Credit Points for 9% Credits:

* 4% Credit applications will be calculated using the E-U-R TE Bond Tab

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Combined Max	\$4,938,805
Credit Requested	\$2,400,000
% of Savings	51.41%
Sliding Scale Points	171.37

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal’s Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal’s Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

NOW THEREFORE, for and in consideration of the mutual promises of the Parties as set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties intending to be legally bound agree as follows:

1. Incorporation. The Recitals contained herein are fully incorporated herein by this reference.

2. Purchase and Sale. Seller agrees to sell to Purchaser and Purchaser agrees to purchase from Seller the following:

(a) the Parcels, in fee simple,

(b) all right, title and interest of Seller, if any, in any land lying in the bed of any street, road, avenue or alley, open or closed, adjacent to or abutting the Parcels, to the center line thereof;

(d) all right, title and interest of Seller in and to the proceeds of, or any award made for, a taking of all or any part of the Parcels by any governmental authority pursuant to the exercise of its power of eminent domain;

(e) all licenses, authorizations, approvals, permits issued by governmental authorities relating to Seller's use, operation, ownership or maintenance of the Parcels; and

(f) all rights of Seller against any prior owner or prior tenant of the Parcels who may have caused or otherwise be responsible for any contamination of the Parcels with Hazardous Materials (hereinafter defined).

Collectively, items (a) through (f) above are referred to as the "**Property**" and items (b) through (f) above are referred to as the "**Appurtenant Rights.**"

3. Purchase Price.

(a) The aggregate purchase price payable by Purchaser to Seller for the Property under this Agreement shall be equal to Fourteen Million Five Hundred Fifty Thousand and ^{No}/₁₀₀ Dollars (\$14,550,000.00) (the "**Total Purchase Price**") of which:

(i) Twelve Million Eight Hundred Twenty-five Thousand and ^{No}/₁₀₀ Dollars (\$12,825,000.00) shall be allocated towards the purchase of the Glebe Road Parcel and Appurtenant Rights associated therewith (the "**Glebe Road Purchase Price**"), of which One Million Two Hundred Seventy-five Thousand and ^{No}/₁₀₀ Dollars (\$1,275,000.00) (the "**Glebe Road Cash Closing Price**") will be due and payable by Purchaser to Seller on the Date of Closing (hereinafter defined), and the remaining Eleven Million Five Hundred Fifty Thousand and ^{No}/₁₀₀ Dollars (\$11,550,000.00) will be due and payable by Purchaser to Seller in accordance with the terms and conditions of the loan described in the term sheet (the "**Loan**") attached hereto and incorporated herewith as Exhibit B; and

(ii) One Million Seven Hundred Twenty-five Thousand and ^{No}/₁₀₀ Dollars (\$1,725,000.00) (the "**Mt. Vernon Purchase Price**"), shall be allocated towards the purchase of the Mt. Vernon Parcels and Appurtenant Rights associated therewith, which, together with the Glebe Road Cash Closing Price (the "**Cash Closing Price**") will be due and payable by Purchaser to Seller on the Date of Closing.

(b) Within two (2) business days following the Decision Date (as hereinafter defined), if Purchaser has not terminated this Agreement, then Purchaser shall have delivered to Chicago Title Insurance Company, 1901 Pennsylvania Avenue, NW, Suite 201, Washington, DC 20006, Attention: R. Eric Taylor (the "**Escrow Agent**"), by wire transfer of funds, the sum of Five Hundred Thousand and ^{No}/₁₀₀ Dollars (\$500,000.00) as a good faith deposit under this Agreement (the "**Deposit**"). At Closing, the Deposit shall be released to Seller as a credit against the Purchase Price. Escrow Agent shall hold and apply the Deposit in accordance with the provisions set forth in Exhibit H attached to this Agreement and the other applicable terms of this Agreement. Escrow Agent has joined in the execution of this Agreement to accept and agree to perform its escrow duties as set forth in this Agreement.

4. Entitlements and Option to Terminate.

(a) Purchaser hereby agrees to comply with the schedule attached hereto as Exhibit D (the "**Entitlements Schedule**") with respect to submitting and receiving any and all approvals from the City as determined by Purchaser to be necessary in its sole discretion in connection with the development and construction of the Development, including without limitation, approvals for zoning, density, design, site plan, preliminary development special use permit and/or other special use permits required in connection therewith (hereinafter, collectively, the "**Entitlements**"). Entitlements shall not include the final site development plan. The milestone dates set forth on Exhibit D may be extended, on a day-for-day basis as a result of Force Majeure (hereinafter defined) or any Seller Delay (hereinafter defined), but in no event shall the delay as a result of Force Majeure be longer than ninety (90) days for any one (1) such milestone date, and no longer than six (6) months in the aggregate. Purchaser shall, at its sole cost and expense, pay for all costs associated with its application for the Entitlements, including without limitation, costs associated with the design, engineering, legal and due diligence required in connection therewith (collectively, the "**Entitlement Expenses**"). In the event Purchaser is either unable to obtain the Entitlements from the City prior to the date set therefor in Exhibit D, or chooses prior to the "**Decision Date**" (as set forth on Exhibit D) not to proceed with the Development based upon Purchaser's determination, in its sole but reasonable opinion, that Purchaser will be unable to meet its financial projections with respect to the development, ownership or operation of the Development (including, without limitation, its financial projections or commitments to Seller with respect to the terms of the Loan), then, following written notice from Purchaser to Seller, this Agreement shall automatically terminate without any cost or penalty to either Seller or Purchaser. Furthermore, in the event that Purchaser fails to comply with the milestone dates set forth in the Entitlements Schedule and such failure continues for more than ten (10) Business Days after written notice from Seller, Seller shall have the right to terminate this Agreement, without cost or penalty, by providing Purchaser with written notice within five (5) Business Days following the expiration of such cure period, provided however, that if Purchaser thereafter satisfies such deadline within such five (5) Business-Day period, Seller's previous notice to terminate shall be deemed null and void and of no further force or effect. In the event either Purchaser or Seller terminates this Agreement as set forth herein, Purchaser shall promptly deliver to Seller any and all plans, submissions, and other materials submitted by Purchaser to the City in connection with the Entitlements (the "**Entitlement Materials**"), and other due diligence materials obtained by Purchaser in connection with its investigation of the Property that are in Purchaser's possession and are not of a confidential or a privileged nature (the "**Due Diligence Materials**"), the Deposit, if made, shall be returned to Purchaser, and the Parties shall have no further rights or obligations hereunder (except for those obligations which this Agreement expressly provides shall survive such termination) and all terms and conditions of this Agreement shall be null and void and of no further force and effect. In no event shall any such notice and cure periods extend the Date of Closing beyond the "**Final Outside Date**" set forth in Section 11. All Entitlement Materials and Due Diligence Materials shall be assignable to Seller, provided that Seller agrees to execute any

commercially reasonable waivers required by the providers of such Entitlement Materials and Due Diligence Materials and provided, further, that such assignment will not require Purchaser to incur any significant cost or penalty.

(b) Seller, as owner of the Property, shall promptly consent to and execute, at the written request of Purchaser, any documents necessary for the filing and processing of any applications for such Entitlements, and Seller shall, if requested by Purchaser, promptly and fully cooperate as needed for the processing and approval of the Entitlements for the benefit of Purchaser (collectively, the "**Entitlements Requests**"). If Seller fails to cooperate with Purchaser with respect to the Entitlements Requests and such failure continues for five (5) Business Days after Seller's receipt of written notice (a "**Delay Notice**") from Purchaser specifying the action that Seller is being requested to take (which notice shall specify that a "**Seller Delay**" will be claimed), then such failure (commencing on the sixth (6th) Business Day after Seller's receipt of the Delay Notice) shall constitute a "**Seller Delay**." A Seller Delay shall not extend the Date of Closing unless such Seller Delay results in Purchaser failing to attain the next milestone date following such Seller Delay, in which case the Date of Closing will be extended for the shorter of (i) the duration of the Seller Delay or (ii) the number of days by which Purchaser failed to attain the next milestone. For purposes of this Section, "**Force Majeure**" shall mean any delays beyond the reasonable control of Purchaser due to labor strikes, national pandemics, acts of God, acts of terrorism, enemy action, or any other acts outside the reasonable control of Purchaser. For Purchaser to receive the benefit of Force Majeure hereunder, Purchaser must provide Seller with written notice ("**Force Majeure Commencement Notice**") of the event of Force Majeure being claimed within five (5) Business Days after Purchaser's actual knowledge of the first day of such event, and a second written notice ("**Force Majeure Ending Notice**") within five (5) Business Days after Purchaser's actual knowledge of the end of the Force Majeure event. In no event shall the current restrictions imposed as a result of the COVID-19 pandemic (including any new restrictions resulting from the so-called "**Delta Variant**") be an event of Force Majeure. A material adverse change in such COVID-19 related restrictions may, if such changed restrictions result in delays, be an event of Force Majeure.

(c) Purchaser shall keep Seller informed on a current basis with respect to all financial pro formas for the R1 Development. The most recent financial pro forma is attached as Exhibit E. If any revisions are made to the pro forma that will be shared by Purchaser with any third party (including, without limitation, the City of Alexandria, prospective lenders, grant providers or tax credit investors), then such revised pro forma will be provided to Seller within five (5) Business Days after being provided to any such third party. Even if a revised pro forma is not being provided to a third party, no later than five (5) Business Days after the end of each calendar quarter, and following written notice from Seller, Purchaser shall provide to Seller a copy of the then most current pro forma Purchaser has prepared for its internal purposes, or confirm there has been no change from the most recent pro forma that has been supplied to Seller.

5. Available Property Documents.

(a) Purchaser acknowledges receipt of legible copies of documents relating to the Property from Seller (collectively, "**Property Documents**"). Property Documents shall include, without limitation, a copy of all leases, subleases, licenses or other occupancy agreements, and any amendments thereto, relating to the Property (the "**Leases**") listed on Exhibit F attached hereto and incorporated herewith (the "**Lease Schedule**").

(b) Purchaser covenants and agrees that, until the Date of Closing, all information and materials disclosed and/or delivered to it by Seller, or Seller's agents, employees and representatives (including without limitation, the Property Documents), are confidential and proprietary information, and that Purchaser shall hold the same in accordance with the terms and conditions of Section 29 below.

(c) Except for Purchaser's reliance on any representation and warranties expressly provided in this Agreement, it is the parties' express understanding and agreement that the Property Documents are provided only for Purchaser's convenience in making its own examination and determination as to whether it wishes to purchase the Property, and, in doing so, Purchaser shall rely exclusively on its own independent investigation and evaluation of every aspect of the Property and not on any materials supplied by Seller.

(d) If this Agreement is terminated for any reason other than Seller's default or failure to achieve a condition precedent to close, Purchaser shall, within five (5) Business Days of such termination at Seller's written request, deliver to Seller true, accurate and complete copies of any written reports prepared for or on behalf of Purchaser by any third party in connection with Purchaser's due diligence activities, without representation or warranty of any kind, but with any assignment of rights contemplated by the last sentence of Section 4(a); provided that Purchaser shall not be required to provide any confidential or proprietary materials, including but not limited to internal memoranda and attorney work product. The obligations and agreements of Purchaser under this Section 5 shall survive Closing or the termination of this Agreement.

(e) Condition of the Property. As an essential inducement to Seller to enter into this Agreement, and as part of the determination of the Total Purchase Price, Purchaser acknowledges, understands and agrees as of the Effective Date and as of the Date of Closing as follows:

- i. As-is, where is. Except as otherwise expressly provided herein, the sale of the Property hereunder is and will be made on an "as is, where is" basis. Seller has not made, does not make and specifically negates and disclaims any representations, warranties, except for those expressly set forth in this Agreement, or guaranties of any kind or character whatsoever, whether express or implied, oral or written, past, present or future of, as to, concerning or with respect to the Property, the Parcels or any other matter whatsoever, including without limitation: (A) the quality, nature, adequacy and physical condition and aspects of the Parcels and the improvements thereon, including, but not limited to, the structural elements, seismic aspects of the Property, foundation, roof, appurtenances, access, signage, landscaping, parking facilities and the electrical, mechanical, HVAC, plumbing, sewage, and utility systems, facilities and appliances, the square footage within the improvements on the Property, (B) the quality, nature, adequacy, and physical condition of soils, geology and any groundwater, (C) the existence, quality, nature, adequacy and physical condition of utilities serving the Property, (D) the development potential of the Property, and the Property's use, habitability, merchantability, or fitness, suitability, value or adequacy of the Property for any particular purpose, (E) the zoning and other legal status of the Property, the improvements and any other public or private restrictions on use of the Property, (F) the compliance of the Property or the improvements or its operation with any applicable codes, laws, regulations, statutes, ordinances, covenants, conditions and restrictions of any governmental or quasi-governmental entity or of any other person or entity, or (G) the environmental condition of the Property (including, without limitation, the presence of "**Hazardous Materials**" (as hereinafter defined) on, under or about the Property or the adjoining or neighboring property.
- ii. Property Documents. Any information provided or to be provided with respect to the Property, including, without limitation, any environmental reports, any property condition report and any other Property Documents, is solely for Purchaser's convenience and was obtained from a variety of sources and, except as otherwise

expressly provided in this Agreement, Seller has not made any independent investigation or verification of such information and makes no (and expressly disclaims all) representations as to the accuracy or completeness of such information. Except as otherwise expressly provided in this Agreement, Seller shall not be liable for any mistakes, omissions, misrepresentation or any failure to investigate the Property, nor shall Seller be bound in any manner by any verbal or written statements, representations, appraisals, environmental assessment reports, or other information pertaining to the Property or the operation thereof, furnished by Seller or by any manager, leasing agent, attorney, real estate broker, agent, representative, affiliate, director, officer, shareholder, employee, servant, constituent partner or member of Seller, controlling person, affiliate of Seller, or other person or entity acting on Seller's behalf.

- iii. Hazardous Materials. For purposes of this Agreement, "**Hazardous Materials**" shall mean (A) hazardous wastes, hazardous materials, hazardous substances, hazardous constituents, toxic substances or related materials, whether solids, liquids or gases, including but not limited to substances defined as "hazardous wastes," "hazardous materials," "hazardous substances," "toxic substances," "pollutants," "contaminants," "radioactive materials," "toxic pollutants," or other similar designations in, or otherwise subject to regulation under, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("**CERCLA**"), 42 U.S.C. § 9601 et seq.; the Toxic Substance Control Act ("**TSCA**"), 15 U.S.C. § 2601 et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. § 1802; the Resource Conservation and Recovery Act ("**RCRA**"), 42 U.S.C. § 9601, et seq.; the Clean Water Act ("**CWA**"), 33 U.S.C. § 1251 et seq.; the Safe Drinking Water Act, 42 U.S.C. § 300f et seq.; the Clean Air Act ("**CAA**"), 42 U.S.C. § 7401 et seq.; any Regional Water Quality Control Board; and in any permits, licenses, approvals, plans, rules, regulations or ordinances adopted, or other criteria and guidelines promulgated pursuant to the preceding laws or other similar federal, state or local laws, regulations, rules or ordinance now or hereafter in effect relating to environmental matters; and (B) any other substances, constituents or wastes subject to any applicable federal, state or local law, regulation or ordinance, including any environmental law, now or hereafter in effect, including but not limited to (1) petroleum, (2) refined petroleum products, (3) waste oil, (4) waste aviation or motor vehicle fuel and their byproducts, (5) asbestos, (6) lead in water, paint or elsewhere, (7) radon, (8) Polychlorinated Biphenyls (PCB's), (9) urea formaldehyde, (10) volatile organic compounds (VOC), (11) total petroleum hydrocarbons (TPH), (12) benzene derivative (BTEX), (13) petroleum byproducts, and (14) methane gas or any of its derivatives.

6. Possession and Tenant Estoppels.

(a) Delivery Condition. Seller shall deliver possession of the Property to Purchaser at Closing free of all leases, tenancies and other occupancies. At Closing, no person or entity, other than Purchaser, shall be in possession of, or have any right or permission to use or occupy any portion of the Property. Seller hereby agrees to defend, indemnify and hold harmless the Purchaser, its elected and appointed officials, officers and employees, from and against all claims, demands, suits, and liability, by or to any person or entity whatsoever, arising out of or relating to any lease, license or other occupancy or use agreement relating to the Property, or any other claimed right to use or occupy the Property. This indemnification shall survive the Closing, delivery and recordation of the Deed and the termination of this Agreement.

(b) Sherwin Williams Tenancy. Seller represents to Purchaser that Sherwin-Williams (“**Sherwin**”) leases a portion of the Glebe Road Property pursuant to a Lease Agreement dated January 25, 2008, as amended by that certain Lease Amendment Agreement dated March 14, 2012, and as further amended by that certain Lease Amendment Agreement dated October 23, 2017 (collectively, the “**Sherwin Lease**”), the term of which is currently scheduled to expire on February 28, 2023, although Sherwin has the right to extend the term of the Sherwin Lease until April 30, 2023 (the “**Termination Date**”) pursuant to an option to extend under the Sherwin Lease which must be exercised by no later than February 28, 2022 (the “**Option to Extend**”). Seller shall notify Purchaser by no later than March 15, 2022 as to whether Sherwin has exercised its Option to Extend. If Sherwin holds over in possession of its premises after April 30, 2023, the same shall not constitute a default hereunder so long as Seller files a legal action to recover possession of the leased premises by May 15, 2023 and thereafter diligently pursues such legal action, at Seller’s sole cost and expense, to recover possession of the premises. Seller shall keep Purchaser apprised on a regular basis as to the status of such legal action, and Seller shall notify Purchaser when Seller has recovered possession of the premises from Sherwin within five (5) Business Days after such recovery (the “**Recovery Notice**”). In such event, Closing shall be postponed until a date designated by Purchaser in writing that is within ten (10) Business Days and forty (40) Business Days after Purchaser’s receipt of the Recovery Notice. Notwithstanding the foregoing, if Sherwin has not vacated its premises by the date that is four (4) months after the Termination Date, time being of the essence thereto, then Purchaser shall have the right to (i) terminate this Agreement upon written notice to Seller, in which event Purchaser shall have no further obligation or liability hereunder and Purchaser shall be refunded the Deposit, or (ii) extend the Date of Closing (hereinafter defined) for an additional time period, at Purchaser’s discretion, up until such time that is within ten (10) Business Days and forty (40) Business Days after Sherwin has vacated the premises under the Sherwin Lease and the Sherwin Lease has terminated.

(c) Tenant Estoppels. Seller shall obtain estoppel certificates from each tenant under the Leases within thirty (30) days following the Effective Date and provide the same to Purchaser promptly upon receipt. Such estoppel certificates shall be substantially in the forms attached hereto as Exhibit G (the “**Tenant Estoppels**”). In the event Seller fails to provide Purchaser with the Tenant Estoppels substantially in the forms attached hereto as Exhibit G by the date that is thirty (30) days following the Effective Date, time being of the essence thereto, Purchaser shall have the right to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after the end of such thirty (30) day period, in which event Purchaser shall have no further obligation or liability hereunder except for those obligations that specifically survive termination. Purchaser’s sole remedy for the failure to obtain the Tenant Estoppels as aforesaid shall be the foregoing right to terminate.

7. Inspection.

(a) From and after the Effective Date until the termination of this Agreement, Purchaser shall have the right to physically inspect, and to cause one or more engineers, contractors, consultants or other representatives of Purchaser to physically inspect all or such portions of the Parcels as it desires, and to verify site conditions, zoning and utility availability. Such inspections and tests may include, without limitation, (i) soil and water tests, borings, and samplings, (ii) environmental assessments, (iii) surface and subsurface drilling and testing, (iv) obtaining topographical information, (v) surveys and (vi) such other tests, assessments, studies and inspections as Purchaser, in its sole discretion, deems necessary in order to determine whether the Parcels are suitable for Purchaser’s intended use. Prior to undertaking any inspections of the Property, Purchaser or Purchaser’s agents will obtain comprehensive general liability insurance in an amount of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000) aggregate with a contractual liability endorsement which insures Purchaser’s indemnity obligations related to Purchaser’s inspection

of the Property and which names Seller as additional insured thereunder (a copy of the certificate of insurance shall be provided by Purchaser to Seller prior to undertaking any inspections under this Section 7). Such insurance coverage shall be maintained by Purchaser until the earlier of (A) the Date of Closing, or (B) the termination of this Agreement. Purchaser, on behalf of itself and the other Purchaser Parties, shall indemnify and hold Seller and the Seller Parties harmless from any claims, loss, injury, liability, damage or expense, including reasonable attorneys' fees and costs, arising out of (x) the failure of Purchaser or any of the Purchaser Parties to restore the Property in accordance with this Section 7; (y) any access to, entry upon or activity conducted by Purchaser or any of the Purchaser Parties with respect to or on, the Property, whether or not such access, entry or activity is permitted by, in compliance with or in violation of any applicable laws, rules, regulations or ordinances, or this Section 7; and (z) any lien, claim or levy, including without limitation mechanic's, materialmen's and judgment liens, filed or pending against the Real Property, or title thereto, by any contractor, sub-contractor or other party having a claim against or through Purchaser or any of the Purchaser Parties (without limiting the foregoing indemnity, Purchaser hereby acknowledges and agrees that Purchaser's failure to cause any such lien to be discharged by the earlier of thirty (30) days after knowledge by Purchaser thereof, or prior to the commencement of any proceedings for the foreclosure thereof, shall constitute a material default hereunder); provided, however, Purchaser's indemnity shall exclude any Claims that may arise from the negligence or willful misconduct of any Seller Party or from Purchaser's discovery of existing conditions. As used herein, the "**Purchaser Parties**" shall mean Purchaser and its officers, directors, managers, members, agents, employees, representatives, contractors, consultants, and Affiliates. As used herein, the "**Seller Parties**" shall mean Seller and its respective officers, directors, managers, members, agents, employees, representatives, contractors, consultants, and Affiliates. Purchaser shall make such inspections in good faith and with due diligence. If Purchaser's activities cause any material damage or disruption to the Parcels, Purchaser shall restore such damage to the Parcels to the condition which existed prior to Purchaser's inspection. All inspection fees, appraisal fees, engineering fees and other expenses of any kind incurred by Purchaser relating to the inspection of the Parcels will be solely Purchaser's expense. Seller shall cooperate with Purchaser in all reasonable respects in making such inspections. Purchaser shall notify Seller not less than two (2) Business Days in advance of making any such inspection.

(b) In the event that Purchaser determines, in its sole discretion, that, based on such inspections or for any other reason, it no longer wants to proceed with the purchase of the Property, Purchaser shall have the right to terminate this Agreement, without cost or penalty, by providing Seller with written notice prior to the Decision Date (as defined on Exhibit D). In the event Purchaser terminates this Agreement as set forth herein, Purchaser shall promptly deliver to Seller the Entitlements Materials and the Due Diligence Materials, and the Parties shall have no further rights or obligations hereunder (except for those obligations which this Agreement expressly provides shall survive such termination) and all terms and conditions of this Agreement shall be null and void and of no further force and effect, including, without limitation, all documents entered into by Purchaser and Seller, if any, in connection therewith.

8. Title.

(a) Condition of Title. Seller shall convey to Purchaser fee simple title to the Property free of leases, tenancies, occupancies, encumbrances or liens by Special Warranty Deed, in the form attached hereto as Exhibit C (the "**Deed**"), subject only to the "**Permitted Exceptions.**" "**Permitted Exceptions**" shall mean (i) those matters of record existing prior to the Effective Date to which Purchaser has not objected pursuant to Section 8(b) below, and (ii) any exception directly caused by or consented to by Purchaser in writing, including without limitation, any documents recorded in connection with the Loan. Notwithstanding any other term or condition to the contrary, in no event shall the Permitted Exceptions include any ground lease, mortgage, deed of trust,

financing statement, judgment lien, mechanic's lien, or any other monetary lien or encumbrance of any kind or nature, nor shall Permitted Exceptions include any tenancy or occupant.

(b) Owner's Title Policy Commitment. The Title Company (hereinafter defined) shall provide to Purchaser and Seller as soon as reasonably possible after the Effective Date (but no later than 30 days after the Effective Date) a Commitment for Title Insurance (herein called the "**Title Commitment**"), showing the status of title to the Parcels according to Chicago Title Insurance Company (the "**Title Company**") and committing to issue an owner's title policy to Purchaser in a form acceptable to Purchaser, together with any copies of all documents constituting exceptions to title. If any exceptions appear in the Title Commitment, other than the standard printed exceptions, that are unacceptable to Purchaser at Purchaser's sole and absolute discretion, Purchaser shall, within fifteen (15) Business Days after the later of (i) receipt of the Title Commitment, or (ii) the Effective Date, notify Seller in writing of such fact and the reasons therefor (the "**Purchaser's Title Objections**"). Upon expiration of said fifteen (15) Business-Day period, Purchaser shall be deemed to have accepted all exceptions to title and all other matters of record prior to the Effective Date (except for the Purchaser's Title Objections and except as otherwise provided in Section 8(a) above) and such exceptions shall be included in the term "**Permitted Exceptions**" as used herein.

(c) Title Objections. If Seller is unable or unwilling to eliminate or modify all or any portion of the Purchaser's Title Objections to the reasonable satisfaction of Purchaser, Seller shall so notify Purchaser in writing not later than fifteen (15) Business Days after receipt of the Purchaser's Title Objections, and Purchaser may (i) terminate this Agreement by notice in writing to Seller within ten (10) Business Days following written notice from Seller that Seller is unwilling or unable to eliminate or modify all or any portion of the Purchaser's Title Objections, or (ii) accept such title subject to such exceptions of Purchaser's Title Objections that Seller is unable or unwilling to eliminate (the "**Uncured Title Obligations**"), in which event such Uncured Title Objections shall be included in the term "**Permitted Exceptions.**" Seller's failure to respond in writing to the Purchaser's Title Objections within the above-referenced fifteen (15) Business-Day period shall be deemed Seller's refusal to eliminate or modify any of the Purchaser's Title Objections. In the event of termination pursuant to this Section, the Parties shall have no further rights or obligations hereunder (except for those obligations which this Agreement expressly provides shall survive such termination, including, without limitation, the obligations contained in Section 4).

9. Representations, Warranties, and Covenants.

(a) By Purchaser. Purchaser represents and warrants to Seller as of the Effective Date and as of the Date of Closing that:

- (i) The execution and delivery by Purchaser of, and Purchaser's performance under, this Agreement, are within Purchaser's powers and have been duly authorized by all requisite parties, and that the person executing this Agreement on behalf of Purchaser has the authority to do so;
- (ii) This Agreement constitutes the legal, valid and binding obligation of Purchaser, enforceable in accordance with its terms; and
- (iii) Performance of this Agreement will not result in any breach of, or constitute any default under, any agreement or other instrument to which Purchaser is a party or by which Purchaser might be bound.

(b) By Seller. Seller covenants, represents and warrants to Purchaser as of the Effective Date and as of the Date of Closing that:

- (i) The execution and delivery by Seller of, and Seller's performance under this Agreement are within Seller's powers and have been duly authorized by all requisite parties, and that the person executing this Agreement on behalf of Seller has the authority to do so.
- (ii) This Agreement constitutes the legal, valid and binding obligation of Seller, enforceable in accordance with its terms.
- (iii) Performance of this Agreement will not result in any breach of, or constitute any default under, any agreement or other instrument to which Seller is a party or by which Seller is bound.
- (iv) There is no pending or, to Seller's Knowledge, threatened litigation, arbitration, administrative proceedings or other similar proceedings affecting or related to the Property or any portion thereof.
- (v) Seller is not, and will not become, a person or entity with whom United States persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("**OFAC**") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons list), or under any statute, executive order (including the September 24, 2002, Executive Order blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit or Support Terrorism) or other governmental action and is not and will not engage in any dealing or transaction or be otherwise associated with such persons or entities.
- (vi) There is no ground lease encumbering or affecting all or any portion of the Parcels.
- (vii) Seller has not commenced (within the meaning of any Bankruptcy Law) a voluntary case, consented to the entry of an order for relief against it in an involuntary case, or consented to the appointment of a custodian of it or for all or any substantial portion of its property, nor has a court of competent jurisdiction entered an order or decree under any Bankruptcy Law that is for relief against Seller or any of its affiliates in an involuntary case or appoints a custodian Seller or any of its affiliates or for all or any substantial part of its or their property.
- (viii) Seller has not received from any governmental authority any written notice of, and Seller has no Knowledge of, pending or contemplated condemnation proceedings materially affecting the Parcels, or any part thereof.
- (ix) Seller has not received any written notice that Seller is in violation or default under any agreement with any third party, or under any judgment, order, decree, rule or regulation of any court or arbitrator to which Seller may be subject, which violation or default will, in any one case or in the aggregate, adversely affect Seller's ability to consummate the sale and conveyance contemplated by this Agreement.
- (x) No person or entity, except Purchaser under this Agreement, has, or shall have on or before the Date of Closing, any right to purchase the Property or any portion thereof.
- (xi) All bills and other payments received and due with respect to the ownership, operation, leasing, and maintenance of the Property have been or will be paid prior to or at the Date of Closing, other than those bills and other payments specifically permitted to be prorated pursuant to this Agreement.
- (xii) Seller has not received written notice that Seller is in default in complying with the terms and provisions of any of the covenants, conditions, restrictions, rights-of-way

or easements affecting the Property which are to be performed or complied with by the owner of the Property.

- (xiii) All bills and claims for labor performed and materials furnished to, or for the benefit of, the Property as of the Effective Date, and for all periods prior to the Date of Closing, have been (or prior to the Date of Closing will be) paid in full, and on the Date of Closing there will be no mechanics' liens or materialmen's liens (whether or not perfected) on or affecting the Property.
- (xiv) On the Date of Closing, no person or entity, other than Purchaser, will be in possession of, or have any right or permission to, use or occupy the Property, including without limitation, Sherwin.
- (xv) To Seller's knowledge, the Lease Schedule is true and accurate in all material respects as of the date hereof and contains a true, correct and complete description of all Leases now in effect, including the name of each Tenant, the date of each Tenant's Lease and all amendments, if any, thereto. The copies of the Leases delivered by Seller to Purchaser prior to the Effective Date are true and materially correct and complete copies of the Leases. There are no Leases or other tenancies for any space in the Property other than those set forth on the Lease Schedule. Seller shall not enter into new occupancy agreements or modify any existing Leases without Purchaser's prior written consent, which such consent shall not be unreasonably withheld, conditioned or delayed.
- (xvi) Seller shall deliver possession of the Property to Purchaser at the Date of Closing free of all leases, tenancies and other occupancies. On the Date of Closing, no person or entity, other than Purchaser, shall be in possession of, or have any right or permission to use or occupy any portion of the Property.
- (xvii) Seller shall terminate all maintenance, service, equipment, vending or concession agreements, property management agreements, leases, or any other agreements ("**Contracts**") concerning the operation, use, maintenance or lease of the Property prior to the Date of Closing. Purchaser shall have no liability or obligation with respect to such Contracts.

(c) As used in this Agreement, the phrase "to Seller's Knowledge" or similar phrases shall mean the present, actual cognitive awareness (not constructive, imputed or implied) of Nina V. Weissberg, who Seller represents is the person most knowledgeable about the Property, but without any duty on her part to investigate or make inquiry of any other person whatsoever; provided, however, that the identification of a natural person as a knowledge party will not in any way expose such person to personal liability, and Purchaser will look solely to assets of Seller to satisfy any claim.

(d) Seller shall indemnify and defend Purchaser against and hold Purchaser harmless from any and all losses, costs, damages, liabilities and expenses (including, without limitation, reasonable counsel fees) arising out of any breach by Seller of its representations, warranties and/or covenants in this Agreement; provided, however, any claim that Seller breached a representation or warranty must be made by written notice from Purchaser to Seller within one (1) year after Closing (exclusive of any claim brought under any document that is entered into by Seller at Closing). Notwithstanding anything herein to the contrary, Seller's liability under the foregoing indemnity will be limited to Five Hundred Thousand Dollars (\$500,000).

10. Conditions to Purchaser's and Seller's Obligations.

(a) Each of the following shall be conditions precedent to Purchaser's obligation to consummate Closing, and Purchaser shall have no obligation to consummate Closing unless each and all of the following have been satisfied, provided that Purchaser may waive any or all of the following preconditions in Purchaser's sole discretion:

- (i) Seller shall have substantially performed, observed and complied with all covenants, agreements and conditions required by this Agreement to be performed, observed and/or complied with by Seller prior to, or as of, the Closing.
- (ii) As of the Closing there shall not be any of the following by or against or with respect to Seller: (A) a case under Title 11 of the U.S. Code, as now constituted or hereafter amended, or under any other applicable federal or state bankruptcy law or other similar law; (B) the appointment of a trustee or receiver of any property interest; or (C) an assignment for the benefit of creditors.
- (iii) All representations and warranties made by Seller in this Agreement shall be true and correct in all material respects on and as of the Date of Closing, as if made on and as of such date except to the extent they expressly relate to an earlier date.
- (iv) On the Date of Closing, no action or proceeding shall have been instituted or threatened in writing against Seller before any court to restrain or prohibit, or to obtain substantial damages in respect of, or which is related to or arises out of, this Agreement, or the consummation of the transactions contemplated herein which in the reasonable opinion of Purchaser has or threatens to have an adverse effect upon Purchaser's interest applicable to the Property.
- (v) On the Date of Closing, no part of the Parcels shall be about to be acquired by authority of any governmental agency in the exercise of its power of eminent domain or by private purchase in lieu thereof if such acquisition or purchase would have a material, adverse impact upon Purchaser's intended development, nor on the Date of Closing shall there be any threat in writing or imminence of any such acquisition or purchase.

(b) It shall be a condition precedent to Seller's obligations hereunder that Purchaser shall have substantially performed, observed and complied with all material covenants, agreements and conditions required by this Agreement to be performed, observed and complied with by Purchaser prior to, or as of, the Closing and that, as of the Closing, there shall not be any of the following by or against or with respect to Purchaser: (i) a case under Title 11 of the U.S. Code, as now constituted or hereafter amended, or under any other applicable federal or state bankruptcy law or other similar law; (ii) the appointment of a trustee or receiver of any property interest; or (ii) an assignment for the benefit of creditors.

If any one of the above conditions is not satisfied by the Date of Closing, Seller or Purchaser, as applicable, at its option, and as its sole and exclusive remedy, may elect one of the following: (A) waive such condition and proceed with the Closing, or (B) terminate this Agreement by written notice thereof to the other Party. If Purchaser desires to terminate this Agreement pursuant to the alleged failure of a condition set forth in Section 10(a), Purchaser shall notify Seller. Such notice shall specify the failure and Seller shall have thirty (30) days from the receipt of such notice to cure or dispute the alleged failure. If Seller is unable to cure such failure, then Purchaser may terminate this Agreement and the Deposit shall be returned to Purchaser. After a termination hereunder, the Parties shall have no further right or obligation hereunder (other than with respect to obligations hereunder that expressly survive the termination of this Agreement).

11. The Closing. The closing ("**Closing**") shall occur on a date determined by Purchaser upon at least fifteen (15) Business Days prior written notice to Seller (the "**Date of Closing**"); provided, however, that unless the Parties have otherwise mutually agreed, Purchaser may elect to close earlier than May 1, 2023 only in the event that the Sherwin Lease has terminated and Sherwin has vacated the premises under the Sherwin Lease. The Date of Closing shall be no later than May 31, 2023, subject to extension as set forth in Section 4 for Force Majeure and Seller Delays, and subject to extension as set forth in this Section 11; provided, however, barring delays to Closing caused by Seller's default or Seller's failure to achieve a condition precedent, the Date of Closing shall be no later than October 31, 2023 (the "**Final Outside Date**"). For avoidance of doubt, it is understood that no extension of the Date of Closing shall have the effect of altering or delaying the accrual or payment of any interest amounts due to Seller under the Loan as contemplated by the term sheet attached hereto and incorporated herewith as Exhibit B. Purchaser shall have the right (the "**First Extension Option**") to extend the Date of Closing for a period of thirty (30) days beyond May 31, 2023 (*i.e.*, to June 30, 2023) by providing written notice to Seller no later than May 19, 2023 (the "**First Option Notice Date**"). Purchaser's exercise of the First Extension Option is conditioned upon the timely payment by Purchaser to Seller of an amount equal to \$100,000.00 (the "**First Option Payment**") no later than the First Option Notice Date. If the First Extension Option is timely exercised by Purchaser, Purchaser shall have the additional right (the "**Second Extension Option**") to extend the Date of Closing for an additional period of thirty-one (31) days beyond June 30, 2023 (*i.e.*, to July 31, 2023) by providing written notice to Seller no later than July 21, 2023 (the "**Second Option Notice Date**"). Purchaser's exercise of the Second Extension Option is conditioned upon the timely payment by Purchaser to Seller of an additional amount equal to \$100,000.00 (the "**Second Option Payment**") no later than the Second Option Notice Date. The First Option Payment and the Second Option Payment (each to the extent applicable) will be credited against the Cash Closing Price at Closing. If Closing does not occur and this Agreement is terminated (unless such termination results from a default by Seller or a failure to achieve a condition precedent to Closing under Section 10(a)), the First Option Payment and the Second Option Payment (to the extent applicable) will be non-refundable to Purchaser and will be retained by Seller. If Closing does not occur and this Agreement is terminated as a result of a default by Seller or a failure to achieve a condition precedent to Closing under Section 10(a), the First Option Payment and the Second Option Payment (to the extent applicable) will be refunded to Purchaser. Purchaser and Seller reserve the right to close this transaction on the Date of Closing by delivering appropriate escrow instructions to the Title Company. At Closing, the following shall occur:

(a) Seller shall deliver a duly executed and acknowledged Deed, subject to the Permitted Exceptions.

(b) Purchaser shall deliver the Cash Closing Price, plus or minus applicable prorations determined in a manner consistent with this Agreement.

(c) Each of Purchaser and Seller shall fully execute, as and where applicable, the documents applicable to the Loan as described in the term sheet attached hereto and incorporated herewith as Exhibit B, and all other documents, if any, entered into by the Parties in connection therewith, and deliver such documents to the Title Company. It is understood that the Loan shall be subordinate to the loan of a senior lender (the "**Senior Lender**"). Notwithstanding the terms of Exhibit B, the Loan documents shall obligate Purchaser to use commercially reasonable efforts to include the intercreditor and subordination rights and requirements set forth in Exhibit B in its loan documents with the Senior Lender or in any intercreditor or subordination agreement entered into with Seller and the Senior Lender, but such rights and requirements will be subject to the reasonable review and revision of the Senior Lender.

(d) Each of Seller and Purchaser shall execute and deliver to the Title Company and each other the documents required to be executed pursuant to the terms and conditions of this Agreement, or any other agreement between Seller and Purchaser, or as otherwise required by the Title Company.

(e) Real estate taxes for the then current year relating to the Parcels shall be prorated as of the Date of Closing.

(f) Seller shall pay the Grantor's tax and the Regional Congestion Relief Fee. Purchaser shall pay all other standard closing costs, transfer or recordation taxes, recordation fees, the costs of owner's title policy of title insurance applicable to the Parcels and any costs and expenses incurred in connection with the financing (including the Loan) obtained by Purchaser for the purchase of the Parcels. Each Party shall be responsible for the payment of its own attorneys' fees incurred in connection with the transaction which is the subject of this Agreement.

(g) Exclusive possession of the Parcels shall be given to Purchaser, free and clear of all occupants, personal property and tenancies, on the Date of Closing.

(h) Seller shall deliver to Purchaser a "non-foreign affidavit" acknowledging that Seller is not a "foreign person" within the meaning of Section 1445 of the Internal Revenue Code.

(i) Seller shall deliver to the Title Company an affidavit as to debt, liens and possession to the extent required by the Title Company to remove the standard printed exceptions in the Title Commitment.

(j) Purchaser and Seller shall deliver to each other such documentary and other evidence as may be reasonably required by them or the Title Company evidencing the status and capacity of Purchaser or Seller and the authority of the person or persons who are executing the various documents on behalf of Purchaser or Seller in connection with this Agreement.

12. Casualty Damage to Parcels. Seller agrees to give Purchaser prompt written notice after Seller is notified or has Knowledge, of any fire or other casualty occurring at the Parcels between the Effective Date and the Closing. If prior to the Closing, there shall occur damage to either of the Parcels caused by fire or other casualty, which in Purchaser's reasonable opinion adversely affects or materially increases the costs of the Purchaser's planned redevelopment of the Parcels, Purchaser may terminate its obligations under this Agreement by written notice given to Seller within ten (10) business days after Purchaser has received the notice referred to above or on the Date of Closing, whichever is earlier, in which event the Deposit, if made, shall be returned to Purchaser, and the Parties shall have no further rights or obligations hereunder (except for those obligations which this Agreement expressly provides shall survive such termination) and all terms and conditions of this Agreement shall be null and void and of no further force and effect. If Purchaser does not elect to terminate its obligations under this Agreement, then the Closing shall take place as provided herein. Seller shall have no obligation for the restoration and repair of such casualty damage, nor shall Purchaser be entitled to any payment or credit for the cost to repair such damage.

13. Condemnation. If at any time prior to the Closing, all or any portion of the Parcels are taken by condemnation or legal proceedings commenced under the power of eminent domain, Seller shall give Purchaser written notice of any condemnation or legal proceeding, and shall furnish to Purchaser copies of all notices received by Seller pertaining thereto. Purchaser shall have the right, within ten (10) Business Days after the receipt of such notice, to terminate this Agreement by written notice to Seller if such condemnation has a material, adverse impact upon Purchaser's intended development, in which event Seller and Purchaser shall have the same rights and obligations hereunder, as if Purchaser terminated this Agreement pursuant to Section 4(a) and the Deposit, if made, will be returned to Purchaser. If this Agreement is not so terminated, Purchaser shall be obligated to proceed with the Closing hereunder and all damages

awarded for the taking of all or a portion of the Parcels by the court with jurisdiction over such condemnation action shall be paid or credited to Purchaser.

14. Remedies.

(a) If Seller shall fail to perform any of its material obligations hereunder and such failure is not cured within thirty (30) days after receipt of written notice from Purchaser specifying such failure. Purchaser may elect, by written notice to Seller, either (a) to terminate this Agreement, receive the return of the Deposit and, in the case of a Material Seller Default (hereinafter defined), receive an amount from Seller equal to Purchaser's Pursuit Costs, or (b) to enforce specific performance of this Agreement. For purposes of this Agreement, the term "**Pursuit Costs**" shall mean all actual and reasonable out-of-pocket costs and expenses incurred by Purchaser in its pursuit of this Agreement, the transactions contemplated hereunder, and the development of the Parcels, including without limitation, costs to inspect or perform due diligence in connection with the Parcels, costs incurred in connection with obtaining governmental approvals for the development of the Parcels, including without limitation, the Entitlement Expenses, costs associated with the design, permitting and construction of the Development, legal fees, survey charges and title charges, but in no event shall Seller's obligation for Pursuit Costs exceed One Million Five Hundred Thousand Dollars (\$1,500,000). For the purposes hereof, a "**Material Seller Default**" shall mean any default by Seller hereunder that is characterized by the following and is not cured within ten (10) Business Days after receipt of notice from Purchaser thereof: (i) Seller selling or conveying the Property to another party in violation of this Agreement in a manner that renders specific performance unavailable; (ii) Seller intentionally or willfully encumbering the Property in violation of this Agreement in a manner that has or would have a material, adverse effect on the developability of the Property (e.g. by entering into a long-term lease whose term extends beyond the Date of Closing, subjecting the Property to a mortgage that cannot be discharged by the payment of the Purchase Price, or subjecting the Property to an easement or other restriction or encumbrance that would have a material, adverse effect on the developability of the Property); or (iii) a willful or intentional refusal to execute and deliver those documents required for Closing hereunder.

(b) If the Purchaser has elected to proceed by the Decision Date and Purchaser shall fail to consummate Closing under this Agreement for any reason, except as a result of Seller's default or the termination of this Agreement by Purchaser or Seller pursuant to a right to do so under the terms and provisions hereof, then Seller shall receive the Deposit as agreed-upon and liquidated damages, which liquidated damages shall be Seller's sole and exclusive remedy for Purchaser's failure to consummate this Agreement, and, in such event, Purchaser shall promptly deliver to Seller all Entitlements Materials and all Due Diligence Materials. Seller waives the right to seek specific performance of Purchaser's obligation to purchase and pay for the Property and, Seller waives any right to pursue a claim for damages beyond the specified liquidated damages (including without limitation, any actual, special, consequential, incidental, punitive, or exemplary damages), or any other remedy available, at law or equity, in connection with this Agreement and the transaction contemplated hereby.

15. Waiver of Jury Trial. TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, THE PARTIES WAIVE THE RIGHT TO A JURY TRIAL IN THE EVENT OF ANY LITIGATION BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

16. Governing Law. The laws of the Commonwealth of Virginia will govern the validity, construction, interpretation and enforcement of this Agreement.

17. Notices. Any notice required or permitted to be given under this Agreement shall be in writing and shall be deemed to be given when (a) received by confirmed email; (b) hand-delivered

by personal delivery; (c) one (1) Business Day after pickup by UPS, or Federal Express; or (d) when received by registered or certified mail (return receipt requested, first-class postage prepaid), in either case addressed to the Parties as follows:

18. Assignment. Purchaser may not assign its interest in this Agreement without obtaining the prior written consent of Seller, which may be granted or denied in Seller's sole discretion. Purchaser hereby agrees that any assignment by Purchaser in contravention of this provision shall be void and shall not relieve Purchaser of its obligations and liabilities hereunder. In the event of any assignment of this Agreement, the original Party or entity identified as Purchaser shall, notwithstanding such assignment, remain liable for all obligations and liabilities of Purchaser hereunder. Notwithstanding the above, Purchaser shall have the right to assign all of its rights and obligations under this Agreement to one or more entities controlled by, controlling or under common control with, Purchaser ("**Affiliate**"), without the consent of Seller, but upon providing prior written notice of such assignment prior to Closing. The parties acknowledge and agree that Purchaser may elect to separately assign its rights and obligations under this Agreement with respect to the Glebe Road Parcel and its rights and obligations under this Agreement with respect to the Mt. Vernon Parcels to two (2) or more separate Affiliates of Purchaser. If Purchaser makes such election, then, notwithstanding anything contained in this Agreement (i) there shall be separate Deeds and other closing documents for the Glebe Road Parcel and for the Mt. Vernon Parcels, as and when applicable, and (ii) there will be separate Title Commitments for the Glebe

Parcel and Mt. Vernon Parcels in the amounts of their respective allocations of the Purchase Price (i.e., the Glebe Road Purchase Price and the Mt. Vernon Purchase Price).

19. Brokerage. Seller and Purchaser each warrants to the other that it has not dealt with any agent, broker, or finder with respect to the transaction contemplated by this Agreement. In the event that any claim for commission or finder's fee is brought by any person or entity as a consequence of the transaction contemplated hereby and as a result of any action or omission of either Seller or Purchaser, then Seller or Purchaser, as the case may be, shall hold harmless the other Party against any loss, cost, or expense of any nature, including, but not limited to, court costs and reasonable attorney's fees, arising as a consequence of the claim for the commission or fee.

20. Attorneys' Fees and Legal Expenses. Should either Party hereto institute any action or proceeding in court to enforce any provision hereof, the prevailing Party shall be entitled to receive from the losing Party all reasonable attorneys' fees and all court costs in connection with said proceedings.

21. Section Headings. The section headings contained in this Agreement are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several sections hereof.

22. Entire Agreement. This Agreement (and all Exhibits attached hereto) embodies the entire agreement between the Parties hereto with respect to the subject matter hereof and supersedes any prior understandings or written or oral agreements between the Parties concerning the Property. This Agreement cannot be varied, modified, amended or altered except by the written agreement of the Parties.

23. Applicability. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective permitted successors and assigns, except as expressly set forth herein.

24. Time. Time is of the essence in the performance of the Parties' obligations under this Agreement.

25. Gender and Number. Within this Agreement, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires.

26. Reporting of Foreign Investment. Seller and Purchaser agree to comply with any and all reporting requirements applicable to the transaction which is the subject of this Agreement which are set forth in any law, including, but not limited to, The International Investment Survey Act of 1976, The Agricultural Foreign Investment Disclosure Act of 1978, The Foreign Investment in Real Property Tax Act of 1980 and the Tax Reform Act of 1984, and further agree upon request of one Party to furnish the other Party with evidence of such compliance.

28. Execution. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original. This Agreement may be executed via facsimile or by PDF electronic transmission and the facsimile or PDF signature of any Party shall be considered valid, binding and effective for all purposes.

29. Confidentiality. Seller and Purchaser hereby covenant and agree that, at all times after the date of execution hereof and prior to the Closing, unless consented to in writing by the other Party, no press release or other public disclosure concerning this transaction shall be made, and each Party agrees to use commercially reasonable efforts to prevent public disclosure of this

transaction, other than (a) to prospective lenders, and to prospective partners or joint ventures owning interests in the Parties, and employees, attorneys, accountants, agents and affiliates of the Parties who are involved in the ordinary course of business with this transaction, all of which shall be instructed to comply with the non-disclosure provisions hereof; (b) in response to lawful process or subpoena or other valid or enforceable order of a court of competent jurisdiction; and (c) in any filings with governmental authorities required by reason of the transactions provided for herein. If the senior indebtedness is being replaced in connection with such transfer, the replacement financing must satisfy the terms of the immediately preceding paragraph.

c. Intercreditor Rights: The rights, duties, and interests of the Seller and Purchaser shall be subject to the customary intercreditor and/or subordination agreement requirements of the Senior Secured Lender and to any reasonable requirements or comments by any subordinate lenders and by the low income housing tax credit investors in the Project owners. Borrower's operating (or partnership) agreement shall be subject to Seller's reasonable approval prior to closing. Available cash flow shall be net operating income (computed with a deduction for replacement reserves) minus debt service on the senior secured indebtedness. EXHIBIT H

Escrow Provisions

1. Investment and Use of Funds. Within two (2) business days after receipt of the Deposit, the Escrow Agent shall place the Deposit in a separate interest-bearing money-market account at Bank of America, N.A. All accrued interest on the Deposit shall be added to and become part of the Deposit and shall be treated for income tax purposes as accruing to the benefit of the party which receives or is credited with the Deposit. The Escrow Agent shall not commingle the Deposit with any other funds of the Escrow Agent or others. The Escrow Agent shall disburse the Deposit as provided in this Agreement (including, without limitation, the terms of this Exhibit).

2. Termination. Upon a termination of this Agreement, either party to this Agreement (the "Terminating Party") may give written notice to the Escrow Agent and the other party (the "Non-Terminating Party") of such termination and the reason or basis for such termination. Such notice shall also contain a request for the release of the Deposit to the Terminating Party if the Terminating Party reasonably believes that it is entitled to the Deposit under the terms of the Agreement and intends to request same. The Non-Terminating Party shall then have fifteen (15) business days after its receipt of the notice in which to object in writing to the release of the Deposit to the Terminating Party. Such written objection shall be provided by the Non-Terminating Party to the Terminating Party and the Escrow Agent. If the Non-Terminating Party provides such an objection, then the Escrow Agent shall retain the Deposit until it receives written instructions executed by both Seller and Purchaser as to the disposition and disbursement of the Deposit or until ordered by a final arbitration decision or a final court order, decree or judgment to deliver the Deposit to a particular party. Upon such event, the Deposit shall be delivered in accordance with such instruction, decision, order, decree or judgment. For the purposes of this Paragraph, "final" means not subject to appeal.

3. Interpleader. Seller and Purchaser mutually agree that in the event of any controversy regarding the Deposit, unless mutual written instructions are received by the Escrow Agent directing the Deposit's disposition, the Escrow Agent shall not take any action, but instead shall await the disposition of any proceeding relating to the Deposit or, at the Escrow Agent's option, the Escrow Agent may interplead all parties and deposit the Deposit with a court of competent jurisdiction (with the reasonable costs of such interpleader action to be reimbursed to Escrow Agent by the party that is determined by the court to not be entitled to the Deposit) and then the Escrow Agent shall be relieved of any responsibility for the Deposit.

4. Escrow Agent's Duties and Authority. Escrow Agent undertakes to perform only those duties which are expressly set forth in this Agreement, including this Exhibit. Seller and Purchaser acknowledge that these duties are purely ministerial in nature. Escrow Agent may rely and shall be protected in acting or refraining from acting upon any written notice, statement, instruction or request furnished to it under this Agreement and believed by it to be genuine and to have been signed or presented by the proper party or parties. Escrow Agent shall be under no duty to make any inquiry as to the form, genuineness, proper execution, or accuracy of the notice, statement, instruction, or request.

5. Liability of Escrow Agent.

(a) The parties acknowledge that the Escrow Agent is acting solely as a stakeholder at their request and for their convenience, that the Escrow Agent, when acting as such, shall not be deemed to be the agent of either of the parties.

(b) The Escrow Agent shall have no liability whatsoever for any action or omission on its part taken or made in connection with its escrow duties, except in the case of gross negligence or willful misconduct. Seller and Purchaser shall jointly and severally indemnify and hold harmless the Escrow Agent from and against all costs, claims and expenses, including reasonable attorneys' fees, incurred in connection with the performance of the Escrow Agent's duties under this Agreement, except with respect to actions or omissions taken or made by the Escrow Agent involving gross negligence or willful misconduct on the part of the Escrow Agent; provided, that in the event of any litigation, the prevailing party in such litigation shall be entitled to recover its reasonable legal fees, court costs and any amounts paid to Escrow Agent pursuant to this Paragraph 5(b) from the non-prevailing party. The Escrow Agent may consult with counsel of its own choice and shall have full and complete authorization and protection for any act or failure to act taken or suffered by it in good faith and in accordance with the opinion of its counsel.

(c) Escrow Agent shall not be responsible for (i) any fluctuations in the interest rate applicable to the Deposit; (ii) the validity, sufficiency, collectability, or legal effect of any instrument deposited with Escrow Agent; (iii) the renewal, extension, or replacement of any letters of credit deposited with Escrow Agent; (iv) the loss or impairment of the Deposit resulting from the failure, insolvency, suspension, conservatorship, or receivership of a financial institution or other depository, (v) the availability or sufficiency of federal deposit insurance with respect to the Deposit, or (vi) any levies by taxing authorities based upon the taxpayer identification number provided to Escrow Agent to establish the Deposit account.

6. Escrow Fee. The Escrow Agent shall not be entitled to any compensation for performing its services as Escrow Agent.

7. Resignation or Replacement of Escrow Agent. The Escrow Agent may resign from its escrow duties upon ten (10) days' prior written notice to the parties to their addresses set forth in this Agreement. Any successor Escrow Agent to be appointed under this Paragraph shall be subject to the mutual agreement of Seller and Purchaser. If Seller and Purchaser do not agree in writing on the successor Escrow Agent within ten (10) days after any resignation or replacement notice is given, the Escrow Agent or either party may petition a court of competent jurisdiction to name the successor Escrow Agent. The costs of such action shall be paid by Seller and Purchaser equally in the case of a resignation initiated by the Escrow Agent.

(b) Owner's Title Policy Commitment. The Title Company (hereinafter defined) shall provide to Purchaser and Seller as soon as reasonably possible after the Effective Date (but no later than thirty (30) days after the Effective Date) a Commitment for Title Insurance (herein called the "**Title Commitment**"), showing the status of title to the Parcel according to the Title

Company and committing to issue an owner's title policy to Purchaser in a form acceptable to Purchaser, together with any copies of all documents constituting exceptions to title. If any exceptions appear in the Title Commitment, other than the standard printed exceptions, that are unacceptable to Purchaser at Purchaser's sole and absolute discretion, Purchaser shall, within thirty (30) business days after receipt of the Title Commitment, notify Seller in writing of such fact and the reasons therefor (the "**Purchaser's Title Objections**"). Upon expiration of said thirty (30) business-day period, Purchaser shall be deemed to have accepted all exceptions to title and all other matters shown on the Title Commitment (except for the Purchaser's Title Objections and except as otherwise provided in Section 8(a) above) and such exceptions shall be included in the term "**Permitted Exceptions**" as used herein.

If Seller is unable or unwilling to eliminate or modify all or any portion of the Purchaser's Title Objections to the reasonable satisfaction of Purchaser, Seller shall so notify Purchaser in writing not later than five (5) business days after receipt of the Purchaser's Title Objections, and Purchaser may, (i) terminate this Agreement by notice in writing to Seller within ten (10) business days following written notice from Seller that Seller is unwilling or unable to eliminate or modify all or any portion of the Purchaser's Title Objections, or (ii) accept such title subject to such exceptions of Purchaser's Title Objections that Seller is unable or unwilling to eliminate (the "**Uncured Title Obligations**"), in which event such Uncured Title Objections shall be included in the term "**Permitted Exceptions.**" Seller's failure to respond in writing to the Purchaser's Title Objections within the above-referenced five (5) business day period shall be deemed Seller's refusal to eliminate or modify any of the Purchaser's Title Objections. In the event of termination pursuant to this Section, the Deposit shall be returned to Purchaser and the Parties shall have no further rights or obligations hereunder (except for those obligations which this Agreement expressly provides shall survive such termination).

9. Representations, Warranties, and Covenants.

If any one of the above conditions is not satisfied by the Date of Closing, Seller or Purchaser, as applicable, at its option, and as its sole and exclusive remedy, may either, (A) waive such condition and proceed with the Closing, or (B) terminate this Agreement by written notice thereof to the other Party, in which case, the Parties shall have no further right or obligation hereunder (other than with respect to obligations hereunder that expressly survive the termination of this Agreement).

11. The Closing. The closing ("**Closing**") shall occur on a date determined by Purchaser upon at least ten (10) business days prior written notice to Seller (the "**Date of Closing**"). The Date of Closing shall be no later than December 31, 2022 (the "**Initial Closing Date**"), provided however, that Purchaser shall have the option to extend the Initial Closing Date to a date designated by Purchaser which is not later than May 31, 2023 by delivering on or before the date that is thirty (30) days prior to the Initial Closing Date (i) to Title Company, by wire transfer of funds, the sum of Seventy-five Thousand Dollars (\$75,000.00) as an additional good faith deposit under this Agreement (the "**Extension Deposit**") (which Extension Deposit shall become part of the Deposit), and (ii) written notice of such extension to Seller. (a) Seller shall deliver a duly executed and acknowledged Deed, subject to the Permitted Exceptions.

(b) Each of Seller and Purchaser shall execute and deliver to the Title Company and each other the documents required to be executed pursuant to the terms and conditions of this Agreement, or any other agreement between Seller and Purchaser, or as otherwise required by the Title Company (including, without limitation, a Settlement Statement prepared by Title Company).

(h) [Intentionally Omitted]

(i) Purchaser and Seller shall deliver to each other such documentary and other evidence as may be reasonably required by them or the Title Company evidencing the status and capacity of Purchaser or Seller and the authority of the person or persons who are executing the various documents on behalf of Purchaser or Seller in connection with this Agreement.

12. Casualty Damage to Parcel. Seller agrees to give Purchaser prompt written notice, after Seller is notified or has actual knowledge, of any fire or other casualty occurring at the Parcel between the Effective Date and the Closing. If prior to the Closing, there shall occur damage to the Parcel caused by fire or other casualty, Purchaser may terminate its obligations under this Agreement by written notice given to Seller within ten (10) business days after Purchaser has received the notice referred to above or on the Date of Closing, whichever is earlier. If Purchaser does not elect to terminate its obligations under this Agreement, then the Closing shall take place as provided herein upon Seller's restoration and repair of such casualty damage. Risk of loss shall be on Seller until the recordation of the Deed.

13. Condemnation. If at any time prior to the Closing, all or any portion of the Parcel are taken by condemnation or legal proceedings commenced under the power of eminent domain, Seller shall give Purchaser written notice of any condemnation or legal proceeding, and shall furnish to Purchaser copies of all notices received by Seller pertaining thereto. Purchaser shall have the right, within ten (10) business days after the receipt of such notice, to terminate this Agreement by written notice to Seller, in which event, neither Seller nor Purchaser shall have any further obligations hereunder, except for those provisions which survive termination of this Agreement. If this Agreement is not so terminated, Purchaser shall be obligated to proceed with the Closing hereunder and all damage awarded for the taking of all or a portion of the Parcel by the court with jurisdiction over such condemnation action shall be paid or credited to Purchaser.

14. Remedies. In the event that Seller shall breach any of its obligations hereunder or shall fail to consummate this Agreement for any reason, except as a result of Purchaser's default or due to a termination of this Agreement by Purchaser pursuant to a right to do so under the provisions hereof, Purchaser may elect, by notice in writing to Seller, either (a) to terminate this Agreement, in which event the Title Company shall immediately refund the Deposit to Purchaser, and Purchaser shall receive from Seller an amount equal to Purchaser's Pursuit Costs, or (b) to enforce specific performance of this Agreement. For purposes of this Agreement, the term "**Pursuit Costs**" shall mean all actual and reasonable out-of-pocket costs and expenses incurred by Purchaser in its pursuit of this Agreement, the transactions contemplated hereunder, and the development of the Parcel, including without limitation, costs to inspect or perform due diligence in connection with the Parcel, costs incurred in connection with obtaining governmental approvals for the development of the Parcel, including without limitation, expenses incurred to obtain the zoning and land use entitlements for the Development, costs associated with the design, permitting and construction of the Development, legal fees, survey charges and title charges. In the event that Purchaser shall fail to consummate this Agreement for any reason, except Seller's

default or the termination of this Agreement by Purchaser or Seller pursuant to a right to do so under the terms and provisions hereof, then Seller, as its sole and exclusive remedy, may terminate this Agreement, and retain the Deposit received from Purchaser as liquidated damages. Seller waives the right to seek specific performance of Purchaser's obligation to purchase and pay for the Property and, Seller waives any right to pursue a claim for damages (including without limitation, any actual, special, consequential, incidental, punitive, or exemplary damages), or any other remedy available, at law or equity, in connection with this Agreement and the transaction contemplated hereby. Notwithstanding the foregoing, in no event shall either Seller's or Purchaser's remedies be limited for any acts/omissions or breaches of this Agreement by the other Party first occurring or first discovered after Closing has occurred.

15. Waiver of Jury Trial. TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, THE PARTIES WAIVE THE RIGHT TO A JURY TRIAL IN THE EVENT OF ANY LITIGATION BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

or in each case to such other address as any Party hereto may from time to time designate to the other Parties hereto by notice given pursuant to this Section.

18. Assignment. Purchaser may not assign its interest in this Agreement without obtaining the prior written consent of Seller, which may be granted or denied in Seller's sole but reasonable discretion. Purchaser hereby agrees that any assignment by Purchaser in contravention of this provision shall be void and shall not relieve Purchaser of its obligations and liabilities hereunder. In the event of any assignment of this Agreement, the original Party or entity

identified as Purchaser shall, notwithstanding such assignment, remain liable for all obligations and liabilities of Purchaser hereunder. Notwithstanding the foregoing, Purchaser shall have the right to assign all of its rights and obligations under this Agreement to one or more entities controlled by, controlling or under common control with Purchaser, without the consent of Seller, but upon providing prior written notice of such assignment to Seller prior to Closing.

19. Brokerage. Seller and Purchaser each warrants to the other that it has not dealt with any agent, broker, or finder with respect to the transaction contemplated by this Agreement. In the event that any claim for commission or finder's fee is brought by any person or entity as a consequence of the transaction contemplated hereby and as a result of any action or omission of either Seller or Purchaser, then Seller or Purchaser, as the case may be, shall hold harmless the other Party against any loss, cost, or expense of any nature, including, but not limited to, court costs and reasonable attorney's fees, arising as a consequence of the claim for the commission or fee.

20. Attorneys' Fees and Legal Expenses. Should either Party hereto institute any action or proceeding in court to enforce any provision hereof, the prevailing Party shall be entitled to receive from the losing Party all reasonable attorneys' fees and all court costs in connection with said proceedings.

21. Section Headings. The section headings contained in this Agreement are for convenience only and shall in no way enlarge or limit the scope or meaning of the various and several sections hereof.

22. Entire Agreement. This Agreement (and all Exhibits attached hereto) embodies the entire agreement between the Parties hereto with respect to the subject matter hereof and supersedes any prior understandings or written or oral agreements between the Parties concerning the Property. This Agreement cannot be varied, modified, amended or altered except by the written agreement of the Parties.

23. Applicability. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective permitted successors and assigns, except as expressly set forth herein.

24. Time. Time is of the essence in the performance of the Parties' obligations under this Agreement.

25. Gender and Number. Within this Agreement, words of any gender shall be held and construed to include any other gender, and words in the singular number shall be held and construed to include the plural, unless the context otherwise requires.

26. Reporting of Foreign Investment. Seller and Purchaser agree to comply with any and all reporting requirements applicable to the transaction which is the subject of this Agreement which are set forth in any law, including, but not limited to, The International Investment Survey Act of 1976, The Agricultural Foreign Investment Disclosure Act of 1978, The Foreign Investment in Real Property Tax Act of 1980 and the Tax Reform Act of 1984, and further agree upon request of one Party to furnish the other Party with evidence of such compliance.

27. Exhibits. All exhibits described herein and attached hereto are fully incorporated into this Agreement by this reference for all purposes.

28. Execution. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original. This Agreement may be executed via facsimile or by PDF electronic transmission and the facsimile or PDF signature of any Party shall be considered valid, binding and effective for all purposes.

29. Confidentiality. Seller and Purchaser hereby covenant and agree that, at all times after the date of execution hereof and prior to the Closing, unless consented to in writing by the other Party, no press release or other public disclosure concerning this transaction shall be made, and each Party agrees to use commercially reasonable efforts to prevent public disclosure of this transaction, other than (a) to prospective lenders, and to prospective partners or joint ventures owning interests in the Parties, and employees, attorneys, accountants, agents and affiliates of the Parties who are involved in the ordinary course of business with this transaction, all of which shall be instructed to comply with the non-disclosure provisions hereof; (b) in response to lawful process or subpoena or other valid or enforceable order of a court of competent jurisdiction; and (c) in any filings with governmental authorities required by reason of the transactions provided for herein. Notwithstanding the foregoing, Seller recognizes that (i) the City will loan monies to Purchaser in connection with Purchaser's performance under this Agreement or in connection with the Development, (ii) Purchaser will make disclosures to the City regarding this transaction, and (iii) the City is subject to the Freedom of Information Act. Accordingly, any and all disclosures made by Purchaser to the City regarding this transaction shall be exempt from the confidentiality requirements of this Section 27.

30. No Marketing. During the pendency of this Agreement, Seller shall not market the Property for sale, solicit, make or accept any offers to sell the Property (or any portion thereof) or enter into any contracts or agreements regarding any disposition of the Property or sell, grant or transfer any interest in the Property.

31. Prohibition Against Recordation. This Agreement is not to be recorded. Notwithstanding the foregoing, the Parties shall execute and deliver the Memorandum of Purchase and Sale Agreement, in the form attached hereto and made a part hereof as Exhibit C, simultaneously with the execution and delivery of this Agreement. Upon such execution and delivery, Purchaser shall have the right to record such Memorandum in the Land Records, and Purchaser shall be responsible to pay any recordation tax and other fees in connection with the recordation of such Memorandum; provided, however, the amount of recordation tax paid by Purchaser in connection with the recordation of such Memorandum shall (a) at Closing, be applied as a credit to Purchaser's obligations for Closing fees and taxes under this Agreement if, upon the recordation of the Deed at Closing, the recordation tax paid upon the recordation of such Memorandum is credited by the clerk of the Land Records against the amount of recordation tax payable upon the recordation of the Deed, and (b) in the event this Agreement is terminated prior to Closing as a result of any fault or failure of Seller, including without limitation, any default of Seller or the failure by Seller to achieve any condition precedent to Closing as a result of Seller's act or failure to act, be reimbursed to Purchaser by Seller upon Purchaser's written demand. Upon any termination of this Agreement prior to Closing hereunder, Purchaser agrees to promptly execute a release of such Memorandum in recordable form.

32. Holidays. If any day for performance of a Party's obligations hereunder falls on a Saturday, Sunday, or legal holiday, the day for performance of such obligation shall be extended to the next business day. For purposes of this Agreement, the term "**business day**" shall mean any day that is not a Saturday, Sunday, or other legal holiday (a legal holiday being any day on which the United States Postal Service does not deliver first class mail).

33. No Personal Liability. None of the officers, directors, employees, or agents of Purchaser shall be personally or individually liable, in any manner whatsoever, for any debt, act, omission, or obligation of Purchaser.

34. Rules of Construction. Purchaser and Seller have each read and fully understand the terms of this Agreement, and each has had the opportunity to have this Agreement reviewed by its own counsel. The rule of construction providing that ambiguities in an agreement shall be construed against the Party drafting the same shall not apply.

35. Survival. The Parties agree that the representations, warranties, conditions, covenants and other provisions of this Agreement shall expressly survive Closing for a period of twelve (12) months following the Date of Closing, and shall not be merged into the Deed.

36. Tax Deferred Exchange.

(a) Seller acknowledges that Purchaser currently intends to effect a tax deferred exchange of the Property pursuant to §1031 of the Code. At Closing, Purchaser shall, at Seller's written request, execute such documents as reasonably may be required and otherwise reasonably cooperate with Seller in good faith in order to enable Seller to effect a tax deferred exchange of the Property pursuant to §1031 of the Code, so long as there is no additional cost to Purchaser, no reduction of Purchaser's rights under this Agreement and no delay to Closing hereunder except as expressly set forth herein.

(b) Seller and Purchaser acknowledge that President Biden's Administration has proposed to repeal certain provisions of §1031 of the Code (the "**Biden Proposal**"). The current draft of the Biden Proposal would allow the deferral of capital gain taxes up to the aggregate amount of \$500,000 for each taxpayer (\$1 million in the case of married individuals filing a joint return) each year for real property exchanges that are like kind. Under such current draft of the Biden Proposal, any gains from like-kind exchanges in excess of \$500,000 (or \$1 million in the case of married individuals filing a joint return) during a taxable year would be recognized by the taxpayer in the year the taxpayer transfers the real property subject to the exchange. The Biden Proposal is proposed to be effective in taxable years after December 31, 2021. In the event that (i) the Biden Proposal becomes the law; (ii) the Closing occurs subsequent to December 31, 2021, and (iii) at the time of the Closing, Seller is unable to defer its entire taxable capital gain on the Property pursuant to a §1031 like-kind exchange as a direct result of the passage of the Biden Proposal (in the form of the current draft or as revised), then Seller hereby agrees to pay to Purchaser at Closing an additional amount (the "**Additional Purchase Price**") equal to the amount of additional tax liability to be incurred by Seller as a direct result of the passage of the Biden Proposal. The Additional Purchase Price shall be limited to the tax liability calculated on the amount of capital gain realized by the sale of the Property pursuant to this Agreement which exceeds any allowable exempted deferred gain under §1031 of the Code. Seller hereby represents that Seller purchased the Property on November 13, 2015 for \$600,000. The Additional Purchase Price shall be calculated assuming that Murad and Benedicte Mahmood jointly file their tax return and assuming that a federal capital gains tax rate of 20% shall apply to the gain realized by the sale of the Property. Notwithstanding anything herein to the contrary, the Additional Purchase Price shall in no event exceed \$60,000 (the "**Maximum Additional Purchase Price**"). In the event this Section 36(b) is applicable at Closing, Seller agrees to disclose to Purchaser in writing (with supporting documentation as requested by Purchaser) at least thirty (30) days in advance of Closing all information reasonably requested by Purchaser related to Purchaser's taxable income, tax status, and the Seller's tax basis for the Property, which information is necessary in order to calculate the Additional Purchase Price. In the event Seller and Purchaser are unable to agree prior to Closing as to the calculation of the Additional Purchase Price, Purchaser shall have the right and option to deposit a reasonably estimated amount of funds constituting the Additional Purchase Price in escrow to be held by the Title Company until the dispute is resolved post-Closing, and the Closing shall proceed as set forth in this Agreement. In such event, after Closing, the parties shall continue to cooperate in good faith to resolve the dispute and to agree upon the amount of the Additional Purchase Price to be released from escrow to Seller.

Attorney's Opinion (MANDATORY)

March 8, 2022

TO: Virginia Housing Development Authority
601 South Belvidere Street
Richmond, Virginia 23220-6500

RE: 2022 Tax Credit Reservation Request

Name of Development: Alexandria GMV 9A

Name of Owner: Alexandria GMV 9A, LLC

Ladies and Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 7, 2022 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

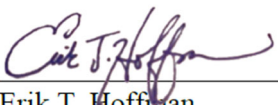

6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

Re: City of Alexandria's Project-Based Rental Assistance Commitment for Alexandria GMV 9A

Virginia Housing Tracking Number: 2022-C-60
Development Name: Alexandria GMV 9A
Name of Owner/Applicant: Alexandria GMV 9A, LLC

Dear Mr. Bondurant:

I am writing to confirm the City of Alexandria's commitment to provide Alexandria GMV 9A, LLC with project-based rental assistance for eight (8) units within the proposed Alexandria GMV 9A project. The project-based rental assistance will be funded through a grant derived from a variety of sources, including City housing trust fund monies. Funds totaling \$240,000 were approved by City Council for this purpose at a public hearing on February 22, 2022.

The rental assistance will be provided to households qualified through a process coordinated among the City's Department of Community and Human Services (DCHS), the Office of Housing, and Alexandria GMV 9A, LLC. Qualified households will pay 30% of their adjusted income in rent and the City will provide monthly rental assistance payments to subsidize tenant payments up to the approved rent level. By creating deep affordability, the assistance is intended to serve those at the lowest income levels who face substantial housing barriers. In addition, as appropriate to help those assisted attain their potential maximum level of independence and self-sufficiency, a range of case management services and other support will be coordinated through DCHS.

The City's project-based rental assistance will be provided for a five-year term and is intended to be renewable for future five-year increments through Alexandria GMV 9A's initial tax credit affordability period. A formal agreement setting forth the terms of the City rental assistance program will be executed prior to completion of construction/renovation.

It is noted that it is the Alexandria City Council's practice to approve affordable housing loans and grants pursuant to business actions publicly noticed on the agenda, taken during scheduled meetings and memorialized in minutes which are subsequently reviewed and approved. These actions have the same legal effect as a resolution which the City reserves for specific business matters related to land designations and/or to matters interpreting the state code. Please contact me or Deputy City Attorney Christina Zechman Brown if you have any questions regarding the City's financial commitment to the Alexandria GMV 9A project or to City Council's practices as they relate to housing loan/grant approvals and their legal effect.

Thank you for your courtesies.

Re: City of Alexandria Subsidized Funding Commitment of \$10.5 Million for Alexandria GMV 9A

Virginia Housing Tracking Number: 2022-C-60
Development Name: Alexandria GMV 9A
Name of Owner/Applicant: Alexandria GMV 9A, LLC

Dear Mr. Bondurant:

I am pleased to provide this confirmation of the City of Alexandria's firm commitment to provide a \$10.5 million loan to facilitate Alexandria GMV 9A, LLC's Alexandria GMV 9A project.

This 76-unit affordable housing project will provide a substantial new housing resource in Alexandria's Arlandria-Chirilagua neighborhood which faces considerable development pressure as Amazon HQ2 and the Virginia Tech Innovation Campus locate nearby. Following an extensive community consultation process, AHDC is proposing a mix of unit sizes, including one-, two-, and three-bedroom units, with some of the one- and two-bedroom units to include dens (reflecting community household compositions and post-pandemic market preferences to incorporate space for potential at-home work and study needs). Rents for the Alexandria GMV 9A project are targeted to be affordable to households with incomes ranging from 40-80% AMI, with 20% or more of the units deeply affordable at 40% AMI to respond to neighborhood housing need.

The project meets objectives set out in the City's 2013 Housing Master Plan including the provision of long-term affordable and workforce rental housing, and providing safe, quality housing choices that are affordable and accessible to households of all ages and abilities, and it fully aligns with recommendations and principles of the Arlandria-Chirilagua Small Area Plan approved by City Council at a public hearing on December 18, 2021. It is noted that the Plan received a 2018 Virginia Housing Community Impact Grant to support the planning process, including housing studies, and was the City's first Plan to proceed with a "Spanish first" approach to reach Arlandria's majority Latinx households.

The \$10.5 million City loan to AHDC for this first phase of a multi-phase, multi-year project, was unanimously approved by Alexandria City Council on February 22, 2022. The loan will be structured as a residual receipts loan with a 40-year term, at an interest rate of 2.0% per annum. The City loan will be part of a funding package that is also anticipated to include VHDA or conventional debt and tax credit equity, first trust mortgage financing, state and federal Housing Trust Funds, the Federal Home Loan Bank, a seller's note, and State Opportunity Tax Credits. In addition to the loan, City Council has also so allocated grant funds of \$240,000 to provide project-based rental subsidies to create even deeper affordability for eight units (10% of the project total).

If you have other questions about the City's financial commitment to the Alexandria GMV 9A project, or its support for AHDC, please contact me at 703-746-3088.

It is noted that it is the Alexandria City Council's practice to approve affordable housing loans and grants pursuant to business actions publicly noticed on the agenda, taken during scheduled meetings, and memorialized in minutes which are subsequently reviewed and approved as the Action Docket. RIGHT OF FIRST REFUSAL AGREEMENT
(Alexandria GMV 9a Apartments)

RIGHT OF FIRST REFUSAL AGREEMENT (the “Agreement”) dated as of March ___, 2022 by and among Alexandria GMV 9A, LLC, a Virginia limited liability company (the “Owner” or the “Company”), Alexandria Housing Development Corporation, a Virginia non-stock nonprofit corporation (the “Grantee”), and is consented to by AHDC GMV 9A, LLC, a Virginia limited liability company (the “Managing Member”), [INVESTOR ENTITY], a [[_____]_____] limited liability company (the “Investor Member”) and [[_____]] SPECIAL LIMITED PARTNER, L.L.C., a [_____]_____] limited liability company (the “Special Member”). The Managing Member, the Investor Member and the Special Member are sometimes collectively referred to herein as the “Consenting Members”. The Investor Member and Special Member are sometimes collectively referred to herein as the “Non-Managing Members”. This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

A. The Owner, pursuant to its Operating Agreement dated on or about the date hereof by and among the Consenting Members (as may be amended, the “Operating Agreement”), is engaged in the ownership and operation of a 76-unit apartment project for families located in Alexandria, Virginia and commonly known as “Alexandria GMV 9a Apartments” (the “Project”). The real property comprising the Project is legally defined on Exhibit A.

B. The Grantee is a member of the Managing Member of the Owner and is instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell and convey to the Grantees certain rights of first refusal to purchase the Project on the terms and conditions set forth herein;

D. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the “Refusal Right”) to purchase the real estate, fixtures, and personal property comprising the Project or associated with

the physical operation thereof and owned by the Company at the time (the “Property”), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that is required by the Virginia Housing Development Authority (“Virginia Housing” or the “Credit Authority”) or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof to any Person without first offering the Property to the Grantee (the “Refusal Right”), for the Purchase Price (as defined in Section 3); *provided, however*, that such Refusal Right shall be conditioned upon the receipt by the Company of a “bona fide offer” (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the “Offer Notice”) and shall deliver a copy of the Offer Notice to the Grantee. Upon receipt by the Grantee of the Offer Notice, the Grantee shall have 90 days to deliver to Company a written notice of its intent to exercise the Refusal Right (the “Election Notice”). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a “bona fide offer” for purposes of this Agreement. Such offer (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period provided that the Election Notice may not be sent until the end of the Compliance Period) and (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non-Managing Members or of Virginia Housing.

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a “Terminating Event”), then its Refusal Right shall terminate and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the “Purchase Price”) shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee’s purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by Grantee.

C. The Purchase Price shall be paid at Closing in one of the following methods:

(i) the payment of all cash or immediately available funds at Closing,
or

(ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

(i) the Grantee or its assignee shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a “Qualified Beneficiary”); and

(ii) the Project continues to be a “qualified low-income housing project” within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in a writing signed by the Grantee and each of the Consenting Members:

(i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or

(ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or

(iii) the Project ceases to be a “qualified low-income housing project” within the meaning of Section 42 of the Code, or

(iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes set forth in Section 2 above.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for

similar commercial transactions in the geographic area which the Property is located, providing for a closing (the “Closing”) to occur in Alexandria, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner’s right, title and interest in the Property shall be conveyed by quitclaim deed, subject to such liens, encumbrances and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property “AS IS, WHERE IS” and “WITH ALL FAULTS AND DEFECTS,” latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner’s attorney’s fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed to the property, an ALTA owner’s title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred to any Person without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a “Permitted Assignee”) at the election and direction of the Grantee or to any assignee that shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a “Qualified Beneficiary”).

In the case of any transfer of the Refusal Right (i) all conditions and restrictions applicable to the exercise of the Refusal Right or the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which Grantee would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner’s status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an “option to purchase” pursuant to Section 42(i)(7) of the Code as opposed to a “right of first refusal” without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

B. If the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a “right of first refusal to purchase partner interests” and/or “purchase option to purchase partner interests” pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a “right of first refusal to purchase the Project” without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42(i)(7).

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given and received (i) two (2) business days after being deposited in the United States mail and sent by certified or registered mail, postage prepaid, (ii) one (1) business day after being delivered to a nationally recognized overnight delivery service, (iii) on the day sent by telecopier or other facsimile transmission, answer back requested, or (iv) on the day delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the other party:

(i) If to the Owner, at the principal office of the Company set forth in Article II of the Operating Agreement;

(ii) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;

(iii) If to the Grantee, at 1201 East Abingdon Drive #210, Alexandria, VA 22314, Attention: Jonathan Frederick.

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow non-profit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender, shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members and Virginia Housing.

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney's fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project and, in the event of a foreclosure of any such mortgage, or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable "Rule Against Perpetuities" by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land and the terms and provisions hereof will be binding upon, inure to the benefits of and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third Party Beneficiary; Virginia Housing Rights and Powers

The Virginia Housing Development Authority ("Virginia Housing") shall be a third party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. The Authority and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

Internet Safety

Playing it safe while playing online

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect

yourself. Your parents won't always be there to watch out for you, so stay sharp, learn all you can, and stay safe!

Privacy & Personal Information

Privacy is being able to keep things secret or hidden from others.

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

Think before you click

Do you know who sent that email?

Passwords

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

A great tool online that creates kid friendly passwords is the website, www.dinopass.com

Spam

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisements, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside. <http://www.britannica.com/topic/Trojan-horse>

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

<http://www.webopedia.com/DidYouKnow/Internet/virus.asp>

Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a "zombie computer". "Zombie computers" can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

<http://www.webopedia.com/TERM/Z/zombie.html>

Virus

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures(memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

<https://www.microsoft.com/security/pc-security/virus-whatis.aspx>

Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

Geotagging

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

Be Careful of What You Say!

Defamation: Defamation is the blanket word used for all types of untrue statements made about others. [Definition of Defamation on Law.com](#)

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

[Definition of Slander on Law.com](#)

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation. [Definition of Libel on Law.com](#)

Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

<http://ideas.time.com/2013/01/07/yelp-reviewers-beware-you-can-get-sued/>

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts, [click here](#).

Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to “groom”.

What is grooming you say? Well, grooming is when a stranger (can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as www.kidzworld.com. Kidzworld is moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

Cyberbullying

- Cyberbullying is the **willful and repeated harm** inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Consequences of Cyberbullying

Anything that you write, pictures that you post, or videos that you upload can be used by your school to suspend you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to **12 months in prison.**

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov

If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop
- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped. Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

About Sexting

“Sexting” is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or semi-nude pictures or videos of themselves is upsetting.

20% of teens between 13 to 19 years of age have engaged in sexting.

22% of teen girls

18% of teen boys

11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

About Sexting

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found [here](#).
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state. [Virginia Rules](#) has extensive information on sexting and other internet security risks.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it [here](#).

Print media sources will also be identified in the Lynchburg area that cater to people with disabilities as well as the public at large. These sources may include, but are not limited to, rental magazines such as the *Apartment Shoppers Guide*, *Apartments For Rent*, local newspapers, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logo, slogan or statement, in compliance with the Fair Housing Act, as well as the fact that units for people with disabilities are available.

4. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. *Residents will be offered incentives, to be determined, for referring qualified applicants who rent at the property.* Flyers will be distributed to residents along with the resident newsletter announcing the tenant referral program.

5. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo. The marketing will also emphasize the physical and administrative compliance with Americans with Disabilities Act.

These marketing materials include:

- Brochures or news media coverage –A simple, two color brochure may be produced at low cost which will effectively sell the apartments and community. A brochure will include a listing of features and amenities. News media may include the local newspaper and/or the local television station coverage.
- Flyers - As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic.
- Resident Referral - The least expensive form of advertising is through Resident Referrals. A flyer should be created and distributed to all residents. (\$50 - \$100 per referral, paid upon move in). In addition to being distributed to all residents, the referral flyer should be left in the Management office and should be included in the move in packet. (People are most inclined to refer their friends in the first few weeks of their tenancy.) The flyers will be changed to reflect the season or any type of special referral program.

III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. S.L Nusbaum encourages and supports an affirmative marketing program in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, elderliness, marital status, personal appearance, sexual orientation, familial status, physical or mental disability, political affiliation, source of income, or place of residence or business.

Additionally, a public relations program will be instituted to create a strong relationship between management and local disability organizations, neighborhood civic organizations, city officials, and other sources of potential qualified residents still to be identified.

IV. Tenant Selection and Orientation

The first contact with the management operations is an important one in attracting qualified residents; therefore, the management/leasing offices should convey a sense of professionalism, efficiency, and cleanliness. The management/leasing office is designed to provide a professional leasing atmosphere, with space set aside specifically for applicant interviews and application assistance. The leasing interviews will be used to emphasize the respect afforded to the applicant and the responsibilities which the applicant will be expected to assume.

Times of Operation - the Management Office will be open Monday through Friday from 8:30 A.M. to 4:30 P.M. Applicants will be processed at the Management Office Tuesday, Wednesday and Thursday, in accordance with approved criteria. Move-in process and orientation to property - applicants meet with designated staff to discuss programs available on the property and will be supplied relevant information to assist them in their move.

Management staff will perform housekeeping/home visits, check previous landlord and personal references, perform criminal/sex offender and credit background checks and verify income for each application taken. Tenant Selection will include minimum income limits assigned by the Owner/HUD. New residents will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievance procedures and a review of the Lease documents.

Tenant Selection Criteria

Tenant Selection will include maximum income limits under the Low-Income Tax Credit and Section 8 programs. Selection criteria will also include student status guidelines pursuant to the Low-Income Housing Tax Credit program.

Management will commit that no annual minimum income requirement that exceeds the greater of \$3,600 or 2.5 times the portion of rent to be paid by tenants receiving rental assistance

Application Processing

Application processing will be done at the Management Office by the housing staff who are well versed in Fair Credit Law. As stated before, the processing will include a review of housekeeping/home visit, prior landlord references, personal references, criminal/sex offender and credit reporting and income verification. The housing staff will make further review for inaccuracies in the application. The annual income and family composition are the key factors for determining eligibility. However, the Housing Committee will also use the following criteria in selecting applicants for occupancy:

- Applicants must be individuals, not agencies or groups.
- Applicants must meet the current eligibility income limits for tax credits and any other program requirements.
- We will process the Rental Applications through a credit bureau to determine the credit worthiness of each applicant. If the score is below the threshold, and it has been determined that applicant has no bad credit *and* no negative rental history *and* no criminal history then the application can be conditionally approved after contacting the prior landlord. In these cases, the application must be reviewed by the Associate Director/ housing committee before final approval.

Note- If the applicant's denial is based upon a credit report, the applicant will be advised of the source of the credit report in accordance with the Federal Fair Reporting Act. Guidelines published by the Federal Trade Commission suggest that apartment managers fall under the provisions of the Act and are obligated to advise the person refused an apartment for credit reasons, the name and address of the credit reporting firm in writing. The credit report will not be shown to the applicant, nor will specific information be revealed.

- We will process the Rental Application through a credit bureau to determine any possible criminal conduct. Convictions will be considered, regardless of whether "adjudication" was withheld. A criminal background check will be used as part of the qualifying criteria. An applicant will automatically be denied if;
 - There is a conviction for the manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute a controlled substance within the past five years.
 - There is evidence in the criminal history that reveals that the applicant has developed a pattern of criminal behavior, and such behavior presents a real or potential threat to residents and/or property.
 - The application will be suspended if an applicant or member of the applicant's family has been arrested for a crime but has not yet been tried. The application will be reconsidered, within the above guidelines, after such legal proceedings have been concluded at applicants' request.
- Applicants must provide complete and accurate verification of all income of all family members. The household's annual income may not exceed the applicable limit and the household must meet the subsidy or assisted Income Limits as established for the area in which Alexandria GMV 9A Apartments is located. The annual income is compared to the area's Income Limits to determine

eligibility.

- Family composition must be compatible for units available on the property.
- Applicants must receive satisfactory referrals from all previous Landlords.
- Applicants must provide verification of full-time student status for all individuals listed on the application as full-time student for tax credit units.

- Held Vacant for 60 Days

Unit must be held vacant for 60 days during which marketing efforts must be documented. However, if marketing to the Target Population is deemed to be conducted satisfactorily on an ongoing basis throughout the year and management can provide sufficient documentation to VHDA's Compliance Officer, management may request the ability to lease 60-point Units and 30-point Units, to a household not in the Target Population without the unit remaining vacant for the 60-day timeframe. "Ongoing basis" means contact to at least two (2) resources at least monthly in the manner noted below at any time the required number of units is not actually occupied by the Target Population.

Each time a vacancy occurs in a 60-point Unit or a 30-point Unit, if a qualified household including a person in the Target Population is not located in the 60-day timeframe, the owner or manager may submit the evidence of marketing to VHDA's Compliance Officer and request approval to rent the unit to an income-qualified household not a part of the Target Population. If the request is approved, the lease must contain a provision that the household must move to a vacant unit of comparable size in the development if a household in the Target Population applies for the unit. The move will be paid for by the owner.

If no vacant unit of comparable size is available at that time, the Target Population prospective tenant should be placed on the development's waiting list and placed in the 60-point Unit or 30-point Unit, when the first available vacant comparably sized unit becomes available to move the non-Targeted Population tenant.

NOTE: The move of the temporary/non-disabled tenant will be paid for by the owner.
