with respect to the specific instance involved, and will not impair or limit the right of the waiving party to insist upon strict performance in any other instance, in any other respect, or at any other time.
- 13.7. <u>Number and Gender</u>. When required by the context, (a) the singular will include the plural and vice versa, (b) the masculine will include the feminine and neuter genders, and vice versa, and (c) the word "person" will include trust, corporation, firm, partnership, company, or other form of association or entity. If there is more than one Manager or Member, the term "Manager" or "Member" will refer to the plural, as appropriate.
- 13.8. <u>Attorneys' Fees.</u> If any litigation or other dispute resolution proceeding is commenced between parties to this Agreement to enforce or determine the rights or responsibilities of such parties, the prevailing party or parties in any such proceeding will be entitled to receive, in addition to such other relief as may be granted, its reasonable attorneys' fees, expenses, and costs incurred preparing for and participating in such proceeding.
- 13.9. <u>Counterparts; Facsimile</u>. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original and all of which together will constitute a single agreement. Delivery of a facsimile or other copy of this Agreement has the same effect as delivery of an original.
- 13.10. <u>Waiver of Action for Partition</u>. For the term of the Company and for the period of the winding up of its business following dissolution, each party irrevocably waives any right it may have to maintain any action for partition with respect to any of the Company's assets.

- 13.11. <u>Appraisal Rights</u>. All Members expressly waive appraisal rights under Section 605.1006 of the Act, as amended and/or replaced.
- 13.12. <u>Arbitration</u>. Any dispute arising under or in connection with this Agreement will be settled by arbitration as set forth in this Section 13.12. No legal right of action may arise out of any such dispute until arbitration has been completed. Each party, however, will have full access to the courts to compel compliance with these arbitration provisions, to enforce an arbitration award or to seek injunctive relief, whether or not arbitration is available or under way. The arbitration will take place pursuant to the applicable rules and procedures set forth in the Revised Florida Arbitration Code with a single arbitrator. Subject to the provisions of Section 13.8, in any arbitration each party will pay its own costs, witness fees, and attorneys' fees. The fees charged by the arbitrator and the costs of the proceeding shall be borne equally.

Seller shall notify Purchaser in writing ("Seller's Title Response") within ten (10) days of receipt of Purchaser's Title Notice as to which Objections that Seller will not remove as of the Closing Date ("Remaining Objections"). If there are any Remaining Objections, Purchaser may, at its option by written notice within five (5) days after Seller's Title Response: (i) accept title subject to the Remaining Objections, in which event the Remaining Objections shall be deemed to be waived for all purposes, or (ii) terminate this Agreement, in which event any Deposits paid shall be immediately refunded to Purchaser. (In the event that Purchaser does not so notify Seller in writing within five (5) days after Seller's Title Response. Purchaser shall be deemed to have accepted title subject to the Remaining Objections and the Remaining Objections shall be deemed to be waived for all purposes.) Any exceptions permitted on the Title Policy pursuant to this Section 6.1 are referred to herein as "Permitted Exceptions". If the Title Company subsequently updates the Title Commitment with additional exceptions to title, the provisions for Purchaser's Title Notice and Seller's Title Response shall be reinstated with respect to the additional exceptions, with the Purchaser's Title Notice regarding the additional exceptions being due five (5) business days after the date that Purchaser receives the updated Title Commitment. Notwithstanding any of the provisions of this Section 6.1 to the contrary, if Purchaser fails to notify Seller that the condition of title as set forth in the Title Commitment and/or any survey is or is not acceptable within the times set forth herein, the parties hereby agree that the condition of title shall be deemed acceptable.
- 6.2. Liens securing any existing financing shall not be a Permitted Exception. At Closing Seller shall cause the Title Company to pay such financing in full (including any prepayment penalties and defeasance fees) from Seller's sale proceeds, and to obtain a release of such liens.

as may be acceptable to Purchaser, in Purchaser's sole discretion, such matter shall be treated as an Objection and the provisions for Purchaser's Title Notice and Seller's Title Response shall be reinstated with the Purchaser's Title Notice regarding Survey Objections being due ten (10) business days after the date that Purchaser receives the Survey.

- 6.4. Purchaser's obligations hereunder are contingent upon the Title Company, at Closing, being irrevocably and unconditionally committed to issue to Purchaser the Title Policy in accordance with the title requirements listed in this Section 6 (subject only to payment of the premiums for the Title Policy, the Permitted Exceptions, and the standard exceptions), unless this contingency is not met due to Purchaser's failure to meet the Title Company's requirements imposed on Purchaser for issuance of the Title Policy. If this contingency is not met on the Closing Date, this Agreement shall automatically terminate, in which event the Deposits paid shall be immediately refunded to Purchaser.
- Review Period to review all aspects of the Property and the Transaction. In the event that Purchaser approves such review, Purchaser shall so notify Seller in writing ("Purchaser's Approval Notice") on or before expiration of the Contingency Review Period, and the Deposit shall become non-refundable except as specifically provided otherwise in this Agreement. In addition, within one (1) business day after Purchaser's Approval Notice, Purchaser shall increase the Deposit by \$150,000.00 to a total of \$250,000.00 and all Deposits shall become non-refundable except as specifically provided otherwise in this Agreement. In the event that Purchaser, on or before the time required by this Section 7, either: (a) does not provide the Purchaser's Approval Notice to Seller, and does not deliver the increase in the Deposit, or (b) notifies Seller in writing of Purchaser's disapproval of the Property and the Transaction, this Agreement shall automatically terminate as of the expiration of the Contingency Review Period, in which event the Deposits paid shall be immediately refunded to Purchaser.
- Inspections. Purchaser and its agents shall be entitled to inspect the Property and conduct tests on the Improvements and the Land at any time or times prior to the Closing, upon at least three (3) business days' notice to Seller, in order to conduct the evaluations described in this Agreement (including without limitation, engineering studies, environmental site assessments, risk assessments, inspections for the presence of lead based paint and lead based paint hazards, evaluation of drainage and flood plain, borings and soil tests). The right granted to Purchaser to conduct the inspections is subject to the rights of any tenants of the Property with respect to any such inspection, and compliance with tenant leases and applicable laws, and to the inspections being conducted at reasonable times and accompanied by representatives of Seller. Any invasive testing shall be subject to Seller's prior written approval of a testing plan. No physical alteration of the Property is permitted, but if any physical alteration occurs, any physical alteration of the Property in connection with Purchaser's study shall be restored by Purchaser immediately upon demand by Seller, at Purchaser's sole expense. Purchaser shall indemnify Seller against any loss, damage or claim resulting from Purchaser's inspections and tests, except any arising from the discovery of preexisting conditions (so long as Purchaser does not exacerbate any such condition). Purchaser shall not act as Seller's agent in connection with such activities and has no authority to allow any liens to encumber the Property. Purchaser shall not allow any liens to encumber the Property arising out of such activities, and shall indemnify and hold Seller harmless from and against any liens, costs, expenses (including attorney fees), claims, liabilities, and obligations arising in any way out of such activities by Purchaser, as well as Purchaser's employees and agents. All non-public information obtained by Purchaser in connection with Purchaser's due diligence hereunder shall be confidential and will not be disclosed to third parties; provided, however, Purchaser may disclose such information to parties such as Purchaser's consultants, lenders, attorneys and investors. Notwithstanding anything to the contrary contained in this Agreement or in any addenda, amendments or modifications to this Agreement, Purchaser's obligations under this Section 8 shall survive the termination of this Agreement and/or Closing, and shall remain in full force and effect without time limitation until all of such obligations have been fully performed by Purchaser, and all amounts to be paid by Purchaser have been paid.
- 9. <u>Assignment of HAP Contract/HUD Approval</u>. Purchaser's obligation to close the Transaction is expressly contingent ("*HUD Contingency*") upon Purchaser obtaining 2530 clearance from the U.S. Department of Housing and Urban Development ("*HUD*"), a firm commitment from a mortgage

lender ("Loan Commitment"), and HUD approval (itself, and together with the Loan Commitment, "HUD Approval") of an assignment and assumption of the existing Housing Assistance Payments Contract ("HAP Contract") affecting the Property on terms acceptable to Purchaser in its sole discretion. Purchaser shall submit an application ("HAP Application") for HUD Approval within five (5) business days after the expiration of the Contingency Review Period. Seller agrees to cooperate in such efforts, and to sign documents to accomplish such purposes. Purchaser shall pay all costs, fees and charges incurred in connection with obtaining HUD Approval, whether or not HUD Approval is obtained, and/or whether or not the Transaction closes, and this obligation shall survive the termination of this Agreement and/or Closing. If HUD Approval is not obtained on or before ninety (90) days after the expiration of the Contingency Review Period on terms and conditions acceptable to Purchaser in its sole discretion, Purchaser may either (i) terminate this Agreement whereupon the Deposit shall be refunded to Purchaser, except for the nonrefundable portion under Section 4; or (ii) extend the Closing Date in accordance with Section 11. Purchaser agrees to work diligently and in good faith to obtain the Loan Commitment and HUD Approval for the transfer of the HAP Contract. In the event Purchaser is unable to obtain HUD Approval by the expiration of the HUD Extension Period, Purchaser may terminate this Agreement upon giving the other party written notice thereof, in which event the Deposits paid shall be refunded to Purchaser except for the non-refundable portion pursuant to Section 4.

- 10. Contracts. Subsequent to delivery of Purchaser's Approval Notice, Seller shall, upon at least thirty (30) days' written request from Purchaser prior to the Closing Date, give appropriate notices of termination of any service, supply, security, maintenance, employment or other contracts or arrangements ("Contracts") with respect to the Property (other than the Permitted Exceptions), terminating such Contracts as of the Closing Date (or if a Contract cannot be terminated as of the Closing Date, such later date which is the earliest date that such Contract can be terminated in accordance with its terms without a termination fee or charge). In addition, effective as of the Closing Date, Seller shall terminate all property management agreements with respect to the Property. Any Contracts which are not terminated as of the Closing Date in accordance with this Section 10 shall be assigned to, and assumed by, Purchaser at the Closing. As an exception to the foregoing, Purchaser shall not be required to give Seller advance written notice as to any employment agreements, because all employees of Seller are at will employees and may be terminated without notice.
- The Closing and the Closing Date. The sale and purchase of the Property shall be consummated at a Closing to be held on the Closing Date at the offices of the Title Company. Purchaser may select an earlier Closing Date upon at least five (5) business days' written notice to Seller. Neither party need be physically present at the Closing. The Closing Date may be extended by Purchaser for thirty (30) days, which is sixty (60) days after HUD Approval is obtained ("Extension Period"), by Purchaser's providing written notice to Seller accompanied by payment of an additional Deposit of \$200,000 to Escrow Agent, which shall be delivered and paid on or before five (5) days prior to the then applicable Closing Date. In no event shall the Closing Date be extended beyond November 30 December 31, 2018. As used in this Agreement, the term "Closing" shall mean the date all of the documents necessary to transfer title to Purchaser are sent for recording with the appropriate Clerk, Recorder or Auditor and the sales proceeds are available to Seller. Title to and possession of the Property shall transfer to Purchaser at Closing.
- 12. <u>Seller's Obligations at the Closing.</u> At the Closing, Seller shall do the following, through Escrow Agent:
 - 12.1. Execute and deliver to Purchaser and the Title Company:
- 12.1.1. A special warranty deed (the "Deed") conveying to Purchaser fee simple title to the Real Property and Improvements. To the extent that the legal description of the Property as shown in the Survey shows a discrepancy with the legal description attached hereto, the Seller shall also deliver a Quit Claim Deed conveying the Real Property and Improvements to Purchaser using the legal description shown on the Survey.
- 12.1.2. A Bill of Sale, Assignment, and Assumption Agreement on the form attached hereto as Exhibit D.

- 12.1.3. A FIRPTA Affidavit.
- 12.1.4. All other agreements to be executed by Seller as specified herein.

- 12.3. Deliver to Purchaser all tenant leases affecting the Property which are in effect as of the Closing Date, and a Certified Rent Roll certified by Seller to be correct no earlier than five (5) business days prior to the Closing Date.
- 12.4. Deliver to Purchaser all documents, records, plans, keys, permits and other items related to the Property which are in Seller's possession or control.
- 12.5. Deliver to Purchaser a letter from Seller's management company addressed to all tenants directing the tenants to make all future payments to Purchaser's management company, and otherwise complying with any legal requirements regarding the transfer of tenant deposits.
- 12.6. Execute and deliver to Purchaser any state or local tax withholding forms so that Purchaser has no liability for Seller withholding or Seller taxes under state or local law.
- Execute and deliver to Purchaser a certificate, dated as of the date of Closing and executed by Seller, stating that the representations and warranties of Seller contained in this Agreement are accurate in all material respects as of the date of Closing or identifying any representation or warranty which is not, or no longer is, true and correct and explaining the state of facts giving rise to the change. In no event shall Seller be liable to Purchaser for, or be deemed to be in default hereunder by reason of, any breach of representation or warranty which results from any change that (i) occurs between the Effective Date and the date of Closing and (ii) is expressly permitted under the terms of this Agreement or is beyond the reasonable control of Seller to prevent. If the certificate delivered by Seller pursuant to this Section 12.7 indicates any material adverse change in the representations and warranties made by Seller under Sections 14.1, 14.2, 14.3, 14.6 (but only the second sentence thereof), 14.8 (except the second sentence thereof), 14.13, and 14.14, Purchaser shall have the right to terminate this Agreement by written notice to Seller, within one (1) business day after the scheduled Closing Date, in which event the Deposits paid shall be immediately refunded to Purchaser. Further, if the certificate reflects that Seller materially breached a representation or warranty under Section 14 at the time made, Seller shall also reimburse Purchaser for Purchaser's reasonable out-of-pocket expenses actually incurred with third parties in connection with the Transaction (not including attorneys' fees), not to exceed Fifty Thousand Dollars (\$50,000), plus any nonrefundable loan commitment and rate lock fees paid by Purchaser.
- 12.8. Execute and deliver any documents required to effect the assignment of the HAP Contract.
- 12.9. Deliver to Purchaser the Accounts. All Accounts are included in the Purchase Price and shall be transferred to Purchaser by Seller at and through the Closing. If any of the Accounts are held by the holder of a loan or another party, then Seller shall assign such Accounts to Purchaser and instruct the holder of the Accounts that the Accounts have been assigned to Purchaser, and should be paid directly to Purchaser. If the holder of any Accounts credits the amount held in Accounts against the amount due to such holder, then the amount of the Accounts credited shall be credited to Purchaser at Closing by means of a credit against the Purchase Price.
- 12.10. Execute a settlement statement ("Seller Settlement Statement") setting forth any debits and credits payable in connection with the Closing.

- 12.11. Execute and deliver to Purchaser such additional documents as are necessary to carry out the provisions of this Agreement.
- 13. Purchaser's Obligations at the Closing. At the Closing, Purchaser shall do the following, through Escrow Agent:
 - 13.1. Deliver to Seller the Purchase Price.
- 13.2. Execute and deliver to Seller executed counterparts of the Bill of Sale, Assignment, and Assumption Agreement.
- 13.3. Execute and deliver any documents required to effect the assumption of the HAP Contract.
- 13.4. Execute a settlement statement ("Purchaser Settlement Statement") setting forth any debits and credits payable in connection with the Closing.
- 13.5. Execute and deliver to Seller such additional documents as are necessary to carry out the provisions of this Agreement.
- 14. Representations and Warranties of Seller. Each Seller, as to itself and as to its Property, represents and warrants to Purchaser the following:
- 14.1. Seller is duly formed, validly existing and in good standing under the laws of the State of its formation and has all requisite powers and all material governmental licenses, authorizations, consents and approvals to enter into and perform its obligations hereunder and under any document or instrument required to be executed and delivered on behalf of Seller hereunder.
- 14.2. This Agreement has been duly authorized by all necessary action on the part of Seller, has been duly executed and delivered by Seller, constitutes the valid and binding agreement of Seller and is enforceable in accordance with its terms. The person executing this Agreement on behalf of Seller has the authority to do so.
- 14.3. The execution and delivery of, and the performance by Seller of its obligations under this Agreement will not contravene, or constitute a default under, any provision of applicable law or regulation or any agreement, judgment, injunction, order, decree or other instrument binding upon Seller or to which the Property is subject.
- 14.4. Seller has not received any written notice of any threatened or actual cancellation or suspension of any certificate of occupancy or other certificate, license or permit for any portion of the Improvements.
- 14.5. To Seller's knowledge, no Hazardous Materials (as hereinafter defined) exist on or under the Property in violation of law. Hazardous Materials means: (a) substances defined as "hazardous substances," "hazardous materials," or "toxic substances" under federal, state or local law; (b) asbestos and any form of urea formaldehyde foam insulation, transformers or other equipment which contain dielectric fluid or other fluids containing levels of polychlorinated biphenyls; (c) petroleum and/or petroleum products or by-products; and (d) any other chemical, material or substance, exposure to which is prohibited, limited or regulated by any governmental authority or may or could pose a hazard to the health and safety of the occupants of the Property or the owners and/or occupants of the properties adjacent to the Property.
- 14.6. To Seller's knowledge, there currently are no underground storage tanks on the Property. Neither Seller nor anyone acting on its behalf has placed an underground storage tank on the Property nor have any underground storage tanks been placed on the Property during Seller's period of ownership.

- 14.7. Except as may be contained in the Property Documents, Seller has not received any written notice of any pending, or threatened, judicial, municipal or administrative proceedings affecting the Property, including, without limitation, proceedings for or involving collections, condemnation, eminent domain, or alleged building code or environmental or zoning violations, or personal injuries or property damage alleged to have occurred on the Property or by reason of the condition, use of, or operations on, the Property. As an exception from the foregoing, Purchaser acknowledges that Seller may have collection and/or eviction proceedings against tenants of the Property in the ordinary course of business.
- 14.8. Any Contracts disclosed as part of the Property Documents, and/or shown as exceptions on the Title Commitment, constitute all of the Contracts affecting the Property. Seller has not received any written notice of uncured default and Seller has no knowledge of any existing uncured defaults under the Contracts.
- 14.9. Seller shall not intentionally withhold from Purchaser any documents or information regarding the Property the Seller's possession or control.
- 14.10. Except as may be contained in the Property Documents, to Seller's knowledge, there is no legal action of any kind or nature affecting the Property which will in any way affect Purchaser following the purchase of the Property.
- 14.11. Each certified rent roll ("Certified Rent Roll") to be provided pursuant to this Agreement shall be certified by Seller (or the property management company managing the Property) to be true, correct, and complete to its knowledge, and shall contain for each tenant and each tenant's lease the following information: commencement date of the lease; termination date of the lease; monthly rent; monthly additional rent; security deposits (any amounts previously applied to charges shall also be shown); prepaid rents; any other payments or credits applicable to that lease.
- 14.12. There are no outstanding agreements, options, rights of first refusal or other rights to purchase the Property, currently in effect with respect to the Property.
- 14.13. To Seller's knowledge, Seller has not received any written notice, or tenant reports, of any untreated bed bug infestation of any of the buildings and/or apartment units. If any report is make of bed bug infestation prior to Closing, Seller will address and treat immediately.
- 14.14. At all times prior to closing contemplated by this Agreement, Seller: (i) shall not be a Prohibited Person; and (ii) shall be in full compliance with all applicable orders, rules, regulations and recommendations promulgated under or in connection with United States Presidential Executive Order 13224 ("Executive Order"), the Annex to that Executive Order ("Annex") and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("Patriot Act"). The term "Prohibited Person" shall mean any person or entity which meets any of the following criteria:
- 14.14.1. A person or entity listed in the Annex to, or otherwise subject to the provisions of, the Executive Order.
- 14.14.2. A person or entity owned or controlled by, or acting for or on behalf of, any person or entity that is listed to the Annex to, or is otherwise subject to the provisions of, the Executive Order.
- 14.14.3. A person or entity with whom a party is prohibited from dealing or otherwise engaging in any transaction by any terrorism or money laundering law, including the Executive Order.
- 14.14.4. A person or entity that commits, threatens or conspires to commit or supports "terrorism" as defined in the Executive Order.

14.14.5. A person or entity that is named as a "specially designated national and blocked person" on the most current list ("List") published by the U.S. Department of the Treasury, Office of Foreign Assets Control at its official website (www.ustreas.gov/ofac) or at any replacement website or other replacement official publication of such list.

14.14.6. A person or entity who is an Affiliate of a person or entity listed in this Section 14.14.

- 14.15. If, after the Effective Date, any event occurs or condition arises that renders any of the Seller's representations and warranties in Section 14 untrue or misleading in any material respect, and Seller has actual knowledge of the same, Seller shall promptly notify Purchaser in writing of such event or condition. In no event shall Seller be liable to Purchaser for, or be deemed to be in default hereunder by reason of, any breach of representation or warranty which results from any change that (i) occurs between the Effective Date and the date of Closing and (ii) is expressly permitted under the terms of this Agreement or is beyond the reasonable control of Seller to prevent. If a notice from Seller pursuant to this Section 14.15 indicates any material adverse change in the representations and warranties made by Seller, Purchaser shall have the right to terminate this Agreement by written notice to Seller within ten (10) days after Seller's notice, in which event the Deposits paid shall be immediately refunded to Purchaser. If Purchaser does not terminate this Agreement within such time period, Purchaser's termination right in this Section 14.15 shall lapse.
- 14.16. Notwithstanding the foregoing, to the extent that Purchaser obtains knowledge prior to Closing that any of Seller's representations or warranties were untrue when made, or if Seller has delivered or made available to Purchaser information with respect to the Property at any time prior to the Closing Date, and such information is inconsistent with any of the representations and warranties herein and/or indicate that any such representations or warranties were not true when made or will not be true as of the Closing Date, Purchaser shall be deemed to have knowledge of such misrepresentation, and in the event Seller fails to cure such misrepresentation within ten (10) days after receipt of notice from Purchaser, Purchaser's sole remedy as a result thereof shall be to terminate this Agreement, in which event the Deposits paid shall be immediately refunded to Purchaser, and if, notwithstanding such breach of a representation or warranty, Purchaser elects to close the Transaction, Purchaser shall be deemed to have waived its rights with respect to such breach of a representation or warranty, and Seller's representation or warranty shall be deemed amended so as to be true and correct, and Purchaser shall be deemed to have no claim for any breach based thereon following the Closing.
- 15. Representations and Warranties of Purchaser. Purchaser represents and warrants to Seller the following:
- 15.1. Purchaser is duly formed, validly existing and in good standing under the laws of the State of its formation and has all requisite powers and all material governmental licenses, authorizations, consents and approvals to enter into and perform its obligations hereunder and under any document or instrument required to be executed and delivered on behalf of Purchaser hereunder.
- 15.2. This Agreement has been duly authorized by all necessary action on the part of Purchaser, has been duly executed and delivered by Purchaser, constitutes the valid and binding agreement of Purchaser and is enforceable in accordance with its terms. The person executing this Agreement on behalf of Purchaser has the authority to do so.
- 15.3. The execution and delivery of, and the performance by Purchaser of its obligations under this Agreement will not contravene, or constitute a default under, any provision of applicable law or regulation or any agreement, judgment, injunction, order, decree or other instrument binding upon Purchaser.
- 15.4. At all times prior to Closing contemplated by this Agreement, Purchaser: (i) shall not be a Prohibited Person; and (ii) shall be in full compliance with all applicable orders, rules, regulations and recommendations promulgated under or in connection with the Executive Order and the Patriot Act.

16. Seller Covenants. Seller hereby covenants as follows:

- 16.1. Until the Closing Date, Seller shall maintain the Property in substantially the same condition and quality as such was in at the time of the physical inspection of the Property by Purchaser, except for normal wear and tear, and subject to Section 27.5.
- 16.2. All accounts, bills and obligations of the Property shall be paid current up to the Closing Date, and there will be no delinquent amounts owing as of the Closing Date.
- 16.3. Seller shall maintain all Accounts in the ordinary course of business prior to the Closing Date.
- 16.4. As of the Closing Date, there will be no Contracts with respect to the Property other than the Permitted Exceptions.
- 16.5. Subsequent to the Effective Date, Seller shall not enter into any agreements (or extend any current agreements) with respect to the Property (other than residential tenant leases in the ordinary course of Property operations) that will be binding on the owner of the Property and extend beyond the Closing Date, without Purchaser's prior written approval, which may be withheld in Purchaser's sole discretion.
- 16.6. Seller shall continue to operate the Improvements in the ordinary course of business between the Effective Date and the Closing Date, such operation to include the continuation of maintenance and repair programs.
- 16.7. Seller shall cause all apartment units on the Property which become vacant more than seven (7) days prior to Closing to be in a "rent ready" condition, and to the extent that any such units are not in rent ready condition on the Closing Date, Purchaser shall receive a credit at Closing equal to \$2,000.00 for each such unit not in "rent ready" condition. One business day prior to Closing, Seller and Purchaser (or their designated representatives) shall inspect the Property and agree upon the number of non "rent ready" units. The term "rent ready" shall mean cleaned and prepared for occupancy for a new tenant, including the painting or cleaning of walls, the professional cleaning or replacement of carpets, and with all appliances in working condition, consistent with Seller's current standards for units available for rent.
- 16.8. If Seller is aware of any bed bug infestation of any of the buildings and/or apartment units, Seller shall complete a bed bug removal treatment for such buildings and/or units prior to the Closing, in accordance with customary and reasonable industry practices. Seller shall provide to Purchaser documentation evidencing the treatment. Purchaser shall receive a credit at Closing equal to \$1,000.00 for each and every building and/or apartment unit for which such treatment is not completed prior to Closing.
- 16.9. Seller or Seller's agents will not make any material physical modifications to the Land, the Improvements or Personal Property without Purchaser's express, prior, written consent, unless such action is required by law, the terms of any lease or other contract or agreement, or because of emergency (as reasonably determined by Seller).

17. Survival.

- 17.1. Any claim for a breach of such representations and warranties shall survive for one year after the Closing Date. Any claim for a breach of representation or warranty set forth in Sections 14 and 15 of this Agreement shall be barred and shall lapse unless a claim is made in writing, with a description of the claim made, on or before the first anniversary of the Closing Date.
- 17.2. All other provisions of this Agreement shall be deemed merged into or waived by the instruments of Closing, except for those provisions that specifically state that they survive Closing or termination (each a "Surviving Provision"). If a Surviving Provision states that it survives for a limited

Page 9

period of time, that Surviving Provision shall survive only for the limited time specified. Any claim made in connection with a Surviving Provision shall be barred and shall lapse unless a claim is made in writing, with a description of the claim made, on or before the limited time specified in such Surviving Provision.

- 18. Purchaser's Defaults; Seller's Remedies. In the event of a breach by Purchaser of its pre-Closing or Closing obligations under this Agreement, which breach is not cured within ten (10) days after written notice of default from Seller specifying the breach (provided, however, that no such cure period shall apply for a breach of the obligation to close by the Closing Date), Seller's sole remedy shall be to terminate this Agreement and retain all Deposits paid, and any earnings thereon, as liquidated damages but not as a penalty. PURCHASER AND SELLER AGREE THAT IT WOULD BE EXTREMELY DIFFICULT OR IMPRACTICAL TO QUANTIFY THE ACTUAL DAMAGES TO SELLER IN THE EVENT OF A BREACH BY PURCHASER, THAT THE AMOUNT OF ALL DEPOSITS PAID IS A REASONABLE ESTIMATE OF SUCH ACTUAL DAMAGES, AND THAT SELLER'S REMEDY IN THE EVENT OF A BREACH BY PURCHASER SHALL BE TO RETAIN ALL DEPOSITS PAID AND ANY EARNINGS THEREON AS LIQUIDATED DAMAGES.
- 19. Seller's Defaults; Purchaser's Remedies. In the event of a breach by Seller of its pre-Closing or Closing obligations under this Agreement, which breach is not cured within ten (10) days after written notice of default from Purchaser specifying the breach (provided, however, that no such cure period shall apply for a breach of the obligation to close by the Closing Date), Purchaser may elect only one of the following two remedies: (a) terminate this Agreement, in which event the Deposits paid shall be immediately refunded to Purchaser; or (b) enforce specific performance of this Agreement against Seller, including the right to recover attorneys' fees; provided that if Seller has defaulted hereunder and as a result of such default specific performance is not able to be obtained by Purchaser (a "Material Seller Default"), and Purchaser elects to terminate this Agreement as set forth above by reason of such Material Seller Default, Seller shall reimburse Purchaser for Purchaser's reasonable out-of-pocket expenses actually incurred with third parties in connection with the Transaction (not including attorneys' fees), not to exceed \$50,000.00, plus any nonrefundable loan commitment and rate lock fees paid by Purchaser. Notwithstanding the foregoing, the limitation of remedies provision does not limit Seller's obligations under the Surviving Provisions. After Closing, or termination of this Agreement, in the event of a breach by Seller of its obligations under any Surviving Provisions, Purchaser may exercise any rights and remedies available at law or in equity.
- 20. <u>Closing Costs</u>. Costs of closing the Transaction shall be allocated between Seller and Purchaser as customary in the jurisdiction where the Property is located as follows:
- 20.1. Seller shall pay: (i) one-half of any escrow fees of the Escrow Agent not to exceed \$1,500; (ii) the Grantor's tax only associated with real estate conveyance; and (iii) all other costs and expenses allocated to Seller pursuant to the terms of this Agreement.
- 20.2. Purchaser shall pay: (i) the premium for the owner's Title Policy in the amount of the Purchase Price; (ii) the cost of recording the Deed and state and local transfer taxes associated with the real estate conveyance (excluding, for clarity, the Grantor's tax payable by the Seller); (iii) one-half of any escrow fees of the Escrow Agent; (iv) all other costs and expenses allocated to Purchaser pursuant to the terms of this Agreement.
- 21. <u>Proration of Income and Expenses</u>. At Closing, the following items shall be paid or adjusted or prorated between Seller and Purchaser as specified, as of the Closing Date, with the day of Closing being for Purchaser's account:
- 21.1. Ad valorem and similar taxes, and assessments, for the then current tax year relating to the Property shall be prorated as of the Closing Date, assuming the maximum available discount. All assessments, if any, existing or pending as of the Closing Date, whether due and payable before or after such date, shall be paid by Seller in full at Closing to the assessing entity. If the Closing shall occur before the tax rate is fixed for the then current year, the proration of taxes shall be upon the basis of the tax rate of the preceding year applied to the latest assessed valuation. Subsequent to the Closing, when the tax

rate is fixed for the year in which the Closing occurs, Seller and Purchaser agree to adjust the proration of taxes and, if necessary, to refund or pay, as the case may be, on or before January 1 of the year following the Closing, an amount necessary to effect such adjustments.

- 21.2. On the Closing Date, Seller shall cause its property management company to transfer to Purchaser's property management company the amount of any of the following for which Purchaser will be responsible after the Closing: (i) refundable deposits made by tenants of the Property; and (ii) non-refundable deposits made by tenants of the Property that have not been applied to costs incurred. At Closing, Purchaser shall assume Seller's obligations related to the deposits actually transferred to Purchaser.
- 21.3. All collected rents or other income and all operating expenses for or pertaining to the Property, including but not limited to maintenance, security, management service and similar contractual charges with respect to the Property shall be prorated between Purchaser and Seller as of the Closing Date. Capital expenditures made during the month of Closing and prior to Closing shall be pro-rated over the useful life of such items.
- 21.4. Water, sewer, fuel, electricity, gas and other utilities and services shall be paid by Seller based upon current readings by the utilities to be obtained by Seller contemporaneously with Closing. Seller shall arrange for utility services to Seller to be cancelled, in which event, Purchaser shall establish a new account with the utility, and Seller shall be entitled to any deposits on account paid by Seller. If a utility will not cancel Seller's account and replace it with a new Purchaser account, Seller shall at Closing transfer the utility account to Purchaser, in which event: (i) Purchaser shall reimburse Seller at Closing for any utility deposit transferred to Purchaser; and (ii) utility charges for such account shall be prorated between Purchaser and Seller as of the Closing Date.
- 22. Post-Closing Adjustments. Seller and Purchaser agree that, to the extent items are prorated or adjusted at Closing on the basis of estimates, or are not prorated or adjusted at Closing pending actual receipt of funds or compilation of information upon which such prorations or adjustments are to be based, each of them will pay to the other such amounts as may be necessary such that Seller will receive the benefit of all income collected for the period prior to the Closing Date and will pay all expenses of the Property attributable to the period prior to the Closing Date, both on an accrual basis, and Purchaser will receive all income collected for the period from and after the Closing Date and will pay all expenses of the Property attributable to the period from and after the Closing Date, both on an accrual basis. The provisions of this Section 22 shall survive the Closing for ninety (90) days; any claim under this Section 22 shall be barred and shall lapse unless a claim is made in writing, with a description of the claim made, on or before ninety (90) days after Closing.
- 23. <u>Delinquent Rents</u>. With respect to any monies collected by Purchaser from tenants or other persons owing delinquent rents or other amounts as of the Closing Date, such money shall first be applied to the current month's rents or obligations of such person and retained by Purchaser and the balance (if any) shall then be delivered to Seller to be applied to any rents for any months or portions of any months prior to the Closing Date. Any amount in excess of the amounts Seller is owed by the tenant for any rents or obligations of such person for period prior to the Closing Date shall be retained by Purchaser. After the Closing Date, Seller shall be entitled to institute legal actions to recover delinquent rents from tenants; provided, however, that Seller acknowledges that Seller shall have no right to terminate any tenant lease, and Seller shall not have the right to evict any tenant.
- 24. As-Is Purchase. Purchaser is an experienced commercial real estate owner and shall rely solely upon its own evaluation and investigation of the condition and all aspects of the Property. Purchaser acknowledges that this Agreement grants to Purchaser every opportunity which Purchaser may need to fully evaluate the condition and all aspects of the Property. Purchaser has asked for, and has obtained in this Agreement, disclosure of information and documents regarding the Property which are in Seller's possession or control. This does not reduce Purchaser's duty to fully evaluate the Property on its own. Accordingly, except to the extent of the Seller's representations and warranties in this Agreement, Purchaser acknowledges that it is not relying upon any representations of Seller as to any matter related

to Property, its condition, or its suitability for Purchaser's intended use, and Purchaser hereby irrevocably waives, and releases seller, its members, partners, officers, directors, principals, agents, representatives, attorneys and employees (the "Seller Parties") from any and all claims, demands, obligations, damages, causes of action and liability, whether known or unknown, other than those for breach of Seller's representations and warranties explicitly set forth herein. At Closing, Purchaser shall be deemed to accept the Property "as is" in all respects.

25. <u>Brokerage Commissions</u>. Seller shall indemnify Purchaser against, and hold Purchaser harmless from, any and all claims (and all expenses incurred in defending any such claims or in enforcing this indemnity, including attorneys' fees and court costs) by any broker or finder for a real estate commission or similar fee arising out of or in any way connected with any claimed relationship between such broker or finder and Seller. Purchaser shall indemnify Seller against, and hold Seller harmless from, any and all claims (and all expenses incurred in defending any such claims or in enforcing this indemnity, including attorneys' fees and court costs) by any broker or finder for a real estate commission or similar fee arising out of or in any way connected with any claimed relationship between such broker or finder and Purchaser. The provisions of this Section 25 shall survive the Closing or the termination of this Agreement without time limitation.

26. Tax Deferred Exchange.

- 26.1. If Purchaser wishes to structure the Transaction as part of a 1031 tax deferred exchange, Seller agrees to cooperate in such efforts, and to sign documents to accomplish such purposes; provided, however, that there shall be no material change in the Transaction from what would result if there was no tax deferred exchange, and provided that Seller incurs no additional cost, expense, obligation or liability as a result of such tax deferred exchange. Purchaser acknowledges that Seller shall have no obligation of any kind for the qualification of the Transaction for a 1031 tax deferred exchange.
- 26.2. If Seller wishes to structure the Transaction as part of a 1031 tax deferred exchange, Purchaser agrees to cooperate in such efforts, and to sign documents to accomplish such purposes; provided, however, that there shall be no material change in the Transaction from what would result if there was no tax deferred exchange, and provided that Purchaser incurs no additional cost, expense, obligation or liability as a result of such tax deferred exchange. Seller further acknowledges that Purchaser shall have no obligation of any kind for the qualification of the Transaction for a 1031 tax deferred exchange.

27. Miscellaneous.

- 27.1. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns. This Agreement embodies and constitutes the entire understanding between the parties with respect to the Transaction. No provision hereof may be waived, modified, or amended except by an instrument in writing signed by Purchaser and Seller. This Agreement may be executed in several counterparts and all so executed shall constitute one Agreement, binding on all the parties hereto even though all the parties are not signatories to the original or the same counterpart. A facsimile, scanned, or other copy of a signed version of this Agreement has the same effect as an original. Delivery by electronic transmission such as email, download or facsimile shall be deemed effective delivery.
- 27.2. Any notice, request, demand, instruction or other document required or permitted to be given or served hereunder or under any document or instrument executed pursuant hereto shall be in writing and shall be delivered personally, or by overnight express courier, or by email, or by facsimile transmission, and addressed to the parties at their respective addresses set forth below, and the same shall be effective upon receipt if delivered personally, or by confirmed email (read receipt requested and received), or by confirmed facsimile, or via overnight express courier. (If a fax number listed below is inaccurate or is not working, then the date that a notice is required to be delivered shall be extended by one day.) Notwithstanding the foregoing, any written communication (including email or fax) sent to a party,

which is actually received by such party, shall constitute notice for all purposes of this Agreement. A party may change its address for receipt of notices by service of a notice of such change in accordance herewith.

If to Escrow Agent:

As in Section 1.5

- 27.3. In any legal proceeding arising in connection with this Agreement (including without limitation any arbitration and appellate proceedings as well as any bankruptcy, reorganization, liquidation, receivership or similar proceeding) the substantially non-prevailing party agrees to pay to the substantially prevailing party all reasonable costs and expenses, including attorneys' fees and other legal costs, expended or incurred by the substantially prevailing party in connection therewith (whether incurred before, during, or subsequent to any such action or proceeding).
- 27.4. Risk of loss or damage to the Property by condemnation, eminent domain, or similar proceedings (or deed in lieu thereof), or by fire or any other casualty, from the Effective Date until the Closing will be on Seller, and thereafter will be on Purchaser. Until the Closing Date, Seller shall maintain casualty insurance insuring the Property in an amount equal to the full insurable replacement cost.

27.5. Casualty Loss.

27.5.1. If at any time prior to the Closing Date, any portion of the Property is destroyed or damaged as a result of fire or any other casualty whatsoever, Seller shall give written notice thereof to Purchaser as soon as possible and in any event within five (5) business days after Seller learns of such destruction or damage, and, within thirty (30) days thereafter, shall provide Purchaser with an

estimate of the cost of restoring the Property to the condition it was in immediately before such damage or destruction from an independent consultant acceptable to Purchaser and Seller. The Closing Date shall be postponed, as required, in order for Seller to have the stipulated time to provide such notice and obtain and provide such estimate to Purchaser. If the cost of restoring and repairing the portion of the Property so damaged to substantially its present condition is not more than One Hundred Fifty Thousand Dollars (\$150,000.00), as reasonably estimated by such independent consultant, then Purchaser shall have no right to terminate this Agreement and shall purchase the Property in its damaged condition and be fully responsible for repair thereto, and at the Closing, Seller shall assign to Purchaser all rights of Seller in and to the property insurance (including rent loss coverage only as to period on or after the Closing Date) currently maintained by Seller, and Purchaser shall receive a credit against the Purchase Price in the amount of any deductible under such property insurance policy, but without any other claim or offset resulting from such destruction or damage; provided, however, that if the rights of Seller in and to such property insurance are not assignable to Purchaser, then Purchaser shall receive at Closing a credit against the Purchase Price in the amount of an independent third party good faith bid obtained by Purchaser for the restoration of the destruction or damage, less the amount of the insurance policy deductible credited as provided above.

If the cost of restoring and repairing the portion of the Property so 27.5.2. damaged to substantially its present condition is more than One Hundred Fifty Thousand Dollars (\$150,000.00), as reasonably estimated by such independent consultant acceptable to Purchaser and Seller, then Purchaser shall have the option, to be exercised within twenty (20) business days from the date of Purchaser's receipt of such estimate, to terminate this Agreement, in which event the Deposits paid shall be immediately refunded to Purchaser, and neither party hereto shall have any further duties, obligations or liabilities to the other, except as specifically provided herein. The Closing Date shall be postponed, as required, in order for Seller to have the stipulated time to provide such notice and obtain and provide such estimate to Purchaser, and for Purchaser to have the stipulated time to exercise its option to terminate. If Purchaser shall not elect to terminate this Agreement as provided in this Section 27.5.2, then this Agreement shall remain in full force and effect, and Purchaser shall purchase the Property in its damaged condition and be fully responsible for repair thereto, and at the Closing, Seller shall assign to Purchaser all rights of Seller in and to the property insurance (including rent loss coverage) currently maintained by Seller, and Purchaser shall receive a credit against the Purchase Price in the amount of any deductible under such property insurance policy, but without any other claim or offset resulting from such destruction or damage; provided, however, that if the rights of Seller in and to such property insurance are not assignable to Purchaser, then Purchaser shall receive at Closing a credit against the Purchase Price in the amount of an independent third party good faith bid obtained by Purchaser for the restoration of the destruction or damage, less the amount of the insurance policy deductible credited as provided above. Seller shall not negotiate for or agree to an award or settlement without the approval of Purchaser.

27.5.3. Notwithstanding the foregoing, this Section 27.5 shall not apply to any destruction or damage that is restored by Seller to its present condition on or before the Closing Date.

27.6. If at any time prior to the Closing Date, there shall be a taking by eminent domain proceedings or the commencement of any such proceedings, with respect to the Property, Seller shall promptly give written notice thereof to Purchaser, and, if such taking by eminent domain proceedings would result in a Material Change, Purchaser shall have the right, at Purchaser's sole option, to terminate this Agreement by giving written notice to Seller within thirty (30) days after Purchaser receives written notice of such proceedings, in which event the Deposits paid shall be immediately refunded to Purchaser, and neither party hereto shall have any further duties, obligations or liabilities to the other, except as specifically provided herein. A "Material Change" means a taking that would result in (a) the Property not being in compliance with all laws, rules, and regulations, (b) a diminution in value of the Property or a cost to restore the Property of more than five percent (5%) of the Purchase Price of the Property as estimated by an independent consultant acceptable to Purchaser and Seller. If Purchaser does not so terminate this Agreement, the Purchase Price for the Property shall be reduced by the total of any awards or other proceeds received by Seller (directly or indirectly) with respect to any such taking, and at the Closing Seller shall assign to Purchaser all rights of Seller in and to any awards or other proceeds payable

by reason of any taking. Seller shall not negotiate for or agree to an award or settlement without the approval of Purchaser. The Closing Date shall be postponed, as required, in order for the parties to obtain an estimate of the diminution in value or cost to restore and for Purchaser to have the stipulated time to exercise its option to terminate.

- 27.7. Purchaser shall have the right to assign this Agreement to an Affiliate of Purchaser or the principals of Purchaser, upon written notice to Seller at least five (5) days prior to the Closing Date; provided, however, that any such assignment shall not release the original Purchaser from any obligation or liability under this Agreement arising before or after Closing, including without limitation Surviving Provisions. No other assignment of this Agreement by Purchaser is permitted.
- 27.8. Seller and Purchaser agree to execute and deliver any instrument, affidavit and statement, and to perform any acts reasonably necessary to carry out the provisions of the Foreign Investment in Real Property Tax Act (FIRPTA), IRC Section 1445 and regulations promulgated thereunder.
- 27.9. This Agreement has been submitted to the scrutiny of all parties hereto and their counsel, if desired, and shall be given a fair and reasonable interpretation in accordance with the words hereof, without consideration or weight being given to its having been drafted by any party hereto or its counsel.
- 27.10. The parties acknowledge that time is of the essence for each time and date specifically set forth in this Agreement. In computing any period of time pursuant to this Agreement, if the final day of a period, act or event falls on a day which is not a business day, then such final day shall be postponed until the next business day, but the commencement date of the time periods based on such final day shall not be postponed. A business day shall mean Monday through Friday, excluding days designated as a postal holiday by the United States Postal Service.
- 27.11. This Agreement shall be governed by and construed in accordance with the laws of the State of Virginia without regard to its conflict or choice of laws rules.
- 27.12. EVERY PURCHASER OF ANY INTEREST IN RESIDENTIAL REAL PROPERTY ON WHICH A RESIDENTIAL DWELLING WAS BUILT PRIOR TO 1978 IS NOTIFIED THAT SUCH PROPERTY MAY PRESENT EXPOSURE TO LEAD FROM LEAD-BASED PAINT THAT MAY PLACE YOUNG CHILDREN AT RISK OF DEVELOPING LEAD POISONING. LEAD POISONING IN YOUNG CHILDREN MAY PRODUCE PERMANENT NEUROLOGICAL DAMAGE, INCLUDING LEARNING DISABILITIES, REDUCED INTELLIGENCE QUOTIENT, BEHAVIORAL PROBLEMS, AND IMPAIRED MEMORY. LEAD POISONING ALSO POSES A PARTICULAR RISK TO PREGNANT WOMEN. THE SELLER OF ANY INTEREST IN RESIDENTIAL REAL PROPERTY IS REQUIRED TO PROVIDE THE PURCHASER WITH ANY INFORMATION ON LEAD-BASED PAINT HAZARDS FROM RISK ASSESSMENTS OR INSPECTIONS IN THE SELLER'S POSSESSION OR CONTROL, IF ANY, AND NOTIFY THE PURCHASER OF ANY KNOWN LEAD-BASED PAINT HAZARDS. A RISK ASSESSMENT OR INSPECTION FOR POSSIBLE LEAD-BASED PAINT HAZARDS IS RECOMMENDED PRIOR TO PURCHASE.
- 27.13. As used in this Agreement, "Affiliate" means, as to any person or entity: (a) any other person or entity that, directly or indirectly, is in control of, is controlled by or is under common control with such person or entity; or (b) is a director, officer, shareholder, partner, member or associate of such person or entity, or of an Affiliate of such person or entity. "Control" means the possession, directly or indirectly, of the power to direct or cause the direction of management, policies or activities of a person or entity, whether through ownership of voting securities, by contract or otherwise.
- 27.14. Neither this Agreement, nor any part thereof, nor any memorandum thereof may be recorded. Recording of any such document by, or at the direction of Purchaser, shall be a material default by Purchaser under this Agreement.

Architect's Certification and Third-Party RESNET Rater Certification (MANDATORY)

INSTRUCTIONS FOR THE COMPLETION OF APPENDIX F ARCHITECT'S CERTIFICATION

(This form must be included in the Application – Tab F)

NOTE: If the development includes any combination of **New Construction**, **Rehabilitation** or Adaptive Reuse, then separate Architect Certifications must be provided for each construction type.

The proper completion of this certification is critical to calculate the average unit square feet and net rentable square feet of each unit type, to document amenity items for which will be awarded, and to calculate certain elements of the efficient use of resources points.

If this certification is not completed correctly there may be loss of points or disqualification of the application to compete for tax credits. If this development receives an allocation of tax credits and items are not provided as indicated on this certification then VHDA may, at its sole option, require the payment by the Owner of an amount up to 10% of the Total Development Cost (as set forth in the Application) of the development as liquidated damages for such violation or the total loss of credits may result. Therefore, it is imperative that this certification reflect the true and accurate intent of what will be provided in return for an allocation of tax credits.

Each section of this certification contains instructions on how the information should be provided. For Unit Size Calculations, the Average Unit Square Feet and Net Rentable Square Feet should be listed to two (2) decimal places. The number of units indicated should be only the units for which rent will be collected. For Average Unit Square Feet calculations, the Total Square Feet should equal the Average Unit Square Feet multiplied by the Number of Units/Type. The total at the bottom of the Total Square Feet column should equal item (D) on the same page of the certification, or be within 1 digit due to rounding.

Accessibility certifications on page 6 are for tax credit point categories only and are not to be confused with minimum code requirements.

All developments seeking Virginia Low Income Housing Tax Credits are required to meet one of the following as certified by a RESNET Rater:

New Construction - EnergyStar Certification

The development's design meets the criteria for the EnergyStar certification.

Rehabilitation -30% performance increase over existing, based on HERS Index

Or Must evidence a HERS Index of 80 or better

Adaptive Reuse - Must evidence a HERS Index of 95 or better.

Plans and Specifications: Required documentation for all properties (new construction, rehabilitation and adaptive reuse)

- 1 A location map with property(ies) clearly defined.
- A site plan showing overall dimensions of main building(s), major site elements (e.g., parking lots and location of existing utilities, and water, sewer, electric, gas in the streets adjacent to the site). Contour lines and elevations are not required. For combination 4% and 9% properties, site plan must show all elements of both properties labeled so that the elements are distinguishable as to 4% and 9%.
- 3 Sketch plans of main building(s) reflecting overall dimensions of:
 - a. Typical floor plan(s) showing apartment types and placement
 - b. Ground floor plan(s) showing common areas;
 - c. Sketch floor plan(s) of typical dwelling unit(s);

A Unit by Unit write up is required for all Rehabilitation properties

This certification includes two (2) separate calculations of square footage:

- 1. Average Gross Unit Square Feet: Measurements Include A Prorata Share of Heated Residential Common Area
- 2. <u>Net Rentable Square Feet</u>: Measurements *Do Not* Include A Prorata Share of Any Common Area

and Reflect All Floor Plans of Each Unit Type (1-BR, 2-BR, etc.) measured

from the interior face of the unit perimeter walls

1. Average Gross Unit Square Feet:

(These measurements impact the scoring of tax credit applications)

For purposes of determining the total residential heated square feet (D), the building(s) were measured from the outside face of exterior walls and the centerline of any party walls. All unheated spaces (B) and nonresidential, (income producing commercial spaces) (C) were subtracted from this measurement. Community rooms, laundry rooms, property management offices and apartments, heated maintenance facilities, and other common space designed to serve residential tenants were not deducted. Based on this procedure, I certify the following calculations in determining the usable heated square feet for the above referenced development:

45,620.97	
2,467.81

43,153.16	

- (A) Total gross floor area in (sq. ft.) for the entire development
- (B) Unheated floor area (breezeways, balconies, storage)
- (C) Nonresidential, (commercial income producing) area
- = (D) Total residential heated area (sq. ft.) for the development

INSTRUCTIONS FOR AVERAGE UNIT SQUARE FEET CALCULATIONS:

Provide the average unit size for each bedroom type, (1 bedroom elderly, 2 bedroom garden, 3 bedroom townhouse, etc.) by adding the total square feet all the same bedroom types (2 bedroom garden with 1 bath and 2 bedroom garden with 2 baths) and adding the prorated share of heated common residential space and divide by the total number of the same bedroom types (2 bedroom garden). 2. Net Rentable Square Feet *

For purposes of calculating Net Rentable Square Feet, the units were measured from the face of each unit perimeter wall. The values below therefore indicate the actual square footage of each unit floor plan. (For example, there may be 2 distinct 1-bedroom floor plans, 3 distinct 2-bedroom floor plans, etc. The purpose of this section of the Architect Certification is to document and certify the floor space attributable to residential rental units in the development.)

Re: 2019 Tax Credit Reservation Request

Name of Development: Cambridge Square Apartments

Name of Owner: SP Cambridge LLC

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated January 23, 2019 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

- 1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in the Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
- 2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
- 3. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.

Seattle Office Web

- 4. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application.
- 5. After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code §42(d)(2)(B) are not correct.

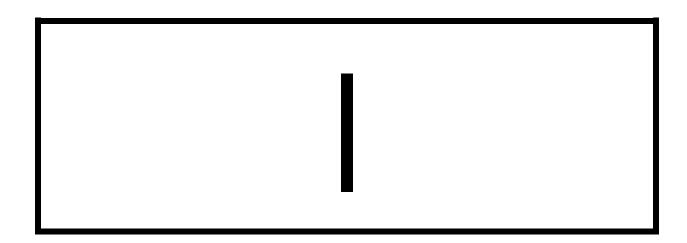

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon the placement in service of each building of the Development, the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

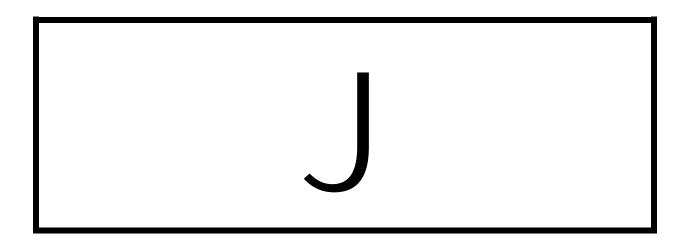

Very truly yours,

Pepple Canty Sehmidfrec

These records will include current rent rolls, notices, comments, complaints, and questions from tenants, tenant expenditure and reimbursement records, and tracking of units being rehabbed during process.

Kitchens:

Two units a day will have the kitchens rehabilitated with new cabinets, appliances, faucet, sink. This is a two day process. Day one will include demo, existing cabinet removal, and paint. Day two will be installing of new cabinets, sink, and faucet. At the end of day one since the tenant will not have access to their cabinets the Developer will provide each unit with a \$25 gift card for the inconvenience. The tenant's refrigerator will never be unplugged, and tenants will have access through out rehabilitation.

Bathrooms:

Two to three units per day will have their bathrooms rehabilitated. Tenants will only have very minor interruption in the use of their bathroom and it will never be disconnected overnight. The bathrooms will receive new low flow toilets, low flow showerheads, sinks, and low flow sink faucets. The plumber will start in unit one first thing in the morning and quickly replace all items listed above. The contractors estimate is that they will not lose bathroom capabilities for more than two hours. During that time the common area bathrooms will be open and available to all tenants.

Southport Development, Inc. will use one of the vacant units on site as a hospitality suite during the week. Tenants can use this space as a common space to retreat from the rehabilitation work in their unit if they so choose. This space has a kitchen that will be stocked with refreshments. The space is heated and cooled by a central heating and air condition system. The unit will be furnished, and tenants will have access to a television with cable provided by the owner/developer.

The Owner/Borrower plans to execute a construction contract with an experienced VA licensed general contractor (the "Contractor"), that has completed numerous affordable-housing rehabilitations of this type. The Developer intends to invest over \$30,000 per unit in total construction costs. All costs associated with the relocation will be paid through the development/rehabilitation budget and not by the property.

The Owner and Contractor agree to conduct its relocation plan according to the general requirements and principals set forth in the Uniform Relocation Assistance and Real Property Acquisitions Policies Act of 1970, as amended ("URA") as follows:

- a) Tenants will be provided with daily access during business hours to an adviser, the Temporary Relocation Manager. The Owner, working with the Temporary Relocation Manager where appropriate will:
 - a. Provide notice of the date and approximate duration of the all work occurring in each unit;
 - i. Upon closing new owner will provide all residents with an Introduction/New Owner Notice and the General Information/Non Displacement Notice. These will notify of new ownership, management, house rules, Tenant Selection plan, and provide the rehabilitation non-displacement information.
 - b. Provide notice of scheduled rehab of each unit and of the location of onsite hospitality suite; A sample is attached.
 - c. Assist the tenant to calculate and make a claim for reimbursement of out-of-pocket expenses; and
 - d. Assist in processing any grievances and keeping appropriate records.
- b) All costs of moving, all other reasonable out of pocket costs related to a tenant's relocation costs if a temporary relocation is required will be paid by the Owner.

Contingency Plan:

In the event an unforeseen construction emergency occurs during construction causing tenant displacement from their unit the Owner and Developer will work with tenants to move them offsite for a limited period of time. The contingency plan would be to move tenants to a nearby hotel for up to two nights while the issue is rectified in the tenant's unit. The hotel will meet HUD standards and terms of physical condition and will be inspected and approved prior to occupancy by the tenant. At that time the Owner and Developer will cover all costs for hotel stay, per diem, and mileage to and from the hotel to Cambridge Square Apartments from the development/rehabilitation budget.

- b. HFA Pledge of ACC Payments. The HFA shall not, without the consent of the Owner, amend or modify the ACC in any manner which would reduce the amount of such annual contributions, except as authorized in the ACC and this Contract.
- c. Government Approval of Housing Assistance Payments Contract. The approval of this Contract by the Government signifies that the Government has executed the ACC and that the ACC has been properly authorized; that the faith of the United States is solemnly pledged to the payment of annual contributions pursuant to said ACC; and that funds have been obligated by the Government for such payments to assist the HFA in the performance of its obligations under the Contract.

(See also Section 1.10b.) The Owner shall not be entitled to any payment under this subparagraph unless he: (i) immediately upon learning of the vacancy, has notified the HFA of the vacancy or prospective vacancy and the reasons for the vacancy, and (ii) has taken and continues to take the actions specified in paragraphs b(2) and b(3) of this Section.
- (2) If the Owner evicts a Family, he shall not be entitled to any payment under paragraph c(1) of this Section unless the request for such payment is supported by a certification that (i) he gave such Family a written notice of the proposed eviction, stating the grounds and advising the Family that it had 10 days within which to present its objections to the Owner in writing or in person and (ii) the proposed eviction was not in violation of the Lease or the Contract or any applicable law.
- d. Limitation on Payments for Vacant Units. - (4) The Owner's monthly requests for housing assistance payments shall be made subject to penalty under 18 U.S.C. 1001, which provides, among other things, that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, or fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.

g. Recoupment of Savings in Financing Cost.

...

- (1) In the event that interim financing is used and is continued after the first year of the term of the Contract and the debt service of the interim financing for any period of three months, after such first year, is less than the anticipated debt service under the permanent financing on which the Contract Rents were based, an amount reflecting the savings in financing cost, computed in accordance with paragraph g(2) of this Section, shall be credited by the Government to the Project Account, and withheld from housing assistance payments to the Owner. If during the course of the same year there is any period of three months in which the debt service is greater than the anticipated debt service under the permanent financing, an adjustment shall be made so that only the net amount of savings in financing cost for the year is credited by the Government to the Project Account and withheld by the HFA from the Owner as aforesaid (no increased payments shall be made to the Owner on account of any net excess for the year of actual interim debt service over the anticipated debt service under the permanent financing). Nothing in this paragraph g shall be construed as requiring a reduction in the Contract Rents or precluding adjustments of Contract Rents in accordance with Section 1.9.
- (2) The computation and recoupment under this paragraph g may be made on an annual or on a quarterly or other periodic basis, but in any event no later than as of the end of each Fiscal Year; Provided, however, that if recoupment is to be made less often than quarterly, the amounts of recoupment shall be computed on at least a quarterly basis and funds shall be deposited in a special account from which withdrawals may be made only with the authorization of the HFA. The manner of computing the amount of recoupment shall be as follows:
 - (i) Determine the amount by which the debt service for the interim financing for the period in question is less than the anticipated debt service under the permanent financing on which the Contract Rents were based;
 - (li) Determine what percentage the amount found under paragraph g(2)(i) of this Section is of the aggregate Contract Rents for all Contract Units for the period in question;

- (iii) Apply the percentage found in paragraph g(2)(ii) of this Section to the aggregate Contract Rents for those Contract Units which are included in the Owner's claim(s) for housing assistance payments for the period in question; and
- (iv) The amount found in paragraph g(2)(iii) of this Section shall be credited to the Project Account and withheld from the next housing assistance payment or payments to the Owner.
- h' Payments by HFA. The amount of the housing assistance payment, determined in accordance with the provisions of this Contract, up to the amount of the mortgage repayments due the HFA from the Owner pursuant to the mortgage loan made by the HFA for the project, shall be credited to the Owner and transferred monthly by the HFA from the account maintained under the General Depositary Agreement pursuant to the ACC to the trustee under the note or bond resolution of the HFA under which the notes or bonds to provide the mortgage loan were issued. Any amount of the housing assistance payment in excess of such credit shall be paid by the HFA directly to the Owner.

i. Debt Service Payments.

- (1) If a unit continues to be vacant after the 60-day period specified in paragraph (b) or (c) of this section, the Owner may submit a claim to receive additional housing assistance payments on a semiannual basis with respect to such a vacant unit in an amount equal to the principal and interest payments required to amountize the portion of the debt attributable to that unit for the period of the vacancy, whether such vacancy commenced during rent-up or after rent-up.
- (2) Additional payments under this paragraph (i) for any unit shall not be for more than 12 months for any vacancy period, and shall be made only if:
 - (i) The unit is not in a project insured under the National Housing Act except pursuant to Section 244 of that Act.
 - [(ii) The unit was in decent, safe, and sanitary condition during the vacancy period for which payments are claimed.
 - (iii) The Owner has taken and is continuing to take the actions specified in paragraphs (b)(1), (2) and (3) or paragraphs (c)(1)(i) and (ii) and (c)(2) of this section, as appropriate.
 - (iv) The Owner has demonstrated in connection with the semiannual claim on a form and in accordance with the standards prescribed by the Government with respect to the period of vacancy, that the project is not providing the Owner with revenues at least equal to the project costs incurred by the Owner, and that the amount of the payments requested is not in excess of that portion of the deficiency which is attributable to the vacant units for the period of the vacancies.
 - (v) The Owner has submitted, in connection with the semiannual claim, a statement with relevant supporting evidence that there is a reasonable prospect that the project can achieve financial soundness within a reasonable time. The statement shall indicate the causes of the deficiency; the corrective steps that have been and will be taken; and the time by which it is expected that the project revenues will at least equal project costs without the additional payments provided under this paragraph.
- [(3) The Government may deny any application for additional payments or suspend or terminate payments if it determines based on the Owner's statement and other evidence, that there is not a reasonable prospect that the project can achieve financial soundness within a reasonable time.

1.8 MAINTENANCE, OPERATION AND INSPECTION.

a. Maintenance and Operation. The Owner agrees (1) to maintain and operate the Contract Units and related facilities so as to provide Decent, Safe, and Sanitary housing, and (2) to provide all the services, maintenance and utilities set forth in Exhibit C. If the HFA determines that the Owner is not meeting one or more of these obligations, the HFA shall have the right, in addition to its other rights and remedies under this Contract, to abate housing assistance payments in whole or in part.

b. Inspections Prior to Occupancy.

- (1) Prior to occupancy of any unit by a Family, the Owner and the Family shall inspect the unit and both shall certify, on forms prescribed by the Government, that they have inspected the unit and have determined it to be Decent, Safe, and Sanitary in accordance with the criteria provided in the prescribed forms. Copies of these reports shall be kept on file by the Owner for at least three years.
- (2) The HFA shall inspect or cause to be inspected each Contract Unit and related facilities at least annually and at such other times (including prior to initial occupancy and rerenting of any unit) as may be necessary to assure that the Owner is meeting his obligation to maintain the units in Decent, Safe, and Sanitary condition and to provide the agreed upon utilities and other services. The HFA shall take into account complaints by occupants and any other information coming to its attention in scheduling inspections and shall notify the Owner and the Family of its determination.
- c. Units Not Decent, Safe, and Sanitary. If the HFA notifies the Owner that he has failed to maintain a dwelling unit in Decent, Safe, and Sanitary condition and the Owner fails to take corrective action within the time prescribed in the notice, the HFA may exercise any of its rights or remedies under the Contract, including abatement of housing assistance payments, even if the Family continues to occupy the unit. If, however, the Family wishes to be rehoused in another dwelling unit with section 8 assistance and the HFA does not have other section 8 funds for such purposes, the HFA may use the abated housing assistance payments for the purpose of rehousing the Family in another dwelling unit. Where this is done, the Owner shall be notified that he will be entitled to resumption of housing assistance payments for the vacated dwelling unit if (1) the unit is restored to Decent, Safe, and Sanitary condition, (2) the Family is willing to and does move back into the restored unit, and (3) a deduction is made for the expenses incurred by the Family for both moves.
- d. Notification of Abatement. Any abatement of housing assistance payments shall be effective as provided in written notification to the Owner. The HFA shall promptly notify the Family of any such abatement.
- e. Overcrowded and Underoccupied Units. If the HFA determines that a Contract Unit is not Decent, Safe, and Sanitary by reason of increase in Family size, or that a Contract Unit is larger than appropriate for the size of the Family in occupancy, housing assistance payments with respect to such unit will not be abated, unless the Owner fails to offer the Family a suitable unit as soon as one becomes vacant and ready for occupancy. In the case of an overcrowded unit, if the Owner does not have any suitable units or if no vacancy of a suitable unit occurs within a reasonable time, the HFA will assist the Family in finding a suitable dwelling unit and require the Family to move to such a unit as soon as possible. The Owner may receive housing assistance payments for the vacated unit if he complies with the requirements of Section 1.7c(1).

1.9 RENT ADJUSTMENTS.

- a. Funding of Adjustments. Housing assistance payments will be made in increased amounts commensurate with Contract Rent adjustments under this Section up to the maximum amount authorized under Section 1.6 of this Contract.
- b. Automatic Annual Adjustments.
 - (1) Automatic Annual Adjustment Factors will be determined by the Government at least annually; interim revisions may be made as market conditions warrant. Such Factors and the basis for their determination will be published in the Federal Register. These published Factors will be reduced appropriately by the Government where utilities are paid directly by the Families.
 - (2) On each anniversary date of the Contract, the Contract Rents shall be adjusted by applying the applicable Automatic Annual Adjustment Factor most recently published by the Government. Contract Rents may be adjusted upward or downward, as may be appropriate; however, in no case shall the adjusted Contract Rents be less than the Contract Rents on the effective date of the Contract.

- c. Special Additional Adjustments. Special additional adjustments shall be granted, when approved by the Government, to reflect increases in the actual and necessary expenses of owning and maintaining the Contract Units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs (i.e., assessments, and utilities not covered by regulated rates), but only if and to the extent that the Owner or the HFA clearly demonstrates that such general increases have caused increases in the Owner's operating costs which are not adequately compensated for by automatic annual adjustments. The Owner or the HFA shall submit to the Government financial statements which clearly support the increase.
- d. Overall Limitation. Notwithstanding any other provisions of this Contract, adjustments as provided in this Section shall not result in material differences between the rents charged for assisted and comparable unassisted units, as determined by the HFA (and approved by the Government, in the case of adjustments under paragraph c of this Section); provided, that this limitation shall not be construed to prohibit differences in rents between assisted and comparable unassisted units to the extent that such differences may have existed with respect to the initial Contract Rents.
- e. Adjustment to Reflect Actual Cost of Permanent Financing. This paragraph e shall appply if the project is not permanently financed until after the effective date of the Contract. After the project is permanently financed, the HFA shall submit a certification to the Government as to the actual financing terms and the following provisions shall apply:
 - (1) If the actual debt service under the permanent financing is lower than the anticipated debt service on which the Contract Rents were based, the Contract Rents currently in effect shall be reduced commensurately, and the amount of the savings shall be credited to the Project Account. The Maximum ACC Commitment shall not be reduced except by the amount of the contingency, if any, which was included for possible increases under paragraph e(2) of this Section.
 - (2) If the actual debt service under the permanent financing is higher than the anticipated debt service on which the Contract Rents were based, and the HFA is using its set-aside for the project, the Contract Rents currently in effect shall be increased commensurately, not to exceed the limitations in this paragraph e(2) and the amount of the Financing Cost Contingency in the ACC, if the projected borrowing rate (net interest cost) was not less than the average net interest cost for the preceding quarter (at the time the projection was submitted to the Government) of the "20 Bond Index" published weekly in the Bond Buyer, plus 50 basis points. An adjustment under this paragraph e(2) shall not be more than is necessary to reflect an increase in debt service (based upon the original projected capital cost and the actual term of the permanent financing for the project) resulting from an increase in interest rate of not more than:
 - (i) One and one-half percent if the projected spread as submitted to the Government was three-fourths of one percent or less, or
 - (ii) One percent if such projected spread was more than three-fourths of one percent but not more than one percent, or
 - (iii) One-half of one percent if such projected spread was more than one percent.
 - (3) After Contract Rents have been adjusted in accordance with paragraph e(1) or e(2) of this Section, the maximum amount of the ACC commitment shall be reduced by the amount of any unuse 1 portion of the Financing Cost Contingency, and such portion shall be reallocated to the then current set-aside of the HFA, if any. At the same time, if the Contract Rents have been increased in accordance with paragraph e(2) of this Section, the maximum Contract amount specified in Section 1.1 g shall be increased commensurately.
- f. Incorporation of Rent Adjustment. Any adjustment in Contract Rents shall be incorporated into Exhibit A by a dated addendum to the exhibit establishing the effective date of the adjustment.

1.10 MARKETING AND LEASING OF UNITS.

a. Compliance with Equal Opportunity. Marketing of units and selection of Families by the Owner shall be in accordance with the Owner's Government-approved Aftirmative Fair Housing Marketing Plan, shown as Exhibit D, and with all regulations relating to fair housing advertising.

b. Security and Utility Deposits.

- (1) The Owner may require Families to pay a security deposit in an amount equal to one month's Gross Family Contribution. If a Family vacates its unit, the Owner, subject to State and local law, may utilize the deposit as reimbursement for any unpaid rent or other amount owed under the Lease. If the Family has provided a security deposit, and it is insufficient for such reimbursement, the Owner may claim reimbursement from the HFA, not to exceed an amount equal to the remainder of one month's Contract Rent. Any reimbursement under this Section shall be applied first toward any unpaid rent. If a Family vacates its unit owing no rent or other amount under the Lease, or if the amount owed is less than the amount of the security deposit, the Owner shall refund the full amount or the unused balance, as the case may be, to the Family.
- (2) In those jurisdictions where interest is payable by the Owner on security deposits, the refunded amount shall include the amount of interest payable. All security deposit funds shall be deposited by the Owner in a segregated bank account, and the balance of this account, at all times, shall be equal to the total amount collected from tenants then in occupancy, plus any accured interest. The Owner shall comply with all State and local laws regarding interest payments on security deposits.
- (3) Families shall be expected to obtain the funds to pay security and utility deposits, if required, from their own resources and/or other private or public sources.

c. Eligibility, Selection and Admission of Families.

- (1) The Owner shall be responsible for determination of eligibility of applicants, selection of families from among those determined to be eligible, and computation of the amount of housing assistance payments on behalf of each selected Family in accordance with schedules and criteria established by the Government. In the initial renting of the Contract Units, the Owner shall lease at least that percentage of those units which is stated in Section 1.1h to Very Low-Income Families (determined in accordance with the Government-established schedules and criteria) and shall thereafter exercise his best efforts to maintain at least that percentage of occupancy of the Contract Units by Very Low-Income Families as determined in accordance with such schedules and criteria.
- (2) The Lease entered into between the Owner and each selected Family shall be on the form of Lease approved by the HFA.
- (3) The Owner shall make a reexamination of Family Income, composition, and the extent of medical or other unusual expenses incurred by the Family, at least annually (except that such reviews may be made at intervals of no longer than two years in the case of elderly Families), and appropriate redeterminations shall be made by the Owner of the amount of Family contribution and the amount of housing assistance payment, all in accordance with schedules and criteria established by the Government. In connection with the recxamination, the Owner shall determine what percentage of Families in occupancy are Very Low-Income Families. If there are fewer than the agreed to percentage of Very Low-Income Families in occupancy, the Owner shall report the fact to the HFA and shall adopt changes in his admission policies to achieve, as soon as possible, at least the agreed to percentage of occupancy by such Families.
- d. Rent Redetermination after Adjustment in Allowance for Utilities and Other Services. In the event that the Owner is notified of an HFA determination making an adjustment in the Allowance for Utilities and Other Services applicable to any of the Contract Units, the Owner shall promptly make a corresponding adjustment in the amount of rent to be paid by the affected Families and the amount of housing assistance payments.
- e. Processing of Applications and Complaints. The Owner shall process applications for admission, notifications to applicants, and complaints by applicants in accordance with applicable HFA or Government requirements and shall maintain records and furnish such copies or other information as may be required by the HFA or the Government.
- f. Review; Incorrect Payments. In making housing assistance payments to Owners, the HFA or the Government will review the Owner's determinations under this Section. If as a result of this review, or other reivews, audits or information received by the HFA or the Government at any time, it is determined that the Owner has received improper or excessive housing assistance payments, the HFA or the Government shall have the right to deduct the amount of such overpayments from any amounts otherwise due the Owner, or otherwise effect recovery thereof.
- 1.11 TERMINATION OF TENANCY. The Owner shall be responsible for termination of tenancies, including evictions. However, conditions for payment of housing assistance payments for any resulting vacancies shall be as set forth in Section 1.7c.

1.12 REDUCTION OF NUMBER OF CONTRACT UNITS FOR FAILURE TO LEASE TO ELIGIBLE FAMILIES.

- a. After First Year of Contract. If at any time, beginning six months after the effective date of this Contract, the Owner fails for a continuous period of six months to have at least 80 percent of the Contract Units leased or available for leasing by Families, the HFA, with Government approval, may on 30 days notice reduce the number of Contract Units to not less than the number of units under lease or available for leasing by Families, plus 10 percent of such number if the number is 10 or more, rounded to the next highest number.
- b. At End of Initial and Each Renewal Term. At the end of the initial term of the Contract and of each renewal term, the HFA, with Government approval, may, by notice to the Owner, reduce the number of Contract Units to not less than (1) the number of units under lease or available for leasing by Families at that time or (2) the average number of units so leased or available for leasing during the last year, whichever is the greater, plus 10 percent of such number if the number is 10 or more, rounded to the next highest number.
- c. Restoration of Units. The Government will agree to an amendment of the ACC to provide for subsequent restoration of any reduction made pursuant to paragraph a or b of this Section if the Government determines that the restoration is justified as a result of changes in demand and in the light of the Owner's record of compliance with his obligations under the Contract and if annual contributions contract authority is available; and the Government will take such steps authorized by section 8(c)(6) of the Act as may be necessary to carry out this assurance (see Section 1.6).

WARNING: 18 U.S.C. 1001 provides, among other things, that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, or fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.

- b. The Owner agrees to notify the HIFA and the Government promptly of any proposed action covered by paragraph a of this Section. The Owner further agrees to request the written consent of the HFA and the Government in regard thereto.
- c. An assignment by the Owner to a limited partnership, in which no limited partner has a 25 percent or more interest and of which the Owner is the sole general partner, shall not be considered an assignment, conveyance, or transfer.
 - (2) The term "substantial interest" means the interest of any general partner, any limited partner having a 25 percent or more interest in the organization, any corporate officer or director, and any stockholder having a 10 percent or more interest in the organization.
 - (3) The Owner, and the party signing this Contract on behalf of said Owner, represent that they have the authority of all of the parties having ownership interests in the Owner to agree to this provision on their behalf and to bind them with respect thereto.
- d. In the event of foreclosure, or assignment or sale to the HFA (or mortgagee if the HFA is not the mortgagee) in lieu of foreclosure, or in the event of assignment or sale agreed to by the HFA (or mortgagee if the HFA is not the mortgagee) and approved by the Government (which approval shall not be unreasonably delayed or withheld), housing assistance payments shall continue in accordance with the terms of the Contract.

The undersigned has engaged Lender to prepare your application and underwriting package in accordance with applicable HUD regulations and requirements of the multifamily accelerated processing ("MAP") program. All meetings and correspondence with the appropriate HUD office shall be conducted by Lender.

Lender makes no representation or warranty regarding the interest rate and terms available in the financial markets at the time Borrower rate locks pursuant to the terms of any commitment issued by Lender and accepted by Borrower. This Engagement Letter may be executed in any number of counterparts, each of which shall be an original and all of which, when taken together, shall constitute one agreement. This Engagement Letter shall be governed by, and construed in accordance with, the laws of the State of Maryland.

Borrower hereby acknowledges and agrees that Lender is the only HUD Lender authorized to represent the aforementioned Borrower for the financing described herein. Furthermore, Borrower understands that if a Loan is not secured with Lender, no other HUD Lender may consider the financing for the aforementioned Property for a period of one year.
