S. DETERMINATION OF RESERVATION AMOUNT NEEDED

The following calculation of the amount of credits needed is substantially the same as the calculation which will be made by Virginia Housing to determine, as required by the IRC, the amount of credits which may be allocated for the development. However, Virginia Housing at all times retains the right to substitute such information and assumptions as are determined by Virginia Housing to be reasonable for the information and assumptions provided herein as to costs (including development fees, profits, etc.), sources for funding, expected equity, etc. Accordingly, if the development is selected by Virginia Housing for a reservation of credits, the amount of such reservation may differ significantly from the amount you compute below.

1. Total Development Costs		<u>\$20,074,859</u>

Credit Points for 9% Credits:

* 4% Credit applications will be calculated using the E-U-R TE Bc

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, $(40\%/60\%) \times 200$ or 133.33 points.

Credit Requested	\$1,386,286
% of Savings	35.70%
Sliding Scale Points	119

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal’s Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal’s Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, $(35.7\%/50\%) \times 100$ or 71.40 points.

COMMONWEALTH OF VIRGINIA
TOWN OF STAUNTON

MIDDLEBROOK TRACE VA LLC – LIMITED LIABILITY COMPANY OPERATING
AGREEMENT

THIS OPERATING AGREEMENT (the “Agreement”) made as of the 9th day of March 2021, by Taft-Mills Group, LLC, a North Carolina limited liability company (“Taft-Mills”), and Middlebrook Trace VA MM LLC, a Virginia limited liability company, (the “Manager”), the undersigned members of Middlebrook Trace VA LLC, a Virginia limited liability company (the “Company”), such persons also being hereinafter referred to individually as a “Member” and collectively as the “Members.”

WITNESSETH:

WHEREAS, the Member hereto desires to organize a limited liability company to engage in any lawful business including ownership, rehabilitation and development of an affordable housing apartment complex in the Town of Staunton, Virginia known as Middlebrook Trace (the “Project”).

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements contained herein, and other good and valuable consideration, the parties hereto agree as follows:

1. NAME AND BUSINESS. The Members hereby form a limited liability company (“LLC”) under the name of Middlebrook Trace VA LLC in accordance with and pursuant to the Virginia Limited Liability Company Act (the “Act”), to engage in any lawful business including ownership and development of real property. The organizing Member, or its representatives, shall execute and file Articles of Organization on behalf of the Company in the Office of the Secretary of State of Virginia. The Member shall do or cause to be done all such filings, recordings or other acts as may be necessary or appropriate from time to time to comply with the requirements of the Act or otherwise as necessary for the operation of LLCs in the State of Virginia. The Company shall promptly reimburse any cost incurred by the Member in connection with the foregoing. The office of the Company shall be 631 Dickinson Avenue, Greenville, NC 27834.

2. TERM. The Company shall begin as of the date of filing the aforementioned Articles

and shall continue perpetually unless sooner terminated as provided in paragraph 15 of this Agreement.

3. CAPITAL; LIABILITY OF MEMBERS.

(a) Initial Capital Contribution. The Members shall make initial capital contributions to the Company in amounts as mutually agreed upon such that their initial capital interests in the Company shall be as follows:

<u>Members</u>	<u>Capital Interest</u>
Taft-Mills Group, LLC	99.99%
Middlebrook Trace VA MM LLC	00.01%

(b) Subsequent Capital Contributions. For purposes of paragraphs 3 - 6 of this Agreement, and with respect only to allocations and distributions to a Member, capital contribution obligations, and capital account maintenance rules (but not with respect to any other rights including voting rights of a Member), the term "Member" shall include the assignee, if any, of such Member. Each Member is personally liable for its proportionate part (determined with reference to its interest in profits as provided in paragraph 4(a)) of any capital contribution required for continuation of the Company business as determined reasonably and in good faith by the affirmative vote of at least 100% in voting interest (as determined in paragraph 7(c)) of the Members. In the event that any Member refuses or fails to make any such required capital contribution within thirty (30) days after written notice of the Members' approval of the additional contributions, then such Member (the "Defaulting Member") shall be in default of this Agreement and the other Members and the Company shall have any and all remedies available at law or in equity as a result of such default, including without limitation the right (upon the affirmative vote of a majority in voting interest of all Members other than the defaulting Member) to expel such defaulting Member from the Company, in which event the value to be paid for the defaulting Member's interest and the manner of payment shall be determined in accordance with the provisions of paragraph 12 of this Agreement. In addition, but without limiting any such rights or remedies of the other Members or the Company, the other Members may, but shall not be required to, contribute such deficiency to the Company. To the extent that any Member does contribute any deficiency to the Company for the Member failing to do so, such contribution at the sole

election of the contributing Member(s) shall be deemed to be either (i) an additional capital contribution requiring adjustments to the Percentage Interests as set forth in the next paragraph, or (ii) a loan to the defaulting Member repayable on demand which shall bear interest from the date of such contribution at a rate computed to be One Percent (1%) above the prime rate established by Bank of America, N.A. on the date of such contribution. The defaulting Member shall have no voting rights on matters of Company business, and no further distributions or withdrawals may be made to or by the defaulting Member, until such loan with interest is paid in full. Any distributions, withdrawals, or rights thereto that would otherwise be distributed to or withdrawn by the defaulting Member (including any distribution made on expulsion of such Member as described below) during the term of any such demand loan shall be paid, credited, or accrued to the Member or Members who contributed the deficiency to the Company and shall be applied as a credit against the amount due from the defaulting Member, but such amounts shall be treated for book and tax purposes as if they had been distributed to the defaulting Member and then paid to the Member or Members actually receiving the same in respect of the loan. Failure to repay any such demand loan within thirty (30) days after written demand therefor shall be deemed sufficient grounds for expulsion of such Member from the Company. In such event, the value to be paid for the defaulting Member's interest and the manner of payment shall be determined in accordance with the provisions of paragraph 12 of this Agreement. Except for the payment to liquidate its membership interest in the Company as herein provided, such defaulting Member shall have no further interest or rights in the Company, its business or assets.

If the contributing Member(s) elect to treat the amount contributed on behalf of the defaulting Member as an additional capital contribution by them to the Company as provided in item "(i)" above, the Percentage Interests in net profits and net losses described in paragraph 4(a) shall be redetermined for each Member based on the ratio of its capital account balance as adjusted for the new contribution and an adjustment made pursuant to the methodology of paragraph 3(e), divided by the total capital account balances of all Members as adjusted above. Following such adjustments to capital accounts and Percentage Interests, the default shall be deemed cured.

(c) Credits and Debits to Capital Account. A separate capital account shall be

maintained for each Member

(i) to which shall be credited:

(A) The amount of money and fair market value of other property comprising the Member's capital contributions,

(B) Any allocations of Company income, gains, and profits made to the Member for book purposes under paragraph 4, and

(C) The amount of any Company liabilities that are assumed by the Member or that are secured by any Company property distributed to the Member; and

(ii) to which shall be debited:

(A) The amount of cash and the fair market value of any Company property distributed to the Member pursuant to any provision of this Agreement,

(B) Any allocations of Company deductions and losses made to the Member for book purposes under paragraph 4, and

(C) The amount of any liabilities of the Member that are assumed by the Company or that are secured by any property contributed by the Member to the Company.

(d) Treasury Regulations Section 1.704-1 (b) Compliance. Paragraph 3(c) and any other provisions of this Agreement relating to the maintenance of capital accounts are intended to comply with Treasury Regulations Section 1.704-1 (b), as amended, and shall be interpreted, applied, and modified to the extent necessary to comply with such Regulations. For all purposes of this Agreement, the phrase “for book purposes” shall be construed and applied according to the provisions of Treasury Regulations Section 1.704-1(b).

(e) Adjustment of Values. The gross value of Company property for book purposes, and the capital accounts of the Members, shall be simultaneously adjusted to reflect the gross fair market value (as determined in good faith by the affirmative vote of at least 100% in voting interest of the Members as required by paragraph 7(c)) of such assets as if the

Company recognized gain or loss (determined with reference to the Company's bases in its assets for book purposes) in an actual disposition of such assets (i) at such times as is permitted under (and pursuant to the rules of) Treasury Regulations Section 1.704-1 (b), as amended, and (ii) upon any other change in a Member's Percentage Interest (defined in paragraph 4(a)). Any such adjustment to the individual capital accounts of the Members shall be made by allocations of any such deemed gains or losses in accordance with the Members' relative interests in such gains or losses as provided in paragraph 4 in effect immediately before the triggering event described in items "(i)" and "(ii)" of this subparagraph (e). If the Members are unable to agree by the affirmative vote described above regarding the gross fair market value of Company assets, or if any Member otherwise requests the valuation determination to be made by appraisal, such value shall be determined by appraisal as follows. The Members unanimously shall select two qualified appraisers, such two appraisers shall then appoint a third qualified appraiser, and the three appraisers separately shall appraise such gross fair market value. The average of the two appraisals which are closest in amount shall be binding upon the parties hereto, and the other appraisal shall be ignored. The Company shall pay all expenses involved with such appraisers unless a Member requests an appraisal determination of value as provided above, in which case the costs of the appraisal shall be paid by the requesting Member. For purposes hereof, a qualified appraiser shall be any entity or person who regularly engages in the valuation of assets of the kind and nature owned by the Company and who holds themselves out as being in such business and qualified to make such valuation.

(f) Transfer of Interest. In the event any interest in the Company is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the capital account of the transferor to the extent it relates to the transferred interest.

(g) Limitation of Personal Liability. Except as otherwise provided by the Act or this Agreement, no Member of the Company, as identified on the signature page hereof or who subsequent to the date hereof becomes a Member, shall be personally liable for or obligated to contribute money or property to or in respect of the debts, liabilities, contracts, or any other obligations of the Company (unless it was so liable prior to

becoming a Member). Except as otherwise provided in this Agreement, no Member shall be liable to restore a deficit balance in its capital account.

(h) No Interest to be Paid. No interest shall be paid on the capital accounts of the Members in the Company.

4. PROFIT AND LOSS.

(a) General. Generally, except as otherwise provided in this paragraph 4, the net profits and the net losses of the Company for book and tax purposes shall be allocated to the Members in

the proportions of their "Percentage Interests", as follows:

<u>Members</u>	<u>Capital Interest</u>
Taft-Mills Group, LLC	99.99%
Middlebrook Trace VA MM LLC	00.01%

(b) Stop Loss Allocations. Notwithstanding paragraph 4 (a), no allocation of loss or deduction shall be made which causes or increases a deficit balance in any Member's capital account as adjusted pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(d) (unless such allocation is otherwise permitted by such Section); and any such deduction or loss allocation shall instead be made to the Members who are permitted to receive the same in accordance with the provisions of this Agreement.

(c) Qualified Income Offset. Notwithstanding paragraph 4(a), allocations of income and gain shall be made to the Members at such times and in such manner as required by the qualified income offset provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d) in order to eliminate any "adjusted" (within the meaning of such Section) deficit capital account balances which may exist.

(d) Gross Income Allocations. In the event that any Member receives a distribution that causes or increases a deficit (which it is not liable to restore) capital account balance (as maintained and adjusted pursuant to paragraph 3) after taking into account all other provisions concerning allocations of profits and losses of this Agreement, such Member shall be allocated items of gross income or gain for the tax year of such distribution in an amount sufficient to eliminate such deficit.

(e) Allocations in Respect of Nonrecourse Liabilities. To the extent that the Company incurs any nonrecourse liabilities as described in Treasury Regulations Section 1.704-

2, the following provisions shall apply notwithstanding paragraph 4(a) hereof:

(i) Nonrecourse Deduction. Partner nonrecourse deductions shall be allocated to the Members based upon the ratios in which they bear the economic risk of loss for the applicable liability, and allocations of other nonrecourse deductions shall be made to the Members in accordance with their Percentage Interests in effect under Paragraph 4(a); all as determined in compliance with Treasury Regulations Section 1.704-2, as amended or modified from time to time.

(ii) Minimum Gain Chargeback. Allocations of items of income and gain of the Company for any taxable year shall be made, prior to any other allocation for such year under this Agreement or otherwise, to the Members as required by the minimum gain chargeback provisions of Treasury Regulations Section 1.704-2, as amended or modified from time to time.

(f) Curative Allocations. The Members acknowledge that allocations made pursuant to paragraphs 4(b)-(e) above (collectively, the “Regulatory Allocations”) are intended to comply with certain requirements of Treasury Regulation Section 1.704-1(b) and may not be consistent with the manner in which the Members intend to share distributions of the Company. Accordingly, in the event any Regulatory Allocations are made to the Members, subsequent curative allocations provided for in this paragraph shall be made in a manner to prevent the Regulatory Allocations from distorting the manner in which Company allocations and distributions are shared pursuant to paragraphs 4(a) and 5, respectively. Such curative allocations of items of Company income, gain, loss, and deduction shall be made to the extent possible in any tax year in amounts sufficient such that the aggregate cumulative Regulatory Allocations and the cumulative curative allocations required by this sentence are made to the Members in proportion to their Percentage Interests described in paragraph 4(a) above in effect during the time period affected by such allocations, as if the Regulatory Allocations had not occurred.

(g) Other Allocations Rules. Although it is intended that paragraph 4(a) be the general rule for allocations of book and tax income or loss, such allocations shall be adjusted or

modified in any given instance to the extent necessary to comply with Section 704(b) and (c) of the Internal Revenue Code of 1986, as amended (the "Code") and the Treasury Regulations promulgated thereunder. For purpose of determining the profits, losses, or any other items allocable to any period, profits, losses, and any such other items shall be determined on a daily, monthly, or other basis using any permissible method under Code Section 706 and the Treasury Regulations promulgated thereunder.

5. SALARIES AND DISTRIBUTIONS.

(a) Limitation of Member's Salary. No Member shall receive any salary, commission, or fee for services rendered to the Company unless the payment of such salary, commission, or fee is approved by a unanimous vote of the Members.

(b) Distributions of Cash Flow. Subject to paragraph 5(c), the net cash flow of the Company, as reasonably determined by the Managers, shall be distributed at such times as may be determined by the Managers (but no less frequently than annually) to the Members in accordance with the Percentage Interests which are in effect pursuant to paragraph 4(a) at the time of the distribution.

(c) Distribution Upon Liquidation. In the event of termination and liquidation of the Company, then the assets of the Company remaining after settlement of Company obligations shall be distributed to the Members in accordance with their positive capital account balances as adjusted to fair market value pursuant to paragraph 3(e), except as otherwise provided in this Agreement. Any distribution to a Member to liquidate its interest in the Company other than during the liquidation of the Company, and except as otherwise provided in this Agreement, shall be in the amount of its positive capital account balance adjusted as provided above.

(d) Distribution in Kind. If any of the assets of the Company are to be distributed in kind, the fair market value of such assets shall be determined in accordance with paragraph 3(e) as of the time of such distribution. Allocations to the Members' capital accounts (using the methodology described in paragraph 3(e)) shall be made of the amount of gain or loss, if any, which would have been realized by the Company if such assets had been sold by the Company for prices equal to their respective fair market values as so determined. Such assets shall be distributed on the basis of the fair market value thereof and any Member entitled to any interest in such assets shall receive the same by separate distribution of

such assets or by distributions of undivided interests therein with all other Members so entitled, as is determined by the unanimous agreement of the Members.

6. EXCESS LOAN AND CAPITAL TRANSACTIONS PROCEEDS. In the event that a loan is obtained on security of Company property in substitution or in addition to any existing loan or in the event of the sale or other disposition of such property in whole or in part, then, upon the consummation of such loan or the sale or other disposition of such property, as the case may be, the proceeds thereof shall be applied in the following order: 4 distributed to the Members as provided in paragraph 5(b), subject to paragraph 5(c).

7. MEMBERSHIP.

(a) In General. Any Member identified on the signature page of this Agreement or who becomes a new Member upon compliance with paragraph 18 below shall continue as a Member until its membership in the Company ceases. A Member's membership in the Company shall cease upon the events specified in the Act, including, without limitation: the Member's voluntary withdrawal from the Company (if permitted by paragraph 11), the Member's assignment of its entire interest in the Company in accordance with this Agreement, the removal of the Member as provided in this Agreement, an act of Bankruptcy by the Member as defined in paragraph 12, the Member's death or adjudication of incompetency, termination of a trust which is a Member, liquidation of a Member which is a partnership, LLC, or corporation, or distribution of its entire interest in the Company by an estate or trust Member or by a partnership, corporate, or LLC Member. When the Member's membership in the Company ceases, it shall have no rights greater than those of an assignee as provided in the Act.

(b) Rights Accruing to Members. All Members shall have access to such information and records of the Company as provided in the Act, subject to the limitations provided therein.

(c) Action by Members. For purposes of this Agreement, whenever a decision or action by the Members on behalf of the Company is called for and except as otherwise provided in this Agreement, then each Member shall be entitled to one vote (or fraction thereof) for each percentage point of his Percentage Interest as provided in paragraph 4(a) at such time. Except as otherwise provided in this Agreement, a majority vote of the Members shall be required to approve any such action or decision, provided that the following matters

shall require the affirmative vote of at least 100% in voting interest of the Members:

(i) The amendment of this Agreement (except as to any matter the approval of which would require a greater affirmative vote, or except as to any of the economic rights of the Members, the amendment of which shall require the unanimous vote of the Members).

(ii) Merger of the Company,

(iii) The encumbrance, sale, transfer, or other disposition of all or substantially all of the assets of the Company,

(iv) The admission of a new Member to the Company, subject to compliance with paragraph 18 below,

(v) The adjustment of capital account balances of the Members described in paragraph 3(e),

(vi) The contribution of additional capital to the Company pursuant to paragraph 3(b),

(vii) The incurrence of indebtedness by the Company other than in the ordinary course of business,

(viii) A fundamental change in the nature of the business of the Company,

(ix) The dissolution and liquidation of the Company as provided in paragraph 15 below.

(d) Waiver of Right of Partition. Each of the Members irrevocably waives during the term of the Company any right to maintain any action for partition with respect to the Company's property.

8. MANAGEMENT.

(a) Initial Manager. All Members are not necessarily managers by virtue of their status as Members, and a manager need not be a Member of the Company. Notwithstanding anything to the contrary herein, the initial manager of the Company (the "Manager") shall be Middlebrook Trace VA MM LLC.

Each Manager shall continue as a Manager of the Company with all rights, authority, and

responsibilities provided in this Agreement until the time that he ceases to be a Manager as provided in paragraph 8(d) below, whereupon his successor shall be appointed as provided therein.

(b) Authority of Manager. Any decisions made by the Managers shall require the affirmative vote of a majority of the Managers. Subject to the voting rights as provided in this Agreement, the Managers shall have all of the rights and powers which may be possessed by Managers under the Act including, without limitation, the right and power to:

(i) acquire by purchase, lease or otherwise any real or personal property which may be necessary, convenient, or incidental to the accomplishment of the purposes of the Company;

(ii) operate, maintain, finance, improve, construct, own, grant options with respect to, sell, convey, assign, mortgage, and lease any real estate and any personal property necessary, convenient, or incidental to the accomplishment of the purposes of the Company;

(iii) borrow money and issue evidences of indebtedness necessary, convenient, or incidental to the accomplishment of the purposes of the Company, and secure the same by mortgage, pledge, or other lien on any Company property;

(iv) execute any and all agreements, contracts, documents, certifications, and instruments necessary or convenient in connection with the management, maintenance, development and operation of Company property and Company business;

(v) execute, in furtherance of any or all of the purposes of the Company, any deed, lease, mortgage, deed of trust, mortgage note, promissory note, bill of sale, contract, or other instrument purporting to obligate the Company or convey or encumber any or all of the Company property;

(vi) prepay in whole or in part, refinance, recast, increase, modify, or extend any liabilities affecting the Company property and in

connection therewith execute any extensions or renewals of encumbrances on any or all of the Company property;

(vii) care for and distribute funds to the Members by way of cash, income, return of capital, or otherwise, all in accordance with the provisions of this Agreement, and perform all matters in furtherance of the objectives of the Company or this Agreement;

(viii) contract on behalf of the Company for the employment and services of employees and independent contractors and delegate to such persons the duty to manage or supervise any of the assets or operations of the Company; and

(ix) engage in any kind of activity and perform and carry out contracts of any kind (including contracts of insurance covering risks to Company property and Managers liability) necessary or incidental to, or in connection with, the accomplishment of the purposes of the Company, as may be lawfully carried on or performed by an LLC under the laws of each state in which the Company is then formed or qualified.

The actions of the Managers hereunder shall be binding upon the Company. Any document, instrument, or agreement shall require the signature of all of the Manager(s) in order to be a valid and binding obligation of the Company. No Manager shall be liable, responsible or accountable in damages or otherwise to any of the Members for any acts performed by the Manager within the scope of its authority except for acts of willful misconduct, fraud, bad faith, gross negligence, or breach of his obligations or representations under this Agreement or any other agreement with or obligation to the Company.

(c) Reimbursement of Expenses. Each of the Members and Managers shall be entitled to reimbursement from the Company for direct expenses attributable to the organization, operation, and management of the Company, provided such expenses are approved as provided in or permitted by this Agreement.

(d) Resignation or Removal of Manager. Any Manager may resign or be removed for cause by the affirmative vote of 100% of the voting interest of the Members as determined in this paragraph 8. The term “for cause” shall mean:

(i) A Manager's failure or refusal to perform those duties which it is required hereunder or by law to perform in furtherance of the business of the Company;

(ii) A Manager's intentional activity which causes material injury to the Company;

(iii) A Manager's committing a fraud against the Company or using or appropriating for personal use or benefit funds or properties of the Company when not authorized to do so;

(iv) A Manager's committing an act of gross negligence regarding the business of the Company; or

(v) In conducting its own affairs or those of the Company, a Manager's jeopardizing the status of the Company for purposes of federal income taxation in accordance with the then existing provisions of the Internal Revenue Code, as amended, and the regulations promulgated thereunder, or the policies of the Internal Revenue Service.

Upon a Manager's resignation, removal, death, adjudication or other determination (as provided below) of incompetence, or upon any other event specified in the Act, the affected Manager shall cease to be a Manager and the Members upon the agreement of a majority in voting interest shall elect a successor Manager to replace the former Manager. A Manager shall be deemed incompetent (for purposes of the preceding sentence) upon the agreement of at least 50% in voting interest of the Members, and the written certification of incompetence by a duly licensed physician selected by at least 50% in voting interest of the Members. If the Members fail to elect a successor Manager leaving the Company without one, then the Company shall liquidate and terminate as provided in paragraph 5(c).

(e) Other Rights of Managers. Each of the Managers and Members may have other business interests and may engage in any other business or trade, profession, or employment whatsoever, on its own account, or in partnership with or as an employee of or as an officer, director, shareholder, manager, member or partner of any person, firm, corporation, LLC, or partnership, and it shall not be required to devote its entire time to the business of the Company. No Manager or Member shall be obligated to devote more

time and attention to the conduct of the business of the Company than shall be required for the supervision of the ownership, development, operation, and management of the Company's property and business.

(f) Contracting with Manager. The Company is expressly permitted in the normal course of its business to enter into transactions with a Manager or with any Affiliate (as hereinafter defined) of a Manager, provided that the price and other terms of such transactions are fair to the Company and that the price and other terms of such transaction are not less favorable to the Company than those generally prevailing with respect to comparable transactions. The term "Affiliate" shall mean any member, manager, shareholder or partner in or of a Manager, or any LLC, corporation, partnership or other entity in which a Manager or any member, manager, shareholder or partner of a Manager has an interest, or any person related by blood or marriage to the Manager.

(g) Tax Matters Partner. The person specifically authorized to act as the "Partnership Representative" under the Code and in any similar capacity under federal, state or local law is Middlebrook Trace VA MM LLC.

9. INDEMNIFICATION. Company shall not indemnify Manager with respect to (i) acts or omissions that the Manager knew at the time of such acts or omissions were clearly in conflict with the interests of the Company, (ii) any transaction from which the Manager derived an improper personal benefit, (iii) acts or omissions occurring prior to the date of this Agreement, all as provided in the Act, or (iv) matters expressed in the last sentence of paragraph 8(b) for which the Manager would be liable.

10. ASSIGNMENT.

(a) General Prohibition on Assignment. Except as otherwise provided in this Agreement, each Member is prohibited from selling, assigning, transferring, setting over, mortgaging, creating a security interest in, or hypothecating its interest in the Company or the Company assets in any manner whatsoever, including without limitation transfers incident to separation, divorce, or equitable distribution, nor may the interest of any of the Members in the Company or the Company assets be transferred by operation of law or by any

assignment by operation of law, unless otherwise agreed in writing by all Members. Any assignment in violation of this paragraph 10 shall be null and void.

(b) Right of First Refusal. The foregoing notwithstanding, if a Member (“Selling Member”) desires to sell its interest in the Company, the Selling Member shall in writing express such an intention and make an offer (the “Offer”) to the other Members to purchase the Selling Member's interest at a Purchase Price equal to the book value of the Selling Member's capital account plus the Selling Member's share of one hundred fifty percent (150%) of the average of the prior two (2) calendar years earnings as determined by the certified public accountant regularly employed by the Company for the most recent reporting period preceding the purchase and upon the payment terms contained in paragraph 12(b) herein. The other Members shall have sixty (60) days from receipt of the Offer within which to accept the Offer. Any of the other Members collectively desiring to purchase all, but not less than all, of the membership interest being offered, shall do so in the proportions that their Percentage Interests bear one to the other; provided that if any such Member does not want to purchase the full portion of the interest to which it is entitled, such portion may be purchased by the other purchasers in the manner provided above. Alternatively, if all of the other Members agree, the Company may exercise this first right of refusal and purchase and liquidate the Selling Member's interest upon the terms and conditions of this paragraph. If the other Members or the Company do not accept the Offer to purchase the entire membership interest being offered within sixty (60) days of its receipt, then the Selling Member may transfer its interest pursuant to a bona fide purchaser provided that such transfer occurs within ninety (90) days after the receipt of the Offer by the other Members. Such transfer shall only entitle the transferee to the transferor's interests in the Company's profits and losses, distributions, and capital as an assignee in accordance with the Act, and the transferee shall receive the same only as provided in this Agreement. Such transfer shall not entitle the transferee to become a Member in the Company and the transferee can only become a Member pursuant to the provisions of paragraph 18 hereof. In the event that the Selling Member shall not make such transfer within the aforesaid time period then the preceding provisions of this paragraph shall again be complied with and a new offer shall be

made before any transfer may thereafter be made. Any transferee or assignee of an interest pursuant to this Agreement (who has not become a Member) shall have all the obligations imposed upon a Member as set forth in this Agreement with respect to the transferred interest.

(c) Special Assignment Rights. Notwithstanding the foregoing, each Member (if an individual natural person) may from time to time transfer a portion or portions of his or her interest in the Company as a gift directly to or in trust for the benefit of his or her spouse, children, and issue provided the Grantor-Member remains as a Member and retains some interest in the Company. In the event of any such family transfer, all of such transferred membership interest shall be attributed to the Grantor-Member for purposes of obligations hereunder including contribution among the Members, and the transferee is entitled to become a Member of the Company only as provided in paragraph 18.

11. WITHDRAWAL. Without the unanimous written consent of the Members, except as provided below a Member may not voluntarily withdraw from the Company and thereby require the Company to dissolve and liquidate or to purchase or redeem such Member's interest.

12. EXPULSION.

(a) Default of a Member. Should any Member (a "defaulting Member") violate any of the provisions of this Agreement including (but not limited to) the failure to make any capital contribution required under paragraph 3 (which violation remains uncured thirty (30) days after written notice thereof to the defaulting Member, or in the case of a requirement to contribute money to the Company, within five (5) days after written request therefor has been given); or withdraw or attempt to withdraw from the Company in breach of this Agreement; or transfer or attempt to transfer his interest in breach of this Agreement; or become Bankrupt as defined in paragraph 12(c); (any of such events constituting a "default") then, a majority in voting interest of the remaining Members shall have the right within the six (6) month period after the event constituting the default (irrespective of any cure or attempt to cure subsequent to the default) to elect that the defaulting Member's interest in the Company be purchased and redeemed by the Company, the election to be exercised by written notice to the defaulting Member. If such written notice is given, the defaulting Member shall be deemed to withdraw from the Company on the date fixed in such notice (the "Effective Date"), which must be on the last day of a month not later than sixty (60) days after such notice is given. On such withdrawal, the defaulting Member shall be entitled to be paid by the Company an amount for his membership interest calculated

and payable as provided below. Any loss due to such default shall be charged against the capital account of the defaulting Member before it is entitled to receive the above payment. A defaulting Member shall not be entitled to any voting rights as to any matter of Company business while any such default shall remain uncured. For all purposes of this paragraph 12, any such event of default by (i) an assignee of a membership interest hereunder (if such assignee has not in fact become a Member), or (ii) a shareholder, partner, or member of a Member which is a corporation, partnership, or LLC, shall be deemed a default by such assignee or Member and shall subject such assignee's or such Member's interest to the purchase options of this paragraph.

(b) Price to Be Paid. The price to be paid for a defaulting Member's interest shall be equal to eighty percent (80%) of the capital account balance of the defaulting Member as of the Effective Date, which valuation is intended to reflect liquidated damages as a compensatory measure in favor of the nondefaulting Members as a result of the default. Unless otherwise agreed to by the parties, the purchase price shall be paid on a level payment amortization basis, with principal and interest being due and payable in three (3) equal annual installments beginning one (1) year after the Effective Date, with interest on the unpaid balance accruing from the Effective Date at a fixed rate equal to the Prime Rate as established by Bank of America, N.A. existing on the Effective Date but in no event less than the applicable federal rate established pursuant to the Internal Revenue Code for such month. The Company shall execute a promissory note in the amount of the purchase price in accordance with the terms hereof which shall be secured as provided in paragraph 14. The closing of the purchase shall occur within thirty (30) days after the Effective Date.

(c) Special Provisions. For purposes of this Agreement, the term "Bankruptcy" shall mean and a Member shall be deemed "Bankrupt" upon (i) the entry of a decree or order for relief of such Member or adjudication of such Member's insolvency by a court of competent jurisdiction in any involuntary case involving such Member under any Bankruptcy, insolvency or other similar law now or hereafter in effect; (ii) the Member's seeking, consenting to, or acquiescing in, the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator or other similar agent for such Member or for any substantial part of such Member's assets or property; (iii) the ordering of the winding up or liquidation of such Member's affairs or of any substantial part of such Member's assets or property; (iv) the Member's filing of a petition or answer seeking for such Member any reorganization, arrangement, composition, readjustment,

liquidation, dissolution, or similar relief under any statute, law, or regulation; (v) the commencement by such Member of a voluntary case under any Bankruptcy, insolvency or other similar law now or hereafter in effect; (vi) the Member's filing an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the Member in any proceeding described in the prior items of this paragraph; (vii) the making by such Member of any general assignment for the benefit of creditors; (viii) the continuation of any proceeding against the Member seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law, or regulation, for 120 days after the commencement thereof; or (ix) the appointment of a trustee, receiver, or liquidator for the person or all or any substantial part of the person's properties without the Member's agreement or acquiescence, which appointment is not vacated or stayed for 120 days or, if the appointment is stayed, for 120 days after the expiration of the stay during which period the appointment is not vacated

13. DEATH. Upon the death of any Member or assignee, the surviving Members shall have the right to purchase all of the decedent's interest in the Company exercisable upon written notice to the decedent's personal representative (the "P.R.") within six (6) months after the date of death. The P.R. shall continue as a Member (if decedent was a Member) until the decedent's estate transfers its interest in the Company as provided below. Such right to purchase shall be exercised by all surviving Members desiring to participate in the purchase in the proportions that their Percentage Interests bear one to the other; provided that if any such Member does not want to purchase the full portion of the interest to which he is entitled, such portion may be purchased by the other purchasers in the manner provided above. Such rights to purchase shall apply only to and be effective only for all of the decedent's interest in the Company. The purchase price shall be equal to the decedent's capital account balance plus the decedent's share of one hundred fifty percent (150%) of the average of the prior two (2) calendar years earnings as determined by the certified public accountant regularly employed by the Company for the most recent reporting period preceding the event which triggers the purchase.

Payment of the purchase price shall be made in the same manner as that provided in paragraph 12 above, except that the Effective Date of withdrawal of the decedent shall be

the date of such written notice to the P.R., the closing of such purchase shall occur within thirty (30) days after the Effective Date, and any deferred payment shall be secured as provided in paragraph 14. Alternatively, if all remaining Members agree the Company may exercise this option to purchase and liquidate the decedent's interest upon the terms and conditions of this paragraph. If the Company and the Company business are continued as provided in paragraph 15 then, subject to the foregoing options, the decedent's heir, legatee or beneficiary, as the case may be, shall succeed to the decedent's interest in the Company in the same manner and in all respects as the decedent and become a Member if decedent was a Member, upon execution of a written undertaking to become a party to this Agreement.

14. SECURITY FOR PAYMENT. Except as otherwise provided in this Agreement, if any part of the purchase price payable to a Member hereunder is paid by the purchaser's delivery of a promissory note payable to the selling Member, then the purchaser shall secure such deferred payment as follows. If the purchaser is another Member, then the purchasing Member shall grant to the selling Member a security interest in the membership interest being purchased. The security interest shall be perfected by the purchaser's (i) executing financing statements in form suitable to the selling Member and filing the same in the Secretary of State's office in Virginia and in the Register of Deeds' office in the county of residence of the purchasing Member and in such other places as shall be necessary to perfect the security interest of the selling Member, and (ii) undertaking any other actions as shall be necessary to perfect the security interest of the selling Member. If the purchaser is the Company, the Company shall deliver with its promissory note to the selling Member a deed of trust on the Company's real property (subject to any existing deed of trust or other encumbrance on the same) in form suitable to the selling Member, which deed of trust shall be recorded as required by law to perfect the selling Member's security in the same. If the Company has no real property, the Company shall grant to the selling Member a security interest in its personal property (subject to any existing perfected security interest thereon), which shall be perfected by the Company's executing and filing financing statements as provided above. So long as any part of the purchase price is unpaid, the selling Member shall have all of the rights, elections and remedies available to a secured party under the Uniform Commercial Code as in effect in the State of Virginia.

15. DISSOLUTION AND WINDING UP. The Company shall be dissolved and

its affairs wound up upon the time specified in paragraph 2 for termination or upon the vote of the Members as provided in paragraph 7(c). Unless otherwise required by law or this paragraph, no event, including a Member's cessation of membership in the Company, shall dissolve the Company. Notwithstanding the foregoing, if any such dissolution of the Company occurs pursuant to requirement of law or otherwise, the Company shall continue and not be liquidated and terminated if (i) there is at least one remaining Member and (ii) the remaining Members elect to continue the Company pursuant to the affirmative vote of a majority of the voting interests of the remaining Members, such election to be made within ninety (90) days after the event of dissolution. If the Company is dissolved and is not continued as provided above, the Managers shall wind up the affairs of the Company and liquidate and terminate the Company in accordance with the provisions of the Act and paragraph 5(c).

16. BANKING. All funds of the Company shall be deposited in its name in such checking account or accounts as shall be designated unanimously by the Managers. All withdrawals therefrom are to be made upon checks signed by a signatory designated to the bank by the Managers.

17. BOOKS. The Company shall maintain such books and records as the Managers unanimously shall deem adequate. All books, records and accounts of the Company shall be open to all Members during normal business hours. For the purpose of Company accounting and for income tax reporting, the books shall be maintained on a cash or accrual basis as the Managers unanimously shall determine. The Company's fiscal year shall be the calendar year. At the close of each fiscal year, the Company's books shall be closed and the Managers may cause the books to be audited, reviewed, or compiled by an independent certified public accountant. Statements showing the results of operation shall be prepared and supplied to all Members.

18. ADMISSION OF MEMBERS. Except as otherwise provided in this Agreement, new Members shall be admitted into the Company only upon the vote of the Members as provided in paragraph 7(c), and such new Member's (1) making any capital contribution to the Company required by the Managers, and (2) signing an agreement to observe and be bound by all terms and provisions of this Agreement.

19. NOTICES. All notices shall be given in person, or by registered or certified mail or by overnight mail carrier addressed to the Members at their most recent addresses as maintained in the books and records of the Company. Any Member may change such address by written

notice sent by registered or certified mail to the Company.

20. APPLICABLE LAW. This Agreement, the relations, rights, and duties of the Members among themselves, and all matters pertaining to the Company and its property shall be governed by the statutes and laws of the State of Virginia applicable to limited liability companies.

21. INUREMENT. The covenants and agreements contained herein shall inure to the benefit of and be binding upon all of the parties hereto and their respective executors, personal representatives, successors in interest, heirs or legatees, and assigns.

22. USDA-RD PROVISIONS. Notwithstanding anything to the contrary set forth herein, if the Project becomes subject to the governance by the United States Department of Agriculture, Rural Development, the following provisions shall apply:

(a) The Managing Members shall have and maintain an aggregate minimum five percent (5.0%) financial interest in the residual or refinancing proceeds of the Company; and

14. **Assignment of Fees.** Without the consent of the Company, the Developer shall not assign, pledge or otherwise encumber, for security or otherwise, the Development Fee, or any portion(s) thereof or any right(s) of the Developer thereto. Any such assignment, pledge or encumbrance shall be null and void.

15. **Successors and Assigns, Termination.** This Agreement shall be binding on the parties hereto and their heirs, successors, and assigns. However, this Agreement may not be assigned by any party hereto without the consent of all members of the Company, nor may it be

terminated without the consent of all of the members of the Company (except in the case of a material breach hereunder by the Developer); such consent shall not be unreasonably withheld.

16. **Defined Terms.** Capitalized terms used in this Agreement and not specifically defined herein shall have the same meanings assigned to them in the operating agreement of the Company, as such agreement may be amended from time to time.

17. **Severability.** If any one or more of the provisions of this Agreement shall for any reason be held invalid, illegal or unenforceable, the remaining provisions of this Agreement shall remain unimpaired and shall continue in full force and effect.

19. **No Continuing Waiver.** The waiver by any party or any breach of this Agreement shall not operate or be construed to be a waiver at any subsequent breach.

20. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter as of the date hereof and supersedes all prior understandings, representations, proposals, discussions and negotiations whatsoever, whether oral or written, between the parties hereto.

21. **Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Virginia.

OPTION AGREEMENT

THIS OPTION AGREEMENT ("Agreement"), made and entered into as of the 28th day of February, 2022 ("Effective Date") by and between **Investco Holdings, LLC**, a North Carolina limited liability company (hereinafter called "Buyer"), and **Lane Arbor, L.L.C.**, a Virginia limited liability company (hereinafter called "Seller");

WITNESSETH:

That for and in consideration of Thirty Five Thousand and No/100 Dollars (\$35,000.00) (the "Option Money") and other good and valuable considerations, the receipt of which is hereby acknowledged, and in further consideration of the mutual promises and conditions expressed below, Seller hereby grants to Buyer the sole and exclusive right to purchase, at the price and subject to the terms, conditions and provisions hereinafter stated that property containing approximately 24.343 acres in the City of Staunton, Virginia as shown on **Exhibit A** attached hereto ("Property").

NOW, THEREFORE, the parties hereto agree each with the other as follows:

1. Term. This Option shall become effective on the Effective Date and shall exist and continue through midnight on the 29th day of July, 2022, at which time it will expire (the foregoing time period and any extended term, if any, shall be deemed the "Option Term").
2. Option Money. Seller acknowledges that \$15,000.00 of the Option Money has already been paid by Buyer to Seller. The remaining \$20,000.00 of the Option Money shall be paid by Buyer to Seller no later than five (5) days after the execution of this Option. All of the Option Money shall be credited against the Purchase Price.
3. Exercise of Option. The Option herein granted may be exercised only by the giving of written notice of exercise of the Option to Seller by Buyer prior to the expiration of the Option Term, which notice shall be in accordance with the provisions of Paragraph 13 hereof. If this Option Agreement is not exercised during the Option Term, all rights of Buyer shall cease and terminate and all of the Option Money shall be retained by Seller if the Option is not exercised by Buyer.
4. Purchase Price. The Purchase Price for the Property shall be \$800,000.00.
5. Closing Date. Closing shall be no later than July 29, 2022 or earlier upon no less than five (5) days' notice to Seller. Notwithstanding the foregoing, Buyer may extend the Closing by sixty (60) days by providing Seller written notice of extension and \$10,000.00 ("Extension Fees") prior to the expiration of the original Closing. The Extension Fees shall be non-refundable and applicable to the Purchase Price.

6. Title. At Closing, Seller shall deliver to Buyer indefeasible and marketable fee simple title to the Property, free and clear of any deeds of trust, liens, security interests, encumbrances or other restrictions other than matters or conditions (i) currently existing of record, (ii) that would be disclosed by a survey or inspection of the Property, (iii) or which are caused by Buyer, its agents, employees or representatives. No later than thirty (30) days after exercise of the Option, Buyer shall conduct its title search and obtain a title insurance commitment. If the title search reveals any objectionable title matters (in Buyer's reasonable discretion), Buyer shall notify Seller, within 10 days thereafter, in writing of any defect or condition related to the title insurance commitment that materially affects the title to the Property or the use of the Property as a multi-family residential development. Seller shall have five (5) days after the receipt of such written notice to notify Seller if it intends to correct said defects or conditions. If Seller is unable or unwilling to correct such defects or conditions within thirty (30) days thereafter, and unless Buyer agrees in writing to purchase the Property with the particular defect or condition uncorrected, Buyer shall have the option to terminate this Agreement and receive a return of the Option Money, if any, regardless of whether the Option has been exercised. If Seller declines to correct such defects or is unable or unwilling to correct such defects within said thirty (30) days period, Buyer shall then have five (5) days in which to notify Seller of the Buyer's election to terminate this Agreement. The failure of the Buyer to give Seller written notice of its election to terminate the Agreement shall constitute a waiver of the condition or defect and shall be deemed an election to purchase the Property with the particular defect or condition uncorrected.

Title shall be conveyed by a general warranty deed in recordable form conveying marketable indefeasible, fee simple (in fact, and insurable so to be) title, free and clear of all liens and encumbrances save and except only matters or conditions permitted pursuant to the foregoing paragraph and exceptions consented to by Buyer as set forth in the foregoing paragraph, and ad valorem taxes for the calendar year of Closing (to be prorated on a calendar year basis as of the Closing Date. Except as consented to by Buyer, Seller shall do nothing which impairs such title to the Property as Seller now owns during the Option Term.

7. Closing Costs. At closing Seller shall pay the cost of the deed preparation, the statutory Grantor's tax, any instruments which may be required to clear the title of any prior liens (if agreed by Seller in writing in accordance with Section 6 above), and any counsel fees for counsel employed or retained by Seller. Buyer shall pay for title examination, title policy, surveys, recording fees, all State and Local Grantee tax, and for any counsel fees Buyer incurs in the transaction. Buyer shall pay the special use permit fees. Rents and ad valorem property taxes shall be prorated on a calendar year basis and the tenant security deposits shall be transferred to Buyer with Buyer being credited with the day of Closing.

8. Inspection. Seller does hereby agree to provide access to Buyer and its engineers and agents to the Property for purposes of undertaking such surveys, inspections or such other tests and analyses as Buyer may deem necessary and appropriate. Seller consents to Buyer applying for any zoning and/or land use permits, applying for a reservation of housing tax credits from the Virginia Housing Development Authority, determining the permits, approvals and licenses necessary for its use of the Property, performing tests and audits at the Property, securing any approvals from the Commonwealth of Virginia and local municipalities that Buyer determines

necessary, and conducting a survey of the Property. Seller shall cooperate reasonably with Buyer in any applications it files for zoning and/or land use permits; securing of approvals, licenses and permits; surveying the Property; obtaining title insurance; conducting tests and audits; and inspecting the property, but Seller shall not be required to agree to any proffers, conditions or other obligations that would attach to or be an obligation of the Property or of Seller should Closing not occur, nor shall Seller be required to incur more than incidental costs as part of Buyer's applications and similar approvals. All expenses associated with the inspection of the property and all applications, permitting and similar activities shall be paid for by Buyer. Buyer does hereby agree to indemnify and hold Seller, its members, managers, employees and agents, harmless from any loss or liability that may occur as a result of such inspection activity that may be undertaken by Buyer, its engineers or agents and this obligation shall survive any consummating or termination of this Agreement.

8.1 Buyer agrees that any information obtained by Buyer or Buyer's agents in the conduct of its inspections or other due diligence relating to the Property, from Seller or otherwise, shall be treated as confidential and shall be used only to evaluate the acquisition of the Property from Seller. Buyer agrees not to divulge, and to use best efforts (including, without limitation, informing Buyer's agents of the confidential nature of such information) to cause Buyer's agents not to divulge, the contents of such information.

8.2 In the event of the termination of this Agreement for any reason whatsoever other than a Seller default, Buyer shall deliver to Seller, at no cost to Seller, all documents, work papers, engineering and environmental studies and reports, and all other materials created or ordered by Buyer in connection with the transactions contemplated hereby, such information and documents to be delivered with any warranty or representations of any kind of Buyer.

8.3 Buyer covenants to provide Seller with complete copies of all applications for and documents related to Buyer's subdivision, rezoning, permits, applications or other approvals.

8.4 Seller shall provide Buyer copies of any due diligence items concerning the Property that are in Seller's possession or reasonably obtainable by Seller including, but not limited to, leases, tenant files, title insurance policies, surveys and environmental reports.

9. Condemnation. If prior to Closing all or any portion of the Property is taken by eminent domain, Buyer may at its option close on the Property, or may terminate this Option Agreement and receive a return of the Option Money. If Buyer elects to close, then Seller shall assign to Buyer the entire proceeds resulting from such taking and Buyer shall be entitled to pursue the claim and retain all it is able to collect for such taking.

10. Closing Documents. At Closing Seller will execute, acknowledge and deliver to Buyer a general warranty deed conveying title as hereinbefore required, an assignment of leases and security deposits, a bill of sale for any personal property transferred, such lien waivers or affidavits as Buyer's title insurer may reasonably require to insure against any possible unfiled and

Attorney's Opinion (MANDATORY)

March 10, 2022

TO: Virginia Housing Development Authority
601 South Belvidere Street
Richmond, Virginia 23220-6500

RE: 2022 Tax Credit Allocation Request

Name of Development: Middlebrook Trace
Name of Owner: Middlebrook Trace VA LLC

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 10, 2022 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

**RESOLUTION OF THE COUNCIL OF THE CITY OF STAUNTON, VIRGINIA,
DESIGNATING 914 MIDDLEBROOK AVENUE (PID 2896)
AS A REVITALIZATION AREA**

A. Pursuant to § 36-55.30:2(A) of the Code of Virginia of 1950, as amended, the City Council of the City of Staunton, Virginia, desires to designate 914 Middlebrook Avenue (PID 2896) as shown on Exhibit A attached hereto as a revitalization area;

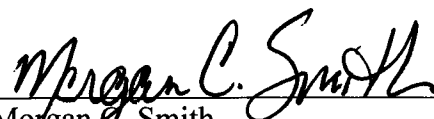

B. 914 Middlebrook Avenue (PID 2896) is located in an area where the industrial, commercial, or other economic development of such area will benefit the City of Staunton but such area lacks the housing needed to induce manufacturing, industrial, commercial, governmental, educational, entertainment, community development, healthcare or nonprofit enterprises or undertakings to locate or remain in such area; and private enterprise and investment are not reasonably expected, without assistance, to produce the construction of decent, safe and sanitary housing and supporting facilities that will meet the needs of low and moderate income persons and families in such area and will induce other persons and families to live within such area and thereby create a desirable economic mix of residents in such area.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Staunton, Virginia, that pursuant to § 36-55.30:2(A) of the Code of Virginia of 1950, as amended, 914 Middlebrook Avenue (PID 2896) is hereby designated as a revitalization area.

ALSO PRESENT: **Steven Rosenberg, City Manager**
 Leslie Beauregard, Assistant City Manager

Mayor Oakes called the meeting to order: Mayor Oakes called this meeting of Staunton City Council to order. Mayor Oakes noted that this meeting is being broadcast over the City’s cable channel and streamed live on the City’s website so that members of the public may hear the meeting. The meeting is also being recorded.

Mayor Oakes asked the Clerk of Council to call the roll for confirmation of those Council members present for today’s meeting.

Clerk of Council Call the Roll of Council Members Present:

Mayor Oakes	aye	Vice Mayor Robertson	aye
Ms. Darby	aye	Ms. Dull	aye
Mr. Holmes	aye	Ms. Mead	aye
Mr. Claffey	aye		

Mayor Oakes asked that City Manager Steve Rosenberg note the participation of any City officials or colleagues, or anyone else, during today’s meeting by Zoom or telephone.

Mr. Rosenberg stated participating on the Zoom platform were Andrew McRoberts, Interim City Attorney, council members Mead and Dull and Jen Surber and CJ Tyree, representatives of the developer of Middlebrook Trace.

Background Statement:

Mayor Oakes stated “please let me mention that notice, reasonable under the circumstances, of this meeting has been given to the public contemporaneously with the notice provided to members of City Council. In addition to limited public seating in city hall, access to this meeting has been provided to the public by audio feed on the City’s cable channel and the City’s website. During

public hearings, toward the beginning of the meeting, and Matters from the Public on Council's agenda, toward the end of the meeting, public comments will be taken, in person and by telephone. Members of the public who wish to participate in such matters by telephone, at the appropriate time, may call (844) 854-2222 and, when prompted, enter the access code 619358#. Callers will be recognized in order. The public is reminded that public hearings and Matters from the Public is a time for Council simply to listen to your comments. Each speaker will be limited to five minutes. Detailed instructions for public participation by telephone have been publicized over the course of the past week on the City's website and Facebook page and can be found now on the agenda for this meeting and on Council's website at: www.ci.staunton.va.us/government/city-council.

Also, let me highlight and have reflected in the meeting minutes that this meeting, although being conducted in person, is also being conducted by Zoom, with virtual participation of certain members of City Council, given the catastrophic nature of the declared emergency and disaster related to the COVID-19 outbreak, which as part of the total circumstances makes it impracticable or unsafe to assemble in a single location. The meeting is being held consistent with City Council Ordinance 2020-04 regarding continuity of government, a copy of which can be found online at: www.staunton.va.us/cogord2020-04, as extended by City Council Ordinance No. 2021-06."

Mayor Oakes then asked that everyone wear a mask while in City Hall and Council Chambers. She reminded the public that there were hand sanitizing stations in the hall, sanitizing wipes at the podium and that everyone should remember to socially distance.

The Pledge of Allegiance was recited in unison.

The invocation/moment of silence was given by Mr. Claffey.

MAYOR'S REPORT

Mayor Oakes stated that she had the honor of speaking to a group of fourth grade students at A. R. Ware Elementary School about serving as Mayor and on City Council. She attended, along with Mr. Rosenberg, a meeting of the Staunton Downtown Development Association (SDDA). She is pleased to report that SDDA continues to keep downtown as vibrant as possible. Mayor Oakes and her son also participated in a trash pickup in the West End. Finally, she wanted to thank Interim City Attorney Andrew McRoberts for his guidance and professionalism during his tenure.

ADDITIONAL ITEMS BY MEMBERS OF COUNCIL

Ms. Dull stated Council Procedure Memoranda No. 2 Item 4 says that a report from the Nominations Committee will be sent to Council with the agenda materials prior to the Council meeting. As this wasn't done, she said that Council needed to wait until those who are not on the Nominations Committee received the report.

Mayor Oakes asked Mr. Rosenberg and/or Mr. McRoberts to provide guidance. Mr. Rosenberg stated that the Council Memoranda, adopted by Council at its organizational meeting, generally govern the conduct of the body in a particular instance, but in his opinion, it is within Council's

authority to dispense with the application of a procedure in a particular instance if it so desires. Mr. McRoberts concurred and said that if the Council wishes to make a motion to supersede it, then they can certainly do that.

Ms. Dull stated that she was amazed that Council was going to ignore memoranda, but that it was good because then Council could ignore waiting two years to name something after someone who passed. Ms. Mead agreed.

Ms. Mead asked why the Nominations Committee did not provide a report. Mayor Oakes responded that as long as she has been on Council, that the Council have proceeded with the vote from the Nominations Committee right after they have had their meeting. She opined that in some cases the Nominations Committee would have meetings right before the Work Session. She asked if anyone on the Nominations Committee would like to make any comments. Mr. Claffey stated that he believed the Committee was following standard routine policy and had not changed their procedures. Mayor Oakes suggested that perhaps it was a time to look at the Nominations Committee procedure.

Vice Mayor Roberts moved that Council go ahead and proceed with the Nominations Committee report and dispense with Council Memoranda No. 2 Item 4 so that Council could vote.

The motion was seconded by Ms. Darby and carried as follows:

Mr. Holmes	aye	Mayor Oakes	aye
Mr. Claffey	aye	Vice Mayor Robertson	aye
Ms. Dull	no	Ms. Mead	no
Ms. Darby	aye		

Mr. Claffey stated the Nominations Committee met on March 2, 2021 and offered the following recommendations for persons to serve on Boards and Commissions:

To appoint Allison Profeta to the Redevelopment and Housing Authority to replace the expired term of Vickie Painter for a four-year term beginning March 1, 2021 and ending February 28, 2025.

And to appoint David Rissmeyer to the Redevelopment and Housing Authority to fill the unexpired term of Shannon Harrington, beginning March 1, 2021 and expiring January 31, 2022

And to appoint Pamela Mason Wagner to the Tourism Advisory Board to fill the unexpired term of Charis Tucker, beginning March 1, 2021 and expiring December 31, 2022.

And to appoint Nelson Ashby to the Economic Development Authority fill the unexpired term of Bruce Elder, beginning March 1, 2021 and expiring January 31, 2023.

And to reappoint Taylor Flavin Rose to the Youth Commission for a three-year term beginning February 1, 2021 and expiring January 31, 2024.

Mr. Claffey stated he moved for Council to appoint all persons listed.

Ms. Dull stated that she would prefer that each of these board appointments be in a separate motion so that Council can vote individually on the applicants. Mayor Oakes made the recommendation that Council would vote on the appointments as a slate so as not to embarrass any citizen that is willing to serve on a board or commission.

Council members did not have any further questions or comments.

Vice Mayor Robertson	aye	Ms. Dull	aye
Ms. Mead	aye	Ms. Darby	aye
Mr. Holmes	aye	Mayor Oakes	aye
Mr. Claffey	aye		

Ms. Mead shared that Shenandoah Green would be planting trees over the weekend and if anyone was interested in volunteering, they were to reach out to Ms. Dull or herself. She also said that the organization is looking for private homes and/or churches interested in having trees planted on their property.

APPROVAL OF MINUTES

Mr. Holmes moved to approve the Work Session and Regular Meeting Minutes of February 25, 2021 with a correction to the Regular Meeting minutes on line 122 changing “wanted” to “saw.”

REGULAR MEETING

A. Public Hearing and Consideration of an Ordinance to Authorize a Public Right-of-Way Encroachment by the City of Staunton for Placement of a Sign by American Frontier Culture Foundation Located Along George M. Cochran Parkway

Jeff Johnston, Director of Public Works, stated that the American Frontier Culture Foundation, on behalf of the Frontier Culture Museum, has asked permission to encroach upon the public right of way to put a sign up in the roundabout on the George M. Cochran Parkway, between McDonald’s and Chick-Fil-A off of Richmond Avenue. Staff has reviewed the design and the Foundation has been very accommodating in meeting all of the City’s requirements. Mr. Johnston stated that while he is normally anti-encroachment, in this particular case, he concurs with staff that Council allows this encroachment as it is in the public interest.

Mayor Oakes asked Council members if they had any questions.

Council members did not have any questions.

The public hearing was opened.

Peggy Sheets, 2087 Hermitage Road, stated that she was the Chair of the Board of Trustees for the Frontier Culture Museum. She encouraged Council’s consideration of this ordinance. The Frontier Culture Museum has been a partner with the City of Staunton and surrounding areas for 31 years. The new development in front of the Museum’s entrance has made it difficult for visitors to find the Frontier Culture Museum.

There being no one else wishing to speak, the public hearing was closed.

Ms. Darby moved that City Council adopt an ordinance to authorize a public right-of-way encroachment by the American Frontier Culture Foundation of a sign into the public right-of-way of the City of Staunton along George M. Cochran Parkway, as presented.

The motion was seconded by Mr. Claffey and carried as follows:

AN ORDINANCE AUTHORIZING A PUBLIC RIGHT-OF WAY ENCROACHMENT BY AMERICAN FRONTIER CULTURE FOUNDATION, ON A CITY OF STAUNTON PUBLIC RIGHT-OF-WAY LOCATED ALONG GEORGE M. COCHRAN PARKWAY IN THE CITY OF STAUNTON, VIRGINIA

Recitals

A. American Frontier Culture Foundation (“Owner”) is the Owner of the property located at 1290 Richmond Avenue (Parcel ID 10509), in the City of Staunton, Virginia (“City” or “City of Staunton”);

B. The Owner desires to establish and maintain a private sign which will encroach into the public right-of-way of the City of Staunton along a portion George M. Cochran Parkway, as shown by the plans entitled Frontier Culture Traffic Circle Sign prepared by Lineage Architects, P.C. and last revised February 25, 2020, annexed as **Exhibit A** and incorporated by reference;

C. The public right-of-way will not be significantly impaired by this encroachment;

D. The encroachment has been the subject of a public hearing by the Council of the City of Staunton;

E. Owner is a foundation affiliated with the Frontier Culture Museum of Virginia, an agency of the Commonwealth of Virginia, which operates a museum in the City of Staunton (“Museum”);

F. The proposed sign will serve a valid public purpose of promoting tourism and assisting visitors and citizens to locate the Museum, located proximately to the sign on George M. Cochran Parkway;

G. It has been determined by the Council of the City of Staunton that this encroachment will serve the public interest at this time; and

H. These recitals are an integral part of this ordinance.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Staunton, Virginia, that:

1. The Owner be, and the same hereby is, authorized to establish and maintain an encroachment into the public right-of-way along George M. Cochran Parkway, such encroachment consisting of a sign, as generally shown on the annexed drawings, until the encroachment is removed or destroyed or the authorization to maintain it is terminated by the City; provided, that this authorization to establish and maintain this encroachment, to the extent that Owner may be held liable under the Virginia Tort Claims Act, shall not be construed to relieve Owner of liability for any negligence on account of or in connection with the encroachment and shall be subject to the provisions set forth below.

2. The authorization hereby granted to establish and maintain such encroachment shall be subject to and conditioned upon Owner maintaining, at all times and at its own expense, liability insurance, covering both bodily injury and property damage, with a company authorized to transact business in the Commonwealth of Virginia and with minimum limits as follows:

Bodily Injury:	\$1,000,000 each occurrence
	\$1,000,000 aggregate
Property Damage:	\$1,000,000 each occurrence
	\$1,000,000 aggregate

This liability insurance policy shall identify the City of Staunton as named additional insured and shall provide for the indemnification of the City of Staunton and Owner against any and all loss occasioned by the establishment, construction, placement, existence, use or maintenance of the encroachment. Evidence of the policy and any renewal thereof shall be filed with the city manager’s office. Any other provision herein to the contrary notwithstanding, in the event this policy of insurance lapses, is canceled, is not renewed or otherwise ceases to be in force and effect, the authorization herein granted to establish and maintain the encroachment shall, at the option of the city, forthwith and without notice or demand by the city, terminate. In that event, Owner shall, upon notice from the city, remove the encroachment from the public right-of-way, or

the city, at its option, may remove the encroachment at the expense and risk of Owner. Nothing in this section shall relieve Owner of his obligations and undertakings required under this ordinance.

3. The authorization to establish and maintain such encroachment is subject to and conditioned upon the city's approval of the design, materials, and placement of the sign.

4. The authorization to establish and maintain such encroachment is subject to and conditioned upon Owner contractually requiring its contractor(s) responsible for performing work in conjunction with or establishing or maintaining the encroachment to obtain from the City all permits required by the City for such work and complying with all insurance requirements associated with such permits.

5. The authorization hereby granted to establish and maintain such encroachment shall in addition be subject to and conditioned upon the following terms: Neither the City of Staunton nor any public utility company shall be responsible for damage to Owner's property encroaching into the public right-of-way during repair, maintenance or replacement of the public right-of-way or any public facilities or utilities in the area of encroachment.

6. By accepting the authorization hereby granted to establish and maintain the encroachment and by so establishing and/or maintaining the encroachment, Owner shall be deemed to have promised and agreed to indemnify, defend, and hold harmless the City of Staunton, its officials and employees, from any and all liability (including attorneys' fees and litigation expenses) arising by reason of the establishment, construction, placement, existence, use or maintenance of the encroachment.

7. The authorization herein granted to establish and maintain the encroachment shall be subject to Owner maintaining the area of the encroachment in a condition as required by provisions of the Staunton City Code, including, without limitation, Chapter 18.140, Signs, Billboards, and Other Advertising Structures, to the extent applicable. Without limiting the foregoing, the Owner shall be further obligated, to the satisfaction of the City, to (a) maintain the sign erected in the encroachment in good repair and in a safe, neat, clean, and attractive condition, and (b) cut the grass in the entire traffic circle in which the encroachment is located.

8. Nothing in this ordinance is intended to constitute, or shall be deemed to be, a waiver of sovereign immunity by or on behalf of the City of Staunton, the Owner, or any of their officers or employees.

9. The authorization herein granted to establish and maintain the encroachment shall be terminated whenever the City of Staunton desires to use or modify the affected public right-of-way for any purpose whatsoever and, by written notification, demands from Owner the removal of the encroachment. Owner shall, upon such notice from the City, remove the encroachment from the public right-of-way by such time as designated by the City; or the City, at its option, may remove the encroachment at the expense and risk of Owner without liability to Owner for any loss or damage to the structure of the encroachment, the attached structure, if any, or personal property therein caused by the removal.

10. Pursuant to Virginia Code § 15.2-2011, as amended, the Owner be, and the same hereby is, further authorized to maintain an additional sign encroaching on the existing public

right-of-way along Frontier Center Trail, as such sign exists in its present location on the date of adoption of this ordinance, until such sign is destroyed or removed; however, nothing contained in this ordinance shall be construed to relieve Owner of negligence on its part on account of such sign and such further authorization is subject to the other provisions of this ordinance applicable to the encroachment of a sign authorized in the right-of-way of George M. Cochran Parkway.

B. Public Hearing and Consideration of an Ordinance to Partially Exempt from Real Estate Taxation by Classification or Designation Property Located at 914 Middlebrook Avenue in the City of Staunton, Virginia and Proposed to be Developed by Middlebrook Trace VA LLC as Middlebrook Trace

Rodney Rhodes, Senior Planner, stated that Middlebrook Trace VA, LLC., proposes to develop an 82-unit apartment complex at 914 Middlebrook Avenue that will serve low- and moderate-income families. The proposal is for two, 3-story buildings consisting of 40 units with two bedrooms and 42 units with three bedrooms. The site contains 24.34 acres and is zoned R-4 High Density Residential. Multi-family apartments are permitted in the R-4 District with administrative review/approval of a site plan. No further land use approvals are required. The proposed development is well within the density limits of the R-4 District.

Mr. Rhodes reiterated that this development is a federal tax credit project, therefore the developer is requesting three things from the Council. (1) a tax abatement ordinance; (2) a revitalization area resolution; and (3) authorization of the City Manager to submit a letter to Virginia Housing supporting the project for the allocation of federal tax credits.

The tax abatement ordinance request is for a tax abatement of \$2,000 per year for a period of three years. The developer estimates they will do about \$11.5 million worth of improvements to this property. Based on that figure and the current tax rate, the City Assessor estimates that the annual tax revenue would be \$109,000 starting in 2024 when the project is completed.

The revitalization area resolution will increase the developer's application score by 15 points. Although this area is not already established as a redevelopment area or conservation area, nor is it in a housing rehabilitation zone, if Council adopts the resolution, the project may qualify for the aforementioned points. Staunton's comprehensive plan supports low to moderate income housing, therefore support of this resolution helps the City move toward the Consolidated Plan directive established in 2019.

The purpose of the support letter is to communicate the City’s support for the allocation of Federal Housing Tax Credits requested by the developer for the proposed development. Staff recommends that City Council approve all three of these items.

Mayor Oakes asked Council members if they had any questions.

Council members did not have any questions.

The public hearing was opened.

Callers:

Carter Hunter Hopkins, 632 West Frederick Street, asked if there was a sidewalk on Bridge Street and whether or not Council believed that people making \$7.25 an hour can be expected to pay half of their income on rent.

There being no one else wishing to speak, the public hearing was closed.

Vice Mayor Robertson moved that City Council, pursuant to Virginia Code § 58.1-3219.4, adopt the proposed ordinance, partially exempting from real estate taxation property located at 914 Middlebrook Avenue in the City of Staunton, Virginia and proposed to be developed by Middlebrook Trace VA LLC as Middlebrook Trace, as presented.

The motion was seconded by Mr. Holmes.

Ms. Mead stated that Council and staff need to make sure that in the future if the City is going to provide affordable housing for Staunton citizens that safe access to public transportation be a priority.

 IN THE CITY OF STAUNTON, VIRGINIA
 AND PROPOSED TO BE DEVELOPED BY MIDDLEBROOK TRACE VA LLC
 AS MIDDLEBROOK TRACE**

Recitals

A. Middlebrook Trace VA LLC (Middlebrook Trace) has applied to the Council of the City of Staunton, Virginia, for an ordinance providing it with partial tax-exempt status from the City of Staunton on real property taxes relating to the proposed development of 914 Middlebrook Avenue (PID 2896) (Property);

B. Council desires to support and encourage the development of the Property by enacting an ordinance to provide Middlebrook Trace with a partial tax exemption from real property taxes;

C. On March 11, 2021, Council held a public hearing in accordance with notice duly and lawfully published in *The News Leader*;

D. Virginia Code § 58.1-3219.4 authorizes Council to enact such exemptions within the limitations therein prescribed and as may be prescribed by this Council; and

E. These recitals are an integral part of this ordinance.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Staunton, Virginia, pursuant to § 58.1-3219.4 of the Code of Virginia that:

1. The real property located of 914 Middlebrook Avenue (PID 2896) is to be partially exempted, as provided in this ordinance.

2. At a public hearing duly and lawfully held on March 11, 2021, pursuant to public notice, the Council examined and considered Middlebrook Trace's proposal for partial tax exemption.

3. Council hereby finds that:

A. The Property, along with improvements currently located thereon, is assessed at a total of Two Hundred Forty-Three Thousand Nine Hundred Thirty and No/100 Dollars (\$243,930.00) for tax year 2020, and the cost of the proposed improvements, as represented by Middlebrook Trace, is expected to be Eleven Million Four Hundred Eighty Thousand and No/100 Dollars (\$11,480,000.00).

B. The real property taxes that were paid by the Property's owner for tax year 2020, were Two Thousand Three Hundred Seventeen and 34/100 Dollars (\$2,317.34). The increase in value attributable to the proposed improvements could result in an increase of the amount of total tax on the Property in the amount of One Hundred Nine Thousand and No/100 Dollars (\$109,000.00).

C. Middlebrook Trace is an organization that proposes to develop housing structures for historically underprivileged residents of the City of Staunton, and nearby areas. The proposed development of the Property will serve the City of Staunton, and its residents, as an affordable housing option. Accordingly, Middlebrook Trace is eligible for a partial exemption

from the assessment of real property taxes as a result of such development under Virginia Code § 58.1-3219.4.

4. Council hereby exempts Middlebrook Trace from real property taxes assessed against the Property in the amount Two Thousand and No/100 Dollars (\$2,000.00) annually for a period of three (3) tax years from the date of final completion of such development, but in no event shall the exemption continue for more than five (5) tax years from the effective date of this ordinance.

5. The cost of the proposed improvements shall be presumed as shown on the building permit application submitted by Middlebrook Trace.

6. The exemption granted by this ordinance is contingent upon the following:

A. Middlebrook Trace’s acquisition of record title to the Property; and

B. Middlebrook Trace providing housing predominately for persons with low to moderate income as defined by Virginia Housing.

**RESOLUTION OF THE COUNCIL OF THE CITY OF STAUNTON, VIRGINIA,
DESIGNATING 914 MIDDLEBROOK AVENUE (PID 2896)
AS A REVITALIZATION AREA**

RECITALS

A. Pursuant to § 36-55.30:2(A) of the Code of Virginia of 1950, as amended, the City Council of the City of Staunton, Virginia, desires to designate 914 Middlebrook Avenue (PID 2896) as shown on Exhibit A attached hereto as a revitalization area;

B. 914 Middlebrook Avenue (PID 2896) is located in an area where the industrial, commercial, or other economic development of such area will benefit the City of Staunton but such area lacks the housing needed to induce manufacturing, industrial, commercial, governmental, educational, entertainment, community development, healthcare or nonprofit enterprises or undertakings to locate or remain in such area; and private enterprise and investment are not reasonably expected, without assistance, to produce the construction of decent, safe and sanitary housing and supporting facilities that will meet the needs of low and moderate income persons and families in such area and will induce other persons and families to live within such area and thereby create a desirable economic mix of residents in such area.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Staunton, Virginia, that pursuant to § 36-55.30:2(A) of the Code of Virginia of 1950, as amended, 914 Middlebrook Avenue (PID 2896) is hereby designated as a revitalization area.

E. Update on Progress of COVID-19 Vaccine Distribution

Mr. Rosenberg stated that at the request Councilmember Amy Darby, this item has been added to Council's regular meeting agenda. Due to unforeseen circumstances, Dr. Laura Kornegay, health director of the Central Shenandoah Health District (CSHD), was unable to attend. Laura Lee Wright, Public Information Officer for the CSHD, was also unavailable, but provided Mr. Rosenberg with a statement to read.

He read the following: "Tomorrow, March 12th, marks the year anniversary since the first documented case of COVID- 19 in the Central Shenandoah Health District. Over the last 12 months, CSHD has reported 25,655 COVID-19 cases, 875 hospitalizations due to COVID-19, and 471 deaths due to COVID-19. In the City of Staunton specifically, there have been 2,488 COVID-19 cases, 77 hospitalizations due to COVID-19, and 69 deaths due to COVID-19.

In the City of Staunton, cases have been decreasing for the past 73 days, which is reflective of an overall decrease in cases throughout the Northwest region of the Commonwealth. Staunton's percent positivity is at 7-day average of 4.7%, a percentage that we have not seen since prior to the surge of cases in November. Overall, cases are decreasing, as well as hospitalizations and deaths due to COVID-19, which is great news. Furthermore, we now have three very effective COVID-19 vaccines available to our community members. Though we are seeing a decrease in cases coupled with an increase in COVID-19 vaccines, we need to continue to be vigilant in practicing mask wearing, social distancing, hand hygiene, and following quarantine and isolation protocol. This is especially true as we see more new variants of the virus that causes COVID-19 pop up across the Nation and in the Commonwealth.

To date, the Central Shenandoah Health District has dispensed over 35,000 COVID-19 vaccines to our community. This number is reflective of only the health districts efforts and does not capture the vaccine efforts of local healthcare partners. For the City of Staunton, approximately 11, 657 persons have received their first dose of the COVID-19 vaccine. Approximately 5,000 persons in Staunton are fully vaccinated. Though we experienced a slow vaccine rollout due to limited vaccine supplies at the Federal and State level, vaccines are coming and our local vaccine allocation continues to increase. The health district has access to all three COVID-19 vaccines available, including the two dose Moderna and Pfizer mRNA vaccines, and the first dose Johnson & Johnson viral vector vaccine.

CSHD and our healthcare partners are currently vaccinating persons in Phase 1a and Phase 1b. We recently expanded eligibility for persons in Phase 1b to include essential workers in food and agriculture, manufacturing, and grocery store workers (in conjunction with the essential worker groups we were already vaccinating which includes law enforcement/fire/hazmat, migrant labor camps/correctional facilities/homeless shelters, and K-12/childcare workers).

We have also expanded our vaccination efforts for individuals who are eligible for the COVID-19 vaccine based on age and/or medical condition. Currently, we are vaccinating persons age 65+ and persons 50-64 with certain medical conditions and disabilities. We expect to be expanding to other age groups who are eligible for the vaccine as a part of the persons age 16-64 with certain medical conditions and disabilities very soon.

We encourage everyone to pre-register for the COVID-19 vaccine by going to vaccinate.virginia.gov or by calling 877-VAX-IN-VA (877-829-4682). Pre-registering for the COVID-19 vaccine is very important for everyone to do, no matter if they are eligible for the COVID-19 vaccine in Phase 1 or Phase 2. CSHD is transitioning our COVID-19 vaccine clinic appointment process from invitation-only to a combination of invitation-only and posting appointment slots on our website starting Sunday, March 7th. CSHD will be posting available appointment slots for the next day's clinics at 12:00 pm on our website. These appointments are based on vaccine availability.

CSHD will be continuing to use the State Pre-Registration database to pull names of eligible persons and inviting them to our clinics first. If there are still appointment slots that need to be filled, then these appointments will be available on our website. Persons who are pre-registered will receive priority access to vaccine appointments. We hope to make appointments more accessible to eligible community members and provide another way to register for an appointment. Our goal is to get vaccines in arms as quickly, efficiently, and equitably as possible. Our COVID-19 vaccine appointment webpage is: <https://www.vdh.virginia.gov/central-shenandoah/covid-19-vaccine-appointments/>.”

Vice Mayor Robertson provided an update from the Augusta Health COVID clinic. As of this morning, Augusta Health had given 34,000 vaccinations. During the day an additional 700 were provided. The guidelines for Augusta Health are different for those interested in getting the vaccine at Augusta Health. Those aged 65 and above from Staunton, Augusta County or Waynesboro are eligible. As are those aged 45 to 64 with chronic health conditions. Augusta Health is mainly distributing the Pfizer vaccine, but on weekends are providing the Johnson & Johnson vaccine. The Vice Mayor encouraged everyone to get a vaccine no matter which kind and to sign up at Augustahealth.com.

Mayor Oakes asked Council members if they had any questions.

Ms. Mead asked the Vice Mayor if he was speaking as an authorized representative of Augusta Health. He responded that he was a pharmacist who works in the Augusta Health COVID clinic and had been given permission to relay the information.

Council members did not have any further questions.

F. Resolution Requesting the Staunton Circuit Court to Appoint an Alternate Member to the Staunton Board of Equalization

Charley Haney, City Assessor, stated that it would be beneficial to the City and its citizens if the Board of Equalization (BOE) had an alternate member of the board to more equitably and efficiently consider assessment appeals. The board is made up of citizens of the City of Staunton and at least one of those members must be a real estate professional. Currently the BOE has three members. Often there are times when a BOE member must recuse themselves from hearing an appeal or a taxpayer may request a board member recuse themselves. Therefore, supporting the resolution to have an alternate member appointed would help the BOE be more efficient.

Mayor Oakes asked Council members if they had any questions.

Ms. Mead asked if Mr. Haney had anyone in mind for the position and how these people are identified. Mr. Haney responded that he does have one person who volunteered if the position was created and he has another person in mind if the original does not accept. He stated that names of those interested come from professional connections and recommendations are welcome. Ultimately the Circuit Court Judge has to appoint them. Members must be a resident of the City; the majority must be freeholders and at least a third of the members have to be in the category of a real estate professional.

Council members did not have any questions.

Mr. Holmes moved that City Council adopt a resolution requesting the Staunton Circuit Court to appoint an alternate member to the Staunton Board of Equalization, as presented.

The motion was seconded by Ms. Darby and carried as follows:

Ms. Dull	aye	Ms. Darby	aye

REQUESTING THE CIRCUIT COURT FOR THE CITY OF STAUNTON, VIRGINIA
TO APPOINT AN ALTERNATE MEMBER TO THE STAUNTON BOARD OF
EQUALIZATION**

Recitals

A. The City of Staunton elected to create a permanent Board of Equalization (Board), consistent with Virginia Code § 58.1-3373;

B. The Board is tasked with hearing and giving consideration to complaints and adjusting and equalizing real estate assessments and is charged with the especial duty of increasing as well as decreasing real estate assessments;

C. The Board consists of three regular members, appointed by the Circuit Court for the City of Staunton who are appointed for three-year terms;

D. In addition to the appointment of regular members, at the request of the local governing body, the circuit court for any locality may appoint one alternate member to the Board;

E. Pursuant to Virginia Code § 58.1-3373, the qualifications and compensation of alternate members shall be the same as those of regular members. In the case of a three-member board, the alternate shall be appointed for a two-year term;

G. Discussion and Introduction of Ordinance to Appropriate an Additional 20% of the FY2021 Adopted Budget

Phil Trayer, Chief Finance Officer, stated that in response to the uncertainty of the pandemic, the City's budget was appropriated at a level of 60% to allow staff to assess the impact of the pandemic was having on revenue as the fiscal year unfolded. In December 2020 Council appropriated an additional 20% of the FY2021 Adopted Budget bringing the total appropriation up to 80% at that time. Revenues continue to flow into the City at a level to meet the FY 2021 Budget requirements.

Meals Taxes through January are down \$313,000 compared to the same time last year, but are \$317,000 above budget projections. Sales Taxes through December are up \$32,000 compared to the same time last year, and are \$645,000 above budget projections. Lodging Taxes through January are down \$223,000 compared to the same time last year, and are \$104,000 below budget projections. In addition, Real Estate, Personal Property and Business Occupational are all set to meet budget projections.

Given these overall positive variances, Mr. Trayer feels comfortable with suggesting the appropriation of the final 20% of the FY 2021 Budget.

The final request equals \$22,858,124 and does not require a public hearing as one was held during the budgeting process for the full budget amount.

City portion of the budget appropriation equals \$15,417,704 and the Schools portion of the budget appropriation equals \$7,440,420. Consideration of the ordinance is scheduled for March 25, 2021.

Mayor Oakes asked Council members if they had any questions.

Council members did not have any questions.

Vice Mayor Robertson moved to introduce an ordinance amending the fiscal year 2021 budget by adding an additional twenty percent (20%) of the FY2021 adopted budget in an amount equal to \$22,858,124.

The motion was seconded by Mr. Holmes and carried as follows:

MATTERS FROM THE CITY MANAGER

Mr. Rosenberg stated that not only would new City Attorney John Blair be starting on Monday, but so would the new Communications Manager, Michelle Bixler. She will be introduced to Council at the March 25 meeting. He also provided an update on the safety improvements to Gypsy Hill Park. Some of those improvements include signage and pavement markings and other measures to address occasional conflicts among bicyclists, pedestrians and vehicles.

MATTERS FROM THE PUBLIC

Mayor Oakes read the following statement:

“This part of City Council’s agenda is entitled ‘matters from the public.’ It is a time that Council sets aside to hear from citizens and others about a wide variety of subjects. Before we begin, I’d like to share five basic ground rules that we ask you to respect as you make your remarks:

1. Please come to the podium, identify yourself, and complete your remarks within 5 minutes. The Mayor will let you know when you’ve reached your 5 minutes. So we ask that you please give your name, your address, and then keep your remarks at 5 minutes or less.

2. This is a time for us as a Council simply to listen to your remarks. In an effort to encourage and maintain orderly conduct, we will not engage in give and take debate. If you are seeking information, you may mention it during your remarks and the City Manager or his staff may get in touch with you in the days ahead.
3. We ask that you direct your comments to Council as a whole and not to identify members of Council or to an individual employee of the City. If you want to take up an issue with an individual member of Council or an employee, please speak with us before or after the meeting. We are also accessible by phone, mail or email. Again, we ask that you direct your comments to the Council as a whole.
4. We expect every speaker to be civil and courteous. Using profanity, making personal attacks on an individual, and doing anything that is disruptive to the orderly conduct of this meeting will not be tolerated.
5. Finally, as the presiding officer, it is my duty to remind you that if you choose not to abide by these ground rules, I may find that you are out of order and will ask you to withdraw from the podium. We certainly do not want to reach that point and even beyond, so we respectfully ask for your full cooperation in observing these guidelines.

When you reach 5 minutes, I will let you know. If you continue to speak, I will ask you to step away from the podium, and a third time I will ask you to please stop speaking and step away from the podium. Otherwise, you may be charged with disorderly conduct under Virginia Code Section 18.2-415.A.2.

If you wish, you may obtain a copy of the ground rules from our Clerk of Council, Ms. Simmons. And now, we welcome all speakers. The podium is now available for matters from the public.”

Speaking in person were:

Rusty Ashby, 917 Powhatan Street, thanked City Council for supporting his appointment to the Economic Development Authority. He also stated that he was looking forward to a time when meetings could once again be in person.

Deborah Kushner, 1311 North Augusta Street, encourages Council to denounce the violence of January 6, 2021 and would appreciate a response regarding the Staunton Equity Coalition’s request for an equity officer. She spoke against the purchase of golf carts for the golf course and the expansion of the Middle River Regional Jail. She also suggested renovation of Booker T. Washington to be used as a community center.

There was no one else to speak in person.

Callers on the line included:

David Copper, 1603 Ridgeway Drive, asked that Council oppose the expansion of the Middle River Regional Jail and that Council make a statement in regards to January 6, 2021.

Julie Scofield, Lake Avenue, asked Council to condemn the actions of January 6, 2021 and that they oppose the expansion of the Middle River Regional Jail.

Sheila Ahmadi, College Park, requested that City Council make a statement concerning January 6, 2021. She also spoke against the expansion of the Middle River Regional Jail.

James Mills, 1500 North Coalter Street, thanked City Council for discussing the COVID-19 vaccine and encouraging everyone to get vaccinated. He also spoke out against the Middle River Regional Jail expansion.

Nitch Narduzzi, South Jefferson Street, spoke in opposition of the Middle River Regional Jail expansion.

Linda Shalash, Spring Hill Road, asked that Council condemn the actions of January 6, 2021. She also spoke in opposition of the purchase of golf carts and the expansion of the Middle River Regional Jail.

Barbara Lee, 904 Rockway Street, conveyed to Council her sentiments in opposition to Council's prior vote regarding the November election and the January 6 events in D. C.

There were no other callers on the line.

AND PROPOSED TO BE DEVELOPED BY MIDDLEBROOK TRACE VA LLC
AS MIDDLEBROOK TRACE**

Recitals

A. Middlebrook Trace VA LLC (Middlebrook Trace) has applied to the Council of the City of Staunton, Virginia, for an ordinance providing it with partial tax exempt status from the City of Staunton on real property taxes relating to the proposed development of 914 Middlebrook Avenue (PID 2896) (Property);

B. Council desires to support and encourage the development of the Property by enacting an ordinance to provide Middlebrook Trace with a partial tax exemption from real property taxes;

C. On March 11, 2021, Council held a public hearing in accordance with notice duly and lawfully published in *The News Leader*;

D. Virginia Code § 58.1-3219.4 authorizes Council to enact such exemptions within the limitations therein prescribed and as may be prescribed by this Council; and

E. These recitals are an integral part of this ordinance.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Staunton, Virginia, pursuant to § 58.1-3219.4 of the Code of Virginia that:

1. The real property located of 914 Middlebrook Avenue (PID 2896) is to be partially exempted, as provided in this ordinance.

2. At a public hearing duly and lawfully held on March 11, 2021, pursuant to public notice, the Council examined and considered Middlebrook Trace's proposal for partial tax exemption.

3. Council hereby finds that:

5. The cost of the proposed improvements shall be presumed as shown on the building permit application submitted by Middlebrook Trace.

Middlebrook Trace Preliminary Review Utility Allowance Estimation

Dear Thomas,

Thank you for the opportunity to provide a preliminary review and Utility Allowance (UA) for Middlebrook Trace in Staunton, VA.

In order to estimate the electric utility use, we used RESNET standard approved software (Ekotrope and/or REM/Rate). Below is the projected electric utility allowance cost that represents the ‘worst case’ unit type (highest projected cost). The inputs used in the energy modeling were from the preliminary plans and attached assumptions of units meeting ENERGY STAR v3 standards. Water and sewer projections below were calculated using the HUD Water & Sewage Calculator, as well as the [VHDA Utility Allowance Schedule](#).

Unit Type	Electricity (ekotrope)	Water & Sewer (HUD)	Water & Sewer (VHDA)	Total UA (VHDA + ekotrope)
2Br	\$40	\$66	\$63	\$103
3Br	\$50	\$107	\$73	\$123

These figures are based on a set of assumptions that were needed to complete an initial assessment of development plans, as per *Appendix F – RESNET Rater Certification of Development Plans*, and will be revised accordingly as more detailed plans are developed. Should you have any questions do not hesitate to contact me.

Re: Affordable and Special Needs Housing Funding
Proposal

Dear Mr. Dustin Mills:

On behalf of the Department of Housing and Community Development (DHCD), it gives me great pleasure to inform you that Taft-Mills Group will receive a preliminary offer from the Fall 2021 Affordable and Special Needs Housing competitive loan pool in the amount of \$899,530 in National Housing Trust Fund (NHTF) funds to support the Middlebrook Trace project.

Please note that you will receive further communication regarding the need to execute a NHTF program agreement within the next few weeks. The program agreement must be fully executed within 12 months from the date of this letter in order for this preliminary offer to result in a program commitment and reservation of funds.

An allocation of federal NHTF funds requires a developer to designate a specific number of targeted units at 30 percent AMI. The specific number of NHTF-assisted units will be determined prior to the execution of the NHTF program agreement. No work activities on the proposed project can be initiated prior to fully executing the HOME program agreement. A HUD required environmental review must be completed, and any adjustment to the capital budget, operating expense budget, pro forma numbers and other project parameters must be approved by DHCD before the program agreement can be executed.

A member of our ASNH team will be contacting you via email to begin the contract negotiation process soon. We are pleased to be of assistance to Taft-Mills Group in its affordable housing efforts.

WHEREAS, Grantee has negotiated and required that the Company execute and deliver this Agreement in order to provide for such low-income housing.

NOW THEREFORE, in consideration of the execution and delivery of the Agreement and the payment of the Grantee to the Company of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. **Grant of Option.** The Company hereby grants to the Grantee an option (the “Option”) to purchase the real estate, fixtures, and personal property comprising the Property or associated with the physical operation thereof, owned by the Company at the time of Purchase, after the close of the fifteen (15) year compliance period for the low-income tax credit for the Property (the “Compliance Period”) as determined under Section 42(i)(1) of the Internal Revenue Code of 1986, as amended (the “Code”), on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Option specified herein.

2. **Grant of Refusal Right.** In the event that the company receives a bona fide offer to purchase the Property, which offer the Company intends to accept, Grantee shall have a right of first refusal to purchase the Property (the "Refusal Right") after the close of the Compliance Period, on the terms and conditions set forth in this Agreement, and subject to the conditions precedent to exercise of the Refusal Right specified herein. In addition to all the other applicable conditions set forth to this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the Refusal Right has been assigned to Permitted Assignee described in Section 10 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee meeting the requirements of Section 42(i)(7)(A) of the Code. Prior to accepting any bona fide offer to purchase the Property, the Company shall notify the Grantee of such offer and deliver a copy thereof. The Company shall not accept any such offer unless and until the Refusal Right has expired without exercise by Grantee under Section 6 hereof.

3. **Purchase Price Under Option.** The purchase price for the Property pursuant to the Option shall be the greater of (i) the Fair Market Value of the Property or (ii) the amount sufficient (a) to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, and (b) to distribute to the members cash proceeds equal to the taxes projected to be imposed on the members of the Company as a result of the sale pursuant to the Option.

As used in this Section 3, Fair Market Value shall mean:

- i) The fair market value determined as the Parties shall agree.
- ii) If the Parties cannot agree on a determination of the Fair Market Value, the fair market value as determined by an appraiser mutually acceptable to the Parties.
- iii) If the Parties cannot agree on selection of an appraiser, the Company shall provide Grantee with a list of three potential alternative appraisers. The Grantee shall choose one appraiser from such list who shall determine the fair market value of the Property.

4. **Purchase Price Under Refusal Right.** The purchase price of the Property pursuant to Refusal Right shall be equal to the sum of: (a) an amount sufficient to pay all debts (including Member Loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Refusal Right, (b) an amount sufficient to distribute to the members of the Company cash

proceeds equal to the taxes projected to be imposed on the members of the Company as a result of the sale pursuant to the Refusal Right, (c) an amount necessary to repay the managing member of the Company for any special capital contribution it had to make to pay off unpaid development fee, (d) expenses of sale, and (e) any amounts owed to the investor member of the Company under the operating agreement of the Company.

5. **Conditions Precedent.** Notwithstanding anything in this Agreement to the contrary, the Option and Refusal Right granted hereunder shall be contingent on the following:

- (i) the Regulatory Agreement shall have been entered into and remained in full force and effect and those Use Restrictions to be contained therein, shall have remained unmodified without its prior written consent, or
- (ii) if the Regulatory Agreement is no longer in effect due to reasons other than a default thereunder by the Company, such Use Restrictions, as so approved and unmodified, shall have remained in effect and shall continue in effect by inclusion in the vesting deed of the Property to the Company.

If any or all of such conditions precedent have not been met, the Option and the Refusal Right shall not be exercisable.

6. **Exercise of Option or Refusal Right.** The Option and Refusal Right may each be exercised by Grantee by giving prior notice of its intent to exercise the Option or the Refusal Right to the Company and each of its members in the manner provided in the Agreement in compliance with the requirements of this Agreement.

If prior to exercise of the Option or Refusal Right, as applicable, the Service has issued a revenue ruling or provided a private letter ruling to the Company holding that a covenant of the nature described hereinbelow may be utilized without limiting tax credits or deductions that would otherwise be available to the members of the Company, then as a condition of the Option and Refusal Right, the deed to Grantee shall include a special covenant ("Special Covenant") specifically restricting continued use of the Property to low-income and maximum rent requirements (excluding any right under the Code to raise rents after notice to the applicable state or local housing credit agency if it is unable to find a buyer at the statutory price) as are currently specified in the Agreement with reference to low-income housing tax credit (notwithstanding any future discontinuation of such credit or modification of federal requirements thereof), except insofar as stringent use requirements are imposed by the Regulatory Agreement. The Special Covenant shall constitute part of the Use Restrictions. The Special Covenant may state that is applicable and enforceable only to the extent such housing produces income sufficient to pay all operating expenses and debt service and fund customary reserves and there is a need for low-income housing in the geographic area the Property is located. The Special Covenant shall run with the land for a period of fifteen (15) years after closing of the purchase under the Option of the Refusal Right, as applicable, or, if longer, for the period

measured by the then remaining period of Use Restrictions under the Regulatory Agreement, provided that the Special Covenant shall terminate the option of any holder of the reverter rights described hereinabove, upon enforcement thereof.

In the event that neither the Option nor the Refusal Right is exercised, or the sale pursuant thereto is not consummated, then upon conveyance of the Property to any one other than Grantee or its permitted assignee hereunder, the foregoing provisions shall terminate and have no further force and effect.

7. **Assignment.** Grantee may assign all or any of its rights under this Agreement to (a) qualified nonprofit organization, as defined in Section 42(h)(5)(c) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Property (each a "Permitted Assignee") that demonstrates its ability and willingness to maintain the Property as low-income housing in accordance with the Use restrictions, and subject to any event to the conditions precedent to the Refusal Right grant and the Option price set forth in Sections 2 and 3 hereof. Prior to any assignment or proposed assignment of its rights hereunder, Grantee shall give written notice to the Company and all members of the Company. Upon any permitted assignment hereunder references to this Agreement to Grantee shall mean the permitted Assignee where the contact so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of Grantee's rights hereunder shall be effective unless and until the permitted Assignee enters into a written agreement accepting the assignment and assuming all of Grantee's obligations under the Agreement. Except as specifically permitted herein, Grantee's rights hereunder shall not be assignable.

8. **Miscellaneous.** This Agreement shall be governed by the laws of the Commonwealth of Virginia. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement.

WIRELESS ACCESS POLICY

Use of wireless devices and internet access are increasing as it provides a convenient mechanism for accessing resources. Along with this convenience is a need for management access, as the devices are natively less secure than a hardwired device. The following policy is being implemented to reduce risks related to wireless networks:

- Wireless networks shall be segmented between personnel, residents and guests.
- Wireless access points or routing devices are to be secured with lock access only accessible by the management agent.
- Logical and physical user access to wireless network devices shall be restricted to authorized personnel and residents only.
- The guest access point is to be used by all guests.
- All vendor default settings for wireless devices (e.g. passwords, wireless encryption keys) shall be changed prior to installing wireless equipment.
- Wireless security protocols shall be used that are of the highest encryption possible.
- Strong passwords shall be employed for all wireless SSID and changed on a periodic basis either through the protocol or across the enterprise
- User id will be issued to all users at that time of move in or hire date
- Passwords will expire every 90 days
- Passwords will need to include at least 1 uppercase letter, 1 lowercase letter, a number and special character.
- Passwords are not to be shared with guests, other residents or personnel.

The users of wireless access are responsible for protecting the information and/or devices:

- Devices should be equipped with firewalls and/or virus protection.
- Wireless networks transmitting sensitive information or connected to sensitive information environments recommend use of strong encryption for authentication and transmission.
- Inspections will be conducted semi-annually to assure wireless access points or routing devices are secure.

Residents, personnel or guests found in violation of policy may be subject to lease or employment termination.

Internet Safety

Playing it safe while playing online

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect

yourself. Your parents won't always be there to watch out for you, so stay sharp, learn all you can, and stay safe!

Privacy & Personal Information

Privacy is being able to keep things secret or hidden from others.

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

Think before you click

Do you know who sent that email?

Passwords

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

A great tool online that creates kid friendly passwords is the website, www.dinopass.com

Spam

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisements, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside. <http://www.britannica.com/topic/Trojan-horse>

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

<http://www.webopedia.com/DidYouKnow/Internet/virus.asp>

Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a "zombie computer". "Zombie computers" can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

<http://www.webopedia.com/TERM/Z/zombie.html>

Virus

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures(memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

<https://www.microsoft.com/security/pc-security/virus-whatis.aspx>

Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

Geotagging

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

Be Careful of What You Say!

Defamation: Defamation is the blanket word used for all types of untrue statements made about others. [Definition of Defamation on Law.com](#)

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

[Definition of Slander on Law.com](#)

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation. [Definition of Libel on Law.com](#)

Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

<http://ideas.time.com/2013/01/07/yelp-reviewers-beware-you-can-get-sued/>

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts, [click here](#).

Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to “groom”.

What is grooming you say? Well, grooming is when a stranger (can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as www.kidzworld.com. Kidzworld is moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

Cyberbullying

- Cyberbullying is the **willful and repeated harm** inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Consequences of Cyberbullying

Anything that you write, pictures that you post, or videos that you upload can be used by your school to suspend you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to **12 months in prison.**

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov

If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop
- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped. Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

About Sexting

“Sexting” is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or semi-nude pictures or videos of themselves is upsetting.

20% of teens between 13 to 19 years of age have engaged in sexting.

22% of teen girls

18% of teen boys

11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

About Sexting

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found [here](#).
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state. [Virginia Rules](#) has extensive information on sexting and other internet security risks.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it [here](#).

These sources may include, but are not limited to, rental magazines such as the *Apartment Shoppers Guide*, *Apartments For Rent*, local newspapers, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logo, slogan or statement, in compliance with the Fair Housing Act, as well as the fact that units for people with disabilities are available.

4. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. ***Residents will be offered incentives, to be determined, for referring qualified applicants who rent at the property.*** Flyers will be distributed to residents along with the resident newsletter announcing the tenant referral program.

5. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo. The marketing will also emphasize the physical and administrative compliance with Americans with Disabilities Act.

These marketing materials include:

- **Brochures or news media coverage**—A simple, two color brochure may be produced at low cost which will effectively sell the apartments and community. A brochure will include a listing of features and amenities. News media may include the local newspaper and/or the local television station coverage.
- **Flyers** - As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic.

III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. Excel Property Management Inc. encourages and supports an affirmative marketing program in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, elderliness, marital status, personal appearance, sexual orientation, familial status, physical or mental disability, political affiliation, source of income, or place of residence or business.

Additionally, a public relations program will be instituted to create a strong relationship between

management and local disability organizations, neighborhood civic organizations, city officials, and other sources of potential qualified residents still to be identified.

IV. Tenant Selection and Orientation

The first contact with the management operations is an important one in attracting qualified residents; therefore, the management/leasing offices should convey a sense of professionalism, efficiency, and cleanliness. The management/leasing office is designed to provide a professional leasing atmosphere, with space set aside specifically for applicant interviews and application assistance. The leasing interviews will be used to emphasize the respect afforded to the applicant and the responsibilities which the applicant will be expected to assume.

Times of Operation - the Management Office will be open Monday through Friday from 8:30 A.M. to 4:30 P.M. Applicants will be processed at the Management Office Tuesday, Wednesday and Thursday, in accordance with approved criteria. Move-in process and orientation to property - applicants meet with designated staff to discuss programs available on the property and will be supplied relevant information to assist them in their move.

Management staff will perform housekeeping/home visits, check previous landlord and personal references, perform criminal/sex offender and credit background checks and verify income for each application taken. Tenant Selection will include minimum income limits assigned by the Owner/HUD. New residents will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievance procedures and a review of the Lease documents.

Tenant Selection Criteria

Tenant Selection will include maximum income limits under the Low-Income Tax Credit and Section 8 programs. Selection criteria will also include student status guidelines pursuant to the Low-Income Housing Tax Credit program.

Management will commit that no annual minimum income requirement that exceeds the greater of \$3,600 or 2.5 times the portion of rent to be paid by tenants receiving rental assistance

Application Processing

Application processing will be done at the Management Office by the housing staff who are well versed in Fair Credit Law. As stated before, the processing will include a review of housekeeping/home visit, prior landlord references, personal references, criminal/sex offender and credit reporting and income verification. The housing staff will make further review for inaccuracies in the application. The annual income and family composition are the key factors for determining eligibility. However, the Housing Committee will also use the following criteria in selecting applicants for occupancy:

- Applicants must be individuals, not agencies or groups.

- Applicants must meet the current eligibility income limits for tax credits and any other program requirements.
- We will process the Rental Applications through a credit bureau to determine the credit worthiness of each applicant. If the score is below the threshold, and it has been determined that applicant has no bad credit and no negative rental history and no criminal history then the application can be conditionally approved after contacting the prior landlord. In these cases, the application must be reviewed by the Associate Director/ housing committee before final approval.

Note- If the applicant's denial is based upon a credit report, the applicant will be advised of the source of the credit report in accordance with the Federal Fair Reporting Act. Guidelines published by the Federal Trade Commission suggest that apartment managers fall under the provisions of the Act and are obligated to advise the person refused an apartment for credit reasons, the name and address of the credit reporting firm in writing. The credit report will not be shown to the applicant, nor will specific information be revealed.

- We will process the Rental Application through a credit bureau to determine any possible criminal conduct. Convictions will be considered, regardless of whether "adjudication" was withheld. A criminal background check will be used as part of the qualifying criteria. An applicant will automatically be denied if;
 - There is a conviction for the manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute a controlled substance within the past five years.
 - There is evidence in the criminal history that reveals that the applicant has developed a pattern of criminal behavior, and such behavior presents a real or potential threat to residents and/or property.
 - The application will be suspended if an applicant or member of the applicant's family has been arrested for a crime but has not yet been tried. The application will be reconsidered, within the above guidelines, after such legal proceedings have been concluded at applicants' request.
- Applicants must provide complete and accurate verification of all income of all family members. The household's annual income may not exceed the applicable limit and the household must meet the subsidy or assisted Income Limits as established for the area in which Middlebrook Trace is located. The annual income is compared to the area's Income Limits to determine eligibility.
- Family composition must be compatible for units available on the property.
- Applicants must receive satisfactory referrals from all previous Landlords.
- Applicants must provide verification of full-time student status for all individuals listed on the application as full-time student for tax credit units.
- Applicants must not receive a poor credit rating from the Credit Bureau and other credit reporting agencies and must demonstrate an ability to pay rent on time.
- Applicants must provide a doctor's statement and/or other proof of any handicap or disability.

- Applicants must provide all information required by current Federal regulations and policies.
- Applicants must have the demonstrated ability to maintain acceptable housekeeping standards.
- Applicants must meet current Federal program eligibility requirements for tax credits and any other programs.
- Preference will be given to those households whose family members are handicapped or disabled for housing in the units specifically designated for the handicapped or disabled.
- Applicants who meet the above criteria will be placed on a waiting list based on the date and time of their application. If an applicant turns down a unit for any reason, the applicant will be moved to the bottom of the waiting list. If the applicant turns down a unit for any reason a second time, the applicant will be removed from the waiting list.
- Held Vacant for 60 Days

Unit must be held vacant for 60 days during which marketing efforts must be documented. However, if marketing to the Target Population is deemed to be conducted satisfactorily on an ongoing basis throughout the year and management can provide sufficient documentation to VHDA's Compliance Officer, management may request the ability to lease 60-point Units and 30-point Units, to a household not in the Target Population without the unit remaining vacant for the 60-day timeframe. "Ongoing basis" means contact to at least two (2) resources at least monthly in the manner noted below at any time the required number of units is not actually occupied by the Target Population.

Each time a vacancy occurs in a 60-point Unit or a 30-point Unit, if a qualified household including a person in the Target Population is not located in the 60-day timeframe, the owner or manager may submit the evidence of marketing to VHDA's Compliance Officer and request approval to rent the unit to an income-qualified household not a part of the Target Population. If the request is approved, the lease must contain a provision that the household must move to a vacant unit of comparable size in the development if a household in the Target Population applies for the unit. The move will be paid for by the owner.

If no vacant unit of comparable size is available at that time, the Target Population prospective tenant should be placed on the development's waiting list and placed in the 60-point Unit or 30-point Unit, when the first available vacant comparably sized unit becomes available to move the non-Targeted Population tenant.

NOTE: The move of the temporary/non-disabled tenant will be paid for by the owner.
