#### UNITS SELECTED IN INCOME AND RENT DETERMINE POINTS FOR THE BONUS POINT CATEGORY

Note: In order to qualify for any tax credits, a development must meet one of two minimum threshold occupancy tests. Either (i) at least 20% of the units must be rent-restricted and occupied by persons whose incomes are 50% or less of the area median income adjusted for family size (this is called the 20/50 test) or (ii) at least 40% of the units must be rent-restricted and occupied by persons whose incomes are 60% or less of the area median income adjusted for family size (this is called the 40/60 test), all as described in Section 42 of the IRC. Rent-and income-restricted units are known as low-income units. If you have more low-income units than required, you qualify for more credits. If you serve lower incomes than required, you receive more points under the ranking system.

#### 2021 Low-Income Housing Tax Credit Application For Reservation

Virginia Housing is running a BETA test of new EUR calculations that will be considered for implementation in 2022. These points are only a test and will not be used for scoring purposes in 2021. Please contact taxcreditapps@virginiahousing.com with questions or comments.

#### **Credit Points:**

If the Combined Max Allowable is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, (40%/60%) x 200 or 133.33 points.

Using Current E-U-R method (	up to 200)		69.36
Using proposed method:			
Combined Max	\$1,049,520		
Credit Requested	\$1,049,520		
% of Savings	0.00%		
Sliding Scale Points			0
		Difference	-69.36

#### **Cost Points:**

If the Applicable Cost by Square foot is \$238 and the deal's Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 credit points.

For another example, the Applicable Cost by SqFt is \$238 and the deal's Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, (35.7%/50%) x 100 or 71.40 points.

- (c) In the event any membership interest in the Company is transferred in accordance with the terms of this Operating Agreement, the transferee shall succeed to the Capital Account of the transferor in proportion to the percentage of the transferor's membership interest transferred.
- (d) The Capital Account shall also include a pro rata share of the fair market value of any property contributed by a person who is not a Member, such value to be the same value reported for federal gift tax purposes if a gift tax return is filed, and if not, the value in the case of real property shall be determined by an independent M.A.I. appraiser actively engaged in appraisal work in the area where such property is located and selected by the Members, and otherwise by the certified public accountant or accountants then serving the Company.

- (i) Any certificate or other instrument that may be required to be filed by the Company or the Members under the laws of the Commonwealth of Virginia or under the applicable laws of any other jurisdiction in order to conduct business in any such jurisdiction, to the extent the Manager deems any such filing to be necessary or desirable.

- (c) One of the ways that the aforementioned power of attorney may be exercised is by listing the name of the Members and having the signature of the Manager, as attorney-in-fact, appear with the notation that the signatory is signing as attorney-in-fact of the listed Members.
- 7.04 <u>Partnership Representative</u>. The Members hereby appoint Karen R. Wilds as the partnership representative (the "Partnership Representative") in accordance with Section 6223(a) of the Code. The Partnership Representative may resign at any time. If Karen R. Wilds ceases to be the Partnership Representative for any reason, the Members, by majority vote, shall appoint a new Partnership Representative.

In the event of an income tax audit of any tax return, including administrative settlement and judicial review, the Partnership Representative shall be authorized to act for the Company subject, however, to the majority consent of the Members as to any extensions, filings, elections, agreements, settlements or any other material action as to any such matter.

Upon receipt of notice from the Internal Revenue Service (the "IRS") of the beginning of an administrative proceeding with respect to the Company, the Partnership Representative shall inform each Member. The Partnership Representative shall give

the Members prompt notice of any inquiry or other communication received from the IRS or other applicable tax authority regarding the tax treatment of the Company or the Members (as such), and shall, to the extent possible, give the Members prior notice of and a reasonable opportunity to review and comment upon any written communication the Partnership Representative intends to make to any such taxing authority in connection with any examination, audit or other inquiry involving the Company.

Each Member shall provide to the Company and the Company shall provide to the Members (i) such assistance as may be reasonable requested by such Member or the Company in connection with the preparation of any tax return, any audit or any claim of refund or credit in respect of taxes and (ii) any records or other information relevant to such tax returns, audits or claims, in each case relating to the business of the Company.

At the reasonable discretion of the Partnership Representative, with respect to current Members, the Company may alternatively allow some or all of a Member's obligation pursuant to the preceding sentence to be applied to and reduce the next distribution(s) otherwise payable to such Member under this Agreement.

The Partnership Representative is authorized and required to represent the Company (at the Company's expense) in connection with all examinations of the Company's affairs by Taxing Authorities, including resulting administrative and judicial proceedings, and to expend Company funds for professional services and costs associated therewith. Each Member agrees that any action taken by the Partnership Representative in connection with audits of the Company shall be binding upon such Member and that such Member shall not independently act with respect to tax audits or tax litigation affecting the Company.

The Company shall make any payments of assessed amounts under Section 6221 of the Code and shall allocate any such assessment among the current or former Members of the Company for the "reviewed year" to which the assessment relates in a manner that reflects the current or former Members' respective interests in the Company for that reviewed year based on such Member's share of such assessment as would have occurred if the Company had amended the tax returns for such reviewed year and such Member incurred the assessment directly (using the tax rates applicable to the Company under Section 6225(b) of the Code).

To each Member's Capital Account there will be debited any items in the nature of expenses or losses including such items that cannot be capitalized or deducted in computing taxable income, which for the avoidance of doubt, shall include any payment by the Company of an Imputed Underpayment or other nondeductible penalties and/or interest under the Code.

### **ARTICLE VIII**

# **ASSIGNMENT; RESIGNATION**

Except as provided in Section 8.02 of this Assignment Generally. Operating Agreement, the Members hereby covenant and agree that they will not sell, assign, transfer, mortgage, pledge, encumber, hypothecate or otherwise dispose of all or any part of their interest in the Company to any person, firm, corporation, trust or other entity without first offering in writing to sell such interest to the Company. The Company shall have the right to accept the offer at any time during the thirty (30) days following the date on which the written offer is delivered to the Company. The consent of the Manager shall be required to authorize the exercise of such option by the Company. If the Company shall fail to accept the offer within the thirty (30) day period, such interest may during the following sixty (60) days be disposed of free of the restrictions imposed by this Operating Agreement; provided, however, that the purchase price for such interest shall not be less and the terms of purchase for such interest shall not be more favorable than the purchase price and terms of purchase that would have been applicable to the Company had the Company purchased the interest; provided further that the purchaser shall first become a Member pursuant to this Operating Agreement; and provided further that any interest not so disposed of within the sixty (60)-day period shall thereafter remain subject to the terms of this Operating Agreement. Notwithstanding the preceding sentence, no assignee of a Membership Interest shall become a Member of the Company except upon the consent of a majority of the non-assigning Members.

# 8.02 Purchase of Certain Membership Interests.

(a) If an Option Event (as defined below) occurs with respect to any Member (an "Option Member"), the Company shall have the option to purchase the Option Member's Membership Interest upon the terms and conditions set forth in this Section 8.02. For purposes of the foregoing, an "Option Event" shall mean (i) the

cancellation or termination of a member (ii) the inability of the Member to pay its debts generally as they become due, (ii) any assignment by the Member for the benefit of its creditors, (iii) the filing by the Member of a voluntary petition in bankruptcy or similar insolvency proceedings, or (iv) the filing against the Member of an involuntary petition in bankruptcy or similar insolvency proceeding that is not dismissed within ninety (90) days thereafter. The term "Option Member" shall include an Option Member's personal representative or trustee in bankruptcy, to the extent applicable.

- Upon any Option Event occurring to an Option Member, the Option (b) Member shall deliver written notice of the occurrence of such Option Event to the Company. The Company shall have the option, but not the obligation, to purchase the Option Member's Membership Interest at any time during the sixty (60) day period immediately following the date on which it receives notice of the occurrence of the Option Event. Such option shall entitle the Company to purchase such Membership Interest for the book value of such Membership Interest. The book value is determined in accordance with normal accounting rules, except that book value of real estate owned by the Company shall be determined in accordance with the provisions of Section 8.02(d). The book value of the interest shall be the amount that the Option Member would receive in exchange for his entire interest in the Company if the Company sold all of its assets, subject to their liabilities, at their book value as of the date on which the Option Event occurred and distributed the net proceeds from such sale in complete liquidation of the Company. The consent of all the Members shall be required to authorize the exercise of such option by the Company. Such option must be exercised by delivery of a written notice from the Company to the Option Member during the aforementioned period. Upon delivery of such notice the exercise of such option shall be final and binding on the Company and the Option Member.
- (c) If the foregoing option is not exercised, the business of the Company shall continue, and the Option Member shall retain its Membership Interest.
- (d) As to real estate that is owned by the Company, book value shall mean the city or county assessment as determined by the locality where the property is situate and located.
- (e) If at a time when the Company has an option to purchase an Option Member's Membership Interest, it is prohibited from purchasing all or any portion of such Membership Interest pursuant to the Act or any loan agreement or similar restrictive agreement, the Option Member and the remaining Members shall, to the extent permitted by law, take appropriate action to adjust the value of the Company's assets from book value to a fair valuation based on accounting practices and principles that are reasonable under the circumstances in order to permit the Company to purchase such Membership Interest. If the Company becomes obligated to purchase an Option Member's Membership Interest under this Section and the above action cannot be taken or does not create sufficient value to permit the Company to do so, the Company shall be obligated to purchase the portion of the Membership Interest it is permitted to purchase.

- 8.03 <u>Absolute Prohibition</u>. Notwithstanding any other provision in this Article VIII, the Membership Interest of the Members, in whole or in part, or any rights to distributions therefrom, shall not be sold, exchanged, conveyed, assigned, pledged, hypothecated, subjected to a security interest or otherwise transferred or encumbered, if, as a result thereof, the Company would be terminated for federal income tax purposes in the opinion of counsel for the Company or such action would result in a violation of federal or state securities laws in the opinion of counsel for the Company.
- 8.04 <u>Members Acquiring Membership Interest from Company</u>. No Person, other than the initial Members, who acquires a Membership Interest from the Company shall be admitted as a Member of the Company, except upon the consent of the Members.
- 8.05 <u>Resignation</u>. Except as provided herein, no Member shall have any right to voluntarily resign or otherwise withdraw from the Company without the written consent of all remaining Members of the Company.
- 8.06 <u>Effect of Prohibited Action</u>. Any transfer or other action in violation of this Article shall be void <u>ab initio</u> and of no force or effect whatsoever.
- 8.06 Rights of an Assignee. If an assignee of a Membership Interest is not admitted as a Member because of the failure to satisfy the requirements hereof, such assignee shall nevertheless be entitled to receive such distributions from the Company as the assigning Member would have been entitled to receive under Sections 6.07 and 9.04(c) of this Operating Agreement with respect to such Membership Interest had the assigning Member retained such Membership Interest.

At the expiration of such period as the Manager (or the person or persons carrying out the liquidation) shall deem advisable, but in no event to exceed eighteen (18) months, the Company shall distribute the balance thereof in the manner provided in the following subsection; then
- (c) Third, to the Members in proportion to their respective Membership Interests.
- (d) In the event of a distribution in liquidation of the Company's property in kind, the fair market value of such property shall be determined by a qualified and disinterested M.A.I. appraiser, selected by the Members (or the person or persons carrying out the liquidation), and each Member shall receive an undivided interest in such property equal to the portion of the proceeds to which he would be entitled under the immediately preceding subsection if such property were sold at such fair market value.
- 9.05 <u>Taxable Gain or Loss</u>. Taxable income, gain and loss from the sale or distribution of Company property incurred upon or during liquidation and termination of the Company shall be allocated to the Members as provided in Section 6.08 above.
- 9.06 <u>No Recourse Against Members</u>. Except as provided by law, upon dissolution, each Member shall look solely to the assets of the Company for the return 86164.001/644051

of its Capital Contribution. If the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the Capital Contribution of each Member, such Member shall have no recourse against any other Member.

9.07 Non Profit Purchase Option and Right of First Refusal Agreement. The Company is expressly authorized to enter into an exclusive Nonprofit Purchase Option and Right of First Refusal with Newport News Redevelopment and Housing Authority, which is a qualified nonprofit organization under the provisions of Section 42 of the Code, which Purchase Option shall comply with the requirements of such Section 42.

# 3. <u>Development Fee.</u>

(a) For services performed and to be performed under Sections 1 and 2 of this
Agreement, the Company shall pay the Developer a Development Fee in the aggregate amount of
Dollars (\$) or such other amount approved by the
Agency as its sole compensation for the performance of its services under and in connection with
this Agreement. Payment of the Development Fee shall be subject to the terms and conditions of
the Operating Agreement. Subject to the terms of the Operating Agreement, the Company shall
pay the Development Fee as follows: (i) [\$] of the Development Fee shall be paid
solely from the Cash Flow of the Company available pursuant to Section [ ] of the Operating
Agreement, from Cost Savings pursuant to Section [], and from proceeds of the dissolution
and liquidation of the Company pursuant to Section [] of the Operating Agreement (the
"Deferred Development Fee"); (ii) [\$] of the Development Fee shall be paid at the time
the Investor Member makes the First Installment; (iii) [\$] of the Development Fee
shall be paid at the time the Investor Member makes the Second Installment; (iv) [\$] of the
Development Fee shall be paid at the time the Investor Member makes the Fourth Installment; and
(v) [\$] of the Development Fee shall be paid at the time the Investor Member
makes the Fifth Installment. The Development Fee shall be split [%] to Pennrose and [%] to
NNRHA.
(b) Notwithstanding the foregoing, if, at any time prior to the payment of the Development Fee in full, including the Deferred Development Fee, there are Development Deficits
required to be paid by the Managing Member pursuant to [Section] of the Operating
Agreement, the Developer and the Company agree that the Managing Member shall have the right,
with the Consent of the Investor Member, to elect to fund such Development Deficits by causing
the Company and the Developer to change some or all of the cash portion of the Development Fee
that would otherwise be paid in accordance with Sections 3(a)(iii), (iv) and (v) above (but in no
event to exceed the lesser of [\$] or the unpaid cash portion of the Development Fee)
into Deferred Development Fee (a "DDF Election"); provided, the Investor Member shall Consent
to such deferral if the Investor Member determines, in its sole discretion, that all of the Deferred
Development Fee (including any additional deferral to pay Development Costs) can be repaid by
the Company through distributions from the cash flow waterfall under Section [ ] within
thirteen years after Rental Achievement, further provided that such Consent shall not be required
if the Deferred Development Fee is not included in the Eligible Basis and the Investor Member's
Capital Account is expected to remain positive throughout the period of eleven (11) taxable years
beginning with the first taxable year of the Credit Period. Any Deferred Development Fee

resulting from a DDF Election shall be paid in accordance with Section 3(a)(i)hereof. In no event shall the total amount of the Development Fee be increased as a result of such DDF Election.

- (c) No interest shall accrue on the outstanding Deferred Development Fee (including, without limitation, any Deferred Development Fee resulting from a DDF Election). All payments made to the Deferred Development Fee shall be applied to the outstanding balance of the Deferred Development Fee until the Deferred Development Fee is paid in full. Any outstanding balance shall be payable by the earlier of thirteen (13) years following the Placed in Service Date or the date of liquidation of the Company.
- (d) Notwithstanding the timing of the payment of the Capital Contributions of the Investor Member, in any event the Company shall pay the entire earned and accrued amount of the Development Fee (other than the Deferred Development Fee including, without limitation, any Deferred Development Fee resulting from a DDF Election) within three (3) years from the date of this Agreement.
- (e) The Development Fee shall be earned during construction proportionate to the percentage of completion of construction, with the entire Development Fee earned upon issuance of certificates of occupancy for all buildings in the Apartment Complex.
- (f) Notwithstanding anything else in this Agreement to the contrary, if the Developer fails to complete construction of the Apartment Complex at a total depreciable cost such that the Apartment Complex does not satisfy the "50% test" under Code Section 42(h)(4)(B), then the Development Fee shall be reduced on a dollar for dollar basis to the extent the payment of such Development Fee would cause less than 51% of the aggregate cost basis of the construction and the basis of the land on which the construction is located, as such terms are defined in Code Section 42(h)(4)(B), to be financed by an obligation described in Code Section 42(h)(4)(A).
- 4. <u>Developer Guaranty of Costs of Construction</u>. The Developer warrants that the aggregate costs to the Company for the items includable in Development Costs as identified on the Development Budget shall not exceed the aggregate amounts for such items reflected on the Development Budget (the "<u>Developer Cost Guaranty</u>"). If the aggregate costs to the Company for the items includable in Development Costs exceed the aggregate amount for such items reflected in the Development Budget and such excess costs cannot be funded through Permitted Sources and a DDF Election, the Developer shall pay such excess when and as incurred. Any amounts paid by the Developer pursuant to this Section 4 shall not be repaid by the Company.
- 5. Withholding of Fee Payments. If (a) the Developer or the Managing Member, or any successor Managing Member, shall not have substantially complied with any material provisions under this Agreement and the Operating Agreement, (b) an Event of Default has occurred under the Operating Agreement, (c) any financing commitment of any Lender or any agreement entered into by the Company for financing related to the Apartment Complex shall have terminated prior to its respective termination date(s), or (d) foreclosure proceedings have been commenced against the Apartment Complex, then the Developer shall be in default of this Agreement, and the Company shall withhold payment of any installment of the fee payable to the Developer pursuant to Section 3 of this Agreement. All amounts so withheld by the Company under this Section 5 shall be promptly released to the Developer only after the Developer has cured

the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member.

6. <u>Assignment of Fees</u>. The Developer shall not assign, pledge or otherwise encumber, for security or otherwise, the Development Fee set forth above to be made by the Company, or any portion(s) thereof or any right(s) of the Developer thereto, without the Consent of the Investor Member.

# 7. <u>Construction Warranty</u>.

- (a) The Developer hereby warrants to the Company and to the Investor Member that the materials and equipment furnished in accordance with this Agreement will be of good quality, that the work will be free from defects, and that the work will conform with the requirements of the Plans and Specifications. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. If requested by the Investor Member, or the Project Lenders, the Developer shall furnish satisfactory evidence as to the kind and quality of materials and equipment used in the construction of the Apartment Complex.
- (b) If, within one (1) year after Completion Date, any of the structural or non-structural work performed to construct the Apartment Complex is found to be materially defective or not in accordance in all material respects with the Plans and Specifications and with all applicable building codes, laws, rules and regulations, the Developer shall correct or cause the Contractor to correct such defect(s) promptly after receipt of written notice from the Company or the Investor Member to do so. With respect to portions of the work first performed after Completion Date, such one (1) year period shall be extended by the period of time between the Completion Date and the actual performance of the work. The obligation under this Section shall survive acceptance of the work performed to construct the Apartment Complex. If a material defect is discovered more than one (1) year after the Completion Date, as such period may be extended under this Section, and such defect was known to the Developer or an Affiliate of the Developer and was not disclosed to the Company and the Investor Member in writing or was intentionally concealed by the Developer or such Affiliate, then the Developer shall promptly take such action as may be necessary, at the Developer's sole expense, to correct such defective work to the satisfaction of the Investor Member.
- 8. <u>Successors and Assigns</u>. This Agreement shall be binding on the parties hereto, their heirs, successors and assigns. However, this Agreement may not be assigned by any party hereto without the Consent of the Investor Member, nor may it be terminated without the Consent of the Investor Member.
- 9. <u>Termination</u>. If the Managing Member withdraws from the Company for any reason whatsoever, including the removal of the Managing Member, this Agreement shall terminate effective on the date of such withdrawal (an "<u>Early Termination</u>") unless the Company and the Investor Member otherwise elect in writing. If an Early Termination occurs, then Developer shall not be entitled to any payments of the Development Fee and the Developer shall forfeit as additional damages any Development Fee which has not been paid as of the date of such Early Termination. If an Early Termination occurs, the Developer shall remain liable for all

damages, liabilities and claims ("<u>Claims</u>") arising under or in connection with this Agreement which are based on acts or omissions prior to the date of such termination, including Claims which do not become manifest until after the date of such termination. The Developer shall have no right to terminate this Agreement without the Consent of the Company and the Investor Member, which Consent may be withheld in the sole discretion of any party.

- 10. <u>No Lien Filings</u>. The Developer hereby represents, warrants and covenants that neither it nor its Affiliates shall file a mechanic's lien, materialmen's lien or other lien against the Apartment Complex or any other assets of the Company, and hereby waives and releases any right it may have or may hereafter acquire to file such a lien against the Apartment Complex or any other assets of the Company. The Developer shall indemnify and hold harmless the Company and the Investor Member from any losses, damages, and/or liabilities, to or as a result of a breach of this provision.
- 11. <u>Separability of Provisions</u>. Each provision of this Agreement shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.
- 12. <u>Counterparts</u>. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.
- Waiver of Jury Trial. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS DEVELOPMENT AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT HEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THE DEVELOPMENT AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.
- 14. <u>No Continuing Waiver</u>. The waiver by any party of any breach of this Agreement shall not operate or be construed to be a waiver of any subsequent breach.

- 15. <u>Applicable Law</u>. This Agreement shall be construed and enforced in accordance with the laws of Virginia.
- 16. <u>Third Party Beneficiary</u>. The Investor Member is a third party beneficiary of this Agreement, and the Company and the Developer hereby expressly agree that any amendment to this Agreement shall not be effective unless and until same is Consented to by the Investor Member.

Ridley Circle is being redeveloped through two applications – one 9% LIHTC application submitted for funding consideration on 3/18/2021 and one 4% application being submitted in this proposal.

All of Ridley Circle (both properties involved) are currently under one ownership and one single tax assessment. The attached assessment represents the property as public housing which is being demolished. As soon as HUD approves the demolition plan for Ridley Circle, the existing vacant structures will be demolished before the 9% and 4% redevelopment financing is closed.

RE: 2021 Tax Credit Reservation Request

Name of Development: Choice Neighborhood IV-R
Name of Owner: Choice Neighborhood IV-R LLC

#### Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated October 22, 2021 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

- 1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs sections of the Application form, complies with all applicable requirements of the Code and Regulations.
- 2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

#### Jones, Blechman, Woltz & Kelly, P.C.

#### 2021 - Tax-Exempt ATTORNEY'S OPINION LETTER, continued

- 3. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
- 4. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon the placement in service of each building of the Development, the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

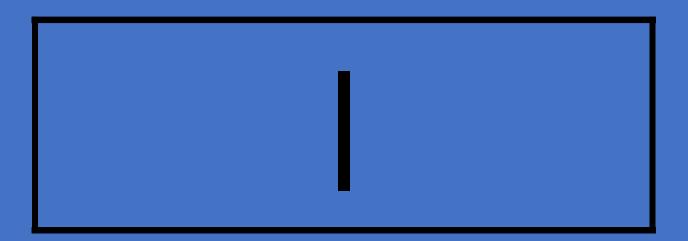

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

CAUTION: This email originated from outside of Virginia Housing. Use caution when clicking on links or opening attachments.

Hi,

Wanted to get guidance on the relocation plan guidelines for our Choice Neighborhood III-R application we hope to be submitting. Our project site has already had all residents relocated as part of the Marshall Ridley Transformation Plan tied to the Choice Neighborhood (CNI) award, and the site is currently vacant. The relocation plan for this effort was reviewed and accepted by HUD per the CNI guidelines. Since the ownership entity will not be relocating residents, did we have to provide a plan to VH as part of this application?

Thank you

# Documentation of Rental Assistance, Tax Abatement and/or Existing HUD/RD

The Choice Neighborhoods IV-R site is a former public housing development which is being transformed as part of the Marshall Ridley Choice Neighborhood Housing Plan. The United States Department of Housing and Urban Development awarded the Newport News Redevelopment and Housing Authority \$30,000,000 of Choice Neighborhood Initiative (CNI) funds in May, 2019.

The Virginia Housing manual indicates under section 7.12.5 that "Any development participating in the Rental Assistance Demonstration (RAD) program, or other PHA conversion to project-based rental assistance competing in the Local Housing Authority pool" is eligible for 10 points.

We are hereby providing the CNI Implementation Agreement as proof of HUD commitment.

Dear Ms. Wilds:

I am pleased to inform you that the Newport News Redevelopment and Housing Authority Board of Commissioners approved the award of 45 project based vouchers to be used at the Choice Neighborhood IV-R Apartments. This was done in accordance with the Housing Opportunity Through Modernization Act of 2016 (HOTMA) and subsequent HUD notices to allow NNRHA to issue Project Based Vouchers (PBVs) to certain public housing authority owned projects that will be developed as a result of the Choice Neighborhoods Initiative (CNI) plan without following a competitive process. Enclosed is a copy of the resolution passed by the Board.

The Virginia Housing manual indicates under section 7.12.5 that "Any development participating in the Rental Assistance Demonstration (RAD) program, or other PHA conversion to project-based rental assistance, competing in the Local Housing Authority pool..." is eligible for 10 bonus points. We are hereby providing the CNI Implementation Agreement as proof of HUD commitment.

# FY2018 Choice Neighborhoods IMPLEMENTATION GRANT AGREEMENT

This grant agreement ("Grant Agreement") is made by and between the United States Department of Housing and Urban Development ("HUD") and the Lead and Co-Applicant(s) ("Grantee"). On May 13, 2019, HUD awarded the Grantee a Choice Neighborhoods Implementation Grant from fiscal year 2018 funds, for the implementation of a Transformation Plan ("Transformation Plan") that is identified in this Grant Agreement below.

HUD agrees, subject to the terms of this Grant Agreement, to provide grant funds to the Grantee, in the total amount listed on the form HUD-1044, for the activities described in the Transformation Plan as defined in Article III. Either the Lead Applicant or the Co-Applicant Grantee may be the designated entity with access to LOCCS for drawing down grant funds.

The assistance that is the subject of this Grant Agreement is authorized by, and required to be used in accordance with, Section 24 of the U.S. Housing Act of 1937, the Consolidated and Further Continuing Appropriations Act, 2018 (Pub. L. 115-41, approved March 23, 2018) ("2018 HUD Appropriations Act), (collectively the "Choice Neighborhoods Authorization").

The form HUD-1044 and Exhibit A are incorporated into and subject to the terms of this Grant Agreement.

HUD and the Grantee hereby agree to be bound by the following terms and conditions of this Grant Agreement:

# **ARTICLE I.** Choice Neighborhoods Requirements

The Grantee agrees to conduct all activities to be assisted with funds provided under this Grant Agreement in accordance with the following requirements, as such requirements now exist or as they may hereafter be amended (hereafter collectively referred to as the "Choice Neighborhoods Requirements"):

- A. the U.S. Housing Act of 1937, as amended (the "1937 Act"), as applicable, and all implementing regulations;
- B. the 2018 HUD Appropriations Act (Public Law 115-41, approved March 23, 2018);
- C. the Fiscal Year (FY) 2018 Notice of Funding Availability for the Choice Neighborhoods Initiative Implementation Grants published via Grants.gov on May 18, 2018 (the "Choice Neighborhoods Implementation NOFA").
- D. 31 U.S.C. § 1552. In accordance with this statute, all FY2018 funding must be expended by September 30, 2025. Any funds that are not expended by that date will be cancelled and recaptured by the Treasury, and thereafter will not be available for obligation or expenditure for any purpose. In order to ensure funds are drawn from LOCCS by that date, HUD may provide additional guidance as the deadline approaches for when grantees should submit the final draw request (e.g. usually approximately two weeks prior to the expenditure deadline).
- E. In accordance with section 24(e)(2)(D) of the 1937 Act, Grantees must involve affected residents of the targeted public and/or assisted housing during the implementation process. Grantees are required to involve the affected public and/or assisted housing residents in the implementation of the Transformation Plan. This involvement must be continuous from the beginning of the planning process through the implementation and management of the grant. In addition to the statutory requirement, unless HUD indicates otherwise in writing, Grantees will be expected to undertake resident and community involvement in a manner and method at least as comprehensive as that described in your grant application.
- F. all executive orders applicable to the activities being conducted with funds provided under this Grant Agreement;
- G. the terms and requirements of this Grant Agreement, and any amendments or addenda thereto;
- H. all other applicable Federal requirements, including, without limitation, those set forth the FY2018 Appropriations Act and those set forth in Appendix A; and
- I. all regulations, handbooks, notices, and policies applicable to the activities being conducted with funds provided under this Grant Agreement.

### **ARTICLE II. Program Overview**

- A. Goals of the Choice Neighborhoods Program. The Choice Neighborhoods Program employs a comprehensive approach to neighborhood transformation. The program transforms neighborhoods of concentrated poverty into mixed-income neighborhoods of long-term viability by revitalizing severely distressed public and/or assisted housing; improving access to economic opportunities; and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods ensures that current residents benefit from this transformation by preserving affordable housing in the neighborhood or providing the choice to move to affordable housing in another neighborhood of opportunity. The purpose of this grant is to implement a Transformation Plan that has been developed through a local planning process and furthers the goals of the Choice Neighborhoods Program. The core goals of Choice Neighborhoods are:
  - **1. Housing**: Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood;
  - **2. People**: Improve outcomes of households living in the target housing related to employment and income, health, and children's education; and
  - **3. Neighborhood**: Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community.

### **ARTICLE III. Choice Neighborhoods Transformation Plan**

- A. General. The Grantee's Choice Neighborhoods Transformation Plan ("Transformation Plan") consists of a document or documents reviewed and approved by HUD to govern the transformation of the neighborhood. The Transformation Plan should integrate effective strategies to implement public and/or assisted housing revitalization, the coordination and design of supportive services, including educational opportunities for children, and neighborhood-level planning to improve a range of neighborhood assets. The Transformation Plan should be created as part of a collaborative planning process that involves neighborhood stakeholders and local governmental entities. The Transformation Plan should translate the three core goals of Choice Neighborhoods Housing, People and Neighborhood into a strategy that will direct investments, demonstrate the commitment among a range of public and private partners to address interdependent neighborhood challenges, utilize data to set and monitor progress toward implementation goals, and engage community stakeholders and residents in meaningful decision-making roles.
- B. Components of the Transformation Plan. The Grantee's Transformation Plan includes each of the following components, as needed for the Transformation Plan and as approved by HUD. Because some of these documents may be submitted to HUD for approval throughout the implementation of the Grant Agreement, an approved Transformation Plan shall be

deemed to mean the most recent set of documents that have been submitted to (as set forth in this Article) and approved by HUD:

- 1. The Grantee's Choice Neighborhoods application, submitted in response to the FY2018 Choice Neighborhoods Implementation NOFA (the "Choice Neighborhoods Application");
- 2. Post Application Submissions that HUD requires the Grantee to submit following HUD's review of the Choice Neighborhoods application and/or as a result of a site visit to the neighborhood which is the target of redevelopment under this grant ("Development"), including but not limited to:
  - a. any additional information required for HUD to approve demolition of the target public and/or assisted housing based on the Choice Neighborhoods application;
  - b. certifications and assurances;
  - c. a Program Schedule, in accordance with the timeframes established in this Article;
  - d. a Choice Neighborhoods Budget (all phases) as described in Article VI;
  - e. any other information or documentation that is not otherwise required under any other component of the Transformation Plan that is requested by HUD to supplement or refine information provided in the Choice Neighborhoods Application or to meet any terms or conditions of the Grant Agreement; and
  - f. any waiver requests;

(Subparagraphs (a) through (f) are hereafter collectively referred to as, "Post Application Submissions.")

- 3. a Supportive Services/People plan;
- 4. the Grantee's submissions to HUD in connection with an Endowment Trust, if applicable, in accordance with Article IV(J) (including but not limited to submission of a Choice Neighborhoods Endowment Trust Addendum);
- 5. for public housing only, a Demolition Application, if applicable, as described in Article IV;
- 6. for public housing only, a Disposition Application relating to the Development, as described in Article IV, to the extent applicable;
- 7. a development proposal(s), as described in Article IV;
- 8. a homeownership proposal, as applicable, as described in Article IV;

- 9. a plan for Critical Community Improvements projects, as applicable; and
- 10. any amendment or modification of the foregoing, as approved in writing by HUD.
- C. Incorporation into Grant Agreement. As each component of the Transformation Plan is approved in writing by HUD, it will be deemed to be incorporated into this Grant Agreement.
- D. Time Periods for Implementation. The Grantee agrees to implement its Transformation Plan in accordance with the approved Program Schedule, including but not limited to the following time periods:
  - 1. In accordance with the Choice Neighborhoods Implementation NOFA as incorporated by Article I(C) above.
  - 2. Items identified in paragraph (B) of this Article must be submitted to HUD in accordance with the HUD-approved Program Schedule. The Program Schedule is due to HUD within 120 calendar days (weekends and holidays are not excluded) from the Grant Award Date. HUD reserves the right to require Grantee to make edits to these items to put them in a form and substance acceptable to HUD.
  - 3. The Grantee must start service coordination and case management services as soon as possible, if they have not already. The Grantee must have started these services within 60 days of the Grant Award Date. It is imperative that case management services begin immediately so that residents who will be relocated have time to participate in and benefit from Supportive Services activities before leaving the site; and that residents who have already been relocated are able to participate in and benefit from Supportive Services activities.
  - 4. The Grantee must submit the People/Supportive Services plan within 9 months of the Grant Award Date for HUD's review and approval.
  - 5. The Grantee must submit the Critical Community Improvements plan within 12 months of the Grant Award Date for HUD's review and approval.
  - 6. The closing of the first housing phase of development must take place within 18 months of the Grant Award Date. For this purpose, "closing" means all financial and legal arrangements have been executed and actual activities (construction, etc.) are ready to commence. The construction Notice to Proceed or equivalent must be issued no later than 90 days after the closing date, unless otherwise approved by HUD.
  - 7. Grantees must start housing rehabilitation/construction within 21 months of the Grant Award Date.
  - 8. Grantees must complete replacement housing rehabilitation/construction by obtaining a certificate of occupancy or equivalent for units funded with Choice Neighborhoods funds

- by September 30, 2025. In accordance with the statutory deadline for expenditure of funds, HUD cannot approve an extension to this milestone.
- E. Time Extensions. All requests for extensions of the time periods for implementation listed in paragraph (D)(1)-(7) of this Article must be requested by the Grantee in advance of the deadline date. All requests for extensions must be made in writing to the Office of Public Housing Investments and will be reviewed and approved or disapproved by the Assistant Secretary of Public and Indian Housing and/or the Deputy Assistant Secretary for the Office of Public Housing Investments.

# **ARTICLE IV. Transformation Activities and Requirements**

- A. Program Activities. Grantees must include the activities listed in Section III.E.1 of the Choice Neighborhoods Implementation NOFA in their Transformation Plan.
- B. Program Requirements. Grantees must comply with the Program Requirements stated in Section III.E.2 of the Choice Neighborhoods Implementation NOFA, some of which are restated in this Article for emphasis and/or with additional detail.
- C. One-for-one Replacement of Public and/or Assisted Housing. Each Transformation Plan must comply with the applicable one-for-one replacement requirement as stated in Section III.E.2.b of the Choice Neighborhoods NOFA.
- D. Replacement Housing Development Activities.
  - 1. Public Housing Development Activity. For any public housing development activity under the Transformation Plan (whether on-site reconstruction or off-site development), the Grantee must obtain HUD approval of a development proposal submitted under 24 CFR 905.606 ("Development Proposal").
  - 2. Any RAD conversion must be done in accordance with the protocol for reviewing RAD/Choice Neighborhoods projects or subsequent guidance.
  - 3. For projects involving Section 8, both Project Based Rental Assistance (PBRA) and Project Based Vouchers (PBV), and Choice Neighborhoods funding, HUD will review the development proposal in accordance with the Cost Controls and Safe Harbor Standards for Rental Mixed-Finance Development, dated April 2003, or subsequent guidance.
  - 4. For Replacement Units to be provided as PBVs in projects developed by an entity other than the Housing Implementation Entity, the PHA that administers the vouchers must comply with 24 CFR part 983. In addition, the Choice Neighborhoods office must review project information in advance of the AHAP or HAP contract to confirm the project satisfies the CN program requirements (e.g. is in a mixed-income development

- and, if located outside the target neighborhood, meets the location requirements set forth in the NOFA).
- E. Rehabilitation Activities. For rehabilitation and physical improvement of public housing and/or community facilities primarily intended to facilitate the delivery of community and supportive services for residents of the Development and residents of off-site replacement housing under the Transformation Plan, the Grantee will comply with 24 CFR § 905.
- F. Affordable Housing Development Activities. Affordable housing (non-replacement, rental or homeownership, as defined in the NOFA) units developed with Choice Neighborhoods funds must be done in accordance with a proposal approved by HUD. Such units must be available to families earning 81-120 percent of AMI and grantees shall commit to an affordability period of at least 20 years. Affordable housing units must be in the same building with replacement units, except for buildings with one to four units total. Further, affordable housing units cannot include other funding that restricts incomes below 120% AMI (e.g. Low-Income Housing Tax Credits). The affordability restrictions shall be contained in a legally enforceable document recorded in the appropriate recorder's office or registry of deeds and consistent with long-term viability of the project.
- G. Demolition of Public Housing. You cannot carry out nor permit others to carry out the demolition of the targeted public housing project or any portion of the project until HUD approves, in writing, one of the following ((1) (3) of this section), and until HUD has also: (i) approved a Request for Release of Funds submitted in accordance with 24 CFR part 58, or (ii) if HUD performs an environmental review under 24 CFR part 50, has approved the property for demolition, in writing, following its environmental review.
  - 1. Information regarding demolition in your Choice Neighborhoods Application, along with Post Application Submissions requested by HUD after the award of the grant. Section 24(g) of the 1937 Act provides that severely distressed public housing that is demolished pursuant to a revitalization plan is not required to be approved through a demolition application under section 18 of the 1937 Act or regulations at 24 CFR part 970.
  - 2. A demolition application under section 18 of the 1937 Act.
  - 3. A section 33 Required Conversion Plan, in compliance with regulations at 24 CFR part 972, subpart A and other applicable HUD requirements. A Required Conversion Plan concerns the removal of a public housing project from a PHA's inventory.
- H. Demolition of Multifamily Housing. For projects subject to a project-based section 8 Housing Assistance Payments ("HAP") contract, the Grantee will not engage in or permit the partial or total demolition of the project, or any activities related thereto, including any activities in preparation for such demolition, without the prior written consent of HUD. Such consent will not be provided until HUD has first approved (i) a proposal for preserving the project-based section 8 HAP contract consistent with applicable statutory authority (e.g., section 212(a) of the 2012 HUD Appropriations Act, or successor legislation; or section 8(bb)(1) of 1937 Act) and all related Departmental policies, procedures, and requirements;

- (ii) a proposal for project rehabilitation; and (iii) a replacement housing plan that provides for the orderly, temporary relocation of relocated families (e.g., based on the requirements of Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 (Multifamily Emergency/Disaster Guidance), section 38-32C (Section 8 Pass Through)) that ensures decent, safe, and sanitary housing, consistent with 24 CFR Part 5 Subpart G (Physical Condition Standards and Inspection Requirements) and 24 CFR Part 200 Subpart P (Physical Condition of Multifamily Properties), at the beginning of and throughout the relocation period.
- I. Disposition of Public Housing. This section applies only to disposition of public housing.
  - 1. Disposition of a severely distressed public housing site, by sale or lease, in whole or in part, must be done in accordance with section 18 of the 1937 Act and implementing regulations at 24 CFR part 970, as applicable.
  - 2. The Grantee will also comply with the provisions of its approved disposition application (the approved "Disposition Application"), unless otherwise modified in writing by HUD, and with the procedures for processing dispositions associated with mixed-finance projects as set forth by HUD.
  - 3. A ground lease of one year or more that is not incident to the normal operation of a development is considered to be a disposition that is subject to section 18 of the 1937 Act.

#### J. Relocation.

- 1. General. The Grantee will provide suitable, decent, safe, and sanitary housing for each family required to relocate because of transformation activities under the Transformation Plan.
- 2. Relocation Plan for Public Housing Units. The Grantee must carry out its relocation activities in compliance with a relocation plan that conforms with the following statutory and regulatory requirements, as applicable (the "Relocation Plan") for displacement or temporary relocation carried out as a result of:
  - a. **Rehabilitation, acquisition, or demolition pursuant to section 24 of the 1937 Act** under an approved Plan is subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601 et seq; 49 CFR part 24) (URA) and regulations at 24 CFR § 905.308 or successor part and meets the requirements of the Choice Neighborhoods Implementation NOFA.
  - b. **Disposition or demolition pursuant to section 18 of the 1937 Act** under an approved Transformation Plan is subject to section 18 of the 1937 Act as amended and 24 CFR 970.21.
    - i. Exception: displacement or temporary relocation carried out as a result of **disposition** pursuant to the mixed-finance development requirements at 24 CFR 905, subpart F is subject to section 18 of the 1937 Act but not 24 CFR 970.21.

- c. **Disposition pursuant to a Section 332 required conversion plan** is subject to Section 18 of the 1937 Act and 24 CFR Part 971.
- d. **Demolition pursuant to a Section 33 required conversion plan** is subject to the URA.
  - If the project also utilizes Community Development Block Grant (CDBG) or HOME funds, section 104(d) of the Housing and Community Development Act of 1974 may also apply. Please refer to the Tenant Assistance Relocation and Real Property Acquisition Handbook (HUD Handbook 1378) for detailed information.
- 3. Relocation Plan for Non-Public Housing Units. Except for displacement resulting from demolition or disposition activities subject to section 18 of the 1937 Act, projects involving real property acquisition, rehabilitation or demolition are subject to the URA and the requirements of the Choice Neighborhoods Implementation NOFA. For projects subject to a project-based section 8 HAP contract, the Grantee will (i) secure or cause to be secured temporary replacement housing for displaced families; will ensure that (ii) the temporary housing is available for the entire duration of the displacement period; and (iii) the housing meets the requirements of 24 CFR Part 5, Subpart G ("Physical Condition Standards and Inspection Requirements") and 24 CFR Part 200 Subpart P ("Physical Condition of Multifamily Properties") at the beginning of and throughout the displacement period. To satisfy this requirement, the Grantee is encouraged to adopt the model and the related procedures in Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 ("Multifamily Emergency/Disaster Guidance"), section 38-32 C ("Section 8 Pass Through") for the temporary relocation of section 8-assisted families necessitated by a natural disaster or other emergency. Based on this model and the related procedures, the Grantee is authorized to enter into a temporary lease for a unit in the same locale that meets the foregoing regulatory requirements on behalf of a displaced section 8-assisted family. During this period, the Owner of a property subject to a project-based section 8 HAP contract ("Owner"), whether the Owner is the Grantee or one of the Grantee's partners, may voucher for the contract rent for that unit on a temporary basis. The Owner pays no more than the contract rent on the temporary dwelling until the resident's permanent rental unit has been restored to habitable condition and the Owner notifies the resident that they may resume occupancy of their former unit. The resident is still responsible for the resident's share of the rent. Should the displaced resident fail to return, the Owner may rent the repaired unit to an eligible section 8 applicant. Before doing so, however, the Owner must inform the resident in writing that their assistance is terminated. In the event that the Owner rents the unit to an eligible section 8 applicant, the Owner must first terminate the "pass through" lease that the Owner executed on behalf of the displaced resident. In addition, should the temporarily relocated resident move from the temporarily leased unit before their permanent rental unit is repaired and made available for their return, the Owner can no longer voucher for the temporary unit and the resident is considered permanently housed. (See Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 ("Multifamily Emergency/Disaster Guidance"), section 38-32 C ("Section 8 Pass Through")).

# K. Acquisition.

- 1. Acquisition Proposal. A PHA must submit an acquisition proposal to HUD for review and approval prior to acquisition in accordance with 24 CFR 905.608 when a PHA determines that it is necessary to acquire vacant land for development of replacement housing through new construction, using public housing funds. This acquisition approval must be submission of a development proposal under 24 CFR 905.606.
- 2. Land for Replacement Units outside the target neighborhood. For acquisition of land for replacement housing outside the target neighborhood, you must comply with 24 CFR 905.602 (site and neighborhood standards).
- 3. Land for Economic Development-Related Activities. Acquisition of land for this purpose is eligible if the activities specifically promote the economic self-sufficiency of residents of the neighborhood, such as construction or rehabilitation of parks and community gardens, environmental improvements; or promoting economic development, such as development or improvement of transit, retail, community financial institutions, public services, facilities, assets or other community resources. Limited infrastructure and site improvements associated with development retail, commercial, or office facilities, such as rough grading and bringing utilities to (but not on) the site, are eligible activities with prior HUD approval. You may request an amount not to exceed 15 percent of the total Choice Neighborhoods grant to pay the costs of non-housing capital costs as described above for Critical Community Improvements.
- L. Supportive Services. The Grantee must plan for and provide current public and assisted housing residents, relocated public and assisted housing residents, and returning and new public and assisted housing residents with supportive services for the term of the Grant Agreement. Supportive Services programs and services must be carefully planned so that they will be sustainable after the Choice Neighborhoods grant period ends. The Grantee is responsible for tracking and providing Supportive Services programs and services to baseline and revitalization development residents. Baseline residents are those residents that lived in the targeted redevelopment site at the time of application for this Choice Neighborhoods grant. The grantee and HUD will also work together to track the experiences and changing characteristics of revitalization development residents who live at the revitalized site. Supportive Services activities must be well integrated with the physical development process, both in terms of timing and the provision of facilities to house on-site service and educational activities. The Grantee should provide final outcomes and metrics on Supportive Services as identified in the Transformation Plan. The Grantee will report to HUD on those outcomes and measure progress using those metrics as discussed in Article XII. HUD will use these reports to determine if the Grantee has met their supportive service requirements as listed in their Transformation Plan. To the extent that the Grantee proposed Supportive Services to the surrounding neighborhood residents as part of the application, public housing and HUD assisted housing resident Supportive Services should be tracked in the same way or as proposed in the application.

- 1. Funding. Consistent with sections 24(d)(1)(L) and 24(j)(3) of the 1937 Act and the Choice Neighborhoods Implementation NOFA, the Grantee may use an amount up to 15 percent of the total Choice Neighborhoods Grant to pay the costs of community and supportive service programs. The Grantee may spend additional sums on community and supportive services programs using donations, HUD funds made available for that purpose, or other Grantee funds.
- 2. Supportive Services Endowment Trust. The Grantee may deposit up to 15 percent of the Choice Neighborhoods Grant amount (the maximum amount of the grant allowable for Supportive Services programs) into an endowment trust to provide Supportive Services activities (the "Endowment Trust").
  - a. The Grantee may not draw down funds provided under this Grant Agreement for deposit into an Endowment Trust until it has a HUD-approved Endowment Trust plan and has executed with HUD an addendum to this Grant Agreement (the "Choice Neighborhoods Endowment Trust Addendum"), as directed by HUD. The Choice Neighborhoods Endowment Trust Addendum establishes the requirements governing the establishment, operation, and management of an Endowment Trust.
  - b. In reviewing the amount of the Grantee's proposed allocation of Choice Neighborhoods Grant funds to an Endowment Trust, HUD will take into account the Grantee's demonstrated ability to pay for current Supportive Services activities with Choice Neighborhoods or other funds, and the projected long-term sustainability of the Endowment Trust to carry out such activities.
  - c. Endowment Trust funds (including any non-Choice Neighborhoods funds donated or otherwise made available to the Endowment Trust, and any interest earned on Choice Neighborhoods and non-Choice Neighborhoods funds) may only be used for eligible and necessary Supportive Services activities.
- 3. Although targeted housing residents must be the primary beneficiary of Supportive Services, Supportive Services provided to the surrounding neighborhood residents, beyond public and HUD assisted housing residents, are an eligible use of funds.
- M. Administration, Fees and Costs. Reasonable costs for administration, planning, technical assistance, and fees and costs, as established by the Cost Control and Safe Harbor Standards guidance dated April 9, 2003, or successor document. These costs are limited to the costs of implementing the Transformation Plan, as specifically approved by HUD, such as fees for architectural and engineering work, program management (if any), and reasonable legal fees. You may not use Choice Neighborhoods Implementation Grant funds to pay for any implementation activities carried out on or before the date of the letter announcing the award of the Choice Neighborhoods Grant.
- N. Right of Return. Each tenant who wishes to return to the on-site or off-site replacement housing may return if the tenant was lease-compliant at the time of departure from the housing prior to relocation and continued to remain lease-compliant during the relocation period. This is a Choice Neighborhoods program requirement and not related to benefits provided in accordance with the URA. A returning tenant shall be provided a preference for occupancy of on-site or off-site replacement units before such units are made available to any

other eligible households. Accordingly, the Housing plan must provide an adequate number of replacement units that can be occupied by households with incomes up to 80 percent AMI (e.g. units that are not limited by another funding source such as LIHTC equity that has a lower income limit). The tenant also has the option not to occupy a replacement unit and may retain tenant-based voucher assistance, subject to appropriations and availability, provided under section 8(o) of the United States Housing Act of 1937 for relocation from the properties revitalized under this Grant Agreement. These preferences are retained even if the resident has already received permanent relocation benefits. This preference applies to residents that were relocated due to the redevelopment activity and remains available until the initial lease-up of the new units. Residents that voluntarily move prior to relocation do not have this right to return preference. Prior written approval for any new tenant-based voucher assistance, including but not limited to Tenant Protection Vouchers, is required prior to Grantee obtaining voucher assistance. If a household is "rightsized" (e.g. splits into two separate households) through the relocation resulting from Choice Neighborhoods, the original head of household will have the right to return. Once all of the original heads of household have been housed, the Grantee is required to offer the second household any units that are available. If no units are available, then the second household will be moved to the top of the waiting list. Both the original household and the second household are required to be lease-compliant at the time of relocation and throughout relocation.

# O. Site and Neighborhood Standards for Replacement Housing.

- 1. Grantee's Election of Requirements. A Grantee, at its election, separately regarding each site it proposes, will comply with the development regulations regarding Site and Neighborhood Standards (24 CFR § 905.602), or with the Site and Neighborhood Standards contained in this Article.
- 2. On-Site Replacement Housing (i.e. on the target housing site and/or in the target neighborhood). Because the objective of the Choice Neighborhoods program is to alleviate distressed conditions at the targeted development and in the target neighborhood, replacement housing under Choice Neighborhoods that is located within the target neighborhood will not require approval by HUD under Site and Neighborhood Standards.
- 3. Off-site Replacement Housing (i.e., outside of the target neighborhood but within the metropolitan area up to 25 miles from the target housing site). Replacement housing outside the target neighborhood must:
  - a. offer access to economic opportunities and public transportation and be accessible to social, recreational, educational, commercial, health facilities and services, and other municipal services and facilities that are comparable to those that will be provided in the target neighborhood; and
  - b. be located neither in areas of minority concentration nor in areas with a poverty rate above 40 percent. A neighborhood of minority concentration is a Census tract or other defined geographic area in which the percentage of residents who are racial or ethnic minorities is at least 20 percentage points higher than the percentage of minority residents in the Metropolitan Statistical Area (MSA) (or jurisdiction not in a

MSA) as a whole. In MSAs (or jurisdictions not in MSAs) in which the majority of residents are racial or ethnic minorities, HUD will consider and rely on all relevant information to determine whether the neighborhood proposed for replacement housing will lead to the creation of more inclusive and integrated housing in opportunity-rich neighborhoods.

- P. Research and Evaluation Cooperation. HUD and its contractors shall perform research and evaluation activities on the Choice Neighborhoods program, including interviews with the Grantee and community, review of grantee documents and data, surveys of assisted households and neighborhood residents, and documentation of changing physical conditions in the buildings and neighborhood. The Grantee shall make all reasonable efforts to cooperate with HUD and its contractors in carrying out these activities, including but not limited to facilitating interviews of Grantee's staff and partners, providing HUD's contractor with access to observe community meetings; to data systems, documents, and assisted and public housing residents; and to buildings for conducting physical inspections.
- Q. Operation and Management Principle and Policies, and Management Agreement for PHAs. Grantee must develop a Management Agreement that describes their operation and management principles and policies for their public housing units. Grantees and their procured property manager, if applicable, must comply (to the extent required) with the provisions of 24 CFR part 966 in planning for the implementation of the operation and management principles and policies described below.
  - 1. Rewarding work and promoting family stability by promoting positive incentives such as income disregards and ceiling rents;
  - 2. Instituting a system of local preferences adopted in response to local housing needs and priorities, e. g., preferences for victims of domestic violence, residency preferences, working families, and disaster victims. Note that local preferences for public housing must comply with Fair Housing requirements at 24 CFR 960.206. No preference should lead to disparate negative impact on any Fair Housing Act protected class;
  - 3. Lease requirements that encourage self-sufficiency by promoting involvement in the resident association, performance of community service, participation in self-sufficiency activities, and transitioning from public housing;
  - 4. Implementing site-based waiting lists that follow project-based management principles for the redeveloped public housing. Note that site-based waiting lists for public housing must comply with Fair Housing requirements at 24 CFR 903.7(b)(2);
  - 5. Strictly enforcing lease and eviction provisions;
  - 6. Implementation of defensible space principles and the installation of physical security systems such as surveillance equipment, control engineering systems, etc. to improve the safety and security of residents;

- 7. Enhancing ongoing efforts to eliminate drugs and crime from neighborhoods through collaborative efforts with federal, state, and local crime prevention programs and entities.
- R. Lobbying. The Grantee hereby certifies that no funds provided under this Grant Agreement will be expended for lobbying activities, as prohibited by Section 319 of Public Law 101-121 (which prohibits recipients of Federal contracts, grants, and loans from using appropriated funds for lobbying the Executive or Legislative Branches of the Federal Government), and implemented for HUD at 24 CFR part 87, as the same may be amended from time to time. The Grantee will disclose promptly any commitment or expenditure of non-appropriated funds for lobbying activities if those activities would be prohibited if paid with appropriated funds.

# **ARTICLE V. Changes to the Transformation Plan**

- A. Changes Requiring Prior HUD Approval. If the following activities in the application are to be modified or amended, the Grantee must request and obtain prior written HUD approval:
  - 1. the Program Schedule. The Grantee must inform HUD immediately, in writing, of any problems, delays or adverse conditions that will impair materially the Grantee's ability to comply with the Program Schedule, and include a statement of action taken, or proposed to be taken, and any assistance needed to resolve the situation. HUD must approve any proposed changes to the Program Schedule that would modify any date or time period.
  - 2. the form of program oversight or governance;
  - 3. the overall strategy for community involvement;
  - 4. the approved disposition;
  - 5. the approved demolition;
  - 6. the Housing plan, including the total number of housing units to be developed or rehabilitated (whether or not there is an associated budgetary revision requiring prior approval), the unit mix, the location of housing, the design, or any other changes that materially affect the Transformation Plan;
  - 7. the plan for Critical Community Improvements projects;
  - 8. changes in any Choice Neighborhoods Budget or phase budget that propose an increase or decrease in any line item, except as permitted by Article VI;
  - 9. an extension of the period of availability of the Choice Neighborhoods Grant funds provided under this Grant Agreement, not to go beyond the statutory timeframes;

- 10. changes in the entities or individuals, including any key partners specified in the Transformation Plan as having key responsibilities for carrying out the Transformation Plan (or any component(s) of the Transformation Plan). Subgranting, subcontracting or otherwise obtaining the services of a third party to perform activities that are central to the purposes of the Transformation Plan will constitute such a change in entities or individuals; and
- 11. changes requested by a subgrantee that relate to any of the itemized categories listed in paragraph (A) of this Article.
- B. Changes Requiring Grant Agreement Amendment. For the following types of revisions to the Transformation Plan, the Grantee must submit a written request to HUD and must receive HUD's written authorization prior to making any such changes:
  - 1. change in the total dollar amount of the grant; and/or
  - 2. change in the Development for which funds provided under this Grant Agreement are made available.

Upon HUD's written approval, the change will be implemented by the execution of an amendment to this Grant Agreement and shall consist of a revised Form HUD-1044 if there is a change in the dollar amount of the grant.

# C. Waiver Requests.

- 1. Standard for Approval. The activities to be conducted under this Grant Agreement are subject to the terms of this Grant Agreement and the Choice Neighborhoods Requirements. Nevertheless, HUD seeks innovative solutions under the Choice Neighborhoods Program to the long-standing problems of severely distressed public and assisted housing developments located in neighborhoods of concentrated poverty, and will consider granting a waiver of specific regulatory requirements, provided that:
  - a. such a waiver would be consistent with applicable statutory requirements; and
  - b. the Grantee is able to demonstrate good cause to support HUD's granting of such a waiver.
- 2. Waiver Request Procedure. If the Grantee wants HUD to approve a waiver of a regulatory requirement, it must submit a request with sufficient information and justification to enable HUD to make a determination of good cause for granting any such request to deviate from existing regulations. Until such time as the Grantee requests and HUD, in its discretion, approves any such requests in writing, the Grantee does not have authority to implement the activities described in the Choice Neighborhoods Application to which the request for approval applies (or for which a request for approval is needed).

# ARTICLE VI. Choice Neighborhoods Budget and Funding Requests

- A. Budget. The Grantee must ensure that funds provided under this Grant Agreement are expended in accordance with the Choice Neighborhoods Requirements and a Choice Neighborhoods Budget. Each Grantee must submit to HUD for approval a Choice Neighborhoods Budget as part of the Post Application Submissions. The Choice Neighborhoods Budget allocates ALL Choice Neighborhoods Grant funds into Budget Line Items. The Choice Neighborhoods Budget will serve as the primary budget and may be subject to revision.
- B. Budget Form. Each budget submitted in accordance with paragraph (A) of this Article must be submitted on the Choice Neighborhoods Implementation Grants Budget Form (form HUD-53236). Part I must be signed and dated by the Lead Grantee, and Part II must include a detailed description of the uses of the funds. Grantees should also track their leveraged fund expenditures and maintain this information on file should HUD request it.
- C. Pre-Grant Agreement Execution Costs. After the execution of this Grant Agreement, the Grantee may include in its Choice Neighborhoods Budget, and the Grantee may draw down funds for, costs that were incurred prior to execution of this Grant Agreement, provided that such costs were incurred after the Grant Award Date, are directly associated with the activities to be funded under this Choice Neighborhoods Grant, and are approved as reasonable and eligible by HUD.

# D. Predevelopment Costs.

- 1. Funding Requests. The Grantee may request a Choice Neighborhoods Grant funds for predevelopment costs by submitting the Choice Neighborhoods Budget to HUD.   - c. resident relocation;
  - d. supportive services costs, including costs dedicated to case management and services;
  - e. costs associated with carrying out environmental reviews, in accordance with 24 CFR § 58.23; and
  - f. site remediation and demolition costs, provided that HUD has notified the Grantee in writing of the approval.
- 3. Predevelopment Funds. Upon review and approval of the Choice Neighborhoods Budget as described in this Article, HUD will make the approved predevelopment funds

- available to the Grantee for drawdown in LOCCS. The Grantee will ensure that the funds are expended in conformance with the HUD-approved Predevelopment Budget.
- E. Program Income. Program Income is defined in 2 CFR § 200.80, or successor regulation. If the Grantee receives program income:
  - 1. prior to grant closeout program income from repayment of loans, sale of homeownership units, and/or other sources:
    - a. must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes, unless otherwise approved by HUD; and
    - b. must be used for eligible activities authorized under this Grant Agreement before the Grantee may draw down additional cash payments from the Choice Neighborhoods Grant.
  - 2. after grant closeout, program income from repayment of loans, sale of homeownership units, and/or other sources the program income must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes. Before the grant is closed out, Grantee will provide a plan to HUD for how program income will be reinvested, in a form and substance that is acceptable to HUD. HUD will determine with the Grantee what the sources of program income are.

The language of this provision, article VI (E)(2), shall survive grant close-out and termination of this Grant Agreement.

#### **ARTICLE VII. Project Drawdowns**

- A. LOCCS Payment System. Consistent with 2 CFR Part 200, the Grantee will request all drawdowns of Choice Neighborhoods Grant funds under the Line of Credit Control System (e-LOCCS), unless and until another payment system is designated by HUD. The Grantee will comply with all rules, guidelines, and notices established for Choice Neighborhoods under LOCCS, or any substitute system, in connection with any drawdown of Choice Neighborhoods Grant funds. If HUD designates a different payment system, it will be based upon the provisions of 2 CFR § 200.305.
- B. Drawdowns.
  - 1. The Grantee may draw down Choice Neighborhoods Grant funds for a Budget Line Item (BLI) in an amount up to 100 percent of the amount of that BLI that HUD has approved and made available for drawdown.
  - 2. Any request for funds in excess of 10 percent of the entire grant amount in any month must be approved by HUD. The Grantee must submit copies of the invoices supporting the drawdown amount to the Team Coordinator for review.
- C. Drawdown Consequences of Default.

- 1. Withholding of Payments. HUD may withhold payments in accordance with 24 CFR § 200.338.
- 2. Grantee Representations. Each drawdown request by the Grantee will constitute, and be deemed to be, a representation that the Grantee is not in default under this Grant Agreement (except as the Grantee previously may have disclosed to HUD in writing).
- 3. Overdue Reports. HUD may elect to suspend draws under this Grant Agreement during any period in which the Grantee has failed to file with HUD any quarterly report.

# **ARTICLE VIII. Matching and Leveraged Funds**

- A. Match Requirements. In accordance with section 24(c) of the 1937 Act (42 U.S.C. 1437v(c)),
  - 1. Grantee must have secured a match in the amount of 5 percent of the grant amount in cash or in-kind donations.
  - 2. Additional Supportive Services Match. The lesser of that provided for in your Transformation Plan or up to 15 percent of the Choice Neighborhoods grant may be used for supportive services activities. However, if the Grantee is using more than 5 percent of the grant funds for supportive services activities, funds (cash or in-kind donations) from sources other than Choice Neighborhoods must secured for the amount between 5 and 15 percent of the grant that Grantee will use for supportive services activities. These resources must be NEW commitments in order to be counted for match.
- B. Match Donations and Leverage Resources. Grantee shall keep documentation on matching and leveraged funds during the term of this Grant Agreement and shall provide this documentation in a format acceptable to HUD upon request by HUD, until the closeout of this grant. The documentation should show that the funds are secured and the Grantee should keep records showing how those funds have been expended over time.

#### **ARTICLE IX.** Grantees, Subgrantees and Contractors

- A. General Grantee Responsibilities.
  - 1. Implementation Team. The Grantee agrees to promptly assemble a competent implementation team, if you have not already, to assist in working with the Grantee's partners and coordinating all phases of the implementation process.

The Grantee will retain the executed original certificate together with the executed contract documents.
  - b. Grantees that are public housing authorities (PHA Grantee) must ensure that the requirements contained in the General Conditions for Non-Construction Form (Form 5370-C) are included in any solicitation in connection with non-construction contracts that will be made by the PHA Grantee and paid for with assistance under this Grant Agreement. Such conditions must also be included in any non-construction contract entered into by the PHA Grantee.
  - c. Certifications required by 2 CFR 200.415.

- a. Grantee shall obtain the services of a for-profit entity through a competitive procurement under 2 CFR Part 200. However, if the Grantee can demonstrate to HUD that the services to be provided by the for-profit entity can be obtained only from that one source, the Grantee may request HUD approval to select the entity under a sole-source procurement in accordance with 2 CFR 200.230(f).
- b. Consultant Services. Grantees shall obtain consultant services provided under an independent contractor relationship pursuant to 2 CFR Part 200.
- 2. Trigger for the Submission of Contracts. Contract documents must be submitted to HUD for prior approval if required by 2 CFR Part 200, Subpart D, or if requested by HUD. Any modification of such contracts is also subject to HUD's written approval before execution.
- 3. Debarred or Suspended Parties. Grantees must comply with 2 CFR 200.212.

#### **ARTICLE X. No Third Party Rights**

The Grantee and HUD are the sole parties to this Grant Agreement and do not intend to create any third party beneficiaries to this Grant Agreement. Nothing in this Grant Agreement may be construed as conferring the status of third party beneficiary upon the residents; and in no event shall any entity other than the Grantee have direct rights to the Choice Neighborhoods funds provided for under this Grant Agreement.

# **ARTICLE XI.** Conflict of Interest

- A. Prohibition. The Grantee shall comply with the conflict of interest requirements in 2 CFR 200.318. No person who is an employee, agent, officer, or elected or appointed official of the Grantee or member of his immediate family and who exercises any functions or responsibilities with respect to activities assisted under this Choice Neighborhoods Grant may have a direct interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder.
- B. HUD-Approved Exception.
  - 1. Standard. HUD may grant an exception to the prohibition in paragraph (A) of this Article on a case-by-case basis when it determines that such an exception will serve to further the purposes of Choice Neighborhoods and its effective and efficient administration.
  - Procedure. HUD will consider granting a regulatory waiver only after the Grantee has provided a written request which provides a disclosure of the nature of the conflict, accompanied by:
    - a. an assurance that there has been public disclosure of the conflict;
    - b. a description of how the public disclosure was made; and

- c. an opinion of the Grantee's attorney that the interest for which the exception is sought does not violate State or local laws.
- 3. Consideration of Relevant Factors. In determining whether to grant a requested exception under paragraph (B) of this Article, HUD will consider the cumulative effect of the following factors, where applicable:
  - a. whether the exception would provide a significant cost benefit or an essential degree of expertise to the Transformation Plan that would otherwise not be available:
  - b. whether an opportunity was provided for open competitive bidding or negotiation;
  - c. whether the person affected is a member of a group or class intended to be the beneficiaries of the Transformation Plan and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
  - d. whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process, with respect to the specific activity in question;
  - e. whether the interest or benefit was present before the affected person was in a position as described in paragraph (A) of this Article;
  - f. whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
  - g. any other relevant considerations.

# **ARTICLE XII. Reporting Requirements**

# A. Quarterly Report.

1. The Grantee will submit to HUD a Quarterly Report as prescribed by HUD in accordance with the scheduled established by HUD, presently 21 calendar days after the end of each quarter, with the first report due after the quarter ending September 30, 2019. In the Quarterly Report the Grantee will report at a minimum the progress of their grant, including but not limited to progress against their schedule and budget, expenditures to date, a narrative statement on their progress, progress on priority outcomes as described in the Choice Neighborhoods Implementation NOFA, progress against the priority metrics identified by HUD, and description of financing secured to date for implementation. The Grantee should also include, as appropriate, best practices and lessons learned from the date of the prior Quarterly Report. Upon expenditure of all Choice Neighborhoods grant funds, grantees must continue to report on all metrics in the Inform system, or its successor, quarterly and annually, through the first quarter of the next calendar year. After that first quarter, grantees must continue to report quarterly on certain Housing, Neighborhood, and People metrics until all housing units (replacement and non-replacement) included in the Housing Plan are complete. Upon completion of all housing units, Grantees will no longer be required to report in Inform.

- 2. Failure to submit to HUD a timely Quarterly Report will result in a suspension of Choice Neighborhoods Grant funds in LOCCS until such time as the report is received and approved by HUD, and/or any other default remedy authorized by Article XIV.
- B. Obligations and Expenditures. The Grantee must enter cumulative obligation and expenditure data into LOCCS by the due dates established by HUD, whether or not there has been any change in the cumulative amounts since the end of the last quarter.
- C. End of Grant Report. Grantees are required to submit an end of grant report which discusses their overall success in transforming the target neighborhood and supporting positive outcomes for residents and reproducible before and after photographs. The final report must be submitted to HUD by April 30 of the year following the September grant expenditure deadline.
- D. Program Income Reporting. Until all housing units in the Housing Plan are complete, grantees must submit an annual Program Income Report to HUD by September 30 of each year identifying all sources and uses of Program Income. Upon completion of all housing units, the Grantee will no longer be required to submit a Program Income Report; however, for the remainder of the 15-year program income period, HUD reserves the right to request an accounting of Program Income funds.
- E. Additional Information Requests. Subject to paragraph (D) of this Article, the Grantee will comply with all other reporting requirements from time to time established by HUD, in its sole discretion, in connection with the Choice Neighborhoods Program. The Grantee will:
  - 1. fully cooperate with all reasonable information gathering requests made by HUD or contractors of HUD in the course of authorized evaluations of the Choice Neighborhoods Program; and
  - 2. submit a final Transformation Plan report when the Transformation Plan has been completed that details the number of units produced, the status of people outcomes, and any other metrics that HUD prescribes.
- F. Additional Requirements. The Grantee agrees to comply with all other terms and conditions HUD may establish to administer, monitor, or evaluate the Choice Neighborhoods Program in an effective and efficient manner. Notwithstanding the foregoing, however, except as provided in Article XIV, HUD hereafter will not establish any additional terms and conditions without:
  - 1. consideration of the burden imposed on the Grantee by such conditions or requirements;
  - 2. consideration of the availability of less burdensome conditions or requirements; and
  - 3. in the case of a term or condition applicable solely to the Grantee, consulting in advance with the Grantee.

#### **ARTICLE XIII. Technical Assistance**

- A. Site Visits. The Grantee acknowledges and agrees that HUD, or its designees, may conduct site visits and inspections as deemed necessary by HUD based upon the Grantee's needs in implementing the Transformation Plan or the needs of the Choice Neighborhoods Program. Technical assistance site visits may be provided by HUD or its designees:
  - 1. in response to requests from the Grantee; or
  - 2. based upon demonstrated needs of the Choice Neighborhoods Program; or
  - 3. as provided in paragraph (B) of this Article.
- B. HUD Assessment. HUD representatives will visit the site and make an assessment of any technical assistance and/or training that the Grantee may require for the implementation of the Transformation Plan. HUD will consult with the Grantee in determining the Grantee's specific technical assistance and training needs and will carry out subsequent on-site assessments as necessary.
- C. Technical Assistance Provider. If HUD determines, in its discretion, that technical assistance and/or training is necessary for the implementation of the Transformation Plan, it will assign a technical assistance provider to work with the Grantee for this purpose.
- D. Grantee Training/Technical Assistance. The Grantee agrees to use its best efforts to attend any training and to accept any technical assistance provided or sponsored by HUD.

#### **ARTICLE XIV.** Unsatisfactory Performance/Default

- A. In accordance with Section 24(i) of the 1937 Act, if the Grantee defaults under this grant agreement, HUD may withdraw any unobligated grant amounts and may pursue other actions as described in this Article. HUD shall redistribute any withdrawn amounts to one or more other applicants eligible for Choice Neighborhoods assistance or to one or more other entities capable of proceeding expeditiously in the same locality in carrying out the Transformation Plan of the original Grantee, subject to provisions of the appropriations law. This section applies to all Grantees regardless of their status as a government, PHA, for-profit, or other entity.
- B. Default. Each of the following events or occurrences, to the extent it constitutes a material breach or occurrence, may constitute a default by the Grantee under this Grant Agreement, as determined by HUD in its sole discretion:
  - 1. use of funds provided under this Grant Agreement for any purpose, in any manner or at any time, other than as authorized by this Grant Agreement;

- 2. failure to comply with the Choice Neighborhoods Requirements or any other Federal, State, or local laws, regulations or requirements applicable in creating the Transformation Plan;
- 3. failure to make any submission under Article III, perform any obligation, or otherwise fail to proceed in a manner consistent with the Transformation Plan, (including, without limitation, failure to accomplish an activity by the date specified in the Program Schedule);
- 4. any material misrepresentation in any of the required submissions, including, without limit, any misrepresentations in any of the submissions required by Article III(B); or
- 5. failure to comply with, or any material breach of, any other requirements, conditions or terms of this Grant Agreement.

# C. Notice of Default and Action(s) to Cure.

- 1. General. HUD will give the Grantee written notice of any default. The notice will give the Grantee the opportunity to cure such default within 30 days of the date of the notice, or to demonstrate within this time period, by submitting substantial evidence satisfactory to HUD, that it is not in default. If the default is not able to be cured within the 30-day period, the Grantee will demonstrate, to HUD's satisfaction, that the Grantee has taken actions necessary to cure the default and that the default is curable within 90 days from the date of the default notice. Additionally, the Grantee must agree to carry out such cure diligently and to complete the cure within the 90-day period.
- 2. Immediate Default. Notwithstanding the provisions of paragraph (C)(1) of this Article, HUD in its sole discretion may place the Grantee into immediate default for not being in compliance with its Program Schedule or for non-compliance with Choice Neighborhoods requirements once written notification of default has been provided to the Grantee. At that time, HUD may immediately begin imposing consequences of default, including specifically the suspension of draws of the Choice Neighborhoods grant.
- 3. Imminent Threat. Notwithstanding the provisions of subparagraph (C)(1) of this Article concerning the opportunity to cure defaults, if HUD reasonably determines that there is an imminent threat that the Grantee will expend additional Choice Neighborhoods Grant funds in violation of the provisions of this Grant Agreement, HUD may implement the remedial action provided for under subparagraph (C)(4)(i) of this Article to prevent any such unauthorized expenditure until such time as the Grantee has complied with the cure provisions set forth above. HUD will implement such remedial action by written notice set forth either in the notice of default given under paragraph (C)(1) of this Article or by subsequent written notice to the Grantee. An imminent threat is not an immediate default.
- 4. Consequences of Default. If the Grantee fails to cure all defaults specified in the notice of default within the time periods set forth in paragraph (C)(1) of this Article, or fails to

diligently pursue or complete any cure as provided in paragraph (C)(1), HUD may take any of the following remedial actions, upon written notice to the Grantee:

- a. requiring a Grantee in default to provide evidence to HUD of acceptable performance over such period of time as specified by HUD and to obtain written approval from HUD to proceed to the next phase of activities;
- b. requiring additional, more detailed financial reports;
- c. requiring additional project monitoring;
- d. requiring the Grantee (or subgrantee) to obtain technical or management assistance;
- e. establishing additional prior approvals;
- f. require the Grantee, within a time period established by HUD, to prepare a revised Program Schedule, obtain HUD's approval thereto, and follow such revised Program Schedule to complete the activities under the Grant Agreement;
- g. require the Grantee, within a time period established by HUD, to revise any activity under the Grant Agreement in order to successfully complete the activities under the Grant Agreement in a manner satisfactory to HUD, including, without limitation, exclusion or revision of affected activities, revision of the Choice Neighborhoods Budget as necessary, and substitution of other eligible activities;
- h. require submission of additional documentation before any additional request for funds will be approved;
- i. temporarily suspend the Grantee's authority to draw down Choice Neighborhoods Grant funds for affected activities, or at HUD's sole discretion for all activities, pending action to cure the defaults;
- j. disallow use of Choice Neighborhoods Grant funds for all or part of the cost of the activity or action not in compliance;
- k. recover amounts determined by HUD to have been improperly expended, including any property obtained by the Grantee with such grant funds;
- 1. require reimbursement by the Grantee for Choice Neighborhoods Grant funds determined by HUD to have been improperly expended;
- m. make arrangements satisfactory to HUD, in its sole discretion, for use of an entity other than the Grantee to carry out activities assisted under the Grant Agreement, including requiring the Grantee to assign any outstanding contracts obligating grant funds to another entity.
- 5. Additional Enforcement Actions. If HUD determines that the remedial actions taken by HUD under paragraph (C)(4) of this Article have not been effective in curing the default, or if the Grantee has not complied with the requirements imposed by HUD under paragraph (C)(4) and has not otherwise cured the default, or if HUD exercises its discretion under subparagraph (C)(2) of this Article to institute any of the following actions, HUD may take any of the following remedial or enforcement actions (in addition to any of the remedies permitted under paragraph (C) of this Article upon written notice to the Grantee):
  - a. reduce the Choice Neighborhoods Grant in the amount affected by the default;
  - b. terminate the Choice Neighborhoods Grant as to all further activities and initiate closeout procedures;
  - c. recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.

- i. If the basis for the Grantee's default is its failure to comply with the reasonable time periods established by HUD under Article III(D), HUD shall, in accordance with section 24(i) of the 1937 Act, and unless otherwise approved by HUD under paragraph (C)(3) of this Article, recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.
- ii. If the Grantee fails to comply with the reasonable time periods established in Article III(D), HUD may take into account whether factors beyond the Grantee's control are the cause of the delay.
- d. take action against the Grantee under 24 CFR part 24 and Executive Order 12549 with respect to future HUD or Federal grant awards; and
- e. take any other available legal or equitable remedial action, including, but not limited to, any remedial actions available under a PHA's ACC and/or premised on HUD's interest in the housing development established in the relevant Declaration of Trust or Declaration of Restrictive Covenants or housing assistance contract, as applicable.
- 6. Delinquent Federal Debts. Consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), Grantees with an outstanding federal debt must provide to HUD a negotiated repayment schedule which is not delinquent or have made other arrangements satisfactory to HUD. If arrangements satisfactory to HUD cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the Grantee, but offer the award to the next eligible Grantee. Applicants selected for funding, or awarded funds, must report to HUD changes in status of current agreements covering federal debt. If a previously agreed-upon payment schedule has not been adhered to or a new agreement with the federal agency to which the debt is owed has not been signed, the Grantee will be considered to be in default under this Agreement.

#### **ARTICLE XV. Project Close-Out**

- A. Termination of Disbursements Letter. Within 90 days after completion of all grant funded activities, the Grantee will initiate close-out, in accordance with procedures established by HUD, by submitting a Termination of Disbursements letter, which states that:
  - 1. The Grantee has completed all activities to be performed using Choice Neighborhoods Implementation Grant funds.
  - 2. All requirements of the Grant Agreement have been met.
  - 3. All obligated Choice Neighborhoods grant funds have been disbursed; and
  - 4. The Grantee will abide by any continuing Federal requirements;

At HUD's option, the Grantee may delay initiation of close-out until the resolution of any HUD monitoring findings. If HUD exercises this option, the Grantee must promptly resolve the findings.

- B. Preliminary Closeout Materials. The Grantee must submit the following Preliminary Close-Out Materials along with the Termination of Disbursements Letter:
  - 1. Final Choice Neighborhoods Budget;
  - 2. Actual Choice Neighborhoods Cost Certificate (Cost Certificate) (Form HUD-50163), which summarizes the information on the Financial Status Report and serves as the document that officially closes out the grant.
  - 3. Program Income Plan. A Plan for the use of Program Income funds, which indicates the anticipated sources and uses of Program Income, must be submitted. Following close-out, Grantees must comply with the conditions of the Program Income Plan for a period of 15 years from the final approval date on the ACNCC. Funds from each source of Program Income must be tracked separately. Funds must be deposited in an interest-bearing account in an FDIC insured institution. During the 15-year period, no more than 10% of Program Income may be used for administrative purposes.
  - 4. Supportive Services Sustainability Plan. Grantees must submit a Supportive Services Sustainability Plan, which discusses how supportive services for residents will be maintained after all Choice Neighborhoods funds have been expended. While HUD does not have a required format, see Attachment 2 for elements which should be addressed. Grantees who already have a HUD-approved Endowment Trust Plan do not need to submit a Supportive Services Sustainability Plan, unless additional information is requested by HUD.
  - 5. Housing Plan and Schedule. Grantees must submit a brief narrative describing the status of their Housing Plan, including progress on the grantee's one-for-one unit or bedroom replacement requirement, as well as non-replacement units. The submission should include a chart which reflects the unit count and composition by phase.
- C. HUD Review of Preliminary Close-Out Materials. HUD will review Preliminary Close-Out Materials to confirm that:
  - 1. The amounts on the final Choice Neighborhoods Budget and Cost Certificate agree as to funds approved, obligated and expended.
  - 2. The amount of funds approved and disbursed on the Cost Certificate agrees with HUD records in LOCCS.
  - 3. If HUD disbursed more funds that the Grantee expended, the Grantee will immediately remit to HUD the excess funds, without waiting for completion of the final audit.
  - 4. The Program Income Plan provides the requested information and complies with Program Income requirements of the Grant Agreement.

Estimated Utility Allowance Calculation Revised

Mr. Ismail,

Innova Building Advisors, LLC ("Innova") is pleased to submit the attached estimated utility allowance calculation for each unit type for the proposed new construction project known as Ridley Place (4% portion), Newport News, VA 23607.

The following analysis was prepared in accordance with the Virginia Housing Development Authority (VHDA) Utility Allowance Options and Procedures using the U.S. Department of Housing and Urban Development Utility Schedule Model (HUSM).

The attached analysis is composed of four sections: (1) Executive Summary, including compliance statement regarding methodology and itemization of the documents used to construct the models; (2) HUD Utility Schedule Model Projected Family Allowances; (3) HUD Utility Schedule Model Inputs; and (4) Utility Rate Assumptions.

Please do not hesitate to contact the undersigned with any questions or concerns.

Thank you,

Adam Blackburn

Vice President and Principal

Innova Building Advisors, LLC

#### 1. Executive Summary

Innova completed a HUD Utility Schedule Model (HUSM) based on our understanding that the building will be regulated by the Department of Housing and Urban Development (HUD) and receive project-based rental assistance. As such, the utility allowance projected by the model shall apply to all units.

The HUSM itemizes Projected Family Allowances for 0-5 Bedroom units. As the project consists of a mixture of mid-rise and townhouse units which will experience different utility rates and configurations, modeled results have been separated accordingly.

The modeled allowances are based on an all-electric building strategy where all units are provided with individual electric storage tank water heaters, individual ducted heat pumps for space conditioning, and electric ranges. It is assumed that all utilities will be individually metered. It is assumed that each unit will have a separate 5/8" water service. It is assumed that residents will not pay sewer fees. Common area energy consumption is not contemplated in the model. Residential rates are assumed.

The estimates are based on current utility rates obtained from Dominion Energy for electric service and Newport News Waterworks for domestic water and sewer. Such rates are described in Section 4, Utility Rate Assumptions.

Projected monthly utility costs are provided in the table on the following page for all units and are intended to serve as utility allowance estimates for use in establishing affordable housing development rents.

The utility costs summarized herein are based on the projected conditions and systems in the units following the proposed new construction project; accordingly, historical billing data is excluded from this report.

Enclosure: HUD Choice Neighborhoods Implementation Agreement

## FY2018 Choice Neighborhoods IMPLEMENTATION GRANT AGREEMENT

This grant agreement ("Grant Agreement") is made by and between the United States Department of Housing and Urban Development ("HUD") and the Lead and Co-Applicant(s) ("Grantee"). On May 13, 2019, HUD awarded the Grantee a Choice Neighborhoods Implementation Grant from fiscal year 2018 funds, for the implementation of a Transformation Plan ("Transformation Plan") that is identified in this Grant Agreement below.

HUD agrees, subject to the terms of this Grant Agreement, to provide grant funds to the Grantee, in the total amount listed on the form HUD-1044, for the activities described in the Transformation Plan as defined in Article III. Either the Lead Applicant or the Co-Applicant Grantee may be the designated entity with access to LOCCS for drawing down grant funds.

The assistance that is the subject of this Grant Agreement is authorized by, and required to be used in accordance with, Section 24 of the U.S. Housing Act of 1937, the Consolidated and Further Continuing Appropriations Act, 2018 (Pub. L. 115-41, approved March 23, 2018) ("2018 HUD Appropriations Act), (collectively the "Choice Neighborhoods Authorization").

The form HUD-1044 and Exhibit A are incorporated into and subject to the terms of this Grant Agreement.

HUD and the Grantee hereby agree to be bound by the following terms and conditions of this Grant Agreement:

#### **ARTICLE I.** Choice Neighborhoods Requirements

The Grantee agrees to conduct all activities to be assisted with funds provided under this Grant Agreement in accordance with the following requirements, as such requirements now exist or as they may hereafter be amended (hereafter collectively referred to as the "Choice Neighborhoods Requirements"):

- A. the U.S. Housing Act of 1937, as amended (the "1937 Act"), as applicable, and all implementing regulations;
- B. the 2018 HUD Appropriations Act (Public Law 115-41, approved March 23, 2018);
- C. the Fiscal Year (FY) 2018 Notice of Funding Availability for the Choice Neighborhoods Initiative Implementation Grants published via Grants.gov on May 18, 2018 (the "Choice Neighborhoods Implementation NOFA").
- D. 31 U.S.C. § 1552. In accordance with this statute, all FY2018 funding must be expended by September 30, 2025. Any funds that are not expended by that date will be cancelled and recaptured by the Treasury, and thereafter will not be available for obligation or expenditure for any purpose. In order to ensure funds are drawn from LOCCS by that date, HUD may provide additional guidance as the deadline approaches for when grantees should submit the final draw request (e.g. usually approximately two weeks prior to the expenditure deadline).
- E. In accordance with section 24(e)(2)(D) of the 1937 Act, Grantees must involve affected residents of the targeted public and/or assisted housing during the implementation process. Grantees are required to involve the affected public and/or assisted housing residents in the implementation of the Transformation Plan. This involvement must be continuous from the beginning of the planning process through the implementation and management of the grant. In addition to the statutory requirement, unless HUD indicates otherwise in writing, Grantees will be expected to undertake resident and community involvement in a manner and method at least as comprehensive as that described in your grant application.
- F. all executive orders applicable to the activities being conducted with funds provided under this Grant Agreement;
- G. the terms and requirements of this Grant Agreement, and any amendments or addenda thereto;
- H. all other applicable Federal requirements, including, without limitation, those set forth the FY2018 Appropriations Act and those set forth in Appendix A; and
- I. all regulations, handbooks, notices, and policies applicable to the activities being conducted with funds provided under this Grant Agreement.

#### **ARTICLE II. Program Overview**

- A. Goals of the Choice Neighborhoods Program. The Choice Neighborhoods Program employs a comprehensive approach to neighborhood transformation. The program transforms neighborhoods of concentrated poverty into mixed-income neighborhoods of long-term viability by revitalizing severely distressed public and/or assisted housing; improving access to economic opportunities; and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods ensures that current residents benefit from this transformation by preserving affordable housing in the neighborhood or providing the choice to move to affordable housing in another neighborhood of opportunity. The purpose of this grant is to implement a Transformation Plan that has been developed through a local planning process and furthers the goals of the Choice Neighborhoods Program. The core goals of Choice Neighborhoods are:
  - **1. Housing**: Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood;
  - **2. People**: Improve outcomes of households living in the target housing related to employment and income, health, and children's education; and
  - **3. Neighborhood**: Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community.

#### **ARTICLE III. Choice Neighborhoods Transformation Plan**

- A. General. The Grantee's Choice Neighborhoods Transformation Plan ("Transformation Plan") consists of a document or documents reviewed and approved by HUD to govern the transformation of the neighborhood. The Transformation Plan should integrate effective strategies to implement public and/or assisted housing revitalization, the coordination and design of supportive services, including educational opportunities for children, and neighborhood-level planning to improve a range of neighborhood assets. The Transformation Plan should be created as part of a collaborative planning process that involves neighborhood stakeholders and local governmental entities. The Transformation Plan should translate the three core goals of Choice Neighborhoods Housing, People and Neighborhood into a strategy that will direct investments, demonstrate the commitment among a range of public and private partners to address interdependent neighborhood challenges, utilize data to set and monitor progress toward implementation goals, and engage community stakeholders and residents in meaningful decision-making roles.
- B. Components of the Transformation Plan. The Grantee's Transformation Plan includes each of the following components, as needed for the Transformation Plan and as approved by HUD. Because some of these documents may be submitted to HUD for approval throughout the implementation of the Grant Agreement, an approved Transformation Plan shall be

deemed to mean the most recent set of documents that have been submitted to (as set forth in this Article) and approved by HUD:

- 1. The Grantee's Choice Neighborhoods application, submitted in response to the FY2018 Choice Neighborhoods Implementation NOFA (the "Choice Neighborhoods Application");
- 2. Post Application Submissions that HUD requires the Grantee to submit following HUD's review of the Choice Neighborhoods application and/or as a result of a site visit to the neighborhood which is the target of redevelopment under this grant ("Development"), including but not limited to:
  - a. any additional information required for HUD to approve demolition of the target public and/or assisted housing based on the Choice Neighborhoods application;
  - b. certifications and assurances;
  - c. a Program Schedule, in accordance with the timeframes established in this Article;
  - d. a Choice Neighborhoods Budget (all phases) as described in Article VI;
  - e. any other information or documentation that is not otherwise required under any other component of the Transformation Plan that is requested by HUD to supplement or refine information provided in the Choice Neighborhoods Application or to meet any terms or conditions of the Grant Agreement; and
  - f. any waiver requests;

(Subparagraphs (a) through (f) are hereafter collectively referred to as, "Post Application Submissions.")

- 3. a Supportive Services/People plan;
- 4. the Grantee's submissions to HUD in connection with an Endowment Trust, if applicable, in accordance with Article IV(J) (including but not limited to submission of a Choice Neighborhoods Endowment Trust Addendum);
- 5. for public housing only, a Demolition Application, if applicable, as described in Article IV;
- 6. for public housing only, a Disposition Application relating to the Development, as described in Article IV, to the extent applicable;
- 7. a development proposal(s), as described in Article IV;
- 8. a homeownership proposal, as applicable, as described in Article IV;

- 9. a plan for Critical Community Improvements projects, as applicable; and
- 10. any amendment or modification of the foregoing, as approved in writing by HUD.
- C. Incorporation into Grant Agreement. As each component of the Transformation Plan is approved in writing by HUD, it will be deemed to be incorporated into this Grant Agreement.
- D. Time Periods for Implementation. The Grantee agrees to implement its Transformation Plan in accordance with the approved Program Schedule, including but not limited to the following time periods:
  - 1. In accordance with the Choice Neighborhoods Implementation NOFA as incorporated by Article I(C) above.
  - 2. Items identified in paragraph (B) of this Article must be submitted to HUD in accordance with the HUD-approved Program Schedule. The Program Schedule is due to HUD within 120 calendar days (weekends and holidays are not excluded) from the Grant Award Date. HUD reserves the right to require Grantee to make edits to these items to put them in a form and substance acceptable to HUD.
  - 3. The Grantee must start service coordination and case management services as soon as possible, if they have not already. The Grantee must have started these services within 60 days of the Grant Award Date. It is imperative that case management services begin immediately so that residents who will be relocated have time to participate in and benefit from Supportive Services activities before leaving the site; and that residents who have already been relocated are able to participate in and benefit from Supportive Services activities.
  - 4. The Grantee must submit the People/Supportive Services plan within 9 months of the Grant Award Date for HUD's review and approval.
  - 5. The Grantee must submit the Critical Community Improvements plan within 12 months of the Grant Award Date for HUD's review and approval.
  - 6. The closing of the first housing phase of development must take place within 18 months of the Grant Award Date. For this purpose, "closing" means all financial and legal arrangements have been executed and actual activities (construction, etc.) are ready to commence. The construction Notice to Proceed or equivalent must be issued no later than 90 days after the closing date, unless otherwise approved by HUD.
  - 7. Grantees must start housing rehabilitation/construction within 21 months of the Grant Award Date.
  - 8. Grantees must complete replacement housing rehabilitation/construction by obtaining a certificate of occupancy or equivalent for units funded with Choice Neighborhoods funds

- by September 30, 2025. In accordance with the statutory deadline for expenditure of funds, HUD cannot approve an extension to this milestone.
- E. Time Extensions. All requests for extensions of the time periods for implementation listed in paragraph (D)(1)-(7) of this Article must be requested by the Grantee in advance of the deadline date. All requests for extensions must be made in writing to the Office of Public Housing Investments and will be reviewed and approved or disapproved by the Assistant Secretary of Public and Indian Housing and/or the Deputy Assistant Secretary for the Office of Public Housing Investments.

#### **ARTICLE IV. Transformation Activities and Requirements**

- A. Program Activities. Grantees must include the activities listed in Section III.E.1 of the Choice Neighborhoods Implementation NOFA in their Transformation Plan.
- B. Program Requirements. Grantees must comply with the Program Requirements stated in Section III.E.2 of the Choice Neighborhoods Implementation NOFA, some of which are restated in this Article for emphasis and/or with additional detail.
- C. One-for-one Replacement of Public and/or Assisted Housing. Each Transformation Plan must comply with the applicable one-for-one replacement requirement as stated in Section III.E.2.b of the Choice Neighborhoods NOFA.
- D. Replacement Housing Development Activities.
  - 1. Public Housing Development Activity. For any public housing development activity under the Transformation Plan (whether on-site reconstruction or off-site development), the Grantee must obtain HUD approval of a development proposal submitted under 24 CFR 905.606 ("Development Proposal").
  - 2. Any RAD conversion must be done in accordance with the protocol for reviewing RAD/Choice Neighborhoods projects or subsequent guidance.
  - 3. For projects involving Section 8, both Project Based Rental Assistance (PBRA) and Project Based Vouchers (PBV), and Choice Neighborhoods funding, HUD will review the development proposal in accordance with the Cost Controls and Safe Harbor Standards for Rental Mixed-Finance Development, dated April 2003, or subsequent guidance.
  - 4. For Replacement Units to be provided as PBVs in projects developed by an entity other than the Housing Implementation Entity, the PHA that administers the vouchers must comply with 24 CFR part 983. In addition, the Choice Neighborhoods office must review project information in advance of the AHAP or HAP contract to confirm the project satisfies the CN program requirements (e.g. is in a mixed-income development

- and, if located outside the target neighborhood, meets the location requirements set forth in the NOFA).
- E. Rehabilitation Activities. For rehabilitation and physical improvement of public housing and/or community facilities primarily intended to facilitate the delivery of community and supportive services for residents of the Development and residents of off-site replacement housing under the Transformation Plan, the Grantee will comply with 24 CFR § 905.
- F. Affordable Housing Development Activities. Affordable housing (non-replacement, rental or homeownership, as defined in the NOFA) units developed with Choice Neighborhoods funds must be done in accordance with a proposal approved by HUD. Such units must be available to families earning 81-120 percent of AMI and grantees shall commit to an affordability period of at least 20 years. Affordable housing units must be in the same building with replacement units, except for buildings with one to four units total. Further, affordable housing units cannot include other funding that restricts incomes below 120% AMI (e.g. Low-Income Housing Tax Credits). The affordability restrictions shall be contained in a legally enforceable document recorded in the appropriate recorder's office or registry of deeds and consistent with long-term viability of the project.
- G. Demolition of Public Housing. You cannot carry out nor permit others to carry out the demolition of the targeted public housing project or any portion of the project until HUD approves, in writing, one of the following ((1) (3) of this section), and until HUD has also: (i) approved a Request for Release of Funds submitted in accordance with 24 CFR part 58, or (ii) if HUD performs an environmental review under 24 CFR part 50, has approved the property for demolition, in writing, following its environmental review.
  - 1. Information regarding demolition in your Choice Neighborhoods Application, along with Post Application Submissions requested by HUD after the award of the grant. Section 24(g) of the 1937 Act provides that severely distressed public housing that is demolished pursuant to a revitalization plan is not required to be approved through a demolition application under section 18 of the 1937 Act or regulations at 24 CFR part 970.
  - 2. A demolition application under section 18 of the 1937 Act.
  - 3. A section 33 Required Conversion Plan, in compliance with regulations at 24 CFR part 972, subpart A and other applicable HUD requirements. A Required Conversion Plan concerns the removal of a public housing project from a PHA's inventory.
- H. Demolition of Multifamily Housing. For projects subject to a project-based section 8 Housing Assistance Payments ("HAP") contract, the Grantee will not engage in or permit the partial or total demolition of the project, or any activities related thereto, including any activities in preparation for such demolition, without the prior written consent of HUD. Such consent will not be provided until HUD has first approved (i) a proposal for preserving the project-based section 8 HAP contract consistent with applicable statutory authority (e.g., section 212(a) of the 2012 HUD Appropriations Act, or successor legislation; or section 8(bb)(1) of 1937 Act) and all related Departmental policies, procedures, and requirements;

- (ii) a proposal for project rehabilitation; and (iii) a replacement housing plan that provides for the orderly, temporary relocation of relocated families (e.g., based on the requirements of Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 (Multifamily Emergency/Disaster Guidance), section 38-32C (Section 8 Pass Through)) that ensures decent, safe, and sanitary housing, consistent with 24 CFR Part 5 Subpart G (Physical Condition Standards and Inspection Requirements) and 24 CFR Part 200 Subpart P (Physical Condition of Multifamily Properties), at the beginning of and throughout the relocation period.
- I. Disposition of Public Housing. This section applies only to disposition of public housing.
  - 1. Disposition of a severely distressed public housing site, by sale or lease, in whole or in part, must be done in accordance with section 18 of the 1937 Act and implementing regulations at 24 CFR part 970, as applicable.
  - 2. The Grantee will also comply with the provisions of its approved disposition application (the approved "Disposition Application"), unless otherwise modified in writing by HUD, and with the procedures for processing dispositions associated with mixed-finance projects as set forth by HUD.
  - 3. A ground lease of one year or more that is not incident to the normal operation of a development is considered to be a disposition that is subject to section 18 of the 1937 Act.

#### J. Relocation.

- 1. General. The Grantee will provide suitable, decent, safe, and sanitary housing for each family required to relocate because of transformation activities under the Transformation Plan.
- 2. Relocation Plan for Public Housing Units. The Grantee must carry out its relocation activities in compliance with a relocation plan that conforms with the following statutory and regulatory requirements, as applicable (the "Relocation Plan") for displacement or temporary relocation carried out as a result of:
  - a. **Rehabilitation, acquisition, or demolition pursuant to section 24 of the 1937 Act** under an approved Plan is subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601 et seq; 49 CFR part 24) (URA) and regulations at 24 CFR § 905.308 or successor part and meets the requirements of the Choice Neighborhoods Implementation NOFA.
  - b. **Disposition or demolition pursuant to section 18 of the 1937 Act** under an approved Transformation Plan is subject to section 18 of the 1937 Act as amended and 24 CFR 970.21.
    - i. Exception: displacement or temporary relocation carried out as a result of **disposition** pursuant to the mixed-finance development requirements at 24 CFR 905, subpart F is subject to section 18 of the 1937 Act but not 24 CFR 970.21.

- c. **Disposition pursuant to a Section 332 required conversion plan** is subject to Section 18 of the 1937 Act and 24 CFR Part 971.
- d. **Demolition pursuant to a Section 33 required conversion plan** is subject to the URA.
  - If the project also utilizes Community Development Block Grant (CDBG) or HOME funds, section 104(d) of the Housing and Community Development Act of 1974 may also apply. Please refer to the Tenant Assistance Relocation and Real Property Acquisition Handbook (HUD Handbook 1378) for detailed information.
- 3. Relocation Plan for Non-Public Housing Units. Except for displacement resulting from demolition or disposition activities subject to section 18 of the 1937 Act, projects involving real property acquisition, rehabilitation or demolition are subject to the URA and the requirements of the Choice Neighborhoods Implementation NOFA. For projects subject to a project-based section 8 HAP contract, the Grantee will (i) secure or cause to be secured temporary replacement housing for displaced families; will ensure that (ii) the temporary housing is available for the entire duration of the displacement period; and (iii) the housing meets the requirements of 24 CFR Part 5, Subpart G ("Physical Condition Standards and Inspection Requirements") and 24 CFR Part 200 Subpart P ("Physical Condition of Multifamily Properties") at the beginning of and throughout the displacement period. To satisfy this requirement, the Grantee is encouraged to adopt the model and the related procedures in Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 ("Multifamily Emergency/Disaster Guidance"), section 38-32 C ("Section 8 Pass Through") for the temporary relocation of section 8-assisted families necessitated by a natural disaster or other emergency. Based on this model and the related procedures, the Grantee is authorized to enter into a temporary lease for a unit in the same locale that meets the foregoing regulatory requirements on behalf of a displaced section 8-assisted family. During this period, the Owner of a property subject to a project-based section 8 HAP contract ("Owner"), whether the Owner is the Grantee or one of the Grantee's partners, may voucher for the contract rent for that unit on a temporary basis. The Owner pays no more than the contract rent on the temporary dwelling until the resident's permanent rental unit has been restored to habitable condition and the Owner notifies the resident that they may resume occupancy of their former unit. The resident is still responsible for the resident's share of the rent. Should the displaced resident fail to return, the Owner may rent the repaired unit to an eligible section 8 applicant. Before doing so, however, the Owner must inform the resident in writing that their assistance is terminated. In the event that the Owner rents the unit to an eligible section 8 applicant, the Owner must first terminate the "pass through" lease that the Owner executed on behalf of the displaced resident. In addition, should the temporarily relocated resident move from the temporarily leased unit before their permanent rental unit is repaired and made available for their return, the Owner can no longer voucher for the temporary unit and the resident is considered permanently housed. (See Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 ("Multifamily Emergency/Disaster Guidance"), section 38-32 C ("Section 8 Pass Through")).

#### K. Acquisition.

- 1. Acquisition Proposal. A PHA must submit an acquisition proposal to HUD for review and approval prior to acquisition in accordance with 24 CFR 905.608 when a PHA determines that it is necessary to acquire vacant land for development of replacement housing through new construction, using public housing funds. This acquisition approval must be submission of a development proposal under 24 CFR 905.606.
- 2. Land for Replacement Units outside the target neighborhood. For acquisition of land for replacement housing outside the target neighborhood, you must comply with 24 CFR 905.602 (site and neighborhood standards).
- 3. Land for Economic Development-Related Activities. Acquisition of land for this purpose is eligible if the activities specifically promote the economic self-sufficiency of residents of the neighborhood, such as construction or rehabilitation of parks and community gardens, environmental improvements; or promoting economic development, such as development or improvement of transit, retail, community financial institutions, public services, facilities, assets or other community resources. Limited infrastructure and site improvements associated with development retail, commercial, or office facilities, such as rough grading and bringing utilities to (but not on) the site, are eligible activities with prior HUD approval. You may request an amount not to exceed 15 percent of the total Choice Neighborhoods grant to pay the costs of non-housing capital costs as described above for Critical Community Improvements.
- L. Supportive Services. The Grantee must plan for and provide current public and assisted housing residents, relocated public and assisted housing residents, and returning and new public and assisted housing residents with supportive services for the term of the Grant Agreement. Supportive Services programs and services must be carefully planned so that they will be sustainable after the Choice Neighborhoods grant period ends. The Grantee is responsible for tracking and providing Supportive Services programs and services to baseline and revitalization development residents. Baseline residents are those residents that lived in the targeted redevelopment site at the time of application for this Choice Neighborhoods grant. The grantee and HUD will also work together to track the experiences and changing characteristics of revitalization development residents who live at the revitalized site. Supportive Services activities must be well integrated with the physical development process, both in terms of timing and the provision of facilities to house on-site service and educational activities. The Grantee should provide final outcomes and metrics on Supportive Services as identified in the Transformation Plan. The Grantee will report to HUD on those outcomes and measure progress using those metrics as discussed in Article XII. HUD will use these reports to determine if the Grantee has met their supportive service requirements as listed in their Transformation Plan. To the extent that the Grantee proposed Supportive Services to the surrounding neighborhood residents as part of the application, public housing and HUD assisted housing resident Supportive Services should be tracked in the same way or as proposed in the application.

- 1. Funding. Consistent with sections 24(d)(1)(L) and 24(j)(3) of the 1937 Act and the Choice Neighborhoods Implementation NOFA, the Grantee may use an amount up to 15 percent of the total Choice Neighborhoods Grant to pay the costs of community and supportive service programs. The Grantee may spend additional sums on community and supportive services programs using donations, HUD funds made available for that purpose, or other Grantee funds.
- 2. Supportive Services Endowment Trust. The Grantee may deposit up to 15 percent of the Choice Neighborhoods Grant amount (the maximum amount of the grant allowable for Supportive Services programs) into an endowment trust to provide Supportive Services activities (the "Endowment Trust").
  - a. The Grantee may not draw down funds provided under this Grant Agreement for deposit into an Endowment Trust until it has a HUD-approved Endowment Trust plan and has executed with HUD an addendum to this Grant Agreement (the "Choice Neighborhoods Endowment Trust Addendum"), as directed by HUD. The Choice Neighborhoods Endowment Trust Addendum establishes the requirements governing the establishment, operation, and management of an Endowment Trust.
  - b. In reviewing the amount of the Grantee's proposed allocation of Choice Neighborhoods Grant funds to an Endowment Trust, HUD will take into account the Grantee's demonstrated ability to pay for current Supportive Services activities with Choice Neighborhoods or other funds, and the projected long-term sustainability of the Endowment Trust to carry out such activities.
  - c. Endowment Trust funds (including any non-Choice Neighborhoods funds donated or otherwise made available to the Endowment Trust, and any interest earned on Choice Neighborhoods and non-Choice Neighborhoods funds) may only be used for eligible and necessary Supportive Services activities.
- 3. Although targeted housing residents must be the primary beneficiary of Supportive Services, Supportive Services provided to the surrounding neighborhood residents, beyond public and HUD assisted housing residents, are an eligible use of funds.
- M. Administration, Fees and Costs. Reasonable costs for administration, planning, technical assistance, and fees and costs, as established by the Cost Control and Safe Harbor Standards guidance dated April 9, 2003, or successor document. These costs are limited to the costs of implementing the Transformation Plan, as specifically approved by HUD, such as fees for architectural and engineering work, program management (if any), and reasonable legal fees. You may not use Choice Neighborhoods Implementation Grant funds to pay for any implementation activities carried out on or before the date of the letter announcing the award of the Choice Neighborhoods Grant.
- N. Right of Return. Each tenant who wishes to return to the on-site or off-site replacement housing may return if the tenant was lease-compliant at the time of departure from the housing prior to relocation and continued to remain lease-compliant during the relocation period. This is a Choice Neighborhoods program requirement and not related to benefits provided in accordance with the URA. A returning tenant shall be provided a preference for occupancy of on-site or off-site replacement units before such units are made available to any

other eligible households. Accordingly, the Housing plan must provide an adequate number of replacement units that can be occupied by households with incomes up to 80 percent AMI (e.g. units that are not limited by another funding source such as LIHTC equity that has a lower income limit). The tenant also has the option not to occupy a replacement unit and may retain tenant-based voucher assistance, subject to appropriations and availability, provided under section 8(o) of the United States Housing Act of 1937 for relocation from the properties revitalized under this Grant Agreement. These preferences are retained even if the resident has already received permanent relocation benefits. This preference applies to residents that were relocated due to the redevelopment activity and remains available until the initial lease-up of the new units. Residents that voluntarily move prior to relocation do not have this right to return preference. Prior written approval for any new tenant-based voucher assistance, including but not limited to Tenant Protection Vouchers, is required prior to Grantee obtaining voucher assistance. If a household is "rightsized" (e.g. splits into two separate households) through the relocation resulting from Choice Neighborhoods, the original head of household will have the right to return. Once all of the original heads of household have been housed, the Grantee is required to offer the second household any units that are available. If no units are available, then the second household will be moved to the top of the waiting list. Both the original household and the second household are required to be lease-compliant at the time of relocation and throughout relocation.

#### O. Site and Neighborhood Standards for Replacement Housing.

- 1. Grantee's Election of Requirements. A Grantee, at its election, separately regarding each site it proposes, will comply with the development regulations regarding Site and Neighborhood Standards (24 CFR § 905.602), or with the Site and Neighborhood Standards contained in this Article.
- 2. On-Site Replacement Housing (i.e. on the target housing site and/or in the target neighborhood). Because the objective of the Choice Neighborhoods program is to alleviate distressed conditions at the targeted development and in the target neighborhood, replacement housing under Choice Neighborhoods that is located within the target neighborhood will not require approval by HUD under Site and Neighborhood Standards.
- 3. Off-site Replacement Housing (i.e., outside of the target neighborhood but within the metropolitan area up to 25 miles from the target housing site). Replacement housing outside the target neighborhood must:
  - a. offer access to economic opportunities and public transportation and be accessible to social, recreational, educational, commercial, health facilities and services, and other municipal services and facilities that are comparable to those that will be provided in the target neighborhood; and
  - b. be located neither in areas of minority concentration nor in areas with a poverty rate above 40 percent. A neighborhood of minority concentration is a Census tract or other defined geographic area in which the percentage of residents who are racial or ethnic minorities is at least 20 percentage points higher than the percentage of minority residents in the Metropolitan Statistical Area (MSA) (or jurisdiction not in a

MSA) as a whole. In MSAs (or jurisdictions not in MSAs) in which the majority of residents are racial or ethnic minorities, HUD will consider and rely on all relevant information to determine whether the neighborhood proposed for replacement housing will lead to the creation of more inclusive and integrated housing in opportunity-rich neighborhoods.

- P. Research and Evaluation Cooperation. HUD and its contractors shall perform research and evaluation activities on the Choice Neighborhoods program, including interviews with the Grantee and community, review of grantee documents and data, surveys of assisted households and neighborhood residents, and documentation of changing physical conditions in the buildings and neighborhood. The Grantee shall make all reasonable efforts to cooperate with HUD and its contractors in carrying out these activities, including but not limited to facilitating interviews of Grantee's staff and partners, providing HUD's contractor with access to observe community meetings; to data systems, documents, and assisted and public housing residents; and to buildings for conducting physical inspections.
- Q. Operation and Management Principle and Policies, and Management Agreement for PHAs. Grantee must develop a Management Agreement that describes their operation and management principles and policies for their public housing units. Grantees and their procured property manager, if applicable, must comply (to the extent required) with the provisions of 24 CFR part 966 in planning for the implementation of the operation and management principles and policies described below.
  - 1. Rewarding work and promoting family stability by promoting positive incentives such as income disregards and ceiling rents;
  - 2. Instituting a system of local preferences adopted in response to local housing needs and priorities, e. g., preferences for victims of domestic violence, residency preferences, working families, and disaster victims. Note that local preferences for public housing must comply with Fair Housing requirements at 24 CFR 960.206. No preference should lead to disparate negative impact on any Fair Housing Act protected class;
  - 3. Lease requirements that encourage self-sufficiency by promoting involvement in the resident association, performance of community service, participation in self-sufficiency activities, and transitioning from public housing;
  - 4. Implementing site-based waiting lists that follow project-based management principles for the redeveloped public housing. Note that site-based waiting lists for public housing must comply with Fair Housing requirements at 24 CFR 903.7(b)(2);
  - 5. Strictly enforcing lease and eviction provisions;
  - 6. Implementation of defensible space principles and the installation of physical security systems such as surveillance equipment, control engineering systems, etc. to improve the safety and security of residents;

- 7. Enhancing ongoing efforts to eliminate drugs and crime from neighborhoods through collaborative efforts with federal, state, and local crime prevention programs and entities.
- R. Lobbying. The Grantee hereby certifies that no funds provided under this Grant Agreement will be expended for lobbying activities, as prohibited by Section 319 of Public Law 101-121 (which prohibits recipients of Federal contracts, grants, and loans from using appropriated funds for lobbying the Executive or Legislative Branches of the Federal Government), and implemented for HUD at 24 CFR part 87, as the same may be amended from time to time. The Grantee will disclose promptly any commitment or expenditure of non-appropriated funds for lobbying activities if those activities would be prohibited if paid with appropriated funds.

#### **ARTICLE V. Changes to the Transformation Plan**

- A. Changes Requiring Prior HUD Approval. If the following activities in the application are to be modified or amended, the Grantee must request and obtain prior written HUD approval:
  - 1. the Program Schedule. The Grantee must inform HUD immediately, in writing, of any problems, delays or adverse conditions that will impair materially the Grantee's ability to comply with the Program Schedule, and include a statement of action taken, or proposed to be taken, and any assistance needed to resolve the situation. HUD must approve any proposed changes to the Program Schedule that would modify any date or time period.
  - 2. the form of program oversight or governance;
  - 3. the overall strategy for community involvement;
  - 4. the approved disposition;
  - 5. the approved demolition;
  - 6. the Housing plan, including the total number of housing units to be developed or rehabilitated (whether or not there is an associated budgetary revision requiring prior approval), the unit mix, the location of housing, the design, or any other changes that materially affect the Transformation Plan;
  - 7. the plan for Critical Community Improvements projects;
  - 8. changes in any Choice Neighborhoods Budget or phase budget that propose an increase or decrease in any line item, except as permitted by Article VI;
  - 9. an extension of the period of availability of the Choice Neighborhoods Grant funds provided under this Grant Agreement, not to go beyond the statutory timeframes;

- 10. changes in the entities or individuals, including any key partners specified in the Transformation Plan as having key responsibilities for carrying out the Transformation Plan (or any component(s) of the Transformation Plan). Subgranting, subcontracting or otherwise obtaining the services of a third party to perform activities that are central to the purposes of the Transformation Plan will constitute such a change in entities or individuals; and
- 11. changes requested by a subgrantee that relate to any of the itemized categories listed in paragraph (A) of this Article.
- B. Changes Requiring Grant Agreement Amendment. For the following types of revisions to the Transformation Plan, the Grantee must submit a written request to HUD and must receive HUD's written authorization prior to making any such changes:
  - 1. change in the total dollar amount of the grant; and/or
  - 2. change in the Development for which funds provided under this Grant Agreement are made available.

Upon HUD's written approval, the change will be implemented by the execution of an amendment to this Grant Agreement and shall consist of a revised Form HUD-1044 if there is a change in the dollar amount of the grant.

#### C. Waiver Requests.

- 1. Standard for Approval. The activities to be conducted under this Grant Agreement are subject to the terms of this Grant Agreement and the Choice Neighborhoods Requirements. Nevertheless, HUD seeks innovative solutions under the Choice Neighborhoods Program to the long-standing problems of severely distressed public and assisted housing developments located in neighborhoods of concentrated poverty, and will consider granting a waiver of specific regulatory requirements, provided that:
  - a. such a waiver would be consistent with applicable statutory requirements; and
  - b. the Grantee is able to demonstrate good cause to support HUD's granting of such a waiver.
- 2. Waiver Request Procedure. If the Grantee wants HUD to approve a waiver of a regulatory requirement, it must submit a request with sufficient information and justification to enable HUD to make a determination of good cause for granting any such request to deviate from existing regulations. Until such time as the Grantee requests and HUD, in its discretion, approves any such requests in writing, the Grantee does not have authority to implement the activities described in the Choice Neighborhoods Application to which the request for approval applies (or for which a request for approval is needed).

#### ARTICLE VI. Choice Neighborhoods Budget and Funding Requests

- A. Budget. The Grantee must ensure that funds provided under this Grant Agreement are expended in accordance with the Choice Neighborhoods Requirements and a Choice Neighborhoods Budget. Each Grantee must submit to HUD for approval a Choice Neighborhoods Budget as part of the Post Application Submissions. The Choice Neighborhoods Budget allocates ALL Choice Neighborhoods Grant funds into Budget Line Items. The Choice Neighborhoods Budget will serve as the primary budget and may be subject to revision.
- B. Budget Form. Each budget submitted in accordance with paragraph (A) of this Article must be submitted on the Choice Neighborhoods Implementation Grants Budget Form (form HUD-53236). Part I must be signed and dated by the Lead Grantee, and Part II must include a detailed description of the uses of the funds. Grantees should also track their leveraged fund expenditures and maintain this information on file should HUD request it.
- C. Pre-Grant Agreement Execution Costs. After the execution of this Grant Agreement, the Grantee may include in its Choice Neighborhoods Budget, and the Grantee may draw down funds for, costs that were incurred prior to execution of this Grant Agreement, provided that such costs were incurred after the Grant Award Date, are directly associated with the activities to be funded under this Choice Neighborhoods Grant, and are approved as reasonable and eligible by HUD.

#### D. Predevelopment Costs.

- 1. Funding Requests. The Grantee may request a Choice Neighborhoods Grant funds for predevelopment costs by submitting the Choice Neighborhoods Budget to HUD. Funds may be drawn down for eligible Predevelopment Costs (as defined in subparagraph (2) below), subject to receiving HUD approval and the requirement for an environmental review in accordance with the provisions of this Grant Agreement.
- 2. Eligible Predevelopment Costs. Eligible predevelopment costs ("Predevelopment Costs") may include funds for:
  - a. administration costs related to having additional and/or existing staff work on the Choice Neighborhoods Grant;
  - b. fees and costs related to procuring goods and services from third parties in connection with eligible predevelopment activities such as architectural and engineering (A&E) fees:
  - c. resident relocation;
  - d. supportive services costs, including costs dedicated to case management and services;
  - e. costs associated with carrying out environmental reviews, in accordance with 24 CFR § 58.23; and
  - f. site remediation and demolition costs, provided that HUD has notified the Grantee in writing of the approval.
- 3. Predevelopment Funds. Upon review and approval of the Choice Neighborhoods Budget as described in this Article, HUD will make the approved predevelopment funds

- available to the Grantee for drawdown in LOCCS. The Grantee will ensure that the funds are expended in conformance with the HUD-approved Predevelopment Budget.
- E. Program Income. Program Income is defined in 2 CFR § 200.80, or successor regulation. If the Grantee receives program income:
  - 1. prior to grant closeout program income from repayment of loans, sale of homeownership units, and/or other sources:
    - a. must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes, unless otherwise approved by HUD; and
    - b. must be used for eligible activities authorized under this Grant Agreement before the Grantee may draw down additional cash payments from the Choice Neighborhoods Grant.
  - 2. after grant closeout, program income from repayment of loans, sale of homeownership units, and/or other sources the program income must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes. Before the grant is closed out, Grantee will provide a plan to HUD for how program income will be reinvested, in a form and substance that is acceptable to HUD. HUD will determine with the Grantee what the sources of program income are.

The language of this provision, article VI (E)(2), shall survive grant close-out and termination of this Grant Agreement.

#### **ARTICLE VII. Project Drawdowns**

- A. LOCCS Payment System. Consistent with 2 CFR Part 200, the Grantee will request all drawdowns of Choice Neighborhoods Grant funds under the Line of Credit Control System (e-LOCCS), unless and until another payment system is designated by HUD. The Grantee will comply with all rules, guidelines, and notices established for Choice Neighborhoods under LOCCS, or any substitute system, in connection with any drawdown of Choice Neighborhoods Grant funds. If HUD designates a different payment system, it will be based upon the provisions of 2 CFR § 200.305.
- B. Drawdowns.
  - 1. The Grantee may draw down Choice Neighborhoods Grant funds for a Budget Line Item (BLI) in an amount up to 100 percent of the amount of that BLI that HUD has approved and made available for drawdown.
  - 2. Any request for funds in excess of 10 percent of the entire grant amount in any month must be approved by HUD. The Grantee must submit copies of the invoices supporting the drawdown amount to the Team Coordinator for review.
- C. Drawdown Consequences of Default.

- 1. Withholding of Payments. HUD may withhold payments in accordance with 24 CFR § 200.338.
- 2. Grantee Representations. Each drawdown request by the Grantee will constitute, and be deemed to be, a representation that the Grantee is not in default under this Grant Agreement (except as the Grantee previously may have disclosed to HUD in writing).
- 3. Overdue Reports. HUD may elect to suspend draws under this Grant Agreement during any period in which the Grantee has failed to file with HUD any quarterly report.

#### **ARTICLE VIII. Matching and Leveraged Funds**

- A. Match Requirements. In accordance with section 24(c) of the 1937 Act (42 U.S.C. 1437v(c)),
  - 1. Grantee must have secured a match in the amount of 5 percent of the grant amount in cash or in-kind donations.
  - 2. Additional Supportive Services Match. The lesser of that provided for in your Transformation Plan or up to 15 percent of the Choice Neighborhoods grant may be used for supportive services activities. However, if the Grantee is using more than 5 percent of the grant funds for supportive services activities, funds (cash or in-kind donations) from sources other than Choice Neighborhoods must secured for the amount between 5 and 15 percent of the grant that Grantee will use for supportive services activities. These resources must be NEW commitments in order to be counted for match.
- B. Match Donations and Leverage Resources. Grantee shall keep documentation on matching and leveraged funds during the term of this Grant Agreement and shall provide this documentation in a format acceptable to HUD upon request by HUD, until the closeout of this grant. The documentation should show that the funds are secured and the Grantee should keep records showing how those funds have been expended over time.

#### **ARTICLE IX.** Grantees, Subgrantees and Contractors

- A. General Grantee Responsibilities.
  - 1. Implementation Team. The Grantee agrees to promptly assemble a competent implementation team, if you have not already, to assist in working with the Grantee's partners and coordinating all phases of the implementation process.

- 2. Choice Neighborhoods Requirements. The Grantee shall ensure that any entity to which it makes grant funds available will comply with the Choice Neighborhoods Requirements.
- 3. Required Certifications.
  - a. The Grantee must ensure that all subgrantees and contractors execute an original document in the form of Exhibit A to this Grant Agreement at the time the Grantee executes any contract with any subgrantee or contractor to provide goods or services under this Grant Agreement. The Grantee will retain the executed original certificate together with the executed contract documents.
  - b. Grantees that are public housing authorities (PHA Grantee) must ensure that the requirements contained in the General Conditions for Non-Construction Form (Form 5370-C) are included in any solicitation in connection with non-construction contracts that will be made by the PHA Grantee and paid for with assistance under this Grant Agreement. Such conditions must also be included in any non-construction contract entered into by the PHA Grantee.
  - c. Certifications required by 2 CFR 200.415.
- B. Administrative Requirements for Grantees. Public housing authority, local government, Indian tribe, and non-profit entity grantees are subject to 2 CFR Part 200.
- C. Administrative Requirements for Subgrantees and Related Agreements
  - 1. Public housing authority, local government, Indian tribe, and non-profit subgrantees are subject to the requirements of 2 CFR Part 200.
  - 2. For-profit subgrantees are subject to the requirements of 2 CFR Part 200, Subparts A-E. The Grantee is responsible for establishing audit requirements consistent with 2 CFR 200.501(h).
  - 3. Suspension and Debarment. Grantees are subject to the requirements of 2 CFR 200.212.
  - 4. Grantee Responsibilities Regarding Subgrantees. Grantees will be responsible for:
    - a. ensuring that subgrantees are aware of the requirements imposed upon them by Federal statutes, regulations, and this Grant Agreement;
    - b. ensuring that all subgrant agreements include any clauses required by Federal statutes and their implementing regulations and executive orders; and;
    - c. monitoring subgrantees' performance to ensure compliance with this Grant Agreement.
- D. Administrative Requirements for Contractors and Subcontractors and Related Contracts.
  - 1. Grantee Responsibilities Regarding Contractors and Subcontractors. Grantees that are subject to 2 CFR Part 200 as described in (B)(1) of this Article will be responsible for the following:

- a. Grantee shall obtain the services of a for-profit entity through a competitive procurement under 2 CFR Part 200. However, if the Grantee can demonstrate to HUD that the services to be provided by the for-profit entity can be obtained only from that one source, the Grantee may request HUD approval to select the entity under a sole-source procurement in accordance with 2 CFR 200.230(f).
- b. Consultant Services. Grantees shall obtain consultant services provided under an independent contractor relationship pursuant to 2 CFR Part 200.
- 2. Trigger for the Submission of Contracts. Contract documents must be submitted to HUD for prior approval if required by 2 CFR Part 200, Subpart D, or if requested by HUD. Any modification of such contracts is also subject to HUD's written approval before execution.
- 3. Debarred or Suspended Parties. Grantees must comply with 2 CFR 200.212.

#### **ARTICLE X. No Third Party Rights**

The Grantee and HUD are the sole parties to this Grant Agreement and do not intend to create any third party beneficiaries to this Grant Agreement. Nothing in this Grant Agreement may be construed as conferring the status of third party beneficiary upon the residents; and in no event shall any entity other than the Grantee have direct rights to the Choice Neighborhoods funds provided for under this Grant Agreement.

#### **ARTICLE XI.** Conflict of Interest

- A. Prohibition. The Grantee shall comply with the conflict of interest requirements in 2 CFR 200.318. No person who is an employee, agent, officer, or elected or appointed official of the Grantee or member of his immediate family and who exercises any functions or responsibilities with respect to activities assisted under this Choice Neighborhoods Grant may have a direct interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder.
- B. HUD-Approved Exception.
  - 1. Standard. HUD may grant an exception to the prohibition in paragraph (A) of this Article on a case-by-case basis when it determines that such an exception will serve to further the purposes of Choice Neighborhoods and its effective and efficient administration.
  - 2. Procedure. HUD will consider granting a regulatory waiver only after the Grantee has provided a written request which provides a disclosure of the nature of the conflict, accompanied by:
    - a. an assurance that there has been public disclosure of the conflict;
    - b. a description of how the public disclosure was made; and

- c. an opinion of the Grantee's attorney that the interest for which the exception is sought does not violate State or local laws.
- 3. Consideration of Relevant Factors. In determining whether to grant a requested exception under paragraph (B) of this Article, HUD will consider the cumulative effect of the following factors, where applicable:
  - a. whether the exception would provide a significant cost benefit or an essential degree of expertise to the Transformation Plan that would otherwise not be available:
  - b. whether an opportunity was provided for open competitive bidding or negotiation;
  - c. whether the person affected is a member of a group or class intended to be the beneficiaries of the Transformation Plan and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
  - d. whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process, with respect to the specific activity in question;
  - e. whether the interest or benefit was present before the affected person was in a position as described in paragraph (A) of this Article;
  - f. whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
  - g. any other relevant considerations.

#### **ARTICLE XII. Reporting Requirements**

#### A. Quarterly Report.

1. The Grantee will submit to HUD a Quarterly Report as prescribed by HUD in accordance with the scheduled established by HUD, presently 21 calendar days after the end of each quarter, with the first report due after the quarter ending September 30, 2019. In the Quarterly Report the Grantee will report at a minimum the progress of their grant, including but not limited to progress against their schedule and budget, expenditures to date, a narrative statement on their progress, progress on priority outcomes as described in the Choice Neighborhoods Implementation NOFA, progress against the priority metrics identified by HUD, and description of financing secured to date for implementation. The Grantee should also include, as appropriate, best practices and lessons learned from the date of the prior Quarterly Report. Upon expenditure of all Choice Neighborhoods grant funds, grantees must continue to report on all metrics in the Inform system, or its successor, quarterly and annually, through the first quarter of the next calendar year. After that first quarter, grantees must continue to report quarterly on certain Housing, Neighborhood, and People metrics until all housing units (replacement and non-replacement) included in the Housing Plan are complete. Upon completion of all housing units, Grantees will no longer be required to report in Inform.

- 2. Failure to submit to HUD a timely Quarterly Report will result in a suspension of Choice Neighborhoods Grant funds in LOCCS until such time as the report is received and approved by HUD, and/or any other default remedy authorized by Article XIV.
- B. Obligations and Expenditures. The Grantee must enter cumulative obligation and expenditure data into LOCCS by the due dates established by HUD, whether or not there has been any change in the cumulative amounts since the end of the last quarter.
- C. End of Grant Report. Grantees are required to submit an end of grant report which discusses their overall success in transforming the target neighborhood and supporting positive outcomes for residents and reproducible before and after photographs. The final report must be submitted to HUD by April 30 of the year following the September grant expenditure deadline.
- D. Program Income Reporting. Until all housing units in the Housing Plan are complete, grantees must submit an annual Program Income Report to HUD by September 30 of each year identifying all sources and uses of Program Income. Upon completion of all housing units, the Grantee will no longer be required to submit a Program Income Report; however, for the remainder of the 15-year program income period, HUD reserves the right to request an accounting of Program Income funds.
- E. Additional Information Requests. Subject to paragraph (D) of this Article, the Grantee will comply with all other reporting requirements from time to time established by HUD, in its sole discretion, in connection with the Choice Neighborhoods Program. The Grantee will:
  - 1. fully cooperate with all reasonable information gathering requests made by HUD or contractors of HUD in the course of authorized evaluations of the Choice Neighborhoods Program; and
  - 2. submit a final Transformation Plan report when the Transformation Plan has been completed that details the number of units produced, the status of people outcomes, and any other metrics that HUD prescribes.
- F. Additional Requirements. The Grantee agrees to comply with all other terms and conditions HUD may establish to administer, monitor, or evaluate the Choice Neighborhoods Program in an effective and efficient manner. Notwithstanding the foregoing, however, except as provided in Article XIV, HUD hereafter will not establish any additional terms and conditions without:
  - 1. consideration of the burden imposed on the Grantee by such conditions or requirements;
  - 2. consideration of the availability of less burdensome conditions or requirements; and
  - 3. in the case of a term or condition applicable solely to the Grantee, consulting in advance with the Grantee.

#### **ARTICLE XIII. Technical Assistance**

- A. Site Visits. The Grantee acknowledges and agrees that HUD, or its designees, may conduct site visits and inspections as deemed necessary by HUD based upon the Grantee's needs in implementing the Transformation Plan or the needs of the Choice Neighborhoods Program. Technical assistance site visits may be provided by HUD or its designees:
  - 1. in response to requests from the Grantee; or
  - 2. based upon demonstrated needs of the Choice Neighborhoods Program; or
  - 3. as provided in paragraph (B) of this Article.
- B. HUD Assessment. HUD representatives will visit the site and make an assessment of any technical assistance and/or training that the Grantee may require for the implementation of the Transformation Plan. HUD will consult with the Grantee in determining the Grantee's specific technical assistance and training needs and will carry out subsequent on-site assessments as necessary.
- C. Technical Assistance Provider. If HUD determines, in its discretion, that technical assistance and/or training is necessary for the implementation of the Transformation Plan, it will assign a technical assistance provider to work with the Grantee for this purpose.
- D. Grantee Training/Technical Assistance. The Grantee agrees to use its best efforts to attend any training and to accept any technical assistance provided or sponsored by HUD.

#### **ARTICLE XIV.** Unsatisfactory Performance/Default

- A. In accordance with Section 24(i) of the 1937 Act, if the Grantee defaults under this grant agreement, HUD may withdraw any unobligated grant amounts and may pursue other actions as described in this Article. HUD shall redistribute any withdrawn amounts to one or more other applicants eligible for Choice Neighborhoods assistance or to one or more other entities capable of proceeding expeditiously in the same locality in carrying out the Transformation Plan of the original Grantee, subject to provisions of the appropriations law. This section applies to all Grantees regardless of their status as a government, PHA, for-profit, or other entity.
- B. Default. Each of the following events or occurrences, to the extent it constitutes a material breach or occurrence, may constitute a default by the Grantee under this Grant Agreement, as determined by HUD in its sole discretion:
  - 1. use of funds provided under this Grant Agreement for any purpose, in any manner or at any time, other than as authorized by this Grant Agreement;

- 2. failure to comply with the Choice Neighborhoods Requirements or any other Federal, State, or local laws, regulations or requirements applicable in creating the Transformation Plan;
- 3. failure to make any submission under Article III, perform any obligation, or otherwise fail to proceed in a manner consistent with the Transformation Plan, (including, without limitation, failure to accomplish an activity by the date specified in the Program Schedule);
- 4. any material misrepresentation in any of the required submissions, including, without limit, any misrepresentations in any of the submissions required by Article III(B); or
- 5. failure to comply with, or any material breach of, any other requirements, conditions or terms of this Grant Agreement.

#### C. Notice of Default and Action(s) to Cure.

- 1. General. HUD will give the Grantee written notice of any default. The notice will give the Grantee the opportunity to cure such default within 30 days of the date of the notice, or to demonstrate within this time period, by submitting substantial evidence satisfactory to HUD, that it is not in default. If the default is not able to be cured within the 30-day period, the Grantee will demonstrate, to HUD's satisfaction, that the Grantee has taken actions necessary to cure the default and that the default is curable within 90 days from the date of the default notice. Additionally, the Grantee must agree to carry out such cure diligently and to complete the cure within the 90-day period.
- 2. Immediate Default. Notwithstanding the provisions of paragraph (C)(1) of this Article, HUD in its sole discretion may place the Grantee into immediate default for not being in compliance with its Program Schedule or for non-compliance with Choice Neighborhoods requirements once written notification of default has been provided to the Grantee. At that time, HUD may immediately begin imposing consequences of default, including specifically the suspension of draws of the Choice Neighborhoods grant.
- 3. Imminent Threat. Notwithstanding the provisions of subparagraph (C)(1) of this Article concerning the opportunity to cure defaults, if HUD reasonably determines that there is an imminent threat that the Grantee will expend additional Choice Neighborhoods Grant funds in violation of the provisions of this Grant Agreement, HUD may implement the remedial action provided for under subparagraph (C)(4)(i) of this Article to prevent any such unauthorized expenditure until such time as the Grantee has complied with the cure provisions set forth above. HUD will implement such remedial action by written notice set forth either in the notice of default given under paragraph (C)(1) of this Article or by subsequent written notice to the Grantee. An imminent threat is not an immediate default.
- 4. Consequences of Default. If the Grantee fails to cure all defaults specified in the notice of default within the time periods set forth in paragraph (C)(1) of this Article, or fails to

diligently pursue or complete any cure as provided in paragraph (C)(1), HUD may take any of the following remedial actions, upon written notice to the Grantee:

- a. requiring a Grantee in default to provide evidence to HUD of acceptable performance over such period of time as specified by HUD and to obtain written approval from HUD to proceed to the next phase of activities;
- b. requiring additional, more detailed financial reports;
- c. requiring additional project monitoring;
- d. requiring the Grantee (or subgrantee) to obtain technical or management assistance;
- e. establishing additional prior approvals;
- f. require the Grantee, within a time period established by HUD, to prepare a revised Program Schedule, obtain HUD's approval thereto, and follow such revised Program Schedule to complete the activities under the Grant Agreement;
- g. require the Grantee, within a time period established by HUD, to revise any activity under the Grant Agreement in order to successfully complete the activities under the Grant Agreement in a manner satisfactory to HUD, including, without limitation, exclusion or revision of affected activities, revision of the Choice Neighborhoods Budget as necessary, and substitution of other eligible activities;
- h. require submission of additional documentation before any additional request for funds will be approved;
- i. temporarily suspend the Grantee's authority to draw down Choice Neighborhoods Grant funds for affected activities, or at HUD's sole discretion for all activities, pending action to cure the defaults;
- j. disallow use of Choice Neighborhoods Grant funds for all or part of the cost of the activity or action not in compliance;
- k. recover amounts determined by HUD to have been improperly expended, including any property obtained by the Grantee with such grant funds;
- 1. require reimbursement by the Grantee for Choice Neighborhoods Grant funds determined by HUD to have been improperly expended;
- m. make arrangements satisfactory to HUD, in its sole discretion, for use of an entity other than the Grantee to carry out activities assisted under the Grant Agreement, including requiring the Grantee to assign any outstanding contracts obligating grant funds to another entity.
- 5. Additional Enforcement Actions. If HUD determines that the remedial actions taken by HUD under paragraph (C)(4) of this Article have not been effective in curing the default, or if the Grantee has not complied with the requirements imposed by HUD under paragraph (C)(4) and has not otherwise cured the default, or if HUD exercises its discretion under subparagraph (C)(2) of this Article to institute any of the following actions, HUD may take any of the following remedial or enforcement actions (in addition to any of the remedies permitted under paragraph (C) of this Article upon written notice to the Grantee):
  - a. reduce the Choice Neighborhoods Grant in the amount affected by the default;
  - b. terminate the Choice Neighborhoods Grant as to all further activities and initiate closeout procedures;
  - c. recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.

- i. If the basis for the Grantee's default is its failure to comply with the reasonable time periods established by HUD under Article III(D), HUD shall, in accordance with section 24(i) of the 1937 Act, and unless otherwise approved by HUD under paragraph (C)(3) of this Article, recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.
- ii. If the Grantee fails to comply with the reasonable time periods established in Article III(D), HUD may take into account whether factors beyond the Grantee's control are the cause of the delay.
- d. take action against the Grantee under 24 CFR part 24 and Executive Order 12549 with respect to future HUD or Federal grant awards; and
- e. take any other available legal or equitable remedial action, including, but not limited to, any remedial actions available under a PHA's ACC and/or premised on HUD's interest in the housing development established in the relevant Declaration of Trust or Declaration of Restrictive Covenants or housing assistance contract, as applicable.
- 6. Delinquent Federal Debts. Consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), Grantees with an outstanding federal debt must provide to HUD a negotiated repayment schedule which is not delinquent or have made other arrangements satisfactory to HUD. If arrangements satisfactory to HUD cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the Grantee, but offer the award to the next eligible Grantee. Applicants selected for funding, or awarded funds, must report to HUD changes in status of current agreements covering federal debt. If a previously agreed-upon payment schedule has not been adhered to or a new agreement with the federal agency to which the debt is owed has not been signed, the Grantee will be considered to be in default under this Agreement.

#### **ARTICLE XV. Project Close-Out**

- A. Termination of Disbursements Letter. Within 90 days after completion of all grant funded activities, the Grantee will initiate close-out, in accordance with procedures established by HUD, by submitting a Termination of Disbursements letter, which states that:
  - 1. The Grantee has completed all activities to be performed using Choice Neighborhoods Implementation Grant funds.
  - 2. All requirements of the Grant Agreement have been met.
  - 3. All obligated Choice Neighborhoods grant funds have been disbursed; and
  - 4. The Grantee will abide by any continuing Federal requirements;

At HUD's option, the Grantee may delay initiation of close-out until the resolution of any HUD monitoring findings. If HUD exercises this option, the Grantee must promptly resolve the findings.

- B. Preliminary Closeout Materials. The Grantee must submit the following Preliminary Close-Out Materials along with the Termination of Disbursements Letter:
  - 1. Final Choice Neighborhoods Budget;
  - 2. Actual Choice Neighborhoods Cost Certificate (Cost Certificate) (Form HUD-50163), which summarizes the information on the Financial Status Report and serves as the document that officially closes out the grant.
  - 3. Program Income Plan. A Plan for the use of Program Income funds, which indicates the anticipated sources and uses of Program Income, must be submitted. Following close-out, Grantees must comply with the conditions of the Program Income Plan for a period of 15 years from the final approval date on the ACNCC. Funds from each source of Program Income must be tracked separately. Funds must be deposited in an interest-bearing account in an FDIC insured institution. During the 15-year period, no more than 10% of Program Income may be used for administrative purposes.
  - 4. Supportive Services Sustainability Plan. Grantees must submit a Supportive Services Sustainability Plan, which discusses how supportive services for residents will be maintained after all Choice Neighborhoods funds have been expended. While HUD does not have a required format, see Attachment 2 for elements which should be addressed. Grantees who already have a HUD-approved Endowment Trust Plan do not need to submit a Supportive Services Sustainability Plan, unless additional information is requested by HUD.
  - 5. Housing Plan and Schedule. Grantees must submit a brief narrative describing the status of their Housing Plan, including progress on the grantee's one-for-one unit or bedroom replacement requirement, as well as non-replacement units. The submission should include a chart which reflects the unit count and composition by phase.
- C. HUD Review of Preliminary Close-Out Materials. HUD will review Preliminary Close-Out Materials to confirm that:
  - 1. The amounts on the final Choice Neighborhoods Budget and Cost Certificate agree as to funds approved, obligated and expended.
  - 2. The amount of funds approved and disbursed on the Cost Certificate agrees with HUD records in LOCCS.
  - 3. If HUD disbursed more funds that the Grantee expended, the Grantee will immediately remit to HUD the excess funds, without waiting for completion of the final audit.
  - 4. The Program Income Plan provides the requested information and complies with Program Income requirements of the Grant Agreement.

- 5. The Sustainability Plan provides the requested information and demonstrates a sound strategy for continuing to provide needed supportive services to residents.
- 6. The Housing Plan and Schedule provides the requested information and demonstrates that the Grantee will be able to complete its housing obligations.
- D. Final Audit. Following HUD approval of the Preliminary Close-Out Materials, Grantees that are not for-profit entities must conduct a final audit of the Implementation Grant in accordance with the requirements of 2 CFR Part 200, Subpart F and forward the audit to HUD for approval. For-Profit Grantees must conduct a final audit of the Implementation Grant in accordance with 2 CFR 200.501(h) and forward the audit to HUD for approval.
- E. Cost Certificate. Upon receipt of the final audit, the designated HUD official will execute the Cost Certificate once HUD determines to its satisfaction that:
  - 1. the expenditure of funds provided under this Grant Agreement was allowable and reasonable, as determined by the final audit;
  - 2. the activities to be completed using Choice Neighborhoods Grant funds were completed, as required by the Grant Agreement; and
  - 3. all Federal requirements were satisfied.
- F. Final Close-Out. Following execution of the Cost Certificate, any funds remaining in the Implementation Grant will be recaptured by HUD. A Post-Audit Date will be entered into LOCCS and the grant will be closed.
- G. Close-Out Procedures on the Choice Neighborhoods website. Grantees must follow the detailed Close-Out Procedures for the Choice Neighborhoods program, as posted to the Choice Neighborhoods website, including procedures for the Final Choice Neighborhoods Close-Out Approval.

#### FY2018 Choice Neighborhoods IMPLEMENTATION GRANT AGREEMENT

This grant agreement ("Grant Agreement") is made by and between the United States Department of Housing and Urban Development ("HUD") and the Lead and Co-Applicant(s) ("Grantee"). On May 13, 2019, HUD awarded the Grantee a Choice Neighborhoods Implementation Grant from fiscal year 2018 funds, for the implementation of a Transformation Plan ("Transformation Plan") that is identified in this Grant Agreement below.

HUD agrees, subject to the terms of this Grant Agreement, to provide grant funds to the Grantee, in the total amount listed on the form HUD-1044, for the activities described in the Transformation Plan as defined in Article III. Either the Lead Applicant or the Co-Applicant Grantee may be the designated entity with access to LOCCS for drawing down grant funds.

The assistance that is the subject of this Grant Agreement is authorized by, and required to be used in accordance with, Section 24 of the U.S. Housing Act of 1937, the Consolidated and Further Continuing Appropriations Act, 2018 (Pub. L. 115-41, approved March 23, 2018) ("2018 HUD Appropriations Act), (collectively the "Choice Neighborhoods Authorization").

The form HUD-1044 and Exhibit A are incorporated into and subject to the terms of this Grant Agreement.

HUD and the Grantee hereby agree to be bound by the following terms and conditions of this Grant Agreement:

#### **ARTICLE I. Choice Neighborhoods Requirements**

The Grantee agrees to conduct all activities to be assisted with funds provided under this Grant Agreement in accordance with the following requirements, as such requirements now exist or as they may hereafter be amended (hereafter collectively referred to as the "Choice Neighborhoods Requirements"):

- A. the U.S. Housing Act of 1937, as amended (the "1937 Act"), as applicable, and all implementing regulations;
- B. the 2018 HUD Appropriations Act (Public Law 115-41, approved March 23, 2018);
- C. the Fiscal Year (FY) 2018 Notice of Funding Availability for the Choice Neighborhoods Initiative Implementation Grants published via Grants.gov on May 18, 2018 (the "Choice Neighborhoods Implementation NOFA").
- D. 31 U.S.C. § 1552. In accordance with this statute, all FY2018 funding must be expended by September 30, 2025. Any funds that are not expended by that date will be cancelled and recaptured by the Treasury, and thereafter will not be available for obligation or expenditure for any purpose. In order to ensure funds are drawn from LOCCS by that date, HUD may provide additional guidance as the deadline approaches for when grantees should submit the final draw request (e.g. usually approximately two weeks prior to the expenditure deadline).
- E. In accordance with section 24(e)(2)(D) of the 1937 Act, Grantees must involve affected residents of the targeted public and/or assisted housing during the implementation process. Grantees are required to involve the affected public and/or assisted housing residents in the implementation of the Transformation Plan. This involvement must be continuous from the beginning of the planning process through the implementation and management of the grant. In addition to the statutory requirement, unless HUD indicates otherwise in writing, Grantees will be expected to undertake resident and community involvement in a manner and method at least as comprehensive as that described in your grant application.
- F. all executive orders applicable to the activities being conducted with funds provided under this Grant Agreement;
- G. the terms and requirements of this Grant Agreement, and any amendments or addenda thereto;
- H. all other applicable Federal requirements, including, without limitation, those set forth the FY2018 Appropriations Act and those set forth in Appendix A; and
- I. all regulations, handbooks, notices, and policies applicable to the activities being conducted with funds provided under this Grant Agreement.

#### **ARTICLE II. Program Overview**

- A. Goals of the Choice Neighborhoods Program. The Choice Neighborhoods Program employs a comprehensive approach to neighborhood transformation. The program transforms neighborhoods of concentrated poverty into mixed-income neighborhoods of long-term viability by revitalizing severely distressed public and/or assisted housing; improving access to economic opportunities; and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods ensures that current residents benefit from this transformation by preserving affordable housing in the neighborhood or providing the choice to move to affordable housing in another neighborhood of opportunity. The purpose of this grant is to implement a Transformation Plan that has been developed through a local planning process and furthers the goals of the Choice Neighborhoods Program. The core goals of Choice Neighborhoods are:
  - **1. Housing**: Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood;
  - **2. People**: Improve outcomes of households living in the target housing related to employment and income, health, and children's education; and
  - **3. Neighborhood**: Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community.

#### **ARTICLE III. Choice Neighborhoods Transformation Plan**

- A. General. The Grantee's Choice Neighborhoods Transformation Plan ("Transformation Plan") consists of a document or documents reviewed and approved by HUD to govern the transformation of the neighborhood. The Transformation Plan should integrate effective strategies to implement public and/or assisted housing revitalization, the coordination and design of supportive services, including educational opportunities for children, and neighborhood-level planning to improve a range of neighborhood assets. The Transformation Plan should be created as part of a collaborative planning process that involves neighborhood stakeholders and local governmental entities. The Transformation Plan should translate the three core goals of Choice Neighborhoods Housing, People and Neighborhood into a strategy that will direct investments, demonstrate the commitment among a range of public and private partners to address interdependent neighborhood challenges, utilize data to set and monitor progress toward implementation goals, and engage community stakeholders and residents in meaningful decision-making roles.
- B. Components of the Transformation Plan. The Grantee's Transformation Plan includes each of the following components, as needed for the Transformation Plan and as approved by HUD. Because some of these documents may be submitted to HUD for approval throughout the implementation of the Grant Agreement, an approved Transformation Plan shall be

deemed to mean the most recent set of documents that have been submitted to (as set forth in this Article) and approved by HUD:

- 1. The Grantee's Choice Neighborhoods application, submitted in response to the FY2018 Choice Neighborhoods Implementation NOFA (the "Choice Neighborhoods Application");
- 2. Post Application Submissions that HUD requires the Grantee to submit following HUD's review of the Choice Neighborhoods application and/or as a result of a site visit to the neighborhood which is the target of redevelopment under this grant ("Development"), including but not limited to:
  - a. any additional information required for HUD to approve demolition of the target public and/or assisted housing based on the Choice Neighborhoods application;
  - b. certifications and assurances;
  - c. a Program Schedule, in accordance with the timeframes established in this Article;
  - d. a Choice Neighborhoods Budget (all phases) as described in Article VI;
  - e. any other information or documentation that is not otherwise required under any other component of the Transformation Plan that is requested by HUD to supplement or refine information provided in the Choice Neighborhoods Application or to meet any terms or conditions of the Grant Agreement; and
  - f. any waiver requests;

(Subparagraphs (a) through (f) are hereafter collectively referred to as, "Post Application Submissions.")

- 3. a Supportive Services/People plan;
- 4. the Grantee's submissions to HUD in connection with an Endowment Trust, if applicable, in accordance with Article IV(J) (including but not limited to submission of a Choice Neighborhoods Endowment Trust Addendum);
- 5. for public housing only, a Demolition Application, if applicable, as described in Article IV;
- 6. for public housing only, a Disposition Application relating to the Development, as described in Article IV, to the extent applicable;
- 7. a development proposal(s), as described in Article IV;
- 8. a homeownership proposal, as applicable, as described in Article IV;

- 9. a plan for Critical Community Improvements projects, as applicable; and
- 10. any amendment or modification of the foregoing, as approved in writing by HUD.
- C. Incorporation into Grant Agreement. As each component of the Transformation Plan is approved in writing by HUD, it will be deemed to be incorporated into this Grant Agreement.
- D. Time Periods for Implementation. The Grantee agrees to implement its Transformation Plan in accordance with the approved Program Schedule, including but not limited to the following time periods:
  - 1. In accordance with the Choice Neighborhoods Implementation NOFA as incorporated by Article I(C) above.
  - 2. Items identified in paragraph (B) of this Article must be submitted to HUD in accordance with the HUD-approved Program Schedule. The Program Schedule is due to HUD within 120 calendar days (weekends and holidays are not excluded) from the Grant Award Date. HUD reserves the right to require Grantee to make edits to these items to put them in a form and substance acceptable to HUD.
  - 3. The Grantee must start service coordination and case management services as soon as possible, if they have not already. The Grantee must have started these services within 60 days of the Grant Award Date. It is imperative that case management services begin immediately so that residents who will be relocated have time to participate in and benefit from Supportive Services activities before leaving the site; and that residents who have already been relocated are able to participate in and benefit from Supportive Services activities.
  - 4. The Grantee must submit the People/Supportive Services plan within 9 months of the Grant Award Date for HUD's review and approval.
  - 5. The Grantee must submit the Critical Community Improvements plan within 12 months of the Grant Award Date for HUD's review and approval.
  - 6. The closing of the first housing phase of development must take place within 18 months of the Grant Award Date. For this purpose, "closing" means all financial and legal arrangements have been executed and actual activities (construction, etc.) are ready to commence. The construction Notice to Proceed or equivalent must be issued no later than 90 days after the closing date, unless otherwise approved by HUD.
  - 7. Grantees must start housing rehabilitation/construction within 21 months of the Grant Award Date.
  - 8. Grantees must complete replacement housing rehabilitation/construction by obtaining a certificate of occupancy or equivalent for units funded with Choice Neighborhoods funds

- by September 30, 2025. In accordance with the statutory deadline for expenditure of funds, HUD cannot approve an extension to this milestone.
- E. Time Extensions. All requests for extensions of the time periods for implementation listed in paragraph (D)(1)-(7) of this Article must be requested by the Grantee in advance of the deadline date. All requests for extensions must be made in writing to the Office of Public Housing Investments and will be reviewed and approved or disapproved by the Assistant Secretary of Public and Indian Housing and/or the Deputy Assistant Secretary for the Office of Public Housing Investments.

#### **ARTICLE IV. Transformation Activities and Requirements**

- A. Program Activities. Grantees must include the activities listed in Section III.E.1 of the Choice Neighborhoods Implementation NOFA in their Transformation Plan.
- B. Program Requirements. Grantees must comply with the Program Requirements stated in Section III.E.2 of the Choice Neighborhoods Implementation NOFA, some of which are restated in this Article for emphasis and/or with additional detail.
- C. One-for-one Replacement of Public and/or Assisted Housing. Each Transformation Plan must comply with the applicable one-for-one replacement requirement as stated in Section III.E.2.b of the Choice Neighborhoods NOFA.
- D. Replacement Housing Development Activities.
  - 1. Public Housing Development Activity. For any public housing development activity under the Transformation Plan (whether on-site reconstruction or off-site development), the Grantee must obtain HUD approval of a development proposal submitted under 24 CFR 905.606 ("Development Proposal").
  - 2. Any RAD conversion must be done in accordance with the protocol for reviewing RAD/Choice Neighborhoods projects or subsequent guidance.
  - 3. For projects involving Section 8, both Project Based Rental Assistance (PBRA) and Project Based Vouchers (PBV), and Choice Neighborhoods funding, HUD will review the development proposal in accordance with the Cost Controls and Safe Harbor Standards for Rental Mixed-Finance Development, dated April 2003, or subsequent guidance.
  - 4. For Replacement Units to be provided as PBVs in projects developed by an entity other than the Housing Implementation Entity, the PHA that administers the vouchers must comply with 24 CFR part 983. In addition, the Choice Neighborhoods office must review project information in advance of the AHAP or HAP contract to confirm the project satisfies the CN program requirements (e.g. is in a mixed-income development

- and, if located outside the target neighborhood, meets the location requirements set forth in the NOFA).
- E. Rehabilitation Activities. For rehabilitation and physical improvement of public housing and/or community facilities primarily intended to facilitate the delivery of community and supportive services for residents of the Development and residents of off-site replacement housing under the Transformation Plan, the Grantee will comply with 24 CFR § 905.
- F. Affordable Housing Development Activities. Affordable housing (non-replacement, rental or homeownership, as defined in the NOFA) units developed with Choice Neighborhoods funds must be done in accordance with a proposal approved by HUD. Such units must be available to families earning 81-120 percent of AMI and grantees shall commit to an affordability period of at least 20 years. Affordable housing units must be in the same building with replacement units, except for buildings with one to four units total. Further, affordable housing units cannot include other funding that restricts incomes below 120% AMI (e.g. Low-Income Housing Tax Credits). The affordability restrictions shall be contained in a legally enforceable document recorded in the appropriate recorder's office or registry of deeds and consistent with long-term viability of the project.
- G. Demolition of Public Housing. You cannot carry out nor permit others to carry out the demolition of the targeted public housing project or any portion of the project until HUD approves, in writing, one of the following ((1) (3) of this section), and until HUD has also: (i) approved a Request for Release of Funds submitted in accordance with 24 CFR part 58, or (ii) if HUD performs an environmental review under 24 CFR part 50, has approved the property for demolition, in writing, following its environmental review.
  - 1. Information regarding demolition in your Choice Neighborhoods Application, along with Post Application Submissions requested by HUD after the award of the grant. Section 24(g) of the 1937 Act provides that severely distressed public housing that is demolished pursuant to a revitalization plan is not required to be approved through a demolition application under section 18 of the 1937 Act or regulations at 24 CFR part 970.
  - 2. A demolition application under section 18 of the 1937 Act.
  - 3. A section 33 Required Conversion Plan, in compliance with regulations at 24 CFR part 972, subpart A and other applicable HUD requirements. A Required Conversion Plan concerns the removal of a public housing project from a PHA's inventory.
- H. Demolition of Multifamily Housing. For projects subject to a project-based section 8 Housing Assistance Payments ("HAP") contract, the Grantee will not engage in or permit the partial or total demolition of the project, or any activities related thereto, including any activities in preparation for such demolition, without the prior written consent of HUD. Such consent will not be provided until HUD has first approved (i) a proposal for preserving the project-based section 8 HAP contract consistent with applicable statutory authority (e.g., section 212(a) of the 2012 HUD Appropriations Act, or successor legislation; or section 8(bb)(1) of 1937 Act) and all related Departmental policies, procedures, and requirements;

- (ii) a proposal for project rehabilitation; and (iii) a replacement housing plan that provides for the orderly, temporary relocation of relocated families (e.g., based on the requirements of Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 (Multifamily Emergency/Disaster Guidance), section 38-32C (Section 8 Pass Through)) that ensures decent, safe, and sanitary housing, consistent with 24 CFR Part 5 Subpart G (Physical Condition Standards and Inspection Requirements) and 24 CFR Part 200 Subpart P (Physical Condition of Multifamily Properties), at the beginning of and throughout the relocation period.
- I. Disposition of Public Housing. This section applies only to disposition of public housing.
  - 1. Disposition of a severely distressed public housing site, by sale or lease, in whole or in part, must be done in accordance with section 18 of the 1937 Act and implementing regulations at 24 CFR part 970, as applicable.
  - 2. The Grantee will also comply with the provisions of its approved disposition application (the approved "Disposition Application"), unless otherwise modified in writing by HUD, and with the procedures for processing dispositions associated with mixed-finance projects as set forth by HUD.
  - 3. A ground lease of one year or more that is not incident to the normal operation of a development is considered to be a disposition that is subject to section 18 of the 1937 Act.

#### J. Relocation.

- 1. General. The Grantee will provide suitable, decent, safe, and sanitary housing for each family required to relocate because of transformation activities under the Transformation Plan.
- 2. Relocation Plan for Public Housing Units. The Grantee must carry out its relocation activities in compliance with a relocation plan that conforms with the following statutory and regulatory requirements, as applicable (the "Relocation Plan") for displacement or temporary relocation carried out as a result of:
  - a. **Rehabilitation, acquisition, or demolition pursuant to section 24 of the 1937 Act** under an approved Plan is subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. § 4601 et seq; 49 CFR part 24) (URA) and regulations at 24 CFR § 905.308 or successor part and meets the requirements of the Choice Neighborhoods Implementation NOFA.
  - b. **Disposition or demolition pursuant to section 18 of the 1937 Act** under an approved Transformation Plan is subject to section 18 of the 1937 Act as amended and 24 CFR 970.21.
    - i. Exception: displacement or temporary relocation carried out as a result of **disposition** pursuant to the mixed-finance development requirements at 24 CFR 905, subpart F is subject to section 18 of the 1937 Act but not 24 CFR 970.21.

- c. **Disposition pursuant to a Section 332 required conversion plan** is subject to Section 18 of the 1937 Act and 24 CFR Part 971.
- d. **Demolition pursuant to a Section 33 required conversion plan** is subject to the URA.
  - If the project also utilizes Community Development Block Grant (CDBG) or HOME funds, section 104(d) of the Housing and Community Development Act of 1974 may also apply. Please refer to the Tenant Assistance Relocation and Real Property Acquisition Handbook (HUD Handbook 1378) for detailed information.
- 3. Relocation Plan for Non-Public Housing Units. Except for displacement resulting from demolition or disposition activities subject to section 18 of the 1937 Act, projects involving real property acquisition, rehabilitation or demolition are subject to the URA and the requirements of the Choice Neighborhoods Implementation NOFA. For projects subject to a project-based section 8 HAP contract, the Grantee will (i) secure or cause to be secured temporary replacement housing for displaced families; will ensure that (ii) the temporary housing is available for the entire duration of the displacement period; and (iii) the housing meets the requirements of 24 CFR Part 5, Subpart G ("Physical Condition Standards and Inspection Requirements") and 24 CFR Part 200 Subpart P ("Physical Condition of Multifamily Properties") at the beginning of and throughout the displacement period. To satisfy this requirement, the Grantee is encouraged to adopt the model and the related procedures in Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 ("Multifamily Emergency/Disaster Guidance"), section 38-32 C ("Section 8 Pass Through") for the temporary relocation of section 8-assisted families necessitated by a natural disaster or other emergency. Based on this model and the related procedures, the Grantee is authorized to enter into a temporary lease for a unit in the same locale that meets the foregoing regulatory requirements on behalf of a displaced section 8-assisted family. During this period, the Owner of a property subject to a project-based section 8 HAP contract ("Owner"), whether the Owner is the Grantee or one of the Grantee's partners, may voucher for the contract rent for that unit on a temporary basis. The Owner pays no more than the contract rent on the temporary dwelling until the resident's permanent rental unit has been restored to habitable condition and the Owner notifies the resident that they may resume occupancy of their former unit. The resident is still responsible for the resident's share of the rent. Should the displaced resident fail to return, the Owner may rent the repaired unit to an eligible section 8 applicant. Before doing so, however, the Owner must inform the resident in writing that their assistance is terminated. In the event that the Owner rents the unit to an eligible section 8 applicant, the Owner must first terminate the "pass through" lease that the Owner executed on behalf of the displaced resident. In addition, should the temporarily relocated resident move from the temporarily leased unit before their permanent rental unit is repaired and made available for their return, the Owner can no longer voucher for the temporary unit and the resident is considered permanently housed. (See Housing Handbook 4350.1 REV-1 CHG-2, Chapter 38 ("Multifamily Emergency/Disaster Guidance"), section 38-32 C ("Section 8 Pass Through")).

#### K. Acquisition.

- 1. Acquisition Proposal. A PHA must submit an acquisition proposal to HUD for review and approval prior to acquisition in accordance with 24 CFR 905.608 when a PHA determines that it is necessary to acquire vacant land for development of replacement housing through new construction, using public housing funds. This acquisition approval must be submission of a development proposal under 24 CFR 905.606.
- 2. Land for Replacement Units outside the target neighborhood. For acquisition of land for replacement housing outside the target neighborhood, you must comply with 24 CFR 905.602 (site and neighborhood standards).
- 3. Land for Economic Development-Related Activities. Acquisition of land for this purpose is eligible if the activities specifically promote the economic self-sufficiency of residents of the neighborhood, such as construction or rehabilitation of parks and community gardens, environmental improvements; or promoting economic development, such as development or improvement of transit, retail, community financial institutions, public services, facilities, assets or other community resources. Limited infrastructure and site improvements associated with development retail, commercial, or office facilities, such as rough grading and bringing utilities to (but not on) the site, are eligible activities with prior HUD approval. You may request an amount not to exceed 15 percent of the total Choice Neighborhoods grant to pay the costs of non-housing capital costs as described above for Critical Community Improvements.
- L. Supportive Services. The Grantee must plan for and provide current public and assisted housing residents, relocated public and assisted housing residents, and returning and new public and assisted housing residents with supportive services for the term of the Grant Agreement. Supportive Services programs and services must be carefully planned so that they will be sustainable after the Choice Neighborhoods grant period ends. The Grantee is responsible for tracking and providing Supportive Services programs and services to baseline and revitalization development residents. Baseline residents are those residents that lived in the targeted redevelopment site at the time of application for this Choice Neighborhoods grant. The grantee and HUD will also work together to track the experiences and changing characteristics of revitalization development residents who live at the revitalized site. Supportive Services activities must be well integrated with the physical development process, both in terms of timing and the provision of facilities to house on-site service and educational activities. The Grantee should provide final outcomes and metrics on Supportive Services as identified in the Transformation Plan. The Grantee will report to HUD on those outcomes and measure progress using those metrics as discussed in Article XII. HUD will use these reports to determine if the Grantee has met their supportive service requirements as listed in their Transformation Plan. To the extent that the Grantee proposed Supportive Services to the surrounding neighborhood residents as part of the application, public housing and HUD assisted housing resident Supportive Services should be tracked in the same way or as proposed in the application.

- 1. Funding. Consistent with sections 24(d)(1)(L) and 24(j)(3) of the 1937 Act and the Choice Neighborhoods Implementation NOFA, the Grantee may use an amount up to 15 percent of the total Choice Neighborhoods Grant to pay the costs of community and supportive service programs. The Grantee may spend additional sums on community and supportive services programs using donations, HUD funds made available for that purpose, or other Grantee funds.
- 2. Supportive Services Endowment Trust. The Grantee may deposit up to 15 percent of the Choice Neighborhoods Grant amount (the maximum amount of the grant allowable for Supportive Services programs) into an endowment trust to provide Supportive Services activities (the "Endowment Trust").
  - a. The Grantee may not draw down funds provided under this Grant Agreement for deposit into an Endowment Trust until it has a HUD-approved Endowment Trust plan and has executed with HUD an addendum to this Grant Agreement (the "Choice Neighborhoods Endowment Trust Addendum"), as directed by HUD. The Choice Neighborhoods Endowment Trust Addendum establishes the requirements governing the establishment, operation, and management of an Endowment Trust.
  - b. In reviewing the amount of the Grantee's proposed allocation of Choice Neighborhoods Grant funds to an Endowment Trust, HUD will take into account the Grantee's demonstrated ability to pay for current Supportive Services activities with Choice Neighborhoods or other funds, and the projected long-term sustainability of the Endowment Trust to carry out such activities.
  - c. Endowment Trust funds (including any non-Choice Neighborhoods funds donated or otherwise made available to the Endowment Trust, and any interest earned on Choice Neighborhoods and non-Choice Neighborhoods funds) may only be used for eligible and necessary Supportive Services activities.
- 3. Although targeted housing residents must be the primary beneficiary of Supportive Services, Supportive Services provided to the surrounding neighborhood residents, beyond public and HUD assisted housing residents, are an eligible use of funds.
- M. Administration, Fees and Costs. Reasonable costs for administration, planning, technical assistance, and fees and costs, as established by the Cost Control and Safe Harbor Standards guidance dated April 9, 2003, or successor document. These costs are limited to the costs of implementing the Transformation Plan, as specifically approved by HUD, such as fees for architectural and engineering work, program management (if any), and reasonable legal fees. You may not use Choice Neighborhoods Implementation Grant funds to pay for any implementation activities carried out on or before the date of the letter announcing the award of the Choice Neighborhoods Grant.
- N. Right of Return. Each tenant who wishes to return to the on-site or off-site replacement housing may return if the tenant was lease-compliant at the time of departure from the housing prior to relocation and continued to remain lease-compliant during the relocation period. This is a Choice Neighborhoods program requirement and not related to benefits provided in accordance with the URA. A returning tenant shall be provided a preference for occupancy of on-site or off-site replacement units before such units are made available to any

other eligible households. Accordingly, the Housing plan must provide an adequate number of replacement units that can be occupied by households with incomes up to 80 percent AMI (e.g. units that are not limited by another funding source such as LIHTC equity that has a lower income limit). The tenant also has the option not to occupy a replacement unit and may retain tenant-based voucher assistance, subject to appropriations and availability, provided under section 8(o) of the United States Housing Act of 1937 for relocation from the properties revitalized under this Grant Agreement. These preferences are retained even if the resident has already received permanent relocation benefits. This preference applies to residents that were relocated due to the redevelopment activity and remains available until the initial lease-up of the new units. Residents that voluntarily move prior to relocation do not have this right to return preference. Prior written approval for any new tenant-based voucher assistance, including but not limited to Tenant Protection Vouchers, is required prior to Grantee obtaining voucher assistance. If a household is "rightsized" (e.g. splits into two separate households) through the relocation resulting from Choice Neighborhoods, the original head of household will have the right to return. Once all of the original heads of household have been housed, the Grantee is required to offer the second household any units that are available. If no units are available, then the second household will be moved to the top of the waiting list. Both the original household and the second household are required to be lease-compliant at the time of relocation and throughout relocation.

#### O. Site and Neighborhood Standards for Replacement Housing.

- 1. Grantee's Election of Requirements. A Grantee, at its election, separately regarding each site it proposes, will comply with the development regulations regarding Site and Neighborhood Standards (24 CFR § 905.602), or with the Site and Neighborhood Standards contained in this Article.
- 2. On-Site Replacement Housing (i.e. on the target housing site and/or in the target neighborhood). Because the objective of the Choice Neighborhoods program is to alleviate distressed conditions at the targeted development and in the target neighborhood, replacement housing under Choice Neighborhoods that is located within the target neighborhood will not require approval by HUD under Site and Neighborhood Standards.
- 3. Off-site Replacement Housing (i.e., outside of the target neighborhood but within the metropolitan area up to 25 miles from the target housing site). Replacement housing outside the target neighborhood must:
  - a. offer access to economic opportunities and public transportation and be accessible to social, recreational, educational, commercial, health facilities and services, and other municipal services and facilities that are comparable to those that will be provided in the target neighborhood; and
  - b. be located neither in areas of minority concentration nor in areas with a poverty rate above 40 percent. A neighborhood of minority concentration is a Census tract or other defined geographic area in which the percentage of residents who are racial or ethnic minorities is at least 20 percentage points higher than the percentage of minority residents in the Metropolitan Statistical Area (MSA) (or jurisdiction not in a

MSA) as a whole. In MSAs (or jurisdictions not in MSAs) in which the majority of residents are racial or ethnic minorities, HUD will consider and rely on all relevant information to determine whether the neighborhood proposed for replacement housing will lead to the creation of more inclusive and integrated housing in opportunity-rich neighborhoods.

- P. Research and Evaluation Cooperation. HUD and its contractors shall perform research and evaluation activities on the Choice Neighborhoods program, including interviews with the Grantee and community, review of grantee documents and data, surveys of assisted households and neighborhood residents, and documentation of changing physical conditions in the buildings and neighborhood. The Grantee shall make all reasonable efforts to cooperate with HUD and its contractors in carrying out these activities, including but not limited to facilitating interviews of Grantee's staff and partners, providing HUD's contractor with access to observe community meetings; to data systems, documents, and assisted and public housing residents; and to buildings for conducting physical inspections.
- Q. Operation and Management Principle and Policies, and Management Agreement for PHAs. Grantee must develop a Management Agreement that describes their operation and management principles and policies for their public housing units. Grantees and their procured property manager, if applicable, must comply (to the extent required) with the provisions of 24 CFR part 966 in planning for the implementation of the operation and management principles and policies described below.
  - 1. Rewarding work and promoting family stability by promoting positive incentives such as income disregards and ceiling rents;
  - 2. Instituting a system of local preferences adopted in response to local housing needs and priorities, e. g., preferences for victims of domestic violence, residency preferences, working families, and disaster victims. Note that local preferences for public housing must comply with Fair Housing requirements at 24 CFR 960.206. No preference should lead to disparate negative impact on any Fair Housing Act protected class;
  - 3. Lease requirements that encourage self-sufficiency by promoting involvement in the resident association, performance of community service, participation in self-sufficiency activities, and transitioning from public housing;
  - 4. Implementing site-based waiting lists that follow project-based management principles for the redeveloped public housing. Note that site-based waiting lists for public housing must comply with Fair Housing requirements at 24 CFR 903.7(b)(2);
  - 5. Strictly enforcing lease and eviction provisions;
  - 6. Implementation of defensible space principles and the installation of physical security systems such as surveillance equipment, control engineering systems, etc. to improve the safety and security of residents;

- 7. Enhancing ongoing efforts to eliminate drugs and crime from neighborhoods through collaborative efforts with federal, state, and local crime prevention programs and entities.
- R. Lobbying. The Grantee hereby certifies that no funds provided under this Grant Agreement will be expended for lobbying activities, as prohibited by Section 319 of Public Law 101-121 (which prohibits recipients of Federal contracts, grants, and loans from using appropriated funds for lobbying the Executive or Legislative Branches of the Federal Government), and implemented for HUD at 24 CFR part 87, as the same may be amended from time to time. The Grantee will disclose promptly any commitment or expenditure of non-appropriated funds for lobbying activities if those activities would be prohibited if paid with appropriated funds.

#### **ARTICLE V. Changes to the Transformation Plan**

- A. Changes Requiring Prior HUD Approval. If the following activities in the application are to be modified or amended, the Grantee must request and obtain prior written HUD approval:
  - 1. the Program Schedule. The Grantee must inform HUD immediately, in writing, of any problems, delays or adverse conditions that will impair materially the Grantee's ability to comply with the Program Schedule, and include a statement of action taken, or proposed to be taken, and any assistance needed to resolve the situation. HUD must approve any proposed changes to the Program Schedule that would modify any date or time period.
  - 2. the form of program oversight or governance;
  - 3. the overall strategy for community involvement;
  - 4. the approved disposition;
  - 5. the approved demolition;
  - 6. the Housing plan, including the total number of housing units to be developed or rehabilitated (whether or not there is an associated budgetary revision requiring prior approval), the unit mix, the location of housing, the design, or any other changes that materially affect the Transformation Plan;
  - 7. the plan for Critical Community Improvements projects;
  - 8. changes in any Choice Neighborhoods Budget or phase budget that propose an increase or decrease in any line item, except as permitted by Article VI;
  - 9. an extension of the period of availability of the Choice Neighborhoods Grant funds provided under this Grant Agreement, not to go beyond the statutory timeframes;

- 10. changes in the entities or individuals, including any key partners specified in the Transformation Plan as having key responsibilities for carrying out the Transformation Plan (or any component(s) of the Transformation Plan). Subgranting, subcontracting or otherwise obtaining the services of a third party to perform activities that are central to the purposes of the Transformation Plan will constitute such a change in entities or individuals; and
- 11. changes requested by a subgrantee that relate to any of the itemized categories listed in paragraph (A) of this Article.
- B. Changes Requiring Grant Agreement Amendment. For the following types of revisions to the Transformation Plan, the Grantee must submit a written request to HUD and must receive HUD's written authorization prior to making any such changes:
  - 1. change in the total dollar amount of the grant; and/or
  - 2. change in the Development for which funds provided under this Grant Agreement are made available.

Upon HUD's written approval, the change will be implemented by the execution of an amendment to this Grant Agreement and shall consist of a revised Form HUD-1044 if there is a change in the dollar amount of the grant.

#### C. Waiver Requests.

- 1. Standard for Approval. The activities to be conducted under this Grant Agreement are subject to the terms of this Grant Agreement and the Choice Neighborhoods Requirements. Nevertheless, HUD seeks innovative solutions under the Choice Neighborhoods Program to the long-standing problems of severely distressed public and assisted housing developments located in neighborhoods of concentrated poverty, and will consider granting a waiver of specific regulatory requirements, provided that:
  - a. such a waiver would be consistent with applicable statutory requirements; and
  - b. the Grantee is able to demonstrate good cause to support HUD's granting of such a waiver.
- 2. Waiver Request Procedure. If the Grantee wants HUD to approve a waiver of a regulatory requirement, it must submit a request with sufficient information and justification to enable HUD to make a determination of good cause for granting any such request to deviate from existing regulations. Until such time as the Grantee requests and HUD, in its discretion, approves any such requests in writing, the Grantee does not have authority to implement the activities described in the Choice Neighborhoods Application to which the request for approval applies (or for which a request for approval is needed).

#### ARTICLE VI. Choice Neighborhoods Budget and Funding Requests

- A. Budget. The Grantee must ensure that funds provided under this Grant Agreement are expended in accordance with the Choice Neighborhoods Requirements and a Choice Neighborhoods Budget. Each Grantee must submit to HUD for approval a Choice Neighborhoods Budget as part of the Post Application Submissions. The Choice Neighborhoods Budget allocates ALL Choice Neighborhoods Grant funds into Budget Line Items. The Choice Neighborhoods Budget will serve as the primary budget and may be subject to revision.
- B. Budget Form. Each budget submitted in accordance with paragraph (A) of this Article must be submitted on the Choice Neighborhoods Implementation Grants Budget Form (form HUD-53236). Part I must be signed and dated by the Lead Grantee, and Part II must include a detailed description of the uses of the funds. Grantees should also track their leveraged fund expenditures and maintain this information on file should HUD request it.
- C. Pre-Grant Agreement Execution Costs. After the execution of this Grant Agreement, the Grantee may include in its Choice Neighborhoods Budget, and the Grantee may draw down funds for, costs that were incurred prior to execution of this Grant Agreement, provided that such costs were incurred after the Grant Award Date, are directly associated with the activities to be funded under this Choice Neighborhoods Grant, and are approved as reasonable and eligible by HUD.

#### D. Predevelopment Costs.

- 1. Funding Requests. The Grantee may request a Choice Neighborhoods Grant funds for predevelopment costs by submitting the Choice Neighborhoods Budget to HUD. Funds may be drawn down for eligible Predevelopment Costs (as defined in subparagraph (2) below), subject to receiving HUD approval and the requirement for an environmental review in accordance with the provisions of this Grant Agreement.
- 2. Eligible Predevelopment Costs. Eligible predevelopment costs ("Predevelopment Costs") may include funds for:
  - a. administration costs related to having additional and/or existing staff work on the Choice Neighborhoods Grant;
  - b. fees and costs related to procuring goods and services from third parties in connection with eligible predevelopment activities such as architectural and engineering (A&E) fees:
  - c. resident relocation;
  - d. supportive services costs, including costs dedicated to case management and services;
  - e. costs associated with carrying out environmental reviews, in accordance with 24 CFR § 58.23; and
  - f. site remediation and demolition costs, provided that HUD has notified the Grantee in writing of the approval.
- 3. Predevelopment Funds. Upon review and approval of the Choice Neighborhoods Budget as described in this Article, HUD will make the approved predevelopment funds

- available to the Grantee for drawdown in LOCCS. The Grantee will ensure that the funds are expended in conformance with the HUD-approved Predevelopment Budget.
- E. Program Income. Program Income is defined in 2 CFR § 200.80, or successor regulation. If the Grantee receives program income:
  - 1. prior to grant closeout program income from repayment of loans, sale of homeownership units, and/or other sources:
    - a. must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes, unless otherwise approved by HUD; and
    - b. must be used for eligible activities authorized under this Grant Agreement before the Grantee may draw down additional cash payments from the Choice Neighborhoods Grant.
  - 2. after grant closeout, program income from repayment of loans, sale of homeownership units, and/or other sources the program income must be reinvested in the Development or neighborhood and used for Choice Neighborhoods eligible purposes. Before the grant is closed out, Grantee will provide a plan to HUD for how program income will be reinvested, in a form and substance that is acceptable to HUD. HUD will determine with the Grantee what the sources of program income are.

The language of this provision, article VI (E)(2), shall survive grant close-out and termination of this Grant Agreement.

#### **ARTICLE VII. Project Drawdowns**

A. LOCCS Payment System. Consistent with 2 CFR Part 200, the Grantee will request all drawdowns of Choice Neighborhoods Grant funds under the Line of Credit Control System (e-LOCCS), unless and until another payment system is designated by HUD. The Grantee will comply with all rules, guidelines, and notices established for Choice Neighborhoods under LOCCS, or any substitute system, in connection with any drawdown of Choice Neighborhoods Grant funds. If HUD designates a different payment system, it will be based upon the provisions of 2 CFR § 200.305.

#### B. Drawdowns.

- 1. The Grantee may draw down Choice Neighborhoods Grant funds for a Budget Line Item (BLI) in an amount up to 100 percent of the amount of that BLI that HUD has approved and made available for drawdown.
- 2. Any request for funds in excess of 10 percent of the entire grant amount in any month must be approved by HUD. The Grantee must submit copies of the invoices supporting the drawdown amount to the Team Coordinator for review.
- C. Drawdown Consequences of Default.

- 1. Withholding of Payments. HUD may withhold payments in accordance with 24 CFR § 200.338.
- 2. Grantee Representations. Each drawdown request by the Grantee will constitute, and be deemed to be, a representation that the Grantee is not in default under this Grant Agreement (except as the Grantee previously may have disclosed to HUD in writing).
- 3. Overdue Reports. HUD may elect to suspend draws under this Grant Agreement during any period in which the Grantee has failed to file with HUD any quarterly report.

#### **ARTICLE VIII. Matching and Leveraged Funds**

- A. Match Requirements. In accordance with section 24(c) of the 1937 Act (42 U.S.C. 1437v(c)),
  - 1. Grantee must have secured a match in the amount of 5 percent of the grant amount in cash or in-kind donations.
  - 2. Additional Supportive Services Match. The lesser of that provided for in your Transformation Plan or up to 15 percent of the Choice Neighborhoods grant may be used for supportive services activities. However, if the Grantee is using more than 5 percent of the grant funds for supportive services activities, funds (cash or in-kind donations) from sources other than Choice Neighborhoods must secured for the amount between 5 and 15 percent of the grant that Grantee will use for supportive services activities. These resources must be NEW commitments in order to be counted for match.
- B. Match Donations and Leverage Resources. Grantee shall keep documentation on matching and leveraged funds during the term of this Grant Agreement and shall provide this documentation in a format acceptable to HUD upon request by HUD, until the closeout of this grant. The documentation should show that the funds are secured and the Grantee should keep records showing how those funds have been expended over time.

#### **ARTICLE IX.** Grantees, Subgrantees and Contractors

- A. General Grantee Responsibilities.
  - 1. Implementation Team. The Grantee agrees to promptly assemble a competent implementation team, if you have not already, to assist in working with the Grantee's partners and coordinating all phases of the implementation process.

- 2. Choice Neighborhoods Requirements. The Grantee shall ensure that any entity to which it makes grant funds available will comply with the Choice Neighborhoods Requirements.
- 3. Required Certifications.
  - a. The Grantee must ensure that all subgrantees and contractors execute an original document in the form of Exhibit A to this Grant Agreement at the time the Grantee executes any contract with any subgrantee or contractor to provide goods or services under this Grant Agreement. The Grantee will retain the executed original certificate together with the executed contract documents.
  - b. Grantees that are public housing authorities (PHA Grantee) must ensure that the requirements contained in the General Conditions for Non-Construction Form (Form 5370-C) are included in any solicitation in connection with non-construction contracts that will be made by the PHA Grantee and paid for with assistance under this Grant Agreement. Such conditions must also be included in any non-construction contract entered into by the PHA Grantee.
  - c. Certifications required by 2 CFR 200.415.
- B. Administrative Requirements for Grantees. Public housing authority, local government, Indian tribe, and non-profit entity grantees are subject to 2 CFR Part 200.
- C. Administrative Requirements for Subgrantees and Related Agreements
  - 1. Public housing authority, local government, Indian tribe, and non-profit subgrantees are subject to the requirements of 2 CFR Part 200.
  - 2. For-profit subgrantees are subject to the requirements of 2 CFR Part 200, Subparts A-E. The Grantee is responsible for establishing audit requirements consistent with 2 CFR 200.501(h).
  - 3. Suspension and Debarment. Grantees are subject to the requirements of 2 CFR 200.212.
  - 4. Grantee Responsibilities Regarding Subgrantees. Grantees will be responsible for:
    - a. ensuring that subgrantees are aware of the requirements imposed upon them by Federal statutes, regulations, and this Grant Agreement;
    - b. ensuring that all subgrant agreements include any clauses required by Federal statutes and their implementing regulations and executive orders; and;
    - c. monitoring subgrantees' performance to ensure compliance with this Grant Agreement.
- D. Administrative Requirements for Contractors and Subcontractors and Related Contracts.
  - 1. Grantee Responsibilities Regarding Contractors and Subcontractors. Grantees that are subject to 2 CFR Part 200 as described in (B)(1) of this Article will be responsible for the following:

- a. Grantee shall obtain the services of a for-profit entity through a competitive procurement under 2 CFR Part 200. However, if the Grantee can demonstrate to HUD that the services to be provided by the for-profit entity can be obtained only from that one source, the Grantee may request HUD approval to select the entity under a sole-source procurement in accordance with 2 CFR 200.230(f).
- b. Consultant Services. Grantees shall obtain consultant services provided under an independent contractor relationship pursuant to 2 CFR Part 200.
- 2. Trigger for the Submission of Contracts. Contract documents must be submitted to HUD for prior approval if required by 2 CFR Part 200, Subpart D, or if requested by HUD. Any modification of such contracts is also subject to HUD's written approval before execution.
- 3. Debarred or Suspended Parties. Grantees must comply with 2 CFR 200.212.

#### **ARTICLE X. No Third Party Rights**

The Grantee and HUD are the sole parties to this Grant Agreement and do not intend to create any third party beneficiaries to this Grant Agreement. Nothing in this Grant Agreement may be construed as conferring the status of third party beneficiary upon the residents; and in no event shall any entity other than the Grantee have direct rights to the Choice Neighborhoods funds provided for under this Grant Agreement.

#### **ARTICLE XI.** Conflict of Interest

- A. Prohibition. The Grantee shall comply with the conflict of interest requirements in 2 CFR 200.318. No person who is an employee, agent, officer, or elected or appointed official of the Grantee or member of his immediate family and who exercises any functions or responsibilities with respect to activities assisted under this Choice Neighborhoods Grant may have a direct interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder.
- B. HUD-Approved Exception.
  - 1. Standard. HUD may grant an exception to the prohibition in paragraph (A) of this Article on a case-by-case basis when it determines that such an exception will serve to further the purposes of Choice Neighborhoods and its effective and efficient administration.
  - 2. Procedure. HUD will consider granting a regulatory waiver only after the Grantee has provided a written request which provides a disclosure of the nature of the conflict, accompanied by:
    - a. an assurance that there has been public disclosure of the conflict;
    - b. a description of how the public disclosure was made; and

- c. an opinion of the Grantee's attorney that the interest for which the exception is sought does not violate State or local laws.
- 3. Consideration of Relevant Factors. In determining whether to grant a requested exception under paragraph (B) of this Article, HUD will consider the cumulative effect of the following factors, where applicable:
  - a. whether the exception would provide a significant cost benefit or an essential degree of expertise to the Transformation Plan that would otherwise not be available:
  - b. whether an opportunity was provided for open competitive bidding or negotiation;
  - c. whether the person affected is a member of a group or class intended to be the beneficiaries of the Transformation Plan and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
  - d. whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process, with respect to the specific activity in question;
  - e. whether the interest or benefit was present before the affected person was in a position as described in paragraph (A) of this Article;
  - f. whether undue hardship will result either to the Grantee or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
  - g. any other relevant considerations.

#### **ARTICLE XII. Reporting Requirements**

#### A. Quarterly Report.

1. The Grantee will submit to HUD a Quarterly Report as prescribed by HUD in accordance with the scheduled established by HUD, presently 21 calendar days after the end of each quarter, with the first report due after the quarter ending September 30, 2019. In the Quarterly Report the Grantee will report at a minimum the progress of their grant, including but not limited to progress against their schedule and budget, expenditures to date, a narrative statement on their progress, progress on priority outcomes as described in the Choice Neighborhoods Implementation NOFA, progress against the priority metrics identified by HUD, and description of financing secured to date for implementation. The Grantee should also include, as appropriate, best practices and lessons learned from the date of the prior Quarterly Report. Upon expenditure of all Choice Neighborhoods grant funds, grantees must continue to report on all metrics in the Inform system, or its successor, quarterly and annually, through the first quarter of the next calendar year. After that first quarter, grantees must continue to report quarterly on certain Housing, Neighborhood, and People metrics until all housing units (replacement and non-replacement) included in the Housing Plan are complete. Upon completion of all housing units, Grantees will no longer be required to report in Inform.

- 2. Failure to submit to HUD a timely Quarterly Report will result in a suspension of Choice Neighborhoods Grant funds in LOCCS until such time as the report is received and approved by HUD, and/or any other default remedy authorized by Article XIV.
- B. Obligations and Expenditures. The Grantee must enter cumulative obligation and expenditure data into LOCCS by the due dates established by HUD, whether or not there has been any change in the cumulative amounts since the end of the last quarter.
- C. End of Grant Report. Grantees are required to submit an end of grant report which discusses their overall success in transforming the target neighborhood and supporting positive outcomes for residents and reproducible before and after photographs. The final report must be submitted to HUD by April 30 of the year following the September grant expenditure deadline.
- D. Program Income Reporting. Until all housing units in the Housing Plan are complete, grantees must submit an annual Program Income Report to HUD by September 30 of each year identifying all sources and uses of Program Income. Upon completion of all housing units, the Grantee will no longer be required to submit a Program Income Report; however, for the remainder of the 15-year program income period, HUD reserves the right to request an accounting of Program Income funds.
- E. Additional Information Requests. Subject to paragraph (D) of this Article, the Grantee will comply with all other reporting requirements from time to time established by HUD, in its sole discretion, in connection with the Choice Neighborhoods Program. The Grantee will:
  - 1. fully cooperate with all reasonable information gathering requests made by HUD or contractors of HUD in the course of authorized evaluations of the Choice Neighborhoods Program; and
  - 2. submit a final Transformation Plan report when the Transformation Plan has been completed that details the number of units produced, the status of people outcomes, and any other metrics that HUD prescribes.
- F. Additional Requirements. The Grantee agrees to comply with all other terms and conditions HUD may establish to administer, monitor, or evaluate the Choice Neighborhoods Program in an effective and efficient manner. Notwithstanding the foregoing, however, except as provided in Article XIV, HUD hereafter will not establish any additional terms and conditions without:
  - 1. consideration of the burden imposed on the Grantee by such conditions or requirements;
  - 2. consideration of the availability of less burdensome conditions or requirements; and
  - 3. in the case of a term or condition applicable solely to the Grantee, consulting in advance with the Grantee.

#### **ARTICLE XIII. Technical Assistance**

- A. Site Visits. The Grantee acknowledges and agrees that HUD, or its designees, may conduct site visits and inspections as deemed necessary by HUD based upon the Grantee's needs in implementing the Transformation Plan or the needs of the Choice Neighborhoods Program. Technical assistance site visits may be provided by HUD or its designees:
  - 1. in response to requests from the Grantee; or
  - 2. based upon demonstrated needs of the Choice Neighborhoods Program; or
  - 3. as provided in paragraph (B) of this Article.
- B. HUD Assessment. HUD representatives will visit the site and make an assessment of any technical assistance and/or training that the Grantee may require for the implementation of the Transformation Plan. HUD will consult with the Grantee in determining the Grantee's specific technical assistance and training needs and will carry out subsequent on-site assessments as necessary.
- C. Technical Assistance Provider. If HUD determines, in its discretion, that technical assistance and/or training is necessary for the implementation of the Transformation Plan, it will assign a technical assistance provider to work with the Grantee for this purpose.
- D. Grantee Training/Technical Assistance. The Grantee agrees to use its best efforts to attend any training and to accept any technical assistance provided or sponsored by HUD.

#### **ARTICLE XIV.** Unsatisfactory Performance/Default

- A. In accordance with Section 24(i) of the 1937 Act, if the Grantee defaults under this grant agreement, HUD may withdraw any unobligated grant amounts and may pursue other actions as described in this Article. HUD shall redistribute any withdrawn amounts to one or more other applicants eligible for Choice Neighborhoods assistance or to one or more other entities capable of proceeding expeditiously in the same locality in carrying out the Transformation Plan of the original Grantee, subject to provisions of the appropriations law. This section applies to all Grantees regardless of their status as a government, PHA, for-profit, or other entity.
- B. Default. Each of the following events or occurrences, to the extent it constitutes a material breach or occurrence, may constitute a default by the Grantee under this Grant Agreement, as determined by HUD in its sole discretion:
  - 1. use of funds provided under this Grant Agreement for any purpose, in any manner or at any time, other than as authorized by this Grant Agreement;

- 2. failure to comply with the Choice Neighborhoods Requirements or any other Federal, State, or local laws, regulations or requirements applicable in creating the Transformation Plan;
- 3. failure to make any submission under Article III, perform any obligation, or otherwise fail to proceed in a manner consistent with the Transformation Plan, (including, without limitation, failure to accomplish an activity by the date specified in the Program Schedule);
- 4. any material misrepresentation in any of the required submissions, including, without limit, any misrepresentations in any of the submissions required by Article III(B); or
- 5. failure to comply with, or any material breach of, any other requirements, conditions or terms of this Grant Agreement.

#### C. Notice of Default and Action(s) to Cure.

- 1. General. HUD will give the Grantee written notice of any default. The notice will give the Grantee the opportunity to cure such default within 30 days of the date of the notice, or to demonstrate within this time period, by submitting substantial evidence satisfactory to HUD, that it is not in default. If the default is not able to be cured within the 30-day period, the Grantee will demonstrate, to HUD's satisfaction, that the Grantee has taken actions necessary to cure the default and that the default is curable within 90 days from the date of the default notice. Additionally, the Grantee must agree to carry out such cure diligently and to complete the cure within the 90-day period.
- 2. Immediate Default. Notwithstanding the provisions of paragraph (C)(1) of this Article, HUD in its sole discretion may place the Grantee into immediate default for not being in compliance with its Program Schedule or for non-compliance with Choice Neighborhoods requirements once written notification of default has been provided to the Grantee. At that time, HUD may immediately begin imposing consequences of default, including specifically the suspension of draws of the Choice Neighborhoods grant.
- 3. Imminent Threat. Notwithstanding the provisions of subparagraph (C)(1) of this Article concerning the opportunity to cure defaults, if HUD reasonably determines that there is an imminent threat that the Grantee will expend additional Choice Neighborhoods Grant funds in violation of the provisions of this Grant Agreement, HUD may implement the remedial action provided for under subparagraph (C)(4)(i) of this Article to prevent any such unauthorized expenditure until such time as the Grantee has complied with the cure provisions set forth above. HUD will implement such remedial action by written notice set forth either in the notice of default given under paragraph (C)(1) of this Article or by subsequent written notice to the Grantee. An imminent threat is not an immediate default.
- 4. Consequences of Default. If the Grantee fails to cure all defaults specified in the notice of default within the time periods set forth in paragraph (C)(1) of this Article, or fails to

diligently pursue or complete any cure as provided in paragraph (C)(1), HUD may take any of the following remedial actions, upon written notice to the Grantee:

- a. requiring a Grantee in default to provide evidence to HUD of acceptable performance over such period of time as specified by HUD and to obtain written approval from HUD to proceed to the next phase of activities;
- b. requiring additional, more detailed financial reports;
- c. requiring additional project monitoring;
- d. requiring the Grantee (or subgrantee) to obtain technical or management assistance;
- e. establishing additional prior approvals;
- f. require the Grantee, within a time period established by HUD, to prepare a revised Program Schedule, obtain HUD's approval thereto, and follow such revised Program Schedule to complete the activities under the Grant Agreement;
- g. require the Grantee, within a time period established by HUD, to revise any activity under the Grant Agreement in order to successfully complete the activities under the Grant Agreement in a manner satisfactory to HUD, including, without limitation, exclusion or revision of affected activities, revision of the Choice Neighborhoods Budget as necessary, and substitution of other eligible activities;
- h. require submission of additional documentation before any additional request for funds will be approved;
- i. temporarily suspend the Grantee's authority to draw down Choice Neighborhoods Grant funds for affected activities, or at HUD's sole discretion for all activities, pending action to cure the defaults;
- j. disallow use of Choice Neighborhoods Grant funds for all or part of the cost of the activity or action not in compliance;
- k. recover amounts determined by HUD to have been improperly expended, including any property obtained by the Grantee with such grant funds;
- 1. require reimbursement by the Grantee for Choice Neighborhoods Grant funds determined by HUD to have been improperly expended;
- m. make arrangements satisfactory to HUD, in its sole discretion, for use of an entity other than the Grantee to carry out activities assisted under the Grant Agreement, including requiring the Grantee to assign any outstanding contracts obligating grant funds to another entity.
- 5. Additional Enforcement Actions. If HUD determines that the remedial actions taken by HUD under paragraph (C)(4) of this Article have not been effective in curing the default, or if the Grantee has not complied with the requirements imposed by HUD under paragraph (C)(4) and has not otherwise cured the default, or if HUD exercises its discretion under subparagraph (C)(2) of this Article to institute any of the following actions, HUD may take any of the following remedial or enforcement actions (in addition to any of the remedies permitted under paragraph (C) of this Article upon written notice to the Grantee):
  - a. reduce the Choice Neighborhoods Grant in the amount affected by the default;
  - b. terminate the Choice Neighborhoods Grant as to all further activities and initiate closeout procedures;
  - c. recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.

- i. If the basis for the Grantee's default is its failure to comply with the reasonable time periods established by HUD under Article III(D), HUD shall, in accordance with section 24(i) of the 1937 Act, and unless otherwise approved by HUD under paragraph (C)(3) of this Article, recapture any Choice Neighborhoods Grant funds not obligated by the Grantee.
- ii. If the Grantee fails to comply with the reasonable time periods established in Article III(D), HUD may take into account whether factors beyond the Grantee's control are the cause of the delay.
- d. take action against the Grantee under 24 CFR part 24 and Executive Order 12549 with respect to future HUD or Federal grant awards; and
- e. take any other available legal or equitable remedial action, including, but not limited to, any remedial actions available under a PHA's ACC and/or premised on HUD's interest in the housing development established in the relevant Declaration of Trust or Declaration of Restrictive Covenants or housing assistance contract, as applicable.
- 6. Delinquent Federal Debts. Consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), Grantees with an outstanding federal debt must provide to HUD a negotiated repayment schedule which is not delinquent or have made other arrangements satisfactory to HUD. If arrangements satisfactory to HUD cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the Grantee, but offer the award to the next eligible Grantee. Applicants selected for funding, or awarded funds, must report to HUD changes in status of current agreements covering federal debt. If a previously agreed-upon payment schedule has not been adhered to or a new agreement with the federal agency to which the debt is owed has not been signed, the Grantee will be considered to be in default under this Agreement.

#### **ARTICLE XV. Project Close-Out**

- A. Termination of Disbursements Letter. Within 90 days after completion of all grant funded activities, the Grantee will initiate close-out, in accordance with procedures established by HUD, by submitting a Termination of Disbursements letter, which states that:
  - 1. The Grantee has completed all activities to be performed using Choice Neighborhoods Implementation Grant funds.
  - 2. All requirements of the Grant Agreement have been met.
  - 3. All obligated Choice Neighborhoods grant funds have been disbursed; and
  - 4. The Grantee will abide by any continuing Federal requirements;

At HUD's option, the Grantee may delay initiation of close-out until the resolution of any HUD monitoring findings. If HUD exercises this option, the Grantee must promptly resolve the findings.

- B. Preliminary Closeout Materials. The Grantee must submit the following Preliminary Close-Out Materials along with the Termination of Disbursements Letter:
  - 1. Final Choice Neighborhoods Budget;
  - 2. Actual Choice Neighborhoods Cost Certificate (Cost Certificate) (Form HUD-50163), which summarizes the information on the Financial Status Report and serves as the document that officially closes out the grant.
  - 3. Program Income Plan. A Plan for the use of Program Income funds, which indicates the anticipated sources and uses of Program Income, must be submitted. Following close-out, Grantees must comply with the conditions of the Program Income Plan for a period of 15 years from the final approval date on the ACNCC. Funds from each source of Program Income must be tracked separately. Funds must be deposited in an interest-bearing account in an FDIC insured institution. During the 15-year period, no more than 10% of Program Income may be used for administrative purposes.
  - 4. Supportive Services Sustainability Plan. Grantees must submit a Supportive Services Sustainability Plan, which discusses how supportive services for residents will be maintained after all Choice Neighborhoods funds have been expended. While HUD does not have a required format, see Attachment 2 for elements which should be addressed. Grantees who already have a HUD-approved Endowment Trust Plan do not need to submit a Supportive Services Sustainability Plan, unless additional information is requested by HUD.
  - 5. Housing Plan and Schedule. Grantees must submit a brief narrative describing the status of their Housing Plan, including progress on the grantee's one-for-one unit or bedroom replacement requirement, as well as non-replacement units. The submission should include a chart which reflects the unit count and composition by phase.
- C. HUD Review of Preliminary Close-Out Materials. HUD will review Preliminary Close-Out Materials to confirm that:
  - 1. The amounts on the final Choice Neighborhoods Budget and Cost Certificate agree as to funds approved, obligated and expended.
  - 2. The amount of funds approved and disbursed on the Cost Certificate agrees with HUD records in LOCCS.
  - 3. If HUD disbursed more funds that the Grantee expended, the Grantee will immediately remit to HUD the excess funds, without waiting for completion of the final audit.
  - 4. The Program Income Plan provides the requested information and complies with Program Income requirements of the Grant Agreement.

- 5. The Sustainability Plan provides the requested information and demonstrates a sound strategy for continuing to provide needed supportive services to residents.
- 6. The Housing Plan and Schedule provides the requested information and demonstrates that the Grantee will be able to complete its housing obligations.
- D. Final Audit. Following HUD approval of the Preliminary Close-Out Materials, Grantees that are not for-profit entities must conduct a final audit of the Implementation Grant in accordance with the requirements of 2 CFR Part 200, Subpart F and forward the audit to HUD for approval. For-Profit Grantees must conduct a final audit of the Implementation Grant in accordance with 2 CFR 200.501(h) and forward the audit to HUD for approval.
- E. Cost Certificate. Upon receipt of the final audit, the designated HUD official will execute the Cost Certificate once HUD determines to its satisfaction that:
  - 1. the expenditure of funds provided under this Grant Agreement was allowable and reasonable, as determined by the final audit;
  - 2. the activities to be completed using Choice Neighborhoods Grant funds were completed, as required by the Grant Agreement; and
  - 3. all Federal requirements were satisfied.
- F. Final Close-Out. Following execution of the Cost Certificate, any funds remaining in the Implementation Grant will be recaptured by HUD. A Post-Audit Date will be entered into LOCCS and the grant will be closed.
- G. Close-Out Procedures on the Choice Neighborhoods website. Grantees must follow the detailed Close-Out Procedures for the Choice Neighborhoods program, as posted to the Choice Neighborhoods website, including procedures for the Final Choice Neighborhoods Close-Out Approval.

## Nonprofit or LHA Purchase Option or Right of First Refusal

**Choice Neighborhood IV-R** 

#### PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT

THIS PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT ("Purchase Agreement") is made as of the <u>5th</u> day of <u>October</u>, 2021, by and between **CHOICE NEIGHBORHOOD IV-R LLC**, a Virginia limited liability company (the "Company"), **NEWPORT NEWS REDEVELOPMENT AND HOUSING AUTHORITY**, a political subdivision of the Commonwealth of Virginia ("Grantee"), and **CHOICE NEIGHBORHOOD IV-R DEVELOPMENT CORPORATION**, a Virginia corporation (the "Manager").

WHEREAS, the Company was formed to construct, develop, maintain, own, operate, lease, dispose of and otherwise deal with an apartment project to be known as Choice Neighborhood IV-R located in Newport News, Virginia (the "Project"); and

WHEREAS, the Manager is wholly owned and controlled by Grantee; and

WHEREAS, Grantee has been and will be instrumental in the development of the Project; and

WHEREAS, the Project is or will be subject to one or more governmental agency regulatory agreements (collectively, the "Regulatory Agreement") restricting its use to low-income housing and may become subject to a low-income use restriction (the "Special Covenant") pursuant to the terms and conditions of this Purchase Agreement (such use restrictions under the Regulatory Agreement and any Special Covenant being referred to collectively herein as the "Use Restrictions"); and

WHEREAS, Grantee and the Manager desire to provide for the continuation of the Project as low-income housing upon termination of the Company by Grantee purchasing the Project at the applicable price determined under this Purchase Agreement and operating the Project in accordance with the Use Restrictions; and

WHEREAS, Grantee and the Manager have negotiated and required that the Company shall execute and deliver this Purchase Agreement in order to provide for such low-income housing.

NOW, THEREFORE, in consideration of the premises herein and the payment by the Grantee to the Company of Ten and 00/100 Dollars (\$10.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Grant of Option. The Company hereby grants to Grantee an option (the "Option") to purchase the real estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof, owned by the Company at the time of purchase (the "Property"), after the close of the fifteen (15) year compliance period for the low-income housing tax credits for the Project (the "Compliance Period"), as determined under section 42(i)(1) of the Internal Revenue code of 1986, as amended (the "Code"), on the terms and

conditions set forth in this Purchase Agreement and subject to the conditions precedent to exercise of the Option specified herein. The Project real estate is legally described in Exhibit A attached hereto and made a part hereof.

- 2. Grant of Refusal Right. In the event that the Company receives an offer to purchase the Project, Grantee shall have a right of first refusal to purchase the Property (the "Refusal Right") after the close of the Compliance Period on the terms and conditions set forth in this Purchase Agreement and subject to the conditions precedent to exercise of the Refusal Right specified herein. In addition to all other applicable conditions set forth in this Purchase Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed, or (ii) the Refusal Right has been assigned to a Permitted Assignee described in Section 10 hereof, whichever first occurs, a governmental entity or qualified nonprofit organization, as defined in section 42(i)(7) and Section 42(h)(5)(C) of the Code, respectively, and (b) any assignment of the Refusal Right permitted under this Purchase Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee described in Section 10 hereof meeting the requirements of Section 42(i)(7)(A) of the Code. Prior to accepting any such bona fide offer to purchase the Property, the Company shall notify Grantee and the Manager of such offer and deliver to each of them a copy thereof. The Company shall not accept any such offer unless and until the Refusal Right has expired without exercise by Grantee under Section 6 hereof.
- 3. **Purchase Price Under Option**. The purchase price for the Property pursuant to the Option shall be the greater of the following amounts, subject to the proviso set forth hereinbelow:
- a. <u>Debt and Taxes</u>. An amount sufficient to (i) pay all debts (including Member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, and (ii) distribute to the Members cash proceeds equal to the taxes projected to be imposed on the Members of the Company as a result of the sale pursuant to the Option; or
- b. Fair Market Value. The fair market value of the Property, appraised as low-income housing to the extent continuation of such use is required under the Use Restrictions, any such appraisal to be made by a licensed appraiser, selected by the Company's regular certified public accountants, who is a member of the Master Appraiser Institute and who has experience in the geographic area in which the Project is located, provided, however, that if prior to exercise of the Option, the Internal Revenue Service (the "Service") has issued a revenue ruling or provided a private letter ruling to the Company, or tax counsel to the Company has issued an opinion letter concluding that property of the nature and use of the Property may be sold under circumstances described in this Purchase Agreement at the greater of the price determined under Section 42(i)(7) of the Code or the price determined under subsection 3.a. hereinabove without limiting tax credits or deductions that would otherwise be available to members of the Company, then the Option price shall be such price.

- 4. Purchase Price Under Refusal Right. The purchase price for the Property pursuant to the Refusal Right shall be equal to the sum of (a) an amount sufficient to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as project to occur immediately following the sale pursuant to the Refusal Right (but excluding indebtedness incurred within the five year period ending on the date of sale, as specified in Code §41(i)(7)(B)(i)), and (b) an amount sufficient to distribute to the Members cash proceeds equal to the taxes projected to be imposed on the Members of the Company as a result of the sale pursuant to the Refusal Right.
- 5. <u>Conditions Precedent</u>. Notwithstanding anything in this Purchase Agreement to the contrary, the Option and the Refusal Right granted hereunder shall be contingent on either (i) the Regulatory Agreement shall have been entered into and remained in full force and effect, and those Use Restrictions to be contained therein shall have remained unmodified without its prior written consent, or (ii) if the Regulatory Agreement is no longer in effect due to reasons other than a default thereunder by the Company, such Use Restrictions, as so approved and unmodified, shall have remained in effect by other means and shall continue in effect by inclusion in the deed as required under paragraph 10 hereof.

If any or all of such conditions precedent have not been met, the Option and the Refusal Right shall not be exercisable. Upon any of the events terminating the Manager as Manager of the Company or affecting the Regulatory Agreement as described in this Section 5, the Option and the Refusal Right shall be void and of no further force and effect.

6. Exercise of Option or Refusal Right. The Option and the Refusal Right may each be exercised by Grantee by (a) giving prior written notice of its intent to exercise the Option or the Refusal Right to the Company and each of its Members in compliance with the requirements of this Section 6 and (b) complying with the contract and closing requirements of Section 8 hereof. Any such notice of intent to exercise the Option shall be given during the last twelve (12) months of the Compliance Period. Any such notice of intent to exercise the Refusal Right shall be given within one hundred eighty (180) days after Grantee has received the Company's notice of a bona fide offer pursuance to Section 2 hereof. In any case, the notice of intent shall specify a closing date within one year following the date of such notice, but in no event earlier than the termination of the Compliance Period and provided further, in the case of the Option, that the closing date shall be no later than twelve (12) months following the end of the Compliance Period and in the case of the Refusal Right not to exceed six (6) months from the date of the notice of intent. If the foregoing requirements (including those of Section 9 hereof) are not met as and when provided herein, the Option or the Refusal Right, or both, as applicable, shall expire and be of no further force or effect. Upon notice by Grantee of its intent to exercise the Option or the Refusal Right, all rights under the other shall be subordinate to the rights then being so exercised unless and until such exercise is withdrawn or discontinued, and upon the closing of any sale of the Property pursuant to such notice, all rights shall expire and be of no further force or effect, provided that in the event that the Option and the Refusal Right are hereafter held by different parties by reason of any permitted assignment or otherwise. Grantee in its assignment(s) or such parties by written agreement may specify any other order of priority consistent with the other terms and conditions of this Purchase Agreement.

- 7. <u>Determination of Price</u>. Upon notice by Grantee of its intent to exercise the Option or the Refusal Right, the Company and Grantee shall exercise best efforts in good faith to agree on the purchase price for the Property.
- 8. Contract and Closing. Upon determination of the purchase price, the Company and Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with this Purchase Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Project is located, providing for a closing not later than the date specified in Grantee's notice of intent to exercise of the Option or the Refusal Right, as applicable, or thirty (30) days after the purchase price has been determined, whichever is later. In the absence of any such contract, this Purchase Agreement shall be specifically enforceable upon the exercise of the Option or the Refusal Right, as applicable. The purchase and sale hereunder shall be closed through a deed-and-money escrow with the title insurer for the Project or another mutually acceptable title company.
- 9. <u>Use Restrictions</u>. In consideration of the Option and the Refusal Right granted hereunder at the price specified herein, Grantee hereby agrees that the deed of the Project to Grantee shall contain a covenant running with the land, restricting use of the Project to low-income housing to the extent required by those Use Restrictions contained in the Regulatory agreement.

If prior to exercise of the Option or the Refusal Right, as applicable, the Service has issued a revenue ruling or provided a private letter ruling to the Company holding that a covenant of the nature described hereinbelow may be utilized without limiting tax credits or deductions that would otherwise be available to the Members of the Company, then as a condition of the Option and the Refusal Right, the deed to Grantee shall include a Special Covenant specifically restricting continued use of the Project to low-income housing as determined in accordance with the same low-income and maximum rent requirements (excluding any right under the Code to raise rents after notice to the applicable state or local housing credit agency if it is unable to find a buyer at the statutory price) as are currently specified in the Regulatory Agreement with reference to the low-income housing tax credits (notwithstanding any future discontinuation of such credits or modification of federal requirements therefor). The Special Covenant shall constitute part of the Use Restrictions. The Special Covenant shall state that it is applicable and enforceable only to the extent such housing produces income sufficient to pay all operating expenses and debt service and fund customary reserves and there is a need for low-income housing in the geographic area in which the Project is located. The Special Covenant shall run with the land for a period of fifteen (15) years after closing of the purchase under the Option or the Refusal Right, as applicable, or, if longer, for the period measured by the then remaining period of Use Restrictions under the Regulatory Agreement, provided that the Special Covenant shall terminate at the option of any holder of the reverter rights described hereinabove, upon enforcement thereof.

In the event that neither the Option nor the Refusal Right is exercised, or the sale pursuant thereto is not consummated, then upon conveyance of the Project to anyone other than

Grantee or its permitted assignee hereunder, the foregoing provisions shall terminate and have no further force and effect.

- Assignment. Grantee may assign all or any of its rights under this Purchase 10. Agreement to (a) a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Project (each a "Permitted Assignee") that demonstrates its ability and willingness to maintain the Project as low-income housing in accordance with the Use Restrictions, subject in any event to the conditions precedent to the Refusal Right grant and the Option price set forth in Sections 2 and 3 hereof. Prior to any assignment or proposed assignment of its rights hereunder, Grantee shall give written notice thereof to the Company and each of its Members. Upon any permitted assignment hereunder, references in this Purchase Agreement to Grantee shall mean the permitted Assignee where the context so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Purchase Agreement and so assigned. No assignment of Grantee's rights hereunder shall be effective unless and until the permitted Assignee enters into a written agreement accepting the assignment and assuming all of Grantee's obligations under this Purchase Agreement and copies of such written agreement are delivered to the Company and each of its Members. Except as specifically permitted herein, Grantee's rights hereunder shall not be assignable.
- 11. <u>Miscellaneous</u>. This Purchase Agreement shall be governed by the laws of the Commonwealth of Virginia. This Purchase Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties have executed this document as of the date first set forth hereinabove.

# Internet Safety Plan and Resident Information Form

**Choice Neighborhood IV-R** 

#### **Internet Security Plan**

Choice Neighborhood IV-R LLC (OWNER) is proud to provide free community room wifi service to residents of Choice Neighborhood IV-R.

In order to maintain the safety of our residents, the OWNER will utilize internet security software and services to monitor and secure the wifi Service. Various restrictions and conditions will be enforced to ensure residents are adhering to the Terms of Service each resident will be required to sign upon movein. In order to fulfill the aforementioned, the OWNER will incorporate the following:

- 1. Password Managers: Rotating passwords will be used when accessing the Service
- 2. Security Suite Software: Anti-virus, firewalls, and anti-spyware, and spam filtering
- 3. Each resident will be given Internet Education Tips and an Internet TOS Acknowledgment form informing them of pitfalls that need to be avoided and the requirements for each resident using this free Service

# Protect your privacy on the internet

Information is the currency of the internet. Your privacy on the internet depends on your ability to control both the amount of personal information that you provide and who has access to that information.

#### Is your information at risk on the internet?

When performing everyday online activities, you might reveal personal information that can be used by others to invade your privacy. This can include sensitive information such as your IP address, your email address, your current physical location, or your home or work address. For example, online shopping transactions often require credit card information and your home address.

#### How your information gets on the internet

Businesses, governments, and other organizations gather data when you:

- Set up an online account
- Make a purchase in an online store
- Register for a contest
- Take part in a survey
- Download free software
- Surf the web
- Use apps on your computer or your mobile device
- Post photos or your status on social media

#### What happens to your information

Microsoft and other responsible businesses use your personal information to help improve your experience with their products and services—such as by helping you complete a transaction, remembering your preferences, or delivering personalized content and special offers.

Online transactions—such as signing up for a service or buying something—are linked to you by information such as a shipping address or credit card number. But in most cases, businesses generally

collect data that does not identify you by name. Websites track which webpages you visit and the clicks of your mouse, but not you personally.

Personal details about you could be also online because you may have added your own information in resumes, chats, pages on social networking sites like Facebook, or comments in discussion groups or on Twitter.

Others may have published information about you. Friends may write about you or post photos of you and your family. Records of government agencies are searchable—for example, photos of your house and its value, your birth certificate, and copies of your signature. Church groups, clubs, and professional associations may reveal your full name, workplace, and donation history.

#### Why it matters if your information is online

The information that is available about you online is important for two reasons:

- Companies and recruiters may use this information, which constitutes your online reputation, to gauge your suitability for a job.
- Criminals may use data about you online to target you for phishing scams, steal your identity, and to commit other crimes. You can reduce your risk by following the advice in this article to protect your privacy online.

Online information is searchable and often permanent. Unlike data stored on paper, however, powerful internet search engines and data aggregation tools can make it easy to pull data together to build a full profile of you.

Once data is published online, it is effectively there forever and, depending on the privacy policy of the company holding the data, may ultimately be seen by anyone on the internet. Sites may archive anything you have posted in addition to data they have collected from you. Friends (or ex-friends) may give your information out, or hackers and security lapses may expose it.

#### Tips for sharing information online

First, read the website's privacy policy

Privacy policies—which are commonly outlined in a website's privacy statement—should clearly explain what data the website gathers about you, how it is used, shared, and secured, and how you can edit or delete it. The website's privacy statement should be readily available for you to review. For example, a link to the Microsoft Privacy Statement appears at the bottom of this and every page on support.microsoft.com. No privacy statement? Take your business elsewhere.

Don't share more than you need to

Don't post anything online that you would not want made public.

• Minimize details that identify you or your whereabouts. Sharing details about an event you're attending might seem harmless, but you're actually letting people know where you are and that you're not at home.

- Keep your account numbers, user names, and passwords secret.
- Only share your primary email address or Instant Message (IM) name with people you know or with reputable organizations. Avoid listing your address or name on internet directories and jobposting sites.
- Enter only required information—often marked with an asterisk (\*)—on registration and other forms.
- Check app settings, especially on your phone. Be careful about allowing apps to access your location information, your photos, the camera, or the microphone.

#### Choose your friends wisely

Be mindful when adding contacts or friends on social networks. If possible, verify with the person directly if the account is authentic. If you are unsure you are adding the right person, try to limit the information that person can view on your profile.

#### Choose how private you want your profile or blog to be

Review your website settings and preferences to manage who can see your online profile or photos, how people can search for you, who can view your posts and make comments, and how to block unwanted access by others. Be sure to review the privacy settings for your favorite social networks to ensure you're not sharing more than you intend to.

#### Monitor what others post

- Search for your name on the internet using popular search engines. Search for text and images. If you find sensitive information about yourself on a website, look for contact information on the website and send a request to have your information removed.
- Regularly review what others write about you on blogs and social networking websites. Ask friends not to post photos of you or your family without your permission. If you feel uncomfortable with material such as information or photos that are posted on others' websites, ask for it to be removed.
- On Facebook and other social media, turn on the tag review option to prevent people from tagging photos that you appear in without your permission.

#### **Guard your information**

#### Protect your computer

Keeping your computer secure helps you avoid malware and direct hacking attempts designed to steal your personal information. For info about how to reduce your online risk, see Keep your computer secure at home and Keep your computer secure at work.

#### Save sensitive business for your home computer

Avoid paying bills, banking, and shopping on a public computer, or on any device (such as a laptop or mobile phone) over a public wireless network.

If you're not using your own device to browse the internet, use Microsoft Edge and open only InPrivate tabs or windows. When you use InPrivate tabs or windows, your browsing data (like your history, temporary internet files, and cookies) isn't saved on the PC once you're done. However, you should still be careful not to type critical passwords on a shared computer.

#### Protect your data when using a shared computer

- If you're browsing the internet using a shared device (like an airport kiosk or a friend's laptop), here are two important things you can do to protect your data:
- If you're using Microsoft Edge, turn on InPrivate Browsing (or use similar functionality in whichever browser you're using, such as Incognito mode in Google Chrome or Private Browsing in Mozilla Firefox).
- When you're finished browsing on the shared computer, be sure to close all browser windows before stepping away from the device.

### Marketing Plan

For units meeting accessibility requirements of HUD section 504

**Choice Neighborhood IV-R** 

#### Owner's Intent

Choice Neighborhood IV-R LLC is developing Choice Neighborhood IV-R, an 84-unit affordable multi-family housing development located within Newport News, VA. The Owner plans to construct nine (9) units to serve persons with physical disabilities (hereinafter referred to as the "Targeted Population").

The construction of eight (9) handicapped accessible units will qualify this development for accessibility points by providing the greater of five (5) units or 10% of the project units which conform to the HUD accessibility regulations in Section 504 of the Rehabilitation Act. Two (2) of the nine (9) handicapped accessible units will also be equipped specifically with hearing and sight accessibility features. These nine (9) accessible units are hereinafter referred to as "Targeted Units".

Choice Neighborhood IV-R will be managed by Pennrose Management Company.

<u>Targeted Unit Marketing Approach</u>: Pennrose Management Company will utilize one of the following approaches to match Targeted Units with Targeted Populations:

#### 1. Targeted Units - Set-Aside Units for 60 Days:

- Targeted units will be set aside and marketed to Targeted Populations for a minimum period of 60 days.
- During this 60-day time period, ongoing marketing efforts to qualified Targeted Populations will be documented.
- If a qualified Targeted Population household is not identified within 60 days, evidence of the management agent's Targeted Unit marketing will be submitted to Virginia Housing's Program Compliance Office along with a request to rent the unleased Targeted Unit(s) to any income qualified households.

#### 2. Targeted Units are Marketed to Targeted Populations On-Going:

- The management agent may alternatively work with Virginia Housing's Compliance Officer to demonstrate that marketing to the Targeted Population is occurring on an ongoing basis throughout the year, allowing the management agent to fill any vacant Targeted Units with any income-qualified tenant without the Targeted Unit remaining vacant for 60 days.
- On-going marketing will include contacting at least two (2) Targeted Unit resources (described in the Focused Marketing Section) at least monthly. Documentation of those contacts will be maintained and provided to Virginia Housing.

With either approach, the lease of any qualified non-Targeted Population tenant housed in a Targeted Unit will contain a provision stipulating the non-Targeted Population household must move to the next available vacant unit if a Targeted Population household applies and qualifies for the Targeted Unit. The cost incurred to relocate the non-Targeted Population household will be paid by the owner.

First preference on the property's waitlist will be given to persons with a developmental disability (DD) as confirmed by the Virginia Department of Behavioral Health and Development Services for nine (9) units.

#### **Implementation of Owner's Intent**

As the property management agent, Pennrose Management Company will only rent Targeted Units to Targeted Populations, unless a qualified Targeted Population household cannot be found during the 60-day marketing effort, or after ongoing marketing efforts as described above. Focused marketing efforts will occur, in addition to normal routine marketing strategies, to ensure Targeted Population households are consistently aware of the availability of Targeted Units.

#### **Focused Marketing Efforts**

<u>VirginiaHousingSearch.com</u> — Choice Neighborhood IV-R will be posted on the <u>virginiahousingsearch.com</u> website and will communicate the availability of Targeted Units suitable for Targeted Populations.

Additionally, Pennrose Management Company will establish and maintain regular contact with networking contacts including the centers for independent living, disability services boards and other organizations serving the Targeted Population, including but not limited to, the following:

Middle Peninsula Satellite Center for Independent Living – Centers for Independent Living (CIL)'s are advocates for persons with disabilities promoting leadership and independence as well as advocating for the removal of barriers to independence.

#### **Objectives**

The other priority objective with marketing effort for this development will be a coordinated effort with Newport News Redevelopment and Housing Authority to offer former residents of Ridley Place public housing the right to return to this development after it is constructed. All Ridley Place residents will have been relocated off-site before mid-2021.

- Effectively utilize print, online and direct mail advertising to attract qualified residents and fill vacant units in a timely manner.
- Create all marketing resources so that they conform to the spirit, intent, and letter of applicable fair housing laws.
- Educate all site staff of their responsibilities of meeting fair housing goals.
- Ensure that all segments of the population have an equal opportunity to be aware of this housing opportunity.
- Collect and analyze data collected from applicants on a voluntary basis during the initial lease-up process and continue for an optional basis for all subsequent applicants to the site, to analyze the effectiveness of the initial marketing activities, as well as determine if the racial and ethnic balance is an accurate reflection of the greater community.

#### **Definitions**

Pre-Leasing — For the purpose of this marketing plan, pre-leasing is defined as any time before on-site leasing staff is hired and an on-site leasing office is established. During the Pre-Leasing period, some tasks will need to be accomplished and expenses incurred which will prepare the project to smoothly transition to the Active Lease Up period. Although important to the overall brand of the property, focusing on the actual marketing of the property during the Pre-Leasing period can deplete the sense of urgency for the customer and create advertising burnout. The focus during the Pre-Leasing period will be primarily on preparing to launch the integrated marketing campaign during Active Lease Up, rather than reaching the customer with a direct ask.

Active Lease Up — For the purpose of this marketing plan, Active Lease Up is defined as the period of time that starts on the day that an on-site leasing office begins operations and ends on the day that the project reaches 100% occupancy. On-site staff will be well versed in all applicable programs including the affordability requirements, workforce housing requirements, and local preferences for Choice Neighborhood IV-R residents. Pennrose will work with state funders during this period to coordinate the lottery program. During the Active Lease Up period, the focus will be on reaching prospective residents and educating them on the programs for with they qualify.

Stabilized Marketing – For the purpose of this marketing plan, Stabilized Marketing is defined as the time after the project reaches initial 100% occupancy.

#### **Pre-Leasing**

Signage – Pennrose Marketing will **design "Coming Soon" signage** for the property. Once approved by Ownership, the signage will be **ordered by Pennrose marketing and installed by on-site personnel**. This signage will initially include **banners** to be displayed strategically on the property.

Two to three months prior to the end of Pre-Leasing, Pennrose Marketing will design a full complement of "Now Accepting Applications" signage for the property in preparation for the Active Lease Up. Once approved by Ownership, the signage will be ordered by Pennrose marketing. This signage will include banners to be displayed strategically on the property, A-frames to be placed at strategic points outside of the property, pole banners to be hung on the light poles surrounding the property, window clings to be displayed on prominent windows of the property, bootleg signs for the area, and flutter flags to be placed at the entrance to the leasing office.

Events – The property will host a **Groundbreaking Ceremony** open to community stakeholders and media. Media will receive a **media advisory and press release** related to the event.

Print – Pennrose Marketing will file the required Affirmative Fair Housing Marketing Plan (AFHMP) and will place AFHMP ads in local newspapers including Newport Daily Press.

Other Marketing – During the Pre-Leasing period the website and brochure design and copy will be finalized and the brochure will be printed.

#### **IV-R Active Lease Up**

This signage will include banners to be displayed strategically on the property, A-frames to be placed at strategic points outside of the property, pole banners to be hung on the light poles surrounding the property, window clings to be displayed on prominent windows of the property, bootleg signs for the area, and flutter flags to be placed at the entrance to the leasing office.

During the last month before obtaining Certificates of Occupancy (CO's), Pennrose Marketing will **design** "Now Open" signage for the property to replace the "Now Accepting Applications" signage. Once approved by Ownership, the signage will be **ordered by Pennrose marketing**. Once CO's are obtained, the **signage will be installed** by on-site personnel. This signage will include **banners** to be displayed strategically on the property, **A-frames** to be placed at strategic points outside of the property, **pole banners** to be hung on the light poles surrounding the property, **window clings** to be displayed on prominent windows of the property, **bootleg signs** for the area, and **flutter flags** to be placed at the entrance to the leasing office.

Events – After CO's are obtained and after the first move-in, the property will host a **Grand Opening Ceremony** open to community stakeholders and media. Media will receive a **media advisory and press release** related to the event. The Grand Opening will be followed by a **guided tour of the property** and refreshments in the community room or other designated area.

#### Internet

Internet Listing Services (ILS) – The property will be listed throughout Active Lease Up on the most effective ILS's for the geographical area.

<u>VirginiaHousingSearch.com</u> — Choice Neighborhood IV-R will be posted on the <u>virginiahousingsearch.com</u> website and will communicate the fact the development has accessible units.

Other ILS's may include Apartments.com and Apartment Finder. The property will be listed with **packages** that will assist with **SEO** and will give the property **exposure in surrounding markets**.

Other Marketing – Active Lease Up will not be initiated before **leasing staff is hired and on-site** to begin the leasing process. The Leasing Office will be open at least one evening during the week and Saturdays to account for working professionals' schedules.

Following the opening of on-site office, a "Now Accepting Applications" email will be sent to the property interest list and Groundbreaking attendees. The email will be published on the property website. Monthly follow-up emails relating to construction progress, countdown to Grand Opening, and First Move-In will be sent to the list and published on the property website.

After obtaining CO's semi-weekly **Open Houses** will be held during varying times outside of normal business hours (not between 9 am – 5 pm Monday – Friday) and will be staffed by leasing staff.

#### **Stabilized Marketing**

Signage – Existing signage will be **maintained** as **necessary** by on-site staff following Active Lease Up. Damaged or worn signage will not necessarily need to be replaced during Stabilized Marketing and should be **phased out to a more manageable long-term level** for on-site staff.

Events – A Grand Opening Event should be held for Ownership, Stakeholders, Staff, and Residents and can be used as a "Thank You" to attendees for making the Lease Up a success. Media will receive a **media advisory and press release** related to the event.

#### Internet

ILS – The property's level of ILS listings will be decreased but will remain on the three major sites: Apartments.com and Apartment Finder for the benefits of **SEO** and continued **exposure in competitive markets**.

<u>VirginiaHousingSearch.com</u> — Choice Neighborhood IV-R will be posted on the <u>virginiahousingsearch.com</u> website and will communicate the fact the development has accessible units.

Other Marketing – After reaching 100% occupancy, the Leasing Office will be open during regular business hours and by appointment to account for working professionals' schedules.
